Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. Selections from

over 20,000 letters written from London by Lord Fife to his Factor ("doer" or agent) in Scotland, William Rose, who carefully preserved all the letters. Although Lord Fife's eighty years (1729-1809) were all lived under two sovereigns, thirty-one years in the reign of George II, and forty-nine in that of George III, yet he linked up three distinct political and literary ages. When he was born, Steele, Sterne, Defoe, Gay, Swift, Pope, and Bolingbroke were still living; Johnson was only twenty years, Chatham twenty-one, and Horace Walpole twelve years older than he. Among his contemporaries and friends were Burke, Reynolds, Goldsmith, Garrick, the younger Pitt, Henry Dundas, Clive, Warren Hastings, Lord North, and Charles, Lord Stanhope. Nelson, Napoleon, and Wellington were all born while he was in middle life. When he was becoming an old man, Carlyle and Maccaulay were born, and Wordsworth, Coleridge, Southey, Scott, and Byron rose to fame, while 1809, the year of his death was that of the births of Alfred Tennyson, Edward FitzGerald, and Gladstone. He wrote much more naturally and in less stilted language than most men of his time. Storyteller Sheila Kinninmonth brings together stories from the coastal fishing villages, rushing rivers, magical green farmland and rolling hills of Fife. In this treasure trove of tales you will meet Scottish Kings and Queens, saints and sinners, witches and wizards, ghosts and giants, broonies, fools and tricksters – all as fantastical and powerful as the landscape they inhabit. Retold in an engaging style, and richly illustrated with unique line drawings, these humorous, clever and enchanting folk tales are sure to be enjoyed and shared time and again. The Kingdom of Fife, as it is still proudly known, lies at the heart of Scotland.

From earliest times it had been the centre of power and is of historical significance. This volume covers the history of the area from Cardinal Beaton's murder to local mining and Victorian monuments. Reproduction of the original. A collection of 78 tunes containing some Civil War selections as well as many other traditional favorites. Each arrangement features harmony, style marks and guitar chords. The music is supplemented with histories of the tunes and drumbeats. Complete Music for Fife and Drum was compiled by a professional fifer and is intended for the military fife in B-flat. This book offers tunes from the Revolutionary and Civil War eras with suggested snare and bass drum parts as well as chord progressions. It also contains a wealth of fife history and resources. A ketogenic diet is one that is very low in carbohydrate and high in fat, with moderate protein. Such a diet shifts the body into an ultra-efficient metabolic state in which fat is utilized as the primary source of fuel in place of glucose (sugar). This metabolic state, known as nutritional ketosis, has a pronounced therapeutic effect on the body. The diet has proven safe and effective in helping people lose excess weight, improve mental function, balance blood sugar and pressure, improve cholesterol levels, and much more. Described as the ultimate ketogenic cookbook, Dr. Bruce Fife has compiled into one volume his favorite ketogenic recipes, nearly 450 in all! It includes 70 vegetable recipes, 47 salads and 22 dressings, 60 egg recipes, 50 delicious high-fat sauces for meats and vegetables, as well as a variety of mouthwatering wraps, soups, and casseroles, with a creative array of meat, fish, and poultry dishes. With this resource, you will always have plenty of options to choose from for your daily

needs. No exotic or hard-to-find ingredients here. This is a practical cookbook that can be used every day for life. All of the recipes are simple, with ingredients that are readily available at your local grocery store. None of the recipes include any artificial sweeteners, sugars, flavor enhancers, gluten, grains, or other questionable ingredients. Recipes use only fresh, wholesome, natural foods to guarantee optimal health. Some of the recipes in this book include: chicken pot pie, corned beef and cabbage, barbecue beef short ribs, sirloin tip roast with roasted vegetables, roasted rolled pork belly with mushroom stuffing, rosemary lemon pork chops, lamb patties with mushroom gravy, shepherd's pie, low-carb turkey dressing, crispy chicken wings, Parmesan chicken strips, pecan-breaded fish fillets, breakfast pizza, coco fries, avocado bacon wraps, and beef stroganoff. Franco Pace ... has brought together years of research and photography to celebrate the work of William Fife Jnr, one of the great geniuses of yacht design. All of the yachts featured here were designed in Scotland between 1890 and the Second World War, and are ... considered amongst the most beautiful, most elegant and fastest ever built. ..."--Jacket. Reprint of the original, first published in 1857. Along the coast of Fife, in villages like Culross and Pittenweem, history records that some women were executed as witches. Nevertheless, the reality of what happened the night that Janet Cornfoot was lynched at Pittenweem is hard to grasp as one sits by the harbour watching the fishing boats unload their catch and the pleasure boats rising with the tide. How could people do this to an old woman? Why was no-one ever brought to justice? And why would anyone defend such a lynching? The task of the historian is to try to make events in the

