Tales from the Woeful Platypus Jul 20 2022 In 2005, Caitl'n R. Kiernan surprised her readers with, *Frog Toes and Tentacles*, a small-form hardcover of 'darkly weird erotica.' Now Kiernan follows that sold-out volume with a second collection of her unique brand of erotica, *Tales from the Woeful Platypus*. Like its predecessor, this book will be illustrated by acclaimed artist Vince Locke (*The Sandman*, *Batman*, *A History of Violence*, *Deadworld*, etc.), and also like the first volume, it is unlikely ever to be reprinted.

Tales from the Couch Jan 02 2021 *Tales from the Couch* is collection of actual case studies and a primer on psychopathology, as well as a captivating reflection on the human condition. Drawn from Dr. Bob Wendorf's thirty-six-year career years as a clinical psychologist, the book examines the lives of some of his most troubled patients, in a project that aims to both educate and fascinate the reader. Clinical syndromes are described and dramatized by real-life case examples (altered only as necessary to protect patient confidentiality). Each of the sixteen chapters focuses on a particular psychiatric diagnosis, including Multiple Personality Disorder, Asperger's, and ADD. The clinical picture and symptoms are described and explained, then brought to life by case examples taken from the author's practice. Dr. Wendorf presents the cases as a series of narratives—some dramatic, some humorous, most quite poignant. Along the way, the author offers his own reactions to the people and events described here and application to the general human condition as well. *Tales from the Couch* offers compelling stories of extraordinary people, clinical conditions, and events—both in and out of the therapy hour—while providing insights into the nature of human beings, mental

illness, and the psychotherapeutic enterprise.

Plain Tales from the Hills Jun 26 2020 Rudyard Kipling's first and best-known collection of short stories, *Plain Tales from the Hills* is a colourful and intricate depiction of life in India during the British Raj. This collection, which brilliantly showcases Kipling's inimitable style, includes 'Miss Youghal's Sais', a tale of an impossible love, 'In the House of Suddhoo', in which black magic is used to deceive an old man and 'Pig', in which vengeance takes an unusual, epistolary form. Humorous, occasionally tragic, these stories provide a unique perspective on the society of the times, particularly the apprehensions with which the races and classes approached each other

Sum Jan 26 2023 In this collection that offers a mixture of dark humor, witty quips, and unsettling observations about the human psyche, Eagleman offers 40 short tales that explore the afterlife.

Tales from the Land of Mañana Oct 23 2022 Seventeen stories set in Mexico, many of which first appeared in the San Francisco newspaper *The Argonaut*.

Tales from the Back Row Mar 28 2023 "Hilarious, insightful and smart. A must-read for anyone who wears clothes." —Chelsea Handler *US Weekly, "Riveting Reads for Labor Day"* *Bustle, "2015 Books Every Funny Woman Should Read" and "September 2015's Best Books"* *Refinery29 "Fall's Most Highly Anticipated Nonfiction Reads"* *theSkimm, "Skimm Reads"* *Popsugar, "Motivational Books You Should Read this Fall"* *AM NY, "New Books for New Yorkers to Read This Fall"* The Lowdown on High Fashion Cosmopolitan.com editor Amy Odell knows what it's really like to be a young woman working in the fashion industry. In Tales from the Back Row, Amy—funny and fearless—takes readers behind the stage of New York's hottest fashion shows to meet the world's

most influential models, designers, celebrities, editors, and photographers. But first, she has to push her way through the crowds outside, where we see the lengths people go to be noticed by the lurking paparazzi, and weave her way through the packed venue, from the very back row to the front. And as Amy climbs the ladder (with tips about how you can, too), she introduces an industry powered by larger-than-life characters: she meets the intimidating Anna Wintour and the surprisingly gracious Rachel Zoe, not to mention the hilarious Chelsea Handler, and more. As she describes the allure of Alexander Wang's ripped tights and Marchesa's Oscar-worthy dresses, Amy artfully layers in something else: ultimately this book is about how the fashion industry is an exaggerated mirror of human fallibility—reflecting our desperate desire to belong, to make a mark, to be included. For Amy is the first to admit that as much as she is embarrassed by the thrill she gets when she receives an invitation to an exclusive after-party, she can't help but RSVP "yes."

Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life) May 18 2022 This carefully crafted ebook: "Winesburg, Ohio (A Group of Tales of Ohio Small-Town Life)" is formatted for your eReader with a functional and detailed table of contents. This ebook is a series of loosely linked short stories set in the fictional town of Winesburg, mostly written from late 1915 to early 1916. The stories are held together by George Willard, a resident to whom the community confide their personal stories and struggles. The townspeople are withdrawn and emotionally repressed and attempt in telling their stories to gain some sense of meaning and dignity in an otherwise desperate life. The work has received high critical acclaim and is considered one of the great American works of the 20th century. Sherwood Anderson (1876 - 1941) was an American novelist and short story writer, known for subjective and self-revealing works. Anderson published several short story collections, novels, memoirs, books of essays, and a book of poetry. He may be most influential for

his effect on the next generation of young writers, as he inspired William Faulkner, Ernest Hemingway, John Steinbeck, and Thomas Wolfe.

Tales from the Bed Apr 16 2022 Jenifer Estess is a woman on the verge: She's about to launch her own company; she's looking buff and dating vigorously; she's driving in the fast lane -- with the top down. At the age of thirty-five, Jenifer dreams of falling in love and starting a family. Then she notices muscle twitches in her legs. Walking down a city block feels exhausting. At first, doctors write off Jenifer's symptoms to stress, but she is quickly diagnosed with ALS, a fatal brain disease that is absolutely untreatable. Max out your credit cards and see Paris, suggests one doctor. Instead of preparing to die, Jenifer gets busy. She dreams deeper, works harder, and loves endlessly. For Jenifer, being fatally ill is not about letting go. It's about holding on and reaching -- for family, friends, goals. Jenifer's girlhood pact with her sisters Valerie and Meredith -- nothing will ever break us apart -- guides them as Jenifer faces down one of the most devastating illnesses known to humankind. That same enduring pact inspires the creation of Project A.L.S., a movement started by the sisters that changes the way science and medicine approach research for ALS and the related diseases Parkinson's and Alzheimer's, and which has already raised more than \$18 million. Will Project A.L.S. help scientists discover medicine in time for her? Jenifer answers these questions and others in this beautifully written and wholly inspiring memoir that celebrates a life fuelled by memory. *Tales from the Bed* forces us to reconsider society's notion of "having it all," and illustrates, more than anything, the importance of endurance, hope, and, most of all, love.

Tales from the Gas Station Aug 01 2023 Working at a dead-end retail job in the middle of nowhere can be hard. The long hours. The helpless customers. The enormous eldritch horror living deep below the building. As the only full-time employee at the twenty-four hour gas station at the edge of town, Jack has pretty much seen it all. But when he decides to start an online journal documenting the bizarre day-to-day occurrences, he unwittingly attracts the attention of much more than just a few conspiracy theorists. With the body count steadily on the rise and a dark, ancient force infecting the dreams of everyone around him, Jack will do everything in his power to stay out of the way and mind his own business. After all, he's just a gas station clerk. It's not like he's getting paid enough to wage battle against the nightmarish aberrations plaguing his community. Besides, he already has his hands full attempting to manage all those mysterious lawn gnomes, the mutant raccoons, and the charming phantom cowboy who lives in the bathroom. Based on the award-winning creepypasta by GasStationJack, *Tales from the Gas Station: Volume One* is a love letter to the pioneers of classic horror tailored to a generation that grew up in the era of smartphones and WiFi.

Tales From the Loop Sep 02 2023 The basis for the new Amazon Prime Original Series! Perfect for fans of E.T. and Stranger Things—the first narrative artbook from acclaimed author and artist Simon Stålenhag about a fictionalized suburban town in the 1980s inhabited by fantastic machines and strange, imaginative beasts. In 1954, the Swedish government ordered the construction of the world's largest particle accelerator. The facility was complete in 1969, located deep below the pastoral countryside of Mälaröarna. The local population called this marvel of technology The Loop.

These are its strange tales. From the same author who wrote the imaginative artbook *The Electric State*, this “haunting,” (The Verge) “sophisticated sci-fi” (The Nerdist) follows the bizarre stories from otherworldly creatures and is a page-turner you won’t be able to put down.

