Bradley presents the sequel to his two latest books, "The Story of One Man's Journey in Faith" and "Why I Can Believe in Modern Miracles." A clear and thorough introduction to the best known of Jesus' teachings, this much-needed text examines what parables are, why Jesus taught in parables, and the purpose and place of parables in the Gospel narratives. Invaluable for the beginning seminary or college students and for church study groups, this enlightening work reveals the meaning of the parables when they were first given, their meaning for the Gospel writers, and their meaning for us today. Jesus' words and teachings for children. Illustrated in, full color. "In Book 1 of their Lost Teachings of Jesus series, Mark L. Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus' original teachings were lost. In Book 2, they go one step further. They show how early churchmen, aided and abetted by the Roman emperors Constantine and Justinian, distorted Jesus' true teachings. And robbed you of what he wanted you to know about the power of your own inner Christ. In modern vernacular, parable and story, the Prophets provide the missing links. They explain the difference between "Jesus" and "the Christ." They show how the Church's doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation. And they explore how Eastern concepts like karma, reincarnation and chakras can be found wrapped in the mysteries he gave the disciples. Most importantly, they recapture the heart of his message—that you, like Jesus, can reconnect with your Divine Source to realize your full potential." This second volume of The Teachings of Jesus Christ is a reference guide for Christians and non-Christians, teachers and students, any and all who are interested in learning at the foot of the Master. From M to Z, every doctrine, principle and teaching Jesus ever taught by word and deed during His mortal ministry is encapsulated alphabetically herein. In this volume, you'll find answers to questions such as: What signs will precede His Second Coming? What did Christ teach about topics like pornography, Satan, and New Jerusalem? What is the exhaustive list of His miracles? What does Jesus think about money? What are "the mysteries of the kingdom"? Find answers to these questions and more as you feast upon The Teachings of Jesus Christ: M to Z. One of four books in the ILLUSTRATED BIBLE SUMMARY series, The Life and Teachings of Jesus draws on the four Gospels to provide a single narrative of Jesus' life and teachings. For the pastor or Bible teacher it serves as a concise summary that can be consulted and

readily accessed for preaching and teaching from one of the Gospels or on a topic addressed in Jesus' teachings. *The Life and Teachings of Jesus* begins the prologue to John's Gospel who tells of the Word who was with God and was God. It moves through the announcement of Jesus' birth to the climactic events of his crucifixion, resurrection, and ascension to the Father. The book is colorfully illustrated and uses a number of icons to call attention to recurring features that are helpful in grasping the wonder of this One who is the Way, the Truth, and the Life. Christians and non-Christians alike have long recognized that Jesus' life was characterized by vibrancy, love, commitment, clarity, and joy. We all yearn to share in these traits, and by studying Jesus we can discern that he sees in us the potential to become as he was. After all, Jesus didn't go around asking people to believe certain things about him—he invited them to follow him into the abundant life he wanted to share. Brian C. Taylor focuses on the fresh, immediate, liberating quality of what Jesus had to say about life. “His guidance about how to live struck me to the core,” Taylor writes. Taylor's succinct summations of what Jesus taught—Don't worry; Love everybody; Help the poor; Become simple; Face into conflict; Change the world; Forgive yourself for being human, and so on—provide the basis for this series of reflections on the transformative wisdom that inspired those who had ears to hear to drop everything and follow him. Jesus continues to astonish and transform those who hear him, and *Becoming Human* is a deep well of wisdom for any who wish to give glory to God by becoming fully alive. Jesus the Christ was an enlightened teacher of consciousness. Like the Buddha and other enlightened beings over the ages, he was born to this world to show us how to master our minds, to teach us how to inwardly align ourselves to a Universal, Infinite, Loving, Creative Intelligence, and to demonstrate how to master the Law of Cause and Effect. *"Let's Get Metaphysical"* digs deeper into the teachings of Jesus to unearth Divine Truth. Jesus spoke in code, requiring us to turn inward, reflect, and de-code the metaphysical Truth behind his teachings. Like the morning sun, the hidden meaning in Jesus' parables rises and enlightens when you see it with your inner spiritual eyes and listen with your spiritual ears. Jesus was teaching us about love, forgiveness, ego relinquishment, true and false belief systems, mental and physical healing, faith, oneness, humility, mindfulness, the illusion of past and future, commitment, persistence, affirmative prayer, the Law of Attraction, the Law of Circulation, and the Law of Substance. These are the spiritual principles culled from Jesus' teachings and written about in *"Let's Get Metaphysical."