past come alive and seem less strange. The details of the witch-hunt are fascinating. Some of the anecdotes are strange. The modern reader finds it hard to imagine illness being blamed on the malevolence of a beggar woman denied charity, or the economic failure of a sea voyage being attributed to the village hag, not bad weather. Witch-hunting was related to ideas, values, attitudes and political events. It was a complicated process, involving religious and civil authorities, village tensions and the fears of the elite. The witch-hunt in Scotland also took place at a time when one of the main agendas was the creation of a righteous or godly society. As a result, religious authorities had control over aspects of people's lives which seem as strange to us today as beliefs about magic or witchcraft. It was not accidental that the witch-hunt in Scotland, and specifically in Fife, should have happened at this time. This book tells the story of what occurred over a period of a century and a half, and offers some explanation as to why it occurred.

"Scarlett's in big trouble after a BIG FEELINGS episode leads to a runaway hamster getting into the vicar's trousers at her aunty's engagement party. If she loses her temper ONE MORE TIME, she's going to miss out on her trip to Mega Awesome Sicky Fun World, the best theme park on the planet. But feelings are like slime in a party bag. No matter how much someone tells you to keep it in, it'll always find its way out. And very soon, Scarlett notices that every time she pushes her feelings down, something explodes. Like... really, properly explodes. It might be her teacher's slimy green smoothie. A huge pot of purple paint. Or a massive pile of elephant poo at the zoo. And let's hope Scarlett doesn't get mad at Aunty's wedding - that wedding cake is

HUGE."--Publisher's description. When the citizens of Fife voted to incorporate the town in 1957, they sought to control their destiny and retain their idyllic community. However, Fife's location between the burgeoning cities of Tacoma and Seattle and proximity to Commencement Bay presented challenges of eminent domain, which ultimately brought about the transformation of the fabric of the land. This history documents the transformation of Fife from the establishment of the Puyallup Indian Reservation through that of the pioneer farmers who worked the rich, volcanic soil while developing a close-knit community of families and friends. An easy-to-understand, basic instructional text for the fife. Presents wonderful fife tunes and carefully written studies. Tunes include: Albina; Aldridge's Allemande; All Through the Night; and many more fun titles! DigiCat Publishing presents to you this special edition of "The Fife and Forfar Yeomanry, and 14th (F. & F. Yeo.) Battn. R.H. 1914-1919" by D. Douglas Ogilvie. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. Walter Burt explores the history of tram and bus services in Kirkcaldy and the surrounding area. David Devoy explores Fife's Independent Buses. Just shy of his fourteenth birthday, young Fife leaves home after the passing of his mother to enlist in the Union Army. With dreams of glory and visions of capturing old Robert E. Lee himself and leading him by the bayonet to President Lincoln, Fife lies about his age to take musket and join the

men of the 137th NYSV. As soldiers seek relief from the boredom of camp life, Fife finds himself at the head of a grand snowball fight and a momentous baseball match-but visions of glory take a drastic turn as Fife is soon thrust into the horrors of battle at Antietam and Chancellorsville. But it will be upon a patch of ground on a small hill overlooking a town called Gettysburg where the volunteers of the 137th will hold the balance of a terrible battle in their hands. Facing overwhelming odds as Rebel forces swarm to take the hill in which Fife and the 137th must hold at all costs, young Fife will come face-to-face with the harsh realities of America's Civil War. "The airing of the issues that led to the war are remarkably balanced and accurate, which seems pretty rare in Civil War literature of any kind. The ending is really first-rate." John Perry, author of *Mrs. Robert E. Lee: The Lady of Arlington*. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Provides fourteen easy lessons followed by

more than one hundred tunes, many of which date back to the Revolutionary War. The authors present a brief history of the fife, its characteristics, and its use by the military through the ages as well as at Fort Snelling.
