the mysteries they find behind every door. Farmington's plan may work, and to make sure he's successful, he will do whatever it takes to have the deity of man face him. **Coven** Sep 30 2020 Born in darkness, they arise. Seductive angels of murder, madness, and horrors beyond imagining. COVEN Bathed in moonlight, they feed their darkest hungers in a festival of perversion and death, demented orgies that serve a cruel, unspeakable will... COVEN They are irresistible sirens in black, corrupting the living and raising the dead. Now the silent town of Exham will surrender to their loving embrace, their haunting beauty, and their ravenous need for human flesh. Surrender--and die... COVEN Beauty is only skin deep. More like a revved-up gross-out '70s B-movie, COVEN revels in its ultimate editorial no-no: it's science-fiction dropped into a contemporary horror plot, something that horror editors seem to never buy. Maybe this one sold...because it works. Originally entitled THE WOMEN IN BLACK, this "turgid," original take on the There's Something Fucked-Up At The College plot highlights Lee's gross-out skills early on and demonstrates that pulp horror writers really can create fresh, well-developed,

easy-to-realize characters. Cameos of Lee's then-favorite beers--during his beer-snob days--appear in abundance, and Lovecraftian symbols abound (it's fun just picking them out), but wait till you meets the gals in this book. This is the only existing novel that Lee wants to sequelize.

**Infernal** Oct 31 2020 The ninth Repairman Jack novel from F. Paul Wilson brims with murder, international terrorism, sibling rivalry, and a truly infernal device. A mutual tragedy throws Jack together with his brother Tom, a judge from Philadelphia. They've never been close, and it doesn't take Jack long realize that's a good thing. Tom and he are opposites. Still, Tom convinces Jack to go on a trip to get to know each other better. He has a map locating a wreck off the coast of Bermuda and wants Jack to help him find it. Reluctantly Jack agrees. But instead of treasure they find a strange object, part organic, part manmade, known as the Lilitongue of Gefreda. Ancient lore claims that it is a means "to elude all enemies and leave them helpless." The big question is, why does Tom want such a thing? And if the Lilitongue lives up to the legend, where does it take you? No one seems to know. Matters take a bizarre and dangerous turn--no surprise for a Repairman Jack novel--when someone accidentally activates the Lilitongue. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

credit. Hauled to the palace in secrecy by the city guards, Gretchen is handed a commission by the King himself. On the other hand, a new business rival in the next town over had Mom's healing services on the rocks. The question was—did either witch have enough motive to do something as awful as all that to Mom?