Tales From The Underground May 06 2021 There are over one billion organisms in a pinch of soil, and many of them perform functions essential to all life on the planet. Yet we know much more about deep space than about the universe below. In *Tales from the Underground*, Cornell ecologist David W. Wolfe lifts the veil on this hidden world, revealing for the first time what makes subterranean life so unique and so precious. Home to miniscule water bears and microscopic bacteria, mole rats and burrowing owls, the underground reigns supreme as it produces important pharmaceuticals, recycles life's essential elements, and helps plants gather nutrients. An original, awe-inspiring journey through a strange realm, *Tales from the Underground* will forever alter our appreciation of the natural world around-and beneath-us.

Tales from the Mall Mar 16 2022 Fashion. Food Courts. Lingerie. Fire Bombing. Suicide. Free Parking. Welcome to the Mall. Why would one woman threaten to kill another for a pair of discounted shoes? Why are cross-dressers drawn to mall car parks? What do impulse buys have to do with rioting? And why are market research companies hiding the truth from us? From one of the UK's most acclaimed literary and media talents, *Tales From The Mall*, is a mash-up of fiction, essays and true stories, that tells the rise of the most iconic symbol of our modern age the shopping mall. From over a hundred interviews and confessions, Morrison re-tells the true-life tales of those who work, shop and even find love inside their walls. With wry wit, insight and compassion, Morrison uncovers the secrets of retail heaven and hell, to reveal how malls manipulate our emotions in cleverly calculated ways, how they are an ideal space to meet a new lover or to kill yourself and how

they are taking over the world. A startling window on our time, to make you think, fear and laugh. Retail will never be therapy again.

Tales from the Liminal Jun 06 2021 In this collection of curious but delightful short stories by S. K. Kruse, you never know who you're going to meet or where you're going to end up. You can be certain, however, that whether you follow Schrodinger's cat into the zeroth dimension or have drinks with a woman who's seen Gertrude Stein in the condensation on her window, you'll find yourself smack dab in the middle of some befuddling predicament of existence. Using humor and horror, satire and allegory, fabulism and realism, *Tales from the Liminal* takes you for an extraordinary ride, submerging you in spaces where anything is possible, especially transformation.

Tales From Another Dimension Mar 04 2021 How will HG Wells react when he awakes 200 years in the future on a strange planet, faced with a terrible truth? Two young brothers make a frightening discovery about the neighbors. Do robots secretly want to rule us all? A scientist goes to extremes to change the future of mankind. But is it possible to change our destiny? *Tales from another dimension* is a strange and fantastical collection of ten short stories. Robbie Sheerin is inspired by classic Sci-fi, invoking nightmarish twists and turns with each story. Travel to another dimension and meet strange characters, sometimes human, and at times not so human. They will make you question the solidity of the earth and mankind. Explore prejudice, fear, imagination, kindness, empathy, and human frailty. "The Truth Comes in Storms is wonderfully evocative -and the twist caught me completely unawares. Sheerin is a writer to keep an eye on!"- Rob Yescombe. Writer of the movie "Outside the Wire" These stories are strong echoes of the classic science fiction of the 1950's, and bring back fond memories of the Twilight Zone.-Noel Chidwick. Founder and editor of the award winning sci-fi magazine *Shoreline of Infinity*Sheerin's Sci-if shorts engage the mind

and senses with dread and wonder at the same time. What happens on the moon....stays on the moon, even it's from different planets.- ARZONO Publishing "With a voice of clarity and surprise, Robbie Sheerin is well worth the quick and wondrous read each of his stories provides, the insight into our humanity (or inhumanity) they present, and the lasting impression they leave. Indulge and entertain yourself!" - Jason J. Marchi, author of Venus Remembered with Ray Bradbury and the Barnes & Noble recognized bestseller The Legend of Hobbomock: The Sleeping Giant. Robbie Sheerin's insightful story "The Protector" is a chilling tale that underscores humanity's most troubling shortcomings. At its core, it reminds us that we must remain open-minded and compassionate toward those who are "not like us" or suffer the consequences..... .."The Future You Imagine, Doctor, Is Not The Future Of The Future" is inventive and imaginative. In my opinion, all tales about our future should be appropriately apocalyptic.They should shake the foundations of our hopes and dreams- Leith MacArthur, author of "The Death of Harry Crow", from The William Snow Series of thrillers.

