In dramatic, tightly focused narratives charged with tension, menace, and the shock of the unexpected, *Where Is Here?* examines a world in which ordinary life is electrified by the potential for sudden change. Domestic violence, fear and abandonment and betrayal, and the obsession with loss shadow the characters that inhabit these startling, intriguing stories. With the precision and intensity that are the hallmarks of her remarkable talent, Joyce Carol Oates explores the unexpected turns of events that leave people vulnerable and struggling to puzzle out the consequences of their abrupt reversals of fortune. As in the title story, in which a married couple find their controlled life irrevocably altered by a stranger's visit, the fiction in this new collection is punctuated again and again by mysterious, perhaps unanswerable, questions: "Out of what does our life arise? Out of what does our consciousness arise? Why are we here? Where is here?" Like the questions they pose, these tales -- at once elusive and direct -- unfold with the enigmatic twists of riddles and, often, the blunt shock of tragedy. *Where Is Here?* is the work of a master practitioner of the short story. Poe, 'The House of Usher,' and the American Gothic discusses the interrelation between Poe's tale and the modern horror genre, demonstrating how Poe's work continues to serve as a model for exploring the deepest and most primitive corners of the human mind and heart. Edgar Allan Poe learns more of the House of Usher, when a late night visitor seeks his assistance in recovering her kidnapped child from Madeline. Madeline Usher has been buried alive. The doomed heroine comes to the fore in this eerie reimagining of Edgar Allan Poe's classic short story "The Fall of the House of Usher." Gothic, moody, and suspenseful from beginning to end, *The Fall* is literary horror for fans of Miss Peregrine's Home for Peculiar Children and Asylum. Madeline awakes in a coffin. And she was put there by her own twin brother. But how did it come to this? In short, non-chronological chapters, Bethany Griffin masterfully spins a haunting and powerful tale of this tragic heroine and the curse on the Usher family. The house itself is alive, and it will never let Madeline escape, driving her to madness just as it has all of her ancestors. But she won't let it have her brother, Roderick. She'll do everything in her power to save him—and try to save herself—even if it means bringing the house down around them. With a sinister, gothic atmosphere and relentless tension to rival Poe himself, Bethany Griffin creates a house of horrors and introduces a whole new point of view on a timeless classic. Kirkus Reviews praised it in a starred review as "A standout take on the classic haunted-house tale replete with surprises around every shadowy corner." -*The Fall of the House of Usher*- shows Poe's ability to create an emotional tone in his work, specifically feelings of fear, doom, and guilt. These emotions center on Roderick Usher, who, like many Poe characters, suffers from an unnamed disease. Like the narrator in -*The Tell-Tale Heart*-, his disease inflames his hyperactive senses. The illness manifests physically but is based in Roderick's mental or even moral state. He is sick, it is suggested, because he expects to be sick based on his family's history of illness and is, therefore, essentially a hypochondriac. Similarly, he buries his sister alive because he expects to bury her alive, creating his own self-fulfilling prophecy. The House of Usher, itself doubly referring both to the actual structure and the family, plays a significant role in the story. It is the first -character- that the narrator introduces to the reader, presented with a humanized description: its windows are described as -eye-like- twice in the first paragraph. The fissure that develops in its side is symbolic of the decay of the Usher family and the house -dies- along with the two Usher siblings. This connection was emphasized in Roderick's poem -*The Haunted Palace*- which seems to be a direct reference to the house that foreshadows doom. The tale opens with the unnamed narrator arriving at the house of his friend, Roderick Usher, having received a letter from him in a distant part of the country complaining of an illness and asking for his comfort. *The Fall of the House of Usher* by Edgar Allan Poe -is a short story by American writer Edgar Allan Poe, first published in 1839 in Burton's Gentleman's Magazine, then included in the collection *Tales of the Grotesque and Arabesque* in 1840. The short story, a work of Gothic fiction, includes themes of madness, family, isolation, and metaphysical identities. Plot: The story begins with the unnamed narrator arriving at the house of his friend, Roderick Usher, having received a letter from him in a distant part of the country, complaining of an illness and asking for his help. As he arrives, the narrator notices a thin crack extending from the roof, down the front of the house and into the adjacent tarn, or lake. It is revealed that Roderick's sister, Madeline, is also ill and falls into cataleptic, deathlike trances. Roderick and Madeline are the only remaining members of the Usher family. The narrator is impressed with Roderick's paintings and attempts to cheer him by reading with him and listening to his improvised musical compositions on the guitar. Roderick sings "The Haunted Palace", then tells the narrator that he believes the house he lives in to be alive, and that this sentience arises from the