THE STORY: The home of the Blackwoods near a Vermont village is a lonely, ominous abode, and Constance, the young mistress of the place, can't go out of the house without being insulted and stoned by the villagers. They have also composed a nasty s In Confidence Culture, Shani Orgad and Rosalind Gill argue that imperatives directed at women to "love your body" and "believe in yourself" imply that psychological blocks rather than entrenched social injustices hold women back. Interrogating the prominence of confidence in contemporary discourse about body image, workplace, relationships, motherhood, and international development, Orgad and Gill draw on Foucault's notion of technologies of self to demonstrate how "confidence culture" demands of women near-constant introspection and vigilance in the service of self-improvement. They argue that while confidence messaging may feel good, it does not address structural and systemic oppression. Rather, confidence culture suggests that women—along with people of color, the disabled, and other marginalized groups—are responsible for their own conditions. Rejecting confidence culture's remaking of feminism along individualistic and neoliberal lines, Orgad and Gill explore alternative articulations of feminism that go beyond the confidence imperative. Revised and Expanded Edition God has created you to be confident, bold, and free-free to be yourself, free from the need to compare yourself to others, and free to step into His destiny for your life. Based on her #1 New York Times bestseller The Confident Woman, Joyce Meyer taps into concerns and issues that many women commonly experience-lack of confidence, poor self-image, dysfunctional relationships-and provides encouragement and practical wisdom to help resolve problems in those areas of life. In today's busy, fast-paced world, it's easy to forget the need to slow down and live in the present, while holding on to personal "baggage" that's keeping you from being the woman God created you to be. But this powerful daily devotional, revised and expanded with new insights, inspirational quotes, and practical action items, will help you on your journey toward a confident life filled with love, laughter, and God's acceptance, one day at time. What keeps women from being their best? Joyce has been helping women better themselves by helping identify emotional barriers and physical, mental, and spiritual obstacles in their lives for years. Now she provides another answer-confidence. Our society has an insecurity epidemic, women in particular.

Compensating by pretending to be secure—a common response—only leads to feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds, and in marriage instances can even lead to divorce. In *THE CONFIDENT WOMAN*, Joyce explores the seven characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith, in God and in ourselves. This book is a guide to building self-confidence in Women of all cultures and religions. Through encouragement and motivation tips you will learn to understand the confidence most people, especially women, lack in their ventures to new relationships and in daily life routines. This will energize your ability to gain control of bad situations and how to handle them confidently. "If you can dream it, you can make it reality". Through this book you will find a guide that will take you through a healthy journey that you've always wanted. French women are famous for their effortless elegance, their enchanting independence, their irresistible charm and their unshakable self-confidence. Would you like to discover the secrets of these consistently confident women? In *French Women's Confidence Secrets*, twelve of Dr Margaretha Montagu's closest French friends share their confidence secrets with you. Margaretha has lived in France for part of her childhood and for most of her adult life. She has spent nearly twenty-five years, first as a medical doctor and more recently as a workshop leader, empowering women to live long, happy, healthy and fulfilling lives, full of purpose and meaning. Discover the secrets of 12 supremely self-confident women. In this book, you will meet twelve French women, Anais, Ines, Lisa, Marie-Therese, Claire, Regine, Amelie, Corrine, Beatrice, Annie, Monique and Eloise who will share their stories with you. As you share these women's joys and sorrows, you will discover how they remain unconditionally self-confident, serenely sophisticated and perfectly poised no matter how challenging the situations are that they find themselves in. To each story and to every secret, Dr Montagu brings her extensive knowledge and experience, with practical suggestions to help you incorporate each of these potentially life-changing strategies into your own life. *French Women's Confidence Secrets* is a guide to becoming a woman who knows exactly who she is, who takes excellent care of herself, who leads a balanced, purposeful and fulfilling life, who has a solid support network, who can laugh at herself, who knows she has a lot to be grateful for, who knows how to forgive, who competently handles stress, who knows how to say NO without apologising and who knows that being ageless is all about attitude. This