Tales From The Upanishads Jun 18 2022 The word Upanishad literally means 'sit down near' for the student had to sit close to the teacher to receive instructions. Perhaps, what brought the two still closer were the stories the Guru narrated. These stories provided a meaningful context for the topics under discussion. They also demonstrate that in those days knowledge was not the monopoly of any select group. Thus Janashruti, the ruler of the land, approaches the cart driver Raikva, with humility, to seek the highest truth.

Things From the Flood Aug 09 2021 The basis for the new Amazon Prime Original Series! From the author of the imaginative and "awe-inspiring" (New York Journal of Books) narrative art book *The Electric State* comes the haunting sequel to his remarkable *Tales from the Loop*. Welcome back to the Loop. In 1954, the Swedish government ordered the construction of the world's largest particle accelerator in the pastoral countryside of Mälaröarna. The local population called this marvel of technology *The Loop* and celebrated its completion. But Mälaröarna and the world would never be the same. Infused with strange machines and unfathomable creatures, *Things from the Flood* is a transcendent look at technology that will stay with you long after you turn the final page.

Tales from the Cafe Sep 09 2021 From the author of the international bestseller *Before the Coffee Gets Cold*, this book follows four new customers who hope to travel back in time in a little Japanese café. In a back alley in Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time. With faces both familiar and new, *Tales from the Cafe* follows the story of four patrons who visit to take advantage of café *Funiculi Funicula's* time-traveling offer and revisit moments with family, friends and lovers. Each one must face up to the past to move on with their lives. Kawaguchi's wistful and heartwarming new novel once again invites the reader to ask themselves, "What would you do if you could travel back in time?"

Tales from Facebook Jan 14 2022 Facebook is now used by nearly 500 million people throughout the world, many of whom spend several hours a day on this site. Once the preserve of youth, the largest increase in usage today is amongst the older sections of the population. Yet until now there has been no major study of the impact of these social networking sites upon the lives of their users. This book demonstrates that it can be profound. The tales in this book reveal how Facebook can become the means by which people find and cultivate relationships, but can also be instrumental in breaking up marriage. They reveal how Facebook can bring back the lives of people isolated in their homes by illness or age, by shyness or failure, but equally Facebook can devastate privacy and create scandal. We discover why some people believe that the truth of another person lies more in what you see online than face-to-face. We also see how Facebook has become a vehicle for business, the church,

sex and memorialisation. After a century in which we have assumed social networking and community to be in decline, Facebook has suddenly hugely expanded our social relationships, challenging the central assumptions of social science. It demonstrates one of the main tenets of anthropology - that individuals have always been social networking sites. This book examines in detail how Facebook transforms the lives of particular individuals, but it also presents a general theory of Facebook as culture and considers the likely consequences of social networking in the future.

The Artists Jul 08 2021 Hidden in a remote place surrounded by high mountains, there lies a secret valley. There is an entrance, but you could pass by it a hundred times and still not see it... Tales from the Inner City May 25 2020 A unique and beautiful book for kids and adults that combines short stories and poetry with surrealist art -- a return to the form that made Shaun Tan a visionary in the world of graphic novels. A young girl's cat brightens the lives of everyone in the neighborhood. A woman and her dog are separated by time and space, awaiting the day they will be

reunited. A race of fish build a society parallel to our own. And a bunch of office managers suddenly turn into frogs, but find that their new lives aren't so bad. The ambitious, unique and provocative *Tales From the Inner City* draws on the success of Shaun Tan's *The Arrival* and *Tales From Outer Suburbia* and updates its sensibilities for a new generation. Combining his poignant and sensitive short stories with surreal, luminous paintings, Tan turns his astute lens on the environment, cities, family and the relationships between human and animals. This work opens a portal to the imagination and captures the beauty, joy and tragedy in the everyday lives of kids, teens and adults. [*Tales from the Perilous Realm*](#) Jan 31 2021 Adventure fiction. Fantasy fiction.
