Muse Aug 21 2020 Charming Coraline is hired as the private tutor to the young son of rich landlords. Her mission is to entertain her too studious pupil, Vernère. He is only a child, but one with a brilliant and indefatigable mind solely focused on books and inventions. To top it off, he is quite unpleasant. Coraline

nonetheless tries to understand him while gradually discovering the strange and surprising universe of the mansion, whose nocturnal ambiance seems so amenable for very strange dreams...

Muse is a lyrical and titillating ride through reverie and nostalgia, drawn by comics superstar Terry Dodson (Marvel's "Uncanny X-Men," DC's "Harley Quinn").

Rorschach (2020-) #1 Sep 21 2020 It's been 35 years since Ozymandias dropped a giant interdimensional squid on New York City, killing thousands and destroying the public's trust in heroes once and for all. And since that time, one figure in a fedora, mask, and trenchcoat has become a divisive culture icon. So what does it mean when Rorschach reappears as an assassin trying to kill a candidate running against President Robert Redford? Who is the man behind the mask, and why is he

acting this way? It's up to one detective to uncover the true identity of this would-be killer- and it will take him into a web of conspiracies involving alien invasions, disgraced do-gooders, mystic visions, and yes, comic books. Writer Tom King joins forces with artist Jorge Fornés for a new miniseries that explores the mythic qualities of one of the most compelling characters from the bestselling graphic novel of all time, *Watchmen*. Working closely with Moebius Productions in France, Dark

Horse is putting the work of a master storyteller back in print--with some material in English for the first time! Stel and Atan are interstellar investigators trying to find a lost space station and its crew. When they discover the mythical paradise planet Edena, their lives are changed forever. The long out-of-print Edena Cycle from Moebius gets a deluxe hardcover treatment! Moebius's World of Edena story arc is comprised of five chapters--Upon a Star, Gardens of Edena, The Goddess, Stel, and Sra--which are all collected here. A storyboard artist and designer (Alien, Tron, The Fifth Element, among many others) as well as comic book master,

Moebius's work has influenced creators in countless fields.

"Moebius is a master draftsman, a superb artist, and more—his vision is original and strong." —George Lucas

The Incal Black & White

Edition Nov 16 2022 The Sci-Fi masterpiece by Moebius and Jodorowsky about the tribulations of the shabby detective John Difoole as he searches for the precious and coveted Incal—released for the first time ever in English in this Black & White Special Edition.

John Difoole, a low-class detective in a degenerate dystopian world, finds his life turned upside down when he discovers an ancient, mystical artifact called "The Incal."

Difoole's adventures will bring him into conflict with the galaxy's greatest warrior, the Metabaron, and will pit him against the awesome powers of the Technopope. These encounters and many more make up a tale of comic and cosmic proportions that has Difoole fighting for not only his very life but for the survival of the entire universe.

Psychomagic May 18 2020 A healing path using the power of dreams, theater, poetry, and shamanism • Shows how psychological realizations can cause true transformation when manifested by concrete poetic acts • Includes many examples of the surreal but successful actions Jodorowsky

has prescribed to those seeking his help While living in Mexico, Alejandro Jodorowsky became familiar with the colorful and effective cures provided by folk healers. He realized that it is easier for the unconscious to understand the language of dreams than that of rationality. Illness can even be seen as a physical dream that reveals unresolved emotional and psychological problems. Psychomagic presents the shamanic and genealogical principles Jodorowsky discovered to create a healing therapy that could use the powers of dreams, art, and theater to empower individuals to heal wounds that in some cases had traveled through

generations. The concrete and often surreal poetic actions Jodorowsky employs are part of an elaborate strategy intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper self. That is when true transformation can manifest. For a young man who complained that he lived only in his head and was unable to grab hold of reality and advance toward the financial autonomy he desired, Jodorowsky gave the prescription to paste two gold coins to the soles of his shoes so that all day he would be walking on gold. A judge whose vanity was ruling his every

move was given the task of dressing like a tramp and begging outside one of the fashionable restaurants he loved to frequent while pulling glass doll eyes out of his pockets. The lesson for him was that if a tramp can fill his pockets with eyeballs, then they must be of no value, and thus the eyes of others should have no bearing on who you are and what you do. Taking his patients directly at their words, Jodorowsky takes the same elements associated with a negative emotional charge and recasts them in an action that will make them positive and enable them to pay the psychological debts hindering their lives.

Deconstructing the

Jodoverse Oct 23 2020

Visionary author, filmmaker, and philosopher Alejandro Jodorowsky has created — along with some of the world's most singular and talented sequential artists — an incredible Sci-Fi universe, full of love, revenge, intrigue, betrayal, and redemption: THE JODOVERSE. The Jodoverse's two cornerstone series are The Incal and The Metabarons, which together have sold over 5 million copies worldwide. This deluxe box set (two oversized books in one deluxe slipcase box) will be limited at 1500 numbered copies. Book 1 will contain the reference guide on The Incal, Deconstructing

the Incal, which lifts the veil on many of the mysteries and secrets surrounding the seminal science-fiction graphic novel. This encyclopedic reference book is packed with fascinating insights from the creators, Jodorowsky and Mœbius, alongside revealing text and rare and unseen preliminary illustrations. The book will also contain the original 56 pages drawn by Mœbius of the unfinished first version of the sequel story (After The Incal). Book 2 will feature the second reference guide to the Jodoverse, Deconstructing the Metabarons, focused on unveiling the secrets of the universe's fiercest warrior clan:

the Metabarons. Book 2 will also include Weapons of the Metabarons, the seminal series' spin-off story recounting how the mightiest warrior in the universe built his arsenal of war and featuring A-list comics star Travis Charest's (Wildcats, WildC.A.T.s/X-Men: The Golden Age, and Star Wars comics covers) interpretation of The Metabarons' mythology.