arrangement of the masonry and vegetation surrounding it. Further, Roderick believes that his fate is connected to the family mansion. Roderick later informs the narrator that Madeline has died. Fearing that her body will be exhumed for medical study, Roderick insists that she be entombed for two weeks in the family tomb located in the house before being permanently buried. The narrator helps Roderick put Madeline's body in the tomb, whereupon the narrator realizes that Madeline and Roderick are twins. The narrator also notes that Madeline's body has rosy cheeks, which sometimes happens after death. Over the next week, both Roderick and the narrator find themselves increasingly agitated. This collection of specially-commissioned essays by experts in the field explores key dimensions of Edgar Allan Poe's work and life. Contributions provide a series of alternative perspectives on one of the most enigmatic and controversial American writers. The essays, specially tailored to the needs of undergraduates, examine all of Poe's major writings, his poetry, short stories and criticism, and place his work in a variety of literary, cultural and political contexts. They situate his imaginative writings in relation to different modes of writing: humor, Gothicism, anti-slavery tracts, science fiction, the detective story, and sentimental fiction. Three chapters examine specific works: *The Narrative of Arthur Gordon Pym*, 'The Fall of the House of Usher', 'The Raven', and 'Ulalume'. The volume features a detailed chronology and a comprehensive guide to further reading, and will be of interest to students and scholars alike. "Inspired by Edgar Allan Poe's 'The fall of the house of Usher.'" Retold in graphic novel form, the narrator visits Roderick Usher, who is dying under the spell of a family curse, and witnesses the final destruction of the Usher family. John Charles Poe, a small-town reporter in Crowley, Virginia, drinks a lot of bourbon and works because he doesn't have to. The heir to the family fortune, he has just received the most unusual part of the Poe legacy-the casket. The three-foot-long wooden box contains the notes and personal papers of the Poe men dating back to the eerie and mysterious Edgar Allen. It is passed on to every male Poe on his thirtieth birthday. John Charles has sworn not to divulge its secrets, but a call from his oldest friend, Roderick Usher, on the verge of a breakdown, may justify a broken oath. Seminar paper from the year 2007 in the subject American Studies - Literature, grade: 1,7, University of Duisburg-Essen, 7 entries in the bibliography, language: English, abstract: The short story "The Fall of the House of Usher", written by Edgar Allen Poe, was published the first time in the year 1839 in the September issue of Burton's Gentleman's Magazine; it was and still is considered one of Poe's most popular stories. Many critics and interpreters have brought to attention, that this story, more than any other of Poe's works, contain information and hints about the life of Edgar Allen Poe himself. While the character of Roderick Usher seems to be an image of Poe himself, the character of Roderick's twin sister Madeline Usher can be seen as an image of Virginia Clemm, who was actually Poe's first cousin as well as his child bride. Virginia died on January 30, 1847, on behalf of tuberculosis. "Certainly, the wasting away of Madeline Usher strongly calls to mind the suffering of [...] Virginia Clemm." In this term paper I am going to point out the parallels and similarities between Edgar Allen Poe and Roderick Usher, as well as those between Virginia Clemm and Madeline Usher. I too, like many others, believe that Poe was inspired to write "The Fall of the House of Usher" by his own life as well as the life of his child-bride Virginia, especially the events of Virginia's death, which had sent Poe into deep depression and inspired many of his tales and poems. Follow the macabre events that sweep the narrator into the haunted world of Roderick Usher-a morbid recluse and slave to fear-whose descent into madness inevitably brings the great House of Usher to its most sinister fate. Seminar paper from the year 2009 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Wuppertal, course: Grundlagenseminar B: Amerikanische Literaturwissenschaft, language: English, abstract: With close reference to Edgar Allan Poe's short story, "The Fall of the House of Usher", the interpretation will be put forward that the tale's key issue is not, as the title suggests, the collapse of the family mansion, but the 'fall, ' with its connotation of 'failure, ' of the narrator's rational ability to account for his experiences at the Ushers'. In order to justify this reading of the story, the narrator's identity and the purpose of his stay at the House of Usher will be clarified first. It will be illustrated that rationality is the narrator's key method of analysis used to analyze the observations he makes at the protagonist's home. Additionally, instances of the narrator's frustration to rely upon scientific knowledge will be demonstrated. After having paid attention to the growing psychological impact of the proceeding events on the narrator, the question of which message Poe wants to portray to the reader will be addressed. Set