* Reveals that concepts regarded as purely Eastern, like karma, reincarnation and chakras, can be found in the mysteries Jesus taught. Tells how you, like Jesus, can be in close contact with your Divine Source. Gives you the tools to transcend life's circumstances and realize more of your higher self every day. With inspirational stories of seven saints and mystics and their individual paths to self-mastery. Originally published in 1984, this extraordinary work has until now been available only in an expensive library edition. The present edition has been completely updated and redesigned, and includes an extended new introduction by Marcus Borg that relates the book's central arguments to subsequent Jesus scholarship. A foreword by N.T. Wright characterizes the book as one of the foundational works in the "third quest" for the historical Jesus. In the book, Marcus Borg argues that conflict between a politics of holiness and a politics of compassion, and their implications for Israel, resides at the center of Jesus' activity and teaching. He emphasizes several features that have since become central to Jesus scholarship: the importance of Jesus' inclusive meal practice, a non-apocalyptic paradigm for understanding Jesus, and Jesus as a social prophet and boundary-breaker. Marcus J. Borg is Hundere Distinguished Professor of Religion and Culture in the Philosophy Department at Oregon State University. He is the author of nine books, including *Jesus in Contemporary Scholarship*, also published by Trinity Press. This book presents an analysis of the Teachings that were left to people by Jesus Christ in His Incarnation. The Teachings are systematized in this book in accordance to the main themes touched by Jesus. The bibliographic sources used in this work are the New Testament and some Apocryphal Gospels. The book is addressed to all people. Craig Blomberg surveys the contemporary critical approaches to the parables--including those that have emerged in the twenty years since the first edition. This widely used text has taken a minority perspective and made it mainstream, with Blomberg ably defending a limited allegorical approach and

offering brief interpretations of all the major parables. This is perhaps the first book detailing the teachings of the Lord Jesus Christ on many key aspects of the gospel of salvation and the kingdom of the God, which had/have been concealed and not revealed as CORNERSTONE teachings of the gospel of salvation. The greatest consequence of this is the total contamination of the gospel of salvation while the true gospel or treasure has been hidden for centuries. The author has been discipled and led to write this book in the face of the full contamination of the gospel of salvation and the kingdom of the God, in order that believers may be revealed the true treasure so that they are able to understand the true gospel as taught by the Lord Jesus Christ, the Saviour of the world, when He was on the earth the first time. Only when believers understand and obey the truth of the gospel will they be set free from slavery to the sin. And only when those believers who are set free from slavery to the sin can they become sons of the God. And only sons of the God can remain in the kingdom of the God forever, meaning only sons of the God can receive everlasting life. The Lord Jesus Christ is the Road and the Truth and the Life. The Truth is the Word of the God. And in the New Testament days the main truth is the gospel of salvation. Therefore unless believers know (meaning understand) the truth concerning the gospel of salvation, how can they obey the truth of the gospel to receive everlasting life? And especially in the last days, unless believers know the truth of the gospel, how can they identify and reject false prophets, false teachers and false preachers who spread false gospel to lead them astray into everlasting fire? In view of the many different variations of translation and interpretation of the teachings of Paul, Peter, John and James regarding the gospel of salvation, it is imperative for believers to know and understand the CORNERSTONE teachings of the Lord Jesus Christ on the gospel of salvation and the kingdom of the God. There is a plethora of writings by "Christian authors and theologians and teachers" on the teachings of Paul on the gospel of salvation relating to the law and works and love and faith and obedience and perfection, etc. Many preachers and teachers of the Word of the God were/are confused themselves over such important issues. For believers to know the correct interpretation and translation of the teachings of the apostles and prophets on the gospel of salvation and the kingdom of the God, believers must know and understand the teachings of the Lord Jesus Christ on the gospel of salvation and the kingdom of the God. The main topics taught by the Lord Jesus Christ as revealed in this Book are: -a) Everlasting life, b) Righteous & Righteousness, c) Kingdom of the heaven and kingdom of the God, d) Save/Saved, e) Salvation, f) Resurrections, g) Live/lived, h) Die or perish forever, i) Soul - lose, gain or save, j) Judgement based on works, k) The gospel of salvation. Readers are urged to test the content in this Book against the Unadulterated Word of the God (the original texts of the Holy Bible) to prove and/or to disprove its veracity. This quick summary of the teachings of Jesus is suited for Christians of all denominations as well as those who just want to know what Jesus is all about. Topics include Who is Jesus?, God's Love for Mankind, The Kingdom of God, Love the Lord Your God, Love Your Neighbor as Yourself, Ethics and Morality, and The Parables of Jesus. Abundant quotes from the Bible reveal Jesus in His own words. Additional Bible references plus explanations and applications from the mainstream of Christian faith provide deeper understanding. This is a red letter edition - the words of Jesus are printed in red. Amen Code diagrams the original sacred teachings written prior to the formation of Christianity, reveals the process of how all things come into being from the invisible realms, reveals the divine map of the heavens and our path to our true home, and is a thorough analysis and mathematical confirmation of Jesus' advanced teachings. Jesus' original teachings were found in Egypt, taught only to his disciples, and contain elements of mathematics and Greek and Egyptian culture. Jesus' sacred teachings reveal the secrets of the heavens, and the process of creation to confirm the invisible and visible multiverse and our purpose while in the material world. 839 pp. Full color. More than 400 images. If Jesus, like the Buddha and the ancient Indian Vedas before him, taught the radical oneness of all things, an unorthodox singularity between self and the divine, where is the record of such pronouncements by Jesus? It's not in the New Testament. In 1945, a discovery in an Egyptian desert may have revealed such a document: The Gospel of Thomas. Unmistakable evidence that many of Jesus' teachings were altered, deleted or never recorded. In their classic series "The Lost Teachings of Jesus," Mark L.

Prophet and Elizabeth Clare Prophet prove that many of Jesus' original teachings are missing. They show that the New Testament records only a fragment of what Jesus taught. That what was written down was tampered with by numerous editors or suppressed by "guardians of the faith." And that some of what was recorded has been misinterpreted to this day. The authors fill in the gaps with a bold reconstruction of the essence of Jesus' message. They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples. In modern vernacular, they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message. And they answer questions that have puzzled readers of the Bible for centuries. While scripture study and understanding the Bible may be challenging for some, *The Teachings of Jesus Christ in His Own Words* is a welcomed Bible study resource. As a career educator, the author has portrayed Jesus Christ's teachings from the New Testament in a way that is easy to learn and understand. The book brings to light how God's word and promise of everlasting life comes to his children through the Son of God. The author expounds on the words of Jesus and brings to life the core doctrines of Christianity in a way that makes the Gospel of Jesus Christ meaningful in your personal life. The book is organized into fifty chapters, each on a specific topic drawn from the words of Jesus as recorded in the Bible. It covers the entire ministry of Jesus, clarifies the doctrines of salvation established in Jesus Christ's own words and expounds on His role as Savior of the World. Each chapter summarizes key Bible lesson principles that can be applied in your daily life. By reading and studying just one chapter per week the entire book can be covered in a year's time, making it an excellent ongoing resource for enlightenment and spiritual guidance. Get this amazing book today to bring the Light of Christ into your life and create oneness with God and Jesus in a way that only the words from the Prince of Peace Himself can do. Jesus ignored human traditions and presented His listeners with God's truth. Discover some of the radical ideas He taught that defied conventional wisdom and customs then - and that continue to do so today. Longtime political analyst and commentator Tod Lindberg goes beyond punditry to address how Jesus's words and teachings—once a radical set of ideas—have come to define our concept of government and our vision for society. The authors demonstrate that much of Jesus' teaching has been lost -- either removed from the Gospels, suppressed, kept secret for those being initiated into the deeper mysteries, or never written down at all. Then, in modern vernacular, they present a bold reconstruction of the essence of Jesus' message -- the lost teachings Jesus gave his disciples 2000 years ago on karma, reincarnation, good and evil, and how to reunite with the Higher Self. Includes 32 Roerich art reproductions and illustrations of the chakras in the body of man. The teachings in this book have helped hundreds of thousands of people gain a deeper appreciation for Jesus's teachings about the mystical path that he taught 2,000 years ago and that he still teaches today--for those who are able to make an inner connection with him. Today many people cannot find a lasting heart connection to the real Jesus and his teachings because, according to most Christian churches, Jesus no longer talks to us. In reality, Jesus is a spiritual being and he is working to help all people who are able to raise their consciousness and attune to his Presence. For the past 2,000 years he has maintained a line of communication through those who have been willing to serve as messengers for his Living Word and who have pursued an understanding of his true message instead of settling for official Christian doctrines. In this book, the ascended Jesus reveals the mystical teachings that he gave to his most advanced disciples. He explains why his true teachings are as relevant today as they were two millennia ago and how you can develop a personal relationship with him—one of the most remarkable spiritual teachers of all time. Once you admit that mainstream religious traditions have not answered your questions about life, it is truly liberating to read the profound and meaningful answers in this book. Encouraging, moving and profound, this enlightening book will help you attain inner attunement with Jesus, even mystical union with him. You will learn how to: -recognize the silent, inner voice of Christ in your heart -achieve permanent inner peace and happiness by getting connected with the Christ Consciousness -heal yourself from emotional wounds - get guidance from Jesus, who is your greatest teacher and friend -communicate directly with Jesus The Divine Seed interprets the lessons of the Schoolmaster Jesus Christ through the way of the truth-

seeker, illuminating his parables, teachings to his disciples, and practical advice on how we should honestly live. In this way, Pekka Ervast helps readers examine Jesus' life as it contains the deepest, most secret meaning in the Gospels. In decoding the Gospels, he shows us how to free ourselves from intellectual bondage and allow the divine seed contained within the soul to germinate freely and grow. This useful and practical book provides the college student, seminarian, church study group, and interested lay person with a much-needed introductory guide on the "how" (method) and the "what" (message) of Jesus' teachings. In this revised edition, Robert Stein updates his classic work, adds a new bibliography, and introduces use of the New Revised Standard Version of the Bible, bringing this important text to a new generation of students. The author of *Conspiracy Theory in America* presents a radical new view of the person of Jesus and the message of social reform underlying his teachings. Based on the premise that Jesus could not speak his thoughts openly without running afoul of the authorities, political philosopher Lance deHaven-Smith demonstrates how Jesus sought to dismantle worldly systems of command and status and replace them with a society governed by a spirit of holiness. The *Hidden Teachings of Jesus* also explores how Jesus' prophecies are being fulfilled in the modern era. Huge systems of power, privilege, and acquisition have arisen, but so too has a global public opinion which bristles at oppression and demands love and respect for every living thing. In this work, Lance deHaven-Smith points to a spirit of holiness emerging worldwide to dismantle power and status in abusive families, autocratic corporations, tyrannical governments, and many other areas of life. This spirit, he suggests, can bring about the real kingdom of God, the divine order Jesus urged his followers to establish here on earth. All the Teachings of Jesus contributes to the series' reputation for offering a faithful and comprehensive treatment of biblical subjects. Useful Bible study questions are included at the end of many of the chapters. With the wisdom that comes from years of preaching and studying the Bible, Lockyer provides his readers with insights into the teachings of Jesus. Copyright © Libri GmbH. All rights reserved. The Teachings of Jesus is the collection of the most important teachings for us from the gospels of Matthew, Mark, Luke and John. All four Gospels show and help us find the right way through our own life. Jesus teaches us to avoid the wrong decisions in this world and how not to become entangled in the devil's net so that we are on the right way to our destination in life. Whenever we read these wondrous beautiful words we are filled with their indescribable beauty, force and depth. And every time we become aware, again, of the inescapable truth that whoever keeps Jesus' words will never see death. In December 1945, two Egyptian fellahin, digging for natural fertilizer in the Nile River valley unearthed a sealed storage jar. The jar proved to hold treasure of an unexpected sort: a collection of some fifty-two ancient manuscripts, most of which reflect the teachings of a mystical religious movement we call Gnosticism (from the Greek word *gnosis*, "knowledge"). The texts are also, with few exceptions, Christian documents, and thus they provide us with valuable new information about the character of the early church, and about the Gnostic Christians within the church. In this volume, Marvin W. Meyer has produced a new English translation for general readers of four of the most important and revealing of these early Christian texts -- the Secret Book of James, the Gospel of Thomas, the Book of Thomas, and the Secret Book of John. This is a book for all patriots who love America and want to see this nation return to its foundations of liberty, equality and opportunity for all people. Like Thomas Jefferson's famous "Jefferson Bible," Jason Newcomb's new book examines the ethical and moral teachings of Jesus without any reference to miracles or supernatural events. Newcomb's new book is even more concise; confining itself to the actual words that Jesus spoke. What emerges is a simple and beautiful ethical framework for a just society. This is a book for Christians and non-Christians alike. Christians will have an opportunity to explore the teachings of Jesus in a whole new way, with specific reference to the future of our culture. Non-Christians will get to see that the visionary doctrine of universal love which Jesus taught is a message for all people that is as relevant today as it was two thousand years ago. The tranquil Sea of Galilee at sunrise, the snow-capped peaks of Mount Hermon, and the majestic temple in Jerusalem: see where Christ walked, preached, and ministered. *Ultimate Guide to Jesus: A Visual Retelling of the Life of Jesus* pulls the sweeping story and timeline of the life of Jesus into a clear, concise, and

surprisingly comprehensive summary. Included is a close and clear look at the life of Christ in five parts: His Old Testament background His life on Earth The Cross His teachings His followers Ultimate Guide to Jesus equips readers with answers to deep and challenging spiritual questions about the life, events, and teachings of Jesus. In addition, this resource features more than 200 full-color photos, graphics, illustrations, maps, and timelines to help add clarity to significant artifacts and locations related to the teaching of Jesus and his time on earth. "Jesus wrote no autobiography. He left nothing in writing at all. He committed himself and his teaching simply to the hearts and memories of the men who knew and loved him. And they did not fail him. The four little books that we call Gospels are our primary and practically our only sources of information about the life and the words that have changed the world. We may wish the story had been told with greater fullness and detail; but we know that, short as it is, it is enough. It has given Christ to every race and age."
