This Golden Fleece Oct 01

2021 “A book about wool and sheep, the making of Scotland, England and farming, textile manufacture, folklore and, crucially, the essential craft of knitting.” —Janice Galloway, author of *Jellyfish* Over the course of a year, Esther Rutter—who grew up on a sheep farm in Suffolk, and learned to spin, weave and knit as a child—travels the length of the British Isles, to tell the story of wool’s long history here. She unearths fascinating histories of communities whose lives were shaped by wool, from the mill workers of the Border countries, to the English market towns built on profits of the wool trade, and

the Highland communities cleared for sheep farming; and finds tradition and innovation intermingling in today’s knitwear industries. Along the way, she explores wool’s rich culture by knitting and crafting culturally significant garments from our history—among them gloves, a scarf, a baby blanket, socks and a fisherman’s jumper—reminding us of the value of craft and our intimate relationship with wool. This *Golden Fleece* is at once a meditation on the craft and history of knitting, and a fascinating exploration of wool’s influence on our landscape, history and culture. “Wondrous.” —BBC Countryfile “A yarn well told.” —The Irish Times “A compelling literary journey through the social history of wool in the British Isles.” —Karen Lloyd, author of *The Gathering Tide* “[Rutter’s] stops on her journey around Britain also knit together the past and the present, the social, historical and the personal, in an altogether engaging way.” —Books from Scotland

2021 'There are a few new [Fair Isle or Shetland lace] knitting books ... but this is the

first one to come out this season and has set the bar high.' - Shiny New Books  
Mati Ventrillon's inspiration comes from the technique of creating patterns with multiple colours that was first used by the women of Fair Isle, one of the Shetland Islands, more than two centuries ago. Her designs, which have featured on the Chanel catwalk, are inspired by tradition but use her own modern interpretation of colour and pattern arrangement. The book includes fisherman jumpers with high, crew and slash necks, a poncho, neck warmer, cowl and long scarf, fingerless gloves and hand and wrist warmers, as well as the traditional fisherman's hats known as keps. The patterns demonstrate how to experiment with colour and play with backgrounds. They are accompanied by expert tips on yarns and finishing.

Inspirational photography provides a window into life on this most remote of Scottish islands.