book will empower you to make quick decisions in difficult situations based on what is really important to you accept yourself and appreciate your unique talents and abilities believe in yourself so that you can make the changes you want to make in your life deal with stress before it damages your physical or mental health care for yourself physically, mentally and spiritually build strong long-lasting relationships create a solid and reliable support network so that you can ask for help before you feel totally overwhelmed set firm boundaries and say NO without feeling guilty or needing to explain focus on what you can learn from an experience rather on what went wrong realise that whatever age you are at is the best age for you to be stop criticising yourself and celebrate your success without needing to apologise for being brilliant And much, much more. This book is for women of all ages, convictions, orientations and cultures. If you too want to master the skills you need to develop rock-solid self-confidence, this book is for you." The Senior Vice President of Christie's and seasoned auctioneer Lydia Fenet, with her "razor-sharp humor and her don't-mess-with-me gavel strike" (Mariska Hargitay, star of *Law & Order: Special Victims Unit*), shares the secrets of success and the strategies behind her revolutionary sales approach to show you how to embrace and channel your own power in any room. Who is the most powerful woman in the room? She's the one who can raise a million dollars in a minute. She's the one who can command the attention of a group of any size from one person to five thousand. She's the one who can sell anything to anyone. And she can be you. As a senior executive at Christie's, leader in her field, and one of *Gotham* magazine's Most Influential Women in New York, Lydia Fenet knows firsthand that the one skill that can set women apart in both their personal life and career is the ability to sell. *The Most Powerful Woman in the Room Is You* equips you with everything you need to know—from how to sell authentically and how to network (or die), to the importance of never apologizing (start negotiating instead), how to perfect your poker face, and always, always, tell the truth. Most of all, she offers plenty of encouragement to take ownership in your position and look for opportunities to innovate. Filled with

additional case studies, thoughtful insights, and meaningful advice from some of the most powerful and successful women in business, fashion, journalism, sports, and the arts, *The Most Powerful Woman in the Room Is You* "is an insightful, inspiring guide for women who are trying to claim their own seat at the table" (New York Journal of Books). Revised and Expanded Edition God has created you to be confident, bold, and free-free to be yourself, free from the need to compare yourself to others, and free to step into His destiny for your life. Based on her #1 New York Times bestseller *The Confident Woman*, Joyce Meyer taps into concerns and issues that many women commonly experience—lack of confidence, poor self-image, dysfunctional relationships—and provides encouragement and practical wisdom to help resolve problems in those areas of life. In today's busy, fast-paced world, it's easy to forget the need to slow down and live in the present, while holding on to personal "baggage" that's keeping you from being the woman God created you to be. But this powerful daily devotional, revised and expanded with new insights, inspirational quotes, and practical action items, will help you on your journey toward a confident life filled with love, laughter, and God's acceptance, one day at a time. Twenty-two students of Winston Elementary School are being held hostage. The gunmen are demanding the release of ISIS leaders held in Iraq. A rescue attempt by the FBI could get the children killed. Altaf Khan, a 48-year-old Pakistani American, may be able to help them infiltrate the terrorists' network. However, one of the captors is his son, Zain. *Azalea Heights* is a clash-of-cultures story of a diverse cast of characters wanting to make a fresh start. Naina is recently divorced and is learning to live alone. Rohan is a small-time restaurateur with big dreams. Altaf, a proud American citizen, is struggling with the radicalization of his teenage son. Gerard is a retired Iraq veteran fighting with his inner demons and legacy of the war. When they move to a new development called *Azalea Heights*, their paths inevitably cross and result in a chain of events that upend their lives. *Azalea Heights* captures the escalating tensions within the neighborhood, but also recognizes the American spirit, when people with disparate ideologies, beliefs, and politics come together in a moment of crisis. *Azalea Heights* deals with multiple layers of racism in American society. It delves into the protagonists' psyches, their hopes, fears, and biases, the shocking secrets they keep, and the terrible choices they make. In the end, it boils down to a single principle: doing the right thing, regardless of consequences. Fans of *Little Fires Everywhere*, *An American Marriage*, and *There There* will enjoy this riveting tale of intercultural