"Practical" is right! I wish I'd had this book when I started my journey over 20 years ago. Victoria takes this very misunderstood subject and truly does make it accessible to even the most skeptical thinker. This book is an outstanding way to introduce new people to the Law of Attraction, and a great refresher for long-time students who could benefit from a refresher. "Bob Doyle - Featured Expert in "The Secret" Victoria Gallagher's book eases the burden of one ever having to wonder whether the genie has gotten the message or not. All the power to manifest is within you. Manifesting, which goes beyond simple positive thinking, is a collaboration between all three levels of mind; Conscious, Subconscious, and Superconscious. It's impersonal and happens; whether positive or negative, when these eight conditions are in alignment. Desire or Fear Thoughts Imagination Belief/Expectancy Feelings/Vibration Creative Attraction Inspired Action Manifestation Each condition plays an important role in manifesting. They do not always happen in a specific order. When the conditions are in alignment, manifestation occurs simultaneously. The book demystifies the concepts of manifesting and attracting. It helps you understand in no uncertain terms, the practical personal development work which is a requirement to

attract success. Included are dozens of downloadable worksheets, meditative scripts, mental techniques and strategies to develop yourself into a person who has the kind of manifesting power that can help you create the life of your dreams. Victoria book eases the burden of having to wonder whether the genie has gotten the message or not. There is no genie, granting wishes. The power to manifest is within you and requires a level of belief, which can only come as a result of releasing deeply embedded negative subconscious programs and having the motivation to take action on your dreams and goals. This book is for anyone who has a dream or simply wishes to change their life for the better. Shift out of the old ways which haven't worked and implement new strategies to finally make it work for you. When he returns to Illinois and the gang culture on the south side of Fairfield after six years in Colorado, Luis Fuentes falls for a girl and enters a dark world after learning some disturbing news about his family. This Leading Edge work by Esther and Jerry Hicks, who present the teachings of the Non-Physical consciousness Abraham, explains that the two subjects most chronically affected by the powerful Law of Attraction are financial and physical well-being. This book will shine a spotlight on each of the most significant aspects of your life experience and then guide you to the conscious creative control of every aspect of your life, and also goes right to the heart of what most of you are probably troubled by: money and physical health. Not having enough money or not having good health puts you in the perfect position for creating more of that which you do not have. This book has been written to deliberately align you with the most powerful law in the universe - the Law of Attraction - so that you can make it work specifically for you. Also included is a download link for free audio (excerpted from a live Abraham-Hicks workshop) that features the Art of Allowing your physical and financial well-being to come through. The law of attraction is something almost everyone has experienced, on a conscious or subconscious level at one time or

the other. Even as we speak, you have experienced the law of attraction at some point in your life. Do you doubt this immutable fact? Consider this: Look back to all those times when you were thinking about someone, your phone started ringing with the person you were thinking of on the other end of the line, or the time when you were thinking about someone, and out of nowhere, you bump into the person on the street. You may choose to label these things mere 'coincidences, ' 'luck, ' or 'fate' because a part of you finds it difficult to accept the existence of energy in sync with your thoughts, an energy capable of attracting the things you want. This energy is the universal energy. You can tap into this energy to transform every aspect of your life and attract everything you desire. How do you do that; how do you tap into this power? Well, you use the law of attraction. What is the law of attraction? This book will teach you everything about the law of attraction, how it works, and then detail how you can consciously begin to use it to get the things you want whether these things are the ideal relationship, a good job, better health, money, you name it. Many people these days are seeking their perfect mate, their ideal companion and their love of their life or just a good friend to have dinner with. How to go about finding such a person without having to wade through droves of inappropriate possibilities? As many people as there are who are looking, there are books to tell them how to find, some technical and others theoretical. This book is a shortcut to that desire - finding your soul mate. From John Assaraf, Contributor to THE SECRET and President of One Coach: "In 'How to Find Your Soulmate,' Sally shares her personal love story and lays out a very precise formula that any woman (or man) can apply to attract their perfect partner. There is power in simplicity and what she shares in this mini "relationship" biography meets how to book, is her story of meeting the Prince Charming of her life and how you can find yours."
