Guide to Fine and Rare Australasian Books Sep 13 2022

Guide to the Presidency Feb 18 2023 The Guide to the Presidency is an

extensive study of the most important office of the U.S. political system. Its two volumes describe the history, workings and people involved in this office from Washington to Clinton. The thirty-seven chapters of the Guide, arranged into seven distinct subject areas (ranging from the origins of the office to the powers of the presidency to selection and removal) cover every aspect of the presidency. Initially dealing with the constitutional evolution of the presidency and its development, the book goes on to expand on the history of the office, how the presidency operates alongside the numerous departments and agents of the federal bureaucracy, and how the selection procedure works in ordinary and special circumstances. Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day, and the detailed overview of the vice-presidents and first ladies of each particular office. Also included are two special appendices, one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address, and another which provides results from elections and polls and statistics from each office.

The Shut Up and Shoot Documentary Guide May 21 2023 So you want to make a documentary, but think you don't have a lot of time, money, or experience? It's time to get down and dirty! Down and dirty is a filmmaking mindset. It's the mentality that forces you to be creative with your resources. It's about doing more with less. Get started NOW with this book and DVD set, a one-stop shop written by a guerrilla

filmmaker, for guerrilla filmmakers. You will learn how to make your project better, faster, and cheaper. The pages are crammed with 500 full-color pictures, tips from the pros, resources, checklists and charts, making it easy to find what you need fast. The DVD includes: * Video and audio tutorials, useful forms, and interviews with leading documentary filmmakers like Albert Maysles (Grey Gardens), Sam Pollard (4 Little Girls), and others * 50+ Crazy Phat Bonus pages with jump start charts, online resources, releases, storyboards, checklists, equipment guides, and shooting procedures Here's just a small sampling of what's inside the book: * Putting together a crew * Choosing a camera * New HDV and 24P cameras * Shooting in rough neighborhoods * Interview skills and techniques * 10 ways to lower your budget * Common production forms

Patriot Force Seven May 17 2020 Five years ago, the tragic events of Judgment Day ended the U.S. government and gave rise to twelve power-hungry men. Since that time, America has been embroiled in a bitter civil war that has pitted their Regional Armies against organized resistance cells. From sea to shining sea, valiant men and women fight courageously to restore the greatest democracy the world has ever known to its former glory - - and for their own survival! Jon Ricoh and his fellow freedom fighters in the Seventh Cell have battled the Ohio Regional Army to a stalemate. Across the Midwest, in the cities and in the countryside, the rebels launch guerrilla attack after guerrilla attack with their armored aircar squadrons, only to barely escape with their lives. But now the Ohio Region has infiltrated their ranks with one of their own. Will Ricoh discover the treachery before it's too late? Or has the Ohio Region finally set a trap that will spell the end for the Seventh Cell?

Hand Held Hollywood's Filmmaking with the iPad & iPhone Jun 22 2023 Filmmakers love gadgets. We flock to any new technology that demonstrates the slightest potential to help us conceptualize, visualize, and digitize our creative efforts. So why are we neglecting those touch-screen powerhouses hiding in our pockets and backpacks? It's time to make a change! In Hand Held Hollywood's Filmmaking with the iPad & iPhone, director Taz Goldstein exposes how these remarkable devices can aid in nearly every aspect of film and video production. Written to empower aspiring filmmakers and reenergize working professionals, this book will help transform your iOS devices into revolutionary filmmaking tools, perfect for brainstorming,

screenwriting, pitching, scheduling, storyboarding, camera blocking, shooting, editing, color correcting, mixing, distributing, and more. Time-tested techniques and film theory are woven into an entertaining and informative exploration of nearly 200 mind-blowing apps and accessories. • Get up to speed quickly with clear, thorough, and friendly descriptions. • Discover apps and accessories that can lower budgets by replacing thousands of dollars worth of traditional filmmaking equipment and software. • Start shooting today with a wide range of video camera apps, including specialty tools for variable speed effects, filtering, stabilization, collaborative shooting, and more. • Whether you're starting a new video or finishing an existing one, this book features the most helpful apps for your iPad and iPhone—including the iPhone 5. This unique and often humorous guide will benefit any mobile media maker who wants to get the most out of the technology they already own. ABOUT THE AUTHOR Taz Goldstein has been directing and producing for well over a decade. His award-winning films, television productions, and corporate projects have been enjoyed by millions of viewers worldwide. His popular website, HandHeldHollywood.com, has inspired and empowered a new generation of storytellers, and helped to launch the mobile filmmaking revolution.

Reminiscences of a Rebel Jul 11 2022 The author, a captain in Company I, 40th Va. Regt. and later lieutenant in the 47th Va. Regt., participated in all the great battles of the Army of Northern Virginia from Seven Pines to Gettysburg. This book records his experiences of the war, along with his comments on generals and on battles, and his memories of incarceration at the Old Capitol and Johnson Island prisons.

The Boys' Camp Manual Nov 22 2020

Koreo-Japonica Mar 07 2022 The Japonic (Japanese and Ryukyuan) portmanteau language family and the Korean language have long been considered isolates on the fringe of northeast Asia. Although in the last fifty years many specialists in Japonic and Korean historical linguistics have voiced their support for a genetic relationship between the two, this concept has not been endorsed by general historical linguists and no significant attempts have been made to advance beyond the status quo. Alexander Vovin, a longtime advocate of the genetic relationship view, engaged in a reanalysis of the known data in the hope of finding evidence in support of this position. In the process of his work, however, he became convinced that the multiple similarities between Japonic and Korean are the result of several centuries of contact and do not descend from a hypothetical common ancestor. In *Koreo-Japonica*, Vovin carefully reviews recent advances in the reconstruction of both language families. His detailed analysis of most of the morphological and lexical comparisons offered so far shows that whenever the proposed comparisons are not due to pure chance, they can almost always be explained as borrowings from Korean into a

central group of Japanese dialects from roughly between the third and eighth centuries A.D. The remaining group of lexical (but not morphological) comparisons that cannot be explained in this way is, he argues, too small to serve as proof of even a distant genetic relationship. In this volume, a leading historical linguist presents a significant challenge to a view widely held by Japonic and Korean historical linguistics on the relationship between the two language families and offers material support for the skepticism long espoused by general historical linguists on the matter. His findings will both challenge and illuminate issues of interest to all linguists working with language contact and typology as well as those concerned with the prehistory and early history of East Asia.

A Guide for Using Rifles for Watie in the Classroom Aug 20 2020

Jefferson Davis Bussey is sixteen when the Civil War breaks out. He can't wait to leave his Kansas farm and defend the Union against Colonel Watie, the leader of the dreaded Cherokee Indian rebels. But Jeff soon learns that there's more to our war than honor and glory. As an infantry soldier, he must march for miles, exhausted and near starvation. He sees friends die in battle. He knows that each move he makes could be his last. Then Jeff is sent to infiltrate the enemy camp as a spy. And it is there that he makes his most important discovery: The rebels are just men - and boys - like him. The only difference between them is their cause. Passing himself off as a rebel, Jeff waits for the information he needs to help the Union conquer the enemy forces. But when the time comes, Jeff finds himself up against a very difficult decision. Should he betray the enemy? Or join them?

Why Does He Do That? Apr 15 2020 In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about: • The early warning signs of abuse • The nature of abusive thinking • Myths about abusers • Ten abusive personality types • The role of drugs and alcohol • What you can fix, and what you can't • And how to get out of an abusive relationship safely “This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives.”—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

The Popular Guide to the House of Commons Dec 16 2022

Rebel Chronicles Dec 24 2020 *Rebel Chronicles Raiders, Scouts and Train Robbers of the Upper-Potomac* From the introduction In 1956, leading Mosby scholar Virgil Carrington Jones wrote *Gray Ghosts and*

Rebel Raiders. This well-written and researched 451-page book was the first detailed study of guerrilla warfare in the Eastern Theater of the war outside "Mosby's Confederacy." In this work, Jones introduces many students of the Civil War for the first time to the exploits of Confederate raiders such as Harry Gilmor, John and Jesse McNeill, and "Lige" White. He also documented the counter-insurgency methods employed by Union commanders against the Rebel partisan threat. Consequently, Jones produced the first detailed study illuminating that there was a war beyond the major battlefields of Virginia. The war took place in the South Branch Valley of what is now West Virginia and in the mountains and along the upper-Potomac region of West Virginia and Maryland. Jones' book still stands as an important source. But now in 2012, Steve French has written a study that compliments Jones and provides readers with what the late Paul Harvey used to say was "the rest of the story." Steve has woven a narrative in the pages that follow that brings Jones up-to-date. For example, Jones devoted one-page to Sharpsburg resident and Confederate scout Andrew Leopold. Jeb Stuart's favorite scout Redmond Burke gets two-pages. Conversely, Steve French devotes several chapters to the exciting lives and controversial deaths of these two overlooked Confederates. Along the way, the reader will gain a better understanding of the border war along the Potomac, in the South Branch Valley, and the Eastern Panhandle of West Virginia. After reading this fine work, you will no doubt conclude the war in this region was often as brutal and bloody as the guerrilla war on the Kansas-Missouri border. Steve's book is buttressed by a vast array of sources, many of them never before utilized in any other studies. The bibliography alone is worth the price of this book. Some scholars have thrown out the challenge that there is nothing new to write about on the Civil War. Let them read *REBEL CHRONICLES*. Steve French has provided us with a fresh look at an often-ignored phase of Civil War history.