conflict in these unsettling times when prejudices have come to be accepted as normal. Too many women feel like they lack the know-how to take control of their financial lives. But it's not the level of their knowledge that's the problem, says personal financial expert Mary Hunt; it's their lack of confidence. Being in debt isn't a money problem—it's an attitude problem. And Hunt is here to help women develop a confident, capable attitude toward money so that they can take control of their finances. Using the lessons she's learned from her own hard-fought battle with debt, Hunt empowers women to develop nine essential money habits, including giving, saving, investing, rejecting unsecured debt, preparing for emergencies, getting what you pay for, and more. She also includes a six-week action plan to help women get started right away. Unlock the female confidence code and learn how to start living boldly, cultivate confidence, move through the world without fear and get what you want out of life. "This should be essential reading for all women these days" Sophie Arnold, Author In this best-selling guide, Angelina Williams hands you the blueprint to becoming a powerful, self-assured woman by reprogramming your psyche to eliminate fears and self-limiting beliefs. "Interesting, realistic and vital for today's woman" Linda Reynolds, *Chicago Today* In the *Confidence and Assertive Skills for Women* guide, you're going to discover: - How to become a confident, strong and calm woman in today's chaotic world - Real-life case studies of ordinary women like you who transformed their lives and became powerful, assertive women - How to get rid of the debilitating impostor syndrome and gain the confidence you need to take on the world - Foolproof strategies to help you become an assertive woman and impose your will on the world without coming across as pushy or domineering - How to quickly and easily improve your communication skills - Surefire ways to develop your emotional intelligence and natural intuition to greatly improve your relationships; personal and work and much more! "...therefore we have zero doubts about recommending this book to any woman who wants to get ahead in this often male-dominated world." Rachel Grantham, *Melbourne Times* The 2020 updated version is available now on Kindle, Print and Audiobook. Recognizing the difficulties of living confidently in a time when values and roles are being questioned, best-selling author Ingrid Trobisch draws on her own richly varied life and gives practical

advice to today's Christian woman seeking self-fulfillment. Book jacket. Coach, cheerleader, confidant, chef and chauffeur -- the job description of a mom is as broad as the horizon. Perhaps this is why so many mothers deal with insecurity and uncertainty as they do their best to raise their children in a challenging and ever-changing world. If you've ever gone to bed disappointed with yourself, if you've ever felt like you weren't measuring up, or if you've ever wished there was a manual for motherhood, #1 New York Times bestselling author Joyce Meyer has just the book for you. In *The Confident Mom* you will be encouraged that you are not alone -- God is with you and He wants to help you with the challenges you face each day. Through inspiring stories, Biblical principles and Joyce's own valuable life lessons, there is no doubt you will discover the path to a new confidence and joy in motherhood. No matter your age, the size of your family, or the circumstances you find yourself in, *The Confident Mom* will help you become the joyful, confident mother God created you to be! Do you long to go to bed at night knowing you've done the best you could with what you have as a mom and made a difference in your child's life--even if you can't see it yet? It's easy to compare yourself to other moms and set unrealistic expectations that make you doubt you're doing enough. You need hope and encouragement to help you find a new place to start on the days you're tempted to quit! Sharing vulnerable stories of her own struggles and doubts, award-winning author, popular speaker, and mom of three Renee Swope is a friend, cheerleader, and mentor who will come alongside to help you find purpose and meaning in the challenges and adventures of motherhood. By unpacking powerful truths of grace and love God used to rescue her from discouragement and guilt that buried her in the dirt of defeat, Renee fills this book with hope, wisdom, and practical help every mom needs. Let Renee show you simple ways to give your child what they need most through the power of heart-centered parenting that is character-focused and relationship-driven. This book will transform not only the way you parent but also the way you see yourself as a mom and as a child of God. In the twenty-first-century workplace, women are encouraged to step up, lean in, take charge, go for it . . . yet how much has actually changed regarding the makeup of leadership when it comes to adding women's voices? While it's easy to still blame a corporate culture that favors men, seasoned executive Grace Killelea identifies another culprit: a surprising disparity in confidence--with men typically prone to overestimate their abilities, and women too often selling themselves short. For real change to take place within the workforce when it comes to adding more women's voices within leadership, we must get beyond knowing that we simply have the ability as women to speak out, take risks, and fill leadership positions; we must become more confident that we can do those things with excellence! *The Confidence Effect* moves beyond research, statistics, and cheerleading, and focuses on what's really important: how women can become more confident, one step at a time. While developing the four Rs of Success--relationships, reputation, results, and resilience--women will learn how best to:

- Build circles of influence
- Seize opportunities they normally avoid
- Leverage and promote their skills
- Cultivate executive presence
- Bounce back from setbacks
- And more

You've been encouraged to get in the game your entire life, yet you remain on the sidelines. Why? Become more confident in who you are and what you can do, and claim the success you deserve! Explains how women can develop self-confidence through faith and learning to value themselves, their appearance, and their personal relationships. Many women believe that if they try hard enough to be the perfect Christian woman, God will honor their efforts. But God does not call them to be perfect. He wants them to be confident--confident in His love and acceptance. As a mentor, friend, and former perfection-seeker, Anabel Gillham shares how women can experience the transforming touch of confidence as they: understand who they are in relation to Christ and to others recognize their three biggest needs and discover how God meets them rely on God for their value, worth, and success With more than 100,000 copies sold, this book ministers to women of all ages and backgrounds as they encounter their perfect identity in Christ. New York Times, USA Today, and Wall Street Journal Bestseller! Girls can rule the world—all they need is confidence. This empowering, entertaining guide from the bestselling authors of *The Confidence Code* gives girls the essential yet elusive code to becoming bold, brave, and fearless. Packed with graphic novel strips; appealing illustrations; fun lists, quizzes, and challenges; and true stories from tons of real girls, *The Confidence Code for Girls* teaches girls to embrace risk, deal with failure, and be their most authentic selves. It's a paradox familiar to parents everywhere: girls are achieving like never before, yet they're consumed with doubt on the inside. Girls worry constantly about how they look, what people think, whether to try out for a sports team or school

play, why they aren't getting "perfect" grades, and how many likes and followers they have online. Katty Kay and Claire Shipman use cutting-edge science and research, as well as proven methods of behavioral change, to reach girls just when they need it the most—the tween and teen years. Plus don't miss *Living the Confidence Code*! Packed with photos, graphic novel strips, and engaging interviews, *Living the Confidence Code* proves that no matter who you are, or how old you are, nothing is out of reach when you decide to try. The beloved bestseller from Newbery Medalist and National Book Award winner Louis Sachar (*Holes*), with a brand-new cover! "Give me a dollar or I'll spit on you." That's Bradley Chalkers for you. He's the oldest kid in the fifth grade. He tells enormous lies. He picks fights with girls, and the teachers say he has serious behavior problems. No one likes him—except Carla, the new school counselor. She thinks Bradley is sensitive and generous, and she even enjoys his far-fetched stories. Carla knows that Bradley could change, if only he weren't afraid to try. But when you feel like the most hated kid in the whole school, believing in yourself can be the hardest thing in the world. . . . 'There is a wonderful plan for your life. You can hold your head up high and be filled with confidence about yourself and your future. You can be bold and step out to do new things - even things no man or woman has done before. You have what it takes!' *THE CONFIDENT WOMAN* will enable you to live with purpose and fulfil your true potential. Joyce Meyer's Number One New York Times bestselling book: ♦ Gives you the keys to living a life of confidence and independence ♦ Shows why you can live without fear ♦ Helps you overcome the barriers of the world's false expectations and the emotional damage of abuse ♦ Identifies the 'Seven Secrets of a Confident Woman' Joyce writes with the benefit of over three decades ministering to women. The message in this book is based on her personal journey from insecurity and self-hatred - caused by childhood abuse - to a life characterised by inspiring confidence and realising her full potential. Will I always be lonely if I end up alone? You thought you'd be married by now, but you're not. Even though your friends in relationships love to tell you that singleness is a gift, this gift comes with its share of fear, grief, and still-to-be-answered prayers. Life coach and singer-songwriter Kate Hurley has been there, and now she encourages you to open yourself to new