A deluxe anthology of works by Edgar Allan Poe that inspired Netflix's The Fall of the House of Usher, curated by series creator Mike Flanagan There was an iciness, a sinking, a sickening of the heart—an unredeemed dreariness of thought which no goading of the imagination could torture into aught of the sublime. What was it—I paused to think—what was it that so unnerved me in the contemplation of the House of Usher? Slip behind the bleak walls and vacant windows of Netflix's reimagining of the mansion of doom in this anthology of works by Edgar Allan Poe that inspired the limited series The Fall of the House of Usher. From well-loved classics like “The Raven” and “The Tell-Tale Heart” to lesser-known gems such as “Tamerlane” and “The Murders in the Rue Morgue,” these collected tales have withstood the test of time, haunting readers for nearly two hundred years. With a foreword by series creator and horror maverick Mike Flanagan, this anthology is the perfect viewer's companion to Netflix's The Fall of the House of Usher. The Fall Of The House Of Usher By Edgar Allan Poe "The Fall of the House of Usher" is a short story by American writer Edgar Allan Poe, first published in 1839 in Burton's Gentleman's Magazine, then included in the collection Tales of the Grotesque and Arabesque in 1840. The Fall Of The House Of Usher By Edgar Allan Poe "The Fall of the House of Usher" shows Poe's ability to create an emotional tone in his work, specifically emphasizing feelings of fear, impending doom, and guilt. These emotions center on Roderick Usher, who, like many Poe characters, suffers from an unnamed disease. The Fall Of The House Of Usher By Edgar Allan Poe This selection of Poe's critical writings, short fiction and poetry demonstrates an intense interest in aesthetic issues and the astonishing power and imagination with which he probed the darkest corners of the human mind. The Fall of the House of Usher describes the final hours of a family tormented by tragedy and the legacy of the past. In the Tell Tale Heart, a murderer's insane delusions threaten to betray him, while stories such as The Pit and the Pendulum and the Cask of Amontillado explore extreme states of decadence, fear and hate. Nevertheless, in this mansion of gloom I now proposed to myself a sojourn of some weeks. Its proprietor, Roderick Usher, had been one of my boon companions in boyhood; but many years had elapsed since our last meeting. A letter, however, had lately reached me in a distant part of the country—a letter from him—which, in its wildly importunate nature, had admitted of no other than a personal reply. The MS. gave evidence of nervous agitation. The writer spoke of acute bodily illness—of a mental disorder which oppressed him—and of an earnest desire to see me, as his best and indeed his only personal friend, with a view of attempting, by the cheerfulness of my society, some alleviation of his malady. It was the manner in which all this, and much more, was said—it was the apparent heart that went with his request—which allowed me no room for hesitation; and I accordingly obeyed forthwith what I still considered a very singular summons. Classic tales of mystery, terror, imagination, and suspense from the celebrated master of the macabre. This volume gathers together fourteen of Edgar Allan Poe's richest and most influential tales, including: “The Pit and the Pendulum,” his reimagining of Inquisition tortures; “The Tell-Tale Heart,” an exploration of a murderer's madness, which Stephen King called “the best tale of inside evil ever written”; “The Fall of the House of Usher,” Poe's tour de force about a family doomed by a grim bloodline curse; and his pioneering detective stories, “The Purloined Letter” and “The Murders in the Rue Morgue,” featuring a rational investigator with a poetic soul. Also included is Poe's only full-length novel, Narrative of A. Gordon Pym. With an Introduction by Stephen Marlowe and an Afterword by Regina Marler A comfortable, suburban family man receives a desperate call from a forgotten childhood acquaintance. Thus starts a journey into madness that takes Ed Allen to the House of Usher and its terrible secrets and temptations. This modern adaptation of the classic short story by Edgar Allen Poe transports Gothic horror into the 90s, questioning the definition of sanity in the same way Poe did. This is an exhilarating theatrical adventure with an apocalyptic ending. Actors and designers will be challenged in new ways in this unpredictable and wildly entertaining play. Poe's classic tale lives on in this gothic novel of ancestral madness in the mountains of modern-day North Carolina, from a New York Times–bestselling author. Ever since Edgar Allan Poe looted a family's ignoble secret history for his classic story “The Fall of the House of Usher,” living in the shadow of that sick dynasty has been an inescapable scourge for generations of Usher descendants. But not for horror novelist Rix Usher. Years ago, he fled the isolated family estate of Usherland in the menacing North Carolina hills to pursue his writing career. He promised never to return. But his father's impending death has brought Rix back home to assume the role of Usher patriarch—and face his worst fears. His arrival forces him to confront a devious and impassive family and his vulnerable sister's slow descent into insanity. Stirring memories of the grim folktales born out of the surrounding Briartop Mountains and the terrifying legends of missing children, Rix knows that in the dark, twisted corridors of Usherland, that dreadful something he saw as a young boy is still there. It's waiting for him, as decayed and undying as the Usher heritage, and more depraved than anything Poe could have imagined. This eerie novel by the Bram Stoker Award–winning