Singapore's leading tech magazine gives its readers the power to decide with its informative articles and in-depth reviews. A local Singaporean magazine dedicated to photography and videography. This book constitutes the proceedings of the Second International Workshop on Emerging Technologies for Authorization and Authentication, ETAA 2019, held in Luxembourg, in September 2019. The 10 full papers presented in this volume were carefully reviewed and selected from numerous submissions. They focus on new techniques for biometric behavioral based authentication, authentication and authorization in IoT and in distributed systems in general, techniques for strengthening password based authentication and for dissuading malicious users from stolen password reuse, an approach for discovering authentication vulnerabilities in interconnected accounts, and strategies to optimize access control decision process in the Big Data scenario. This book shows how tablets (and smartphones) using a variety of selected applications can enhance fieldwork and other out-of-classroom activities. The authors review imaginative uses of tablets from their own project and as well as examples from other colleagues. To help readers keep abreast of new technology and innovative ways to use it, the book is supported by a website and a social media community. PCMag.com is a leading authority on technology, delivering Labs-based, independent reviews of the latest products and services. Our expert industry analysis and practical

solutions help you make better buying decisions and get more from  
technology. This eBook consists of 3 titles: Audio & Video Editing