opportunities and relationships of all varieties. *Getting Naked Later* will help you... find family in your friends, church, and community stop viewing the pursuit of a partner as a formula that demands a solution hand over control of your life to God, finding peace in the knowledge that He has a plan for you You don't need to give up on romance, but you also don't need to live on standby, expecting someone else to give your life meaning. Learn how to stop waiting and start embracing your life—right where you are. This is an expanded edition of the previously released book *Cupid is a Procrastinator*. "A powerful book about how we can raise girls to become bold, ambitious women." --Adam Grant What do girls really need to succeed? Children today face an uncertain future, and parents and teachers can't fully predict what's in store for their daughter and sons. But one thing is clear: Our kids need a new set of skills to succeed. Girls, in particular, must nurture essential traits to fully flourish. Students hit the ground running today, entering a school system that carries high expectations on their way to a college application process that is more demanding than ever. After school, young women enter a competitive job market, still complicated by sexism and the possibility of harassment. But the ways we define leadership are also changing, and the women stepping into those roles are mapping new paths to inhabiting traits like grit, resilience, audacity, and self-confidence. What *Girls Need* shows how parents and educators can foster these critical twenty-first-century skills in our girls and help them to recognize and nurture their inherent strengths—to not just thrive but also find joy and purpose as they come of age in our ever-evolving world. As a student at the all-girls Baldwin School outside of Philadelphia, Marisa Porges grew up in a community designed to produce strong, independent women. After graduating from Harvard, she fulfilled her childhood dream of flying jets off aircraft carriers for the U.S. Navy and served as a counterterrorism expert in Afghanistan and a cybersecurity advisor in the Obama White House. Then in 2016, in an unexpected move for someone whose ambitions had taken her so far from home, Porges returned to head the Baldwin School. In doing so, she saw how small moments in her early education gave her the tools she needed to excel in a "man's world." Combining compelling research, personal stories, and practical advice on timely questions, Porges delves into hot-button subjects like how to harness girls' voices and boost girls' self-esteem, and shows how little things have a big impact when nurturing vital skills like competitiveness, collaboration, empathy, and adaptability. What *Girls Need* empowers us to support the next generation of

women so they can confidently hold their own no matter what the future has in store. Girls need ample, loving demonstrations from adults close to them that they are appreciated and can be trusted to know what they need for themselves. They also need to be given plenty of opportunity to develop their talents. Girls who lack sufficient emotional support may feel neglected and unworthy of attention, and easily find themselves at greater risk of exploitation and abuse, even as adults. Raising Confident Girls provides parents and teachers with the best hands-on, practical advice available for nurturing girls in a changing and challenging social environment. AN INSTANT #1 NEW YORK TIMES BESTSELLER! New from the New York Times, USA Today, and Wall Street Journal bestselling authors of The Confidence Code for Girls! The best way to understand confidence is to see it in action. That's why bestselling authors Katty Kay, Claire Shipman, and Jillellyn Riley have collected 30 true stories of real girls, pursuing their passions, struggling and stumbling, but along the way figuring out how to build their own special brand of confidence. From Bali to Brazil, South Africa to Seattle, Australia to Afghanistan, these girls took risks, doubted themselves, and sometimes failed. But they also hung in there when things got hard. Along the way they discovered what matters to them: everything from protesting contaminated water to championing inclusive books to the accessibility of girls' basketball shoes, and so much more. Different goals, different stories, different personalities, all illustrating the multitude of ways to be confident in the world. Packed with photos, graphic novel strips, and engaging interviews, Living the Confidence Code proves that no matter who you are, or how old you are, nothing is out of reach when you decide to try. Join this growing global community of powerful girls and imagine—what would you like to do, once you tap into your confidence? How will you write your story? Your Daughter's Healthy Identity Starts With You After psychoanalyst Joyce McFadden treated countless women who felt alone and isolated in experiences that they were unaware many other women were dealing with too, she began to ask what she could do to help them reach out to each other. The result was the launch of her Women's Realities Study in which she interviewed hundreds of women from ages 18-105, about the most private issues as she sought to understand what events in a woman's life impact her future happiness and self-confidence. What McFadden found was truly revealing— the theme that most interested them as they explored their identities was how their relationship with their mothers influenced their understanding of themselves as sexual beings throughout their lives—from the time they were little girls straight through adulthood. Drawing on over a thousand responses, Your Daughter's Bedroom offers a new and unprecedented look at the mother-daughter bond. McFadden argues that the type of womanhood mothers model for their daughters determines the young girls' comfort with their own bodies which, in turn, leads to confidence and satisfaction later in life. From the most mundane and everyday gestures—a reluctance to call body parts by their real name; an offhanded suggestion to lose weight— to how mothers introduce life altering events such as the start of puberty and sexual exploration, all of these have an impact on a girl's psyche. She found that in an attempt to protect and shield daughters, mothers withhold important information and leave girls to wrestle with their own burgeoning sexuality and other challenges of growing up. Offering a fresh perspective on the fraught mother-daughter relationship, McFadden shows how mothers can create the right environment for their daughters to grow into self-assured women. Your Daughter's Bedroom is an essential resource for women who want to establish a more open and positive relationship with their daughters. A one-armed computer technician, a radical blonde bombshell, an aging academic, and a sentient all-knowing computer lead the lunar population in a revolution against Earth's colonial rule A Practical Guide to supreme self confidence. Step by step guide through how Monique went from insecure teen mother to the confident woman she is today. The Makeup of a Confident Woman includes over 200 full-color illustrations. In this Queen Bees and Wannabes for the elementary and middle school set, child and adolescent psychotherapist Katie Hurley shows parents of young girls how to nip mean girl behavior in the bud. Once upon a time, mean girls primarily existed in high school, while elementary school-aged girls spent hours at play and enjoyed friendships without much drama. But in this fast-paced world in which young girls are exposed to negative behaviors on TV and social media from the moment they enter school, they are also becoming caught up in social hierarchies much earlier. No More Mean Girls is a guide for parents to help their young daughters navigate tricky territories such as friendship building, creating an authentic self, standing up for themselves and others, and expressing themselves in a healthy way. The need to be liked by others certainly isn't new, but this generation of girls is growing up in an age when the "like" button shows the world just how well-liked they are. When girls acknowledge that they possess positive traits that make them interesting, strong, and likeable, however, the focus shifts and their self-confidence soars; "likes" lose their importance. This book offers actionable steps to help parents empower young girls to be kind, confident leaders who work together and build each other up. An empowering and indispensable book that gives female athletes the tools to develop the most essential super power of all -- Confidence. In youth sports, the majority focus is spent on the physical side of sport: becoming faster, stronger, and more skilled, yet there is an apparent lack of resources and programs dedicated to developing confidence in female athletes -- which is vital for developing well-rounded athletes. The pressure for youth female athletes to succeed is higher than ever, and without the confidence and self-belief, girls are quitting sports at an alarming rate. Not only does confidence affect female athlete's performance and enjoyment of the sport, but more importantly, it affects how they lead their lives. She the Confident is for youth female athletes who: Lack self-confidence, on and off the playing field Overthink in games Are afraid to make mistakes Let failure hold them back Are riddled with self-doubt Packed with specific strategies, action steps, and real-life stories, She the Confident teaches female athletes how to overcome self-doubt, embrace failure, break limitations, and achieve success, on and off the playing field. Confident And so much more! Men Love Confident Women is for every woman whether newly single, married, just divorced or just getting into the dating game. What keeps women from being their best? Joyce has been helping women better themselves by helping identify emotional barriers and physical, mental, and spiritual obstacles in their lives for years. Now she provides another answer-confidence. Our society has an insecurity epidemic, women in particular. Compensating by pretending to be secure-a common response-only leads to feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds,