Rebels without Borders Jan 17 2023 Rebellion, insurgency, civil war-conflict within a society is customarily treated as a matter of domestic politics and analysts generally focus their attention on local causes. Yet fighting between governments and opposition groups is rarely confined to the domestic arena. "Internal" wars often spill across national boundaries, rebel organizations frequently find sanctuaries in neighboring countries, and insurgencies give rise to disputes between states. In *Rebels without Borders*, which will appeal to students of international and civil war and those developing policies to contain the regional diffusion of conflict, Idean Salehyan examines transnational

rebel organizations in civil conflicts, utilizing cross-national datasets as well as in-depth case studies. He shows how external Contra bases in Honduras and Costa Rica facilitated the Nicaraguan civil war and how the Rwandan civil war spilled over into the Democratic Republic of the Congo, fostering a regional war. He also looks at other cross-border insurgencies, such as those of the Kurdish PKK and Taliban fighters in Pakistan. Salehyan reveals that external sanctuaries feature in the political history of more than half of the world's armed insurgencies since 1945, and are also important in fostering state-to-state conflicts. Rebels who are unable to challenge the state on its own turf look for mobilization opportunities abroad. Neighboring states that are too weak to prevent rebel access, states that wish to foster instability in their rivals, and large refugee diasporas provide important opportunities for insurgent groups to establish external bases. Such sanctuaries complicate intelligence gathering, counterinsurgency operations, and efforts at peacemaking. States that host rebels intrude into negotiations between governments and opposition movements and can block progress toward peace when they pursue their own agendas.

The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces Sep 01 2021

Appalachian Rebels Aug 12 2022 Appalachian Rebels chronicles the battles and skirmishes of the 5th Kentucky (part of the famed Orphan Brigade), the 10th Mounted Rifles and the 13th Kentucky Cavalry. Most of the one thousand strong compatriots were made up of men from the mountainous terrain of eastern Kentucky and surrounding areas fighting for the south. They came to the sleepy villa of Whitesburg, Kentucky, to enlist, knowing they were almost completely surrounded by Federal troops and those who sympathized with them. The only portal was through Pound Gap and an infamous trail known as Rebel Trace. Follow those men through Kentucky, Virginia, Tennessee, Ohio and Indiana as they dared to defy the odds and stood tall for close to forty-eight months, as America teetered in the balance. For the first time, the skirmishes and battles are documented in a timeline and recorded for prosperity. The authors have attempted to capture the essence of those brave Confederate soldiers struggle and have written about their exploits and plight in a sequential format. The reader can better grasp the hardships, trials, triumphs and tribulations of the band of brothers who the authors affectionately refer to as the Appalachian Rebels. RGB & DPC

Thirteen Months in the Rebel Army Apr 27 2021 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. **Thirteen Months in the Rebel Army** Oct 14 2022 "Thirteen Months in the Rebel Army" by William G. Stevenson is an autobiographical tale of Stevenson's time with the confederate army. From hospital visits to the infantry, the book is part observation and part commentary about the conditions of the rebels of the American Civil War. Though the Confederacy stood for something appalling, reading about their army gives an interesting insight to those who consider themselves lovers of history.

The DV Rebel's Guide Jul 23 2023 Written by Stu Maschwitz, co-founder of the Orphanage (the legendary guerrilla visual effects studio responsible for amazing and award-winning effects in such movies as Sin City, The Day After Tomorrow, and Harry Potter and the Goblet of Fire), this book is a must-have for all those budding filmmakers and students who want to produce action movies with visual effects but don't have Hollywood budgets. The Orphanage was created by three twenty-something visual effects veterans who wanted to make their own feature films and discovered they could do this by utilizing home computers, off the shelf software, and approaching things artistically. This guide details exactly how to do this: from planning and selecting the necessary cameras, software, and equipment, to creating specific special effects (including gunfire, Kung Fu fighting, car chases, dismemberment, and more) to editing and mixing sound and music. Its mantra is that the best, low-budget action moviemakers must visualize the end product first in order to reverse-engineer the least expensive way to get there. Readers will learn how to integrate visual effects into every aspect of filmmaking--before filming, during filming and with "in camera" shots, and with computers in postproduction. Throughout the book, the author makes specific references to and uses popular action movies (both low and big-budget) as detailed examples--including El Mariachi, La Femme Nikita, Die Hard, and Terminator 2. Note from the Publisher: If you have the 3rd printing of The DV Rebel's Guide, your disc may be missing the data files that accompany the book. If this is the case, please send an email to Peachpit in order to obtain the files at ask@peachpit.com
