Liverpool's Irish Connection Jun 16 2020 Michael Kelly's writing is driven by love of his native Liverpool, which reaches back to his ancestral Ireland. In this collection of short biographies, Michael becomes the friend of his subjects, rather than a mere researcher. He writes of them because he is one of them, an Irish Liverpudlian in the grand old tradition.

Liverpool's Children in the 1950s Mar 26 2021 Full of the warmth and excitement of growing up in the 1950s, awakening nostalgia for times that seemed cosy and carefree with families at last enjoying peacetime, this book is packed with the experience of school days, playtime, holidays, toys, games, clubs and hobbies conjuring up the genuine atmosphere of a bygone era. As the decade progressed, rationing ended and children's pocket money was spent on goodies like Chocstix, Spangles, Wagon Wheels and Fry's Five Boys. Television brought Bill and Ben, The Adventures of Robin Hood and, for teenagers, The Six-Five Special, along with coffee bars and rock 'n' roll. This book opens a window on an exciting period of optimism, when anything seemed possible, described by the children and teenagers who experienced it. Liverpool's traditional sense of community, strengthened by the war years, provided a secure background from which children and teenagers could welcome a second Elizabethan era.

Coastal Passenger Liners of the British Isles Feb 05 2022 At the beginning of the last century it was possible to sail from London to Glasgow via the south coast ports and Belfast, returning along the east coast from either Dundee or

Leith for as little as five pounds. Those were the days when 300 passengers were landed twice weekly at Grangemouth or Dundee from the London boat, and the coastal passenger and cargo liner was in its heyday, catering both for the first class tourist as well as offering keenly priced second class fares for the like of football fans following away matches. Sadly, these wonderful steamer services are now largely forgotten but this new book will stir fond memories of the ships and their coastal voyages. The Depression of the 1930s, coupled with competition from both railway and the motor coach, were to spell the end for many of the coastal liners, while heavy losses incurred in World War II left only a few ships each offering just a handful of passenger berths. The story of their one hundred years of service is accompanied by numerous fascinating anecdotes, and the book focuses as much on the social need for coastal passenger services, the men and women who provided the services and the passengers who used them, as it does on the nuts and bolts of the ships themselves. This beautifully presented book will delight both ship enthusiasts and all those who enjoy the maritime and social history of the British Isles.

They're forced to turn to Conor, Jack's brother from Ireland, a man whose noisy joviality seventeen-year-old Ellen Ryan suspects hides a mean viciousness. She's right, and with her mother sick and her half-sister Annie becoming increasingly feckless, it's down to Ellen to fight Conor's tyranny. But when Annie disappears, leaving her baby on their doorstep, Ellen begins fear for herself and for the life of the innocent child she has learnt to love... Liverpool's Children in the Second World War Apr 07 2022 This is the untold story of Liverpool's children in the Second World War. Whilst everyone is familiar with the tales of evacuees who were rushed out of the cities once the bombs started falling, many of us are unaware that many stayed behind, either by choice or necessity, as the city of their childhood disintegrated and burned around them. In the words of those who experienced the Liverpool Blitz first-hand, we hear of their adventures and misadventures, the fun and games and ever-present danger, and the humor and sorrow of those wartime years. This is an important and revealing look at the war as seen through the eyes of these children. This book not only explores the memories of a childhood ravaged by war, but also the formative effect this had on individuals' lives. It reflects the collective spirit of a city that refused to be crushed, even at the darkest hours of the Luftwaffe's bombing campaign. Ideal for anyone who lived through those times, or who is fascinated by experiences and the legacy of the wartime generation, this new title pays tribute to the war's forgotten children.

Scouse, Choppers & Space Hoppers - A Liverpool Life of Happy Days and Hard Times Feb 22 2021 A VIBRANT MEMOIR OF A CHILDHOOD IN THE HEART OF LIVERPOOL The sixties: a new dawn for Britain - a kaleidoscopic crossroads where social upheaval, artistic revolution and excitement for the future rubbed up against urban poverty, inequality and post-war recovery. For comedian Crissy Rock, born in 1958, the following two decades would be the backdrop for a childhood and youth full of adventure, turbulence and discovery, with the city of Liverpool her crucible. In this evocative and nostalgic memoir, Crissy recalls, with extraordinary clarity, growing up in working-class Liverpool, in an era when traditional values of community, family and hard work still counted for everything, even as bold changes in culture, fashion and music swept through the city. In a series of snapshots, she paints a vivid picture of an iconic place in a revolutionary time: from a world of playing by the docks and in the tenements, to the rise of mods and rockers, Beatlemania and dancing in the Cavern Club, and the birth of all-consuming crazes like space hoppers and miniskirts. Written with all Crissy's trademark wit and honesty, Scouse, Choppers & Space Hoppers is at once a nostalgic recollection of a rough-and-tumble working-class sixties and seventies childhood, and a celebration of Liverpool itself - a fond glimpse into the heartbeat of the North West from one of its best-loved daughters.