and in marriage instances can even lead to divorce. In *THE CONFIDENT WOMAN*, Joyce explores the seven characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith, in God and in ourselves. A thoroughly entertaining and darkly humorous roundup of history's notorious but often forgotten female con artists and their bold, outrageous scams—by the acclaimed author of *Lady Killers*. From Elizabeth Holmes and Anna Delvey to Frank Abagnale and Charles Ponzi, audacious scams and charismatic scammers continue to intrigue us as a culture. As Tori Telfer reveals in *Confident Women*, the art of the con has a long and venerable tradition, and its female practitioners are some of the best—or worst. In the 1700s in Paris, Jeanne de Saint-Rémy scammed the royal jewelers out of a necklace made from six hundred and forty-seven diamonds by pretending she was best friends with Queen Marie Antoinette. In the mid-1800s, sisters Kate and Maggie Fox began pretending they could speak to spirits and accidentally started a religious movement that was soon crawling with female con artists. A gal calling herself Loreta Janeta Velasquez claimed to be a soldier and convinced people she worked for the Confederacy—or the Union, depending on who she was talking to. Meanwhile, Cassie Chadwick was forging paperwork and getting banks to loan her upwards of \$40,000 by telling people she was Andrew Carnegie's illegitimate daughter. In the 1900s, a 40something woman named Margaret Lydia Burton embezzled money all over the country and stole upwards of forty prized show dogs, while a few decades later, a teenager named Roxie Ann Rice scammed the entire NFL. And since the death of the Romanovs, women claiming to be Anastasia have been selling their stories to magazines. What about today? Spoiler alert: these “artists” are still conning. *Confident Women* asks the provocative question: Where does chutzpah intersect with a uniquely female pathology—and how were these notorious women able to so spectacularly dupe and swindle their victims? What if we stopped placing our confidence in the things of this world—and instead put our trust in the only one who is truly trustworthy? As you begin to apply each chapter's material, you'll discover the true meaning of confidence, the difference between negative fear and positive fear, and how to turn the Enemy's tool of fear on its head with strong confidence. Be honest: Who among us isn't plagued with fears, insecurities, and self-doubt? Popular wisdom says the solution is to simply believe more strongly in ourselves. But award-winning author

and speaker Mary A. Kassian explains that the way to combat fear is with more fear—fear of a different kind. In this follow-up to her popular book *The Right Kind of Strong*, Kassian again draws on her vast biblical knowledge to show us a better way to navigate life. She compares the Bible's definition of confidence with the world's well-worn self-help formulas and sets us on the right path. Whether you're seeking more confidence or already feeling full of it, when you lean into a source of confidence that is unchanging, firm, and trustworthy, you'll become more like the bold, courageous woman God created you to be. “In the fear of the Lord one has strong confidence.” (Proverbs 14:26) Following the success of *Lean In* and *Why Women Should Rule the World*, the authors of the bestselling *Womenomics* provide an informative and practical guide to understanding the importance of confidence—and learning how to achieve it—for women of all ages and at all stages of their career. Working women today are better educated and more well qualified than ever before. Yet men still predominate in the corporate world. In *The Confidence Code*, Claire Shipman and Katty Kay argue that the key reason is confidence. Combining cutting-edge research in genetics, gender, behavior, and cognition—with examples from their own lives and those of other successful women in politics, media, and business—Kay and Shipman go beyond admonishing women to “lean in.” Instead, they offer the inspiration and practical advice women need to close the gap and achieve the careers they want and deserve. *How Confident Are You?* Marjorie Hansen Shaevitz has won national awards for her work in women's health and has enjoyed the success some people only dream of: a prosperous professional life; a long, happy marriage; two Stanford-educated children; and a bestselling book, *The Superwoman Syndrome*, which coined a term for a generation of women. Despite all of her accomplishments, however, she struggled with the issue of confidence. After conducting extensive research, she found that she was far from alone: Many women experience the paradox of enjoying success in their business and personal lives while lacking confidence in themselves. *The Confident Woman* focuses on the issues that women face in growing up as girls in this society. Using a series of seven steps, complete with techniques and questions, Shaevitz presents an accessible and proven program that helps women regain their confidence. It is written for women of all ages, ending with an epilogue for mothers who want practical tips for raising confident daughters. In clear, concise prose -- filled with anecdotes and humor -- *The Confident Woman* focuses on what women say they want: practical advice that they can use now.
