Adams makes us laugh until we cry.”—San Diego Union-Tribune “Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain.”—The Atlantic Trilogy Collection is

the culmination of three years of writing, first with the book Inside Her Sea Within, which centered on poetry around love, sex, and other topics. Next was Transparency, which dove deeper while having a bigger focus on exploring the unknown, going deeper into prose and challenging the author's writing style. The final book in the Trilogy is Heart Haven, which is exclusive to this full collection book. Four school friends find something in the woods that has been hidden there for ages and never had contact with the outside world ...until they discovered it. And the small town of Lobo Cliff, Florida will never be the same. But this cure can also turn him into a monster. John Rodriguez, the new head of a secret agency tasked to monitor Area X—a lush and remote terrain mysteriously
