The Cay Jul 28 2020 For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner, *The Cay*. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he's eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story... The idea that all humanity would benefit from this special form of color blindness permeates the whole book... The result is a story with a high ethical purpose but no sermon."—New York Times Book Review "A taut tightly compressed story of endurance and revelation... At once barbed and tender, tense and fragile—as Timothy would say, 'outrageous good.'"—Kirkus Reviews * "Fully realized setting... artful, unobtrusive use of dialect... the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature."—School Library Journal, Starred "Starkly dramatic, believable and compelling."—Saturday Review "A tense and moving experience in reading."—Publishers Weekly "Eloquently underscores the intrinsic brotherhood of man."—Booklist "This is one of the best survival stories since Robinson Crusoe."—The Washington Star · A New York Times Best Book of the Year · A School Library Journal Best Book of the Year · A Horn Book Honor Book · An American Library Association Notable Book · A Publishers Weekly Children's Book to Remember · A Child Study Association's Pick of Children's Books of the Year · Jane Addams Book Award · Lewis Carroll Shelf Award · Commonwealth Club of California: Literature Award · Southern California Council on Literature for Children and Young People Award · Woodward School Annual Book Award · Friends of the Library Award, University of California at Irvine

The Ka of Gifford Hillary Oct 11 2021 I am in prison awaiting trial for the murder of my wife's lover... My version of what occurred is so utterly fantastic that it is certain to be taken as an attempt by me to show that I am mad. But the doctors have already agreed that I am sane; so for myself I see no escape from the gallows. Nevertheless, I swear by Almighty God that all I am about to dictate into a recording machine is the truth, the whole truth and nothing but the truth. With Sir Gifford Hillary and Wing Commander Johnny Norton involved in plans to counter the might of Soviet Russia, interest soon centres on the evil Lady Ankaret and the tragedy which occurred at Longshot Hall, South Hampshire, on the night of the 9th September. A victim is struck down, and from that moment onwards the events which follow seem, at first, fantastic and unbelievable—but are later realised to be entirely logical. What does happen after death? And why should Sir Gifford find himself in prison, on trial for his life?

The Devil Rides Outside Apr 24 2020 No less a critic than Clifton Fadiman called *The Devil Rides Outside* a "staggering novel." The first novel of John H. Griffin, it

written during the author's decade of blindness following an injury suffered during the closing days of World War II. As Time Magazine described it, *The Devil Rides Outside* "has some things relatively rare in U.S. letters: energy, earnestness and unashamed religious fervor." Written as a diary, the novel relates the intellectual and spiritual battles of a young American musicologist who is studying Gregorian chant in a French Benedictine monastery. Even though he is not Catholic, he must live like the monks, sleeping in a cold stone cell, eating poor food, sharing latrine duties. His dreams rage with memories of his Paris mistress; his days are spent being encouraged by the monks to seek God. He takes up residence outside the monastery after an illness, but he finds the village a slough of greed and pettiness and temptation. Indeed, as the French proverb says, "the devil rides outside the monastery walls."

Here is that little known and intriguing story, drawn from previously unpublished restricted papers, and with a foreword by one of today's best-selling authors, Frederick Forsyth.