author of Swan Song and Boy's Life is “a frightening pleasure” and a worthy tribute to the master who inspired it (St. Louis Post-Dispatch). Roderick Usher's fate is inextricably intertwined with that of his sister, Madeline, and that of their estate. As one falls, so do they all. “The Fall of the House of Usher” is considered Edgar Allan Poe's greatest work, and a masterpiece of Gothic horror. A pioneer of the short story genre, Poe's stories typically captured themes of the macabre and included elements of the mysterious. His better-known stories include “The Fall of the House of Usher”, “The Pit and the Pendulum”, “The Murders in the Rue Morgue”, “The Masque of the Red Death” and “The Tell-Tale Heart”. The story begins with the unnamed narrator arriving at the house of his friend, Roderick Usher, having received a letter from him in a distant part of the country complaining of an illness and asking for his help. As he arrives, the narrator notes a thin crack extending from the roof, down the front of the building and into the adjacent lake. Although Poe wrote this short story before the invention of modern psychological science, Roderick's condition can be described according to its terminology. It includes a form of sensory overload known as hyperesthesia (hypersensitivity to textures, light, sounds, smells and tastes), hypochondria (an excessive preoccupation or worry about having a serious illness) and acute anxiety. It is revealed that Roderick's twin sister, Madeline, is also ill and falls into cataleptic, deathlike trances. The narrator is impressed with Roderick's paintings, and attempts to cheer him by reading with him and listening to his improvised musical compositions on the guitar. Roderick sings "The Haunted Palace," then tells the narrator that he believes the house he lives in to be alive, and that this sentience arises from the arrangement of the masonry and vegetation surrounding it. Roderick later informs the narrator that his sister has died and insists that she be entombed for two weeks in the family tomb located in the house before being permanently buried. The narrator helps Roderick put the body in the tomb, and he notes that Madeline has rosy cheeks, as some do after death. They inter her, but over the next week both Roderick and the narrator find themselves becoming increasingly agitated for no apparent reason. A storm begins. Roderick comes to the narrator's bedroom, which is situated directly above the vault, and throws open his window to the storm. He notices that the tarn surrounding the house seems to glow in the dark, as it glowed in Roderick Usher's paintings, although there is no lightning. The narrator attempts to calm Roderick by reading aloud The Mad Tryst, a novel involving a knight named Ethelred who breaks into a hermit's dwelling in an attempt to escape an approaching storm, only to find a palace of gold guarded by a dragon. He also finds, hanging on the wall, a shield of shining brass on which is written a legend: Who entereth herein, a conqueror hath bin; Who slayeth the dragon, the shield he shall win;[1] With a stroke of his mace, Ethelred kills the dragon, who dies with a piercing shriek, and proceeds to take the shield, which falls to the floor with an unnerving clatter. As the narrator reads of the knight's forcible entry into the dwelling, cracking and ripping sounds are heard somewhere in the house. When the dragon is described as shrieking as it dies, a shriek is heard, again within the house. As he relates the shield falling from off the wall, a reverberation, metallic and hollow, can be heard. Roderick becomes increasingly hysterical, and eventually exclaims that these sounds are being made by his sister, who was in fact alive when she was entombed. Additionally, Roderick somehow knew that she was alive. The bedroom door is then blown open to reveal Madeline standing there. She falls on her brother, and both land on the floor as corpses. The narrator then flees the house, and, as he does so, notices a flash of moonlight behind him which causes him to turn back, in time to see the moon shining through the suddenly widened crack. As he watches, the House of Usher splits in two and the fragments sink into the tarn. Edgar Allan Poe's THE FALL OF THE HOUSE OF USHER ans Ray Bradbury's USHER II as a graphic novel, illustrated by Allois. An unnamed narrator approaches the house of Usher on a "dull, dark, and soundless day." This house—the estate of his boyhood friend, Roderick Usher—is gloomy and mysterious. The narrator observes that the house seems to have absorbed an evil and diseased atmosphere from the decaying trees and murky ponds around it. He notes that although the house is decaying in places—individual stones are disintegrating, for example—the structure itself is fairly solid. There is only a small crack from the roof to the

ground in the front of the building. He has come to the house because his friend Roderick sent him a letter earnestly requesting his company. Roderick wrote that he was feeling physically and emotionally ill, so the narrator is rushing to his assistance. The narrator mentions that the Usher family, though an ancient clan, has never flourished. Only one member of the Usher family has survived from generation to generation, thereby forming a direct line of descent without any outside branches. The Usher family has become so identified with its estate that the peasantry confuses the inhabitants with their home. \*\*Corben adapts Poe!\*\* A sickness resides in the house of Usher.
