Wilson and Dufrene help readers foster the flexibility they need to keep from succumbing to the avoidable forces of anxiety, and open themselves to the often uncomfortable complexities and possibilities of life. A musician facing the untimely end of his career. An end-of-life doula with everything, and nothing, to lose. A Star Is Born meets Me Before You in this powerful novel by the author of A Million Reasons Why. "Grab the tissues." - People Magazine As an end-of-life doula, Nova Huston's job—her calling, her purpose, her life—is to help terminally ill people make peace with their impending death. Unlike her business partner, who swears by her system of checklists, free-spirited Nova doesn't shy away from difficult clients: the ones who are heartbreakingly young, or prickly, or desperate for a caregiver or companion. When Mason Shaylor shows up at her door, Nova doesn't recognize him as the indie-favorite singer-songwriter who recently vanished from the public eye. She knows only what he's told her: That life as he knows it is over. His deteriorating condition makes playing his guitar physically impossible—as far as Mason is concerned, he might as well be dead already. Except he doesn't know how to say goodbye. Helping him is Nova's biggest challenge yet. She knows she should keep clients at arm's length. But she and Mason have more in common than anyone could guess... and meeting him might turn out to be the hardest, best thing that's ever happened to them both. Jessica Strawser's *The Next Thing You Know* is an emotional, resonant story about the power of human connection, love when you least expect it, hope against the odds, and what it really takes to live life with no regrets. From the bestselling author of *Good in Bed*, *In Her Shoes* and the forthcoming *Who Do You Love* comes a Hollywood rollercoaster ... At twenty-three, Ruth Saunders headed west with her seventy-year-old grandma in tow, hoping to be hired as a television writer. Four years later, she's hit the jackpot when she gets *The Call*: the sitcom she wrote, *The Next Big Thing*, has gotten the green light, and Ruthie's going to be the show-runner. But her dreams of Hollywood happiness are threatened by demanding actors, number-crunching executives, an unrequited crush on a boss, and her grandmother's impending nuptials. Set against the fascinating backdrop of Los Angeles show business culture, with an insider's ear and eye for writer's rooms, bad behavior backstage and set politics, Jennifer Weiner's new novel is a rollicking ride on the Hollywood rollercoaster, and a heartfelt story about what it's like for a young woman to love, and lose, in the land where dreams come true. Praise for Jennifer Weiner's *Then Came You*: "An absorbing read, and, for all its spot-on social commentary, a serious book at heart." -Philadelphia Inquirer "Weiner brings her trademark wit and empathy to this lively story." -Parade You never know what the day is going to bring and what you might get into during the course of it. But what I do know is that in life, you should expect the unexpected. That way, the shock of whatever happens won't kill you. My name is Simone McKnight, and this is my story of confusion. *The Next Thing: Art in the Twenty-first Century* is an illustrated collection of commissioned essays that attempt to anticipate, through current artistic productions, the aesthetic sensibility that will

define our times. "You'll be hooked by this charming story. . . . Smolinski gives us a quick-witted heroine . . . with just the right amount of romance and a tad of suspense." —Richmond Times-Dispatch After a car accident in which her passenger, Marissa, dies, June Parker finds herself in possession of a list Marissa has written: "20 Things to Do by My 25th Birthday." The tasks range from inspiring (run a 5K) to daring (go braless) to near-impossible (change someone's life). To assuage her guilt, June races to achieve each goal herself before the deadline, learning more about her own life than she ever bargained for. Levine; 12. The book and video series, "The Next Thing: Dealing with Crisis in Personal Life" Is Cecil Taylor's first book and third video series. Cecil places discipleship in the middle of crisis, urging participants to be obedient and trusting in crisis, controlling their response to crisis while leaving the outcome in God's care. "The Next Thing" outlines a four part model of Simplify, Trust, Rest and Grieve that enables our response to crisis. It's a lot to process! The purpose of this Participant's Guide is to allow the viewers and readers to go deeper into their own lives to understand past crises and how to prepare for that Next Thing in their lives before the crisis hits. The Participant's Guide defines daily activities, one week for each key chapter / lesson in the book and video series. The Participant's Guide is essential for fully processing and embedding "The Next Thing" into your life. "Heartbreaking yet hopeful, this astute exploration of the bonds and limitations of family is a perfect book club pick." - New York Times bestselling author Joshilyn Jackson A Most Anticipated by Goodreads * SheReads * E! News * Frolic Jessica Strawser's A Million Reasons Why is "a fascinating foray into the questions we