**City of Bones Graphic Novel** Jul 02 2021  
Don't miss The Mortal Instruments: City of  
Bones, soon to be a major motion picture  
in theaters August 2013. A graphic novel  
adaptation of the gripping and  
exhilarating City of Bones, Book One in the  
#1 New York Times bestselling Mortal  
Instruments series. When Clary Fray heads  
out to the Pandemonium Club in New York  
City, she never expects to witness a  
murder. Much less one committed by three  
teenagers covered in odd markings and  
brandishing strange weapons—and a victim  
that vanishes completely. It's hard to  
call the police when the murderers are  
invisible to everyone else and there is  
nothing—not even a smear of blood—to show  
that someone died. This is Clary's first  
encounter with the Shadowhunters, highly  
trained warriors dedicated to ridding the

earth of demons—and keeping rogue werewolves and vampires in line. It's also her first meeting with the gorgeous Shadowhunter Jace. Within twenty-four hours, Clary is pulled into Jace's world with a vengeance: Her mother disappears and Clary herself is attacked by a demon. But why are demons hunting an ordinary mundane like Clary? And how did she suddenly get the Sight? The Shadowhunters would like to know... This vibrant graphic novel adaptation retains all of the romance and exhilarating action of the original story.

**The Mortal Instruments: The Graphic Novel** Mar 30 2011 The first installment of Cassandra Clare's bestselling urban fantasy series, *The Mortal Instruments*, is adapted into a graphic novel series! Hanging out with her best friend, Simon, is just about the most exciting thing in

Clary's life...that is, until she realizes there are people only she can see. But when her mother disappears and a monster attacks her, Clary has to embrace a world that she never even knew existed--a world full of vampires, werewolves, demons, and those who fight for the humans, Shadowhunters...

City of Ashes Apr 23 2023 City of fallen angels: As mysterious murders threaten the new peace between Shadowhunters and Downworlders, only Simon, the Daylighter vampire, can help bring both groups together.

*My Calamity Jane* Nov 25 2020 Hold on to your hats: The authors who brought you the New York Times bestseller *My Plain Jane*, which Booklist praised as "delightfully deadpan" (starred review) and Publishers Weekly called "a clever, romantic farce" (starred review), are back with another irreverent historical adventure. Welcome to 1876 America, a place bursting with gunslingers, outlaws, and garou--better known as werewolves. And where there are garou, there're hunters: the one and only Calamity Jane, to be precise, along with

her fellow stars of Wild Bill's Traveling Show, Annie Oakley and Frank "the Pistol Prince" Butler. After a garou hunt goes south and Jane finds a suspicious-like bite on her arm, she turns tail for Deadwood, where there's talk of a garou cure. But rumors can be deceiving—meaning the gang better hightail it after her before they're a day late and a Jane short. In this perfect next read for fans of *A Gentleman's Guide to Vice and Virtue*, bestselling authors Cynthia Hand, Jodi Meadows, and Brodi Ashton bring their signature spark to the side-splittin', whopper-filled (but actually kind of factual?) tale of *Calamity Jane*.

City of Boneheads: a Parody of City of Bones (the Mortal Instruments Book 1) Oct 17 2022 Meet Clary. She's just a normal teenage girl who keeps a guy in the friend zone to pay for her meals and take her to concerts but never hooks up with him. That is, until one day, when she realizes she can see them. Who's them? The Shadowhunters: a group of hot young guys and girls with weird tramp stamps who claim to fight vampires and demons, but seem to spend

most of their time partying and figuring out what to wear. Can Clary help the Shadowhunters find the Mortal Keg before Valentine? Should she get her first tramp stamp on her ankle or her shoulder? Why do the Silent Brothers talk so much? Will Magnus Bane's party be cool or a sausage fest? Will Hodge ever realize that he's not a Shadowhunter and they just tell him he is so they can live in his sweet building? Find out all this and more in CITY OF BONEHEADS, the hilarious new parody of Cassandra Clare's City of Bones!

*The Lost Pianos of Siberia* Jan 08 2022

This “melodious” mix of music, history, and travelogue “reveals a story inextricably linked to the drama of Russia itself . . . These pages sing like a symphony.” —The Wall Street Journal

Siberia’s story is traditionally one of exiles, penal colonies, and unmarked graves. Yet there is another tale to tell. Dotted throughout this remote land are pianos—grand instruments created during the boom years of the nineteenth century, as well as humble Soviet-made uprights that found their way into equally modest homes. They tell the story of how, ever since entering Russian culture under the westernizing influence of Catherine the Great, piano music has run through the country like blood. How these pianos traveled into this snowbound wilderness in the first place is testament to noble acts of fortitude by governors, adventurers, and exiles. Siberian pianos have accomplished extraordinary feats, from the instrument that Maria Volkonsky, wife of

an exiled Decembrist revolutionary, used to spread music east of the Urals, to those that brought reprieve to the Soviet Gulag. That these instruments might still exist in such a hostile landscape is remarkable. That they are still capable of making music in far-flung villages is nothing less than a miracle. The Lost Pianos of Siberia follows Roberts on a three-year adventure as she tracks a number of instruments to find one whose history is definitively Siberian. Her journey reveals a desolate land inhabited by wild tigers and deeply shaped by its dark history, yet one that is also profoundly beautiful—and peppered with pianos. “An elegant and nuanced journey through literature, through history, through music, murder and incarceration and revolution, through snow and ice and remoteness, to discover the human face of Siberia. I loved this book.” —Paul Theroux

But what's normal when you're a demon-slaying Shadowhunter, your mother is in a magically induced coma, and you can suddenly see Downworlders like werewolves, vampires, and faeries? If Clary left the world of the Shadowhunters behind, it would mean more time with her best friend, Simon, who's becoming more than a friend. But the Shadowhunting world isn't ready to let her go—especially her handsome, infuriating, newfound brother, Jace. And Clary's only chance to help her mother is to track down rogue Shadowhunter Valentine, who is probably insane, certainly evil—and also her father. To complicate matters, someone in New York City is murdering Downworlder children. Is Valentine behind the killings—and if he is, what is he trying to do? When the second of the Mortal Instruments, the Soul-

Sword, is stolen, the terrifying Inquisitor arrives to investigate and zooms right in on Jace.