are most afraid to ask" (Jodi Picoult, #1 New York Times bestselling author)--the story of two women who discover a bond between them that will change both their lives forever. When two strangers are linked by a mail-in DNA test, it's an answered prayer—that is, for one half sister. For the other, it will dismantle everything she knows to be true. But as they step into the unfamiliar realm of sisterhood, the roles will reverse in ways no one could have foreseen. Caroline lives a full, happy life—thriving career, three feisty children, enviable marriage, and a close-knit extended family. She couldn't have scripted it better. Except for one thing: She's about to discover her fundamental beliefs about them all are wrong. Sela lives a life in shades of gray, suffering from irreversible kidney failure. Her marriage crumbled in the wake of her illness. Her beloved mother, always her closest friend, unexpectedly passed away. She refuses to be defined by her grief, but still, she worries what will happen to her two-year-old son if she doesn't find a donor match in time. She's the only one who knows Caroline is her half sister and may also be her best hope for a future. But Sela's world isn't as clear-cut as it appears—and one misstep could destroy it all. "A thrilling story of what happens when a long-held family secret comes to light...[Strawser] shows that no one is ever truly a villain or a hero, but instead, we are all a beautiful and messy mix of both." - Associated Press review Finding a man should be simple, especially when you aren't expecting romance! Lucy Lang wants a husband. She's not looking for anyone special, just someone decent and reliable—but definitely not a man she'll fall in love with. A young widow, Lucy already loved and lost her soulmate, and she doesn't want to risk that kind of heartbreak again. But sick of being lumped in with her cursed "Black Widow" aunts, Lucy is motivated to give up her casual and completely inappropriate relationship with Ethan Mirabelli, her handsome neighbor, and search for something more dependable. Having been friends with Lucy for years, Ethan knows what she needs better than anyone else—and that's him. But convincing her that their relationship is more than a "friends with privileges" arrangement will be a long, complicated process. Luckily, Ethan has always been patient... Previously published Two men discover that there's a fine line between irritating and irresistible in this charming romance from the author of *Where Do I Start?* Jeffrey Bornic is getting over his ex. Really. So what if the rising-star attorney is angrily sleeping his way through most of Manhattan's male population? When the time is right, the perfect partner will show up. And Jeffrey knows exactly what he'll be like: an ambitious, polished professional who'll make the ideal other half of a fabulous power couple. Theo McPherson is definitely not that guy. He's a short, fiery redhead

who works in the arts and wears sneakers held together with duct tape. If it weren't for the fact that Theo is his best friend's little (literally) brother, Jeff would be crossing the street to avoid him. Theo, meanwhile, has nothing but contempt for guys in suits, and seems to have deliberately set out to make Jeff's life miserable, all while grinning at him in that exasperating—some might say irresistible—way that he has. At least it's hard for Jeff to keep moping over his ex when he's butting heads with Theo—and suddenly wondering if the last guy he'd ever fall for might be exactly that . . . A memoir about a man who went from Corporate Sales to black market drug sales and the to Federal Prison. He renewed his life and is now a free man living a new encouraging and positive life. This is an entertaining and inspiring story. Nothing gets our attention like an unmade decision: Should I accept the new position? Which schooling choice is best for my kids? How can I support my aging parents? When we have a decision to make and the answer isn't clear, what we want more than anything is peace, clarity, and a nudge in the right direction. If you have trouble making decisions, because of either chronic hesitation you've always lived with or a more recent onset of decision fatigue, Emily P. Freeman offers a fresh way of practicing familiar but often forgotten advice: simply do the next right thing. With this simple, soulful practice, it is possible to clear the decision-making chaos, quiet the fear of choosing wrong, and find the courage to finally decide without regret or second-guessing. Whether you're in the midst of a major life transition or are weary of the low-grade anxiety that daily life can bring, Emily helps create space for your soul to breathe so you can live life with God at a gentle pace and discern your next right thing in love. This can be your turning point. God can take the hardest places in your life - the things you never thought you'd overcome - and heal you and set you free so you can use your story to help other people discover their own abundant life. The message of this book is simple: You can be healed and overcome. You can walk in freedom. Through the power of the Holy Spirit and the work that Jesus did at the cross, you don't have to stay trapped in your pain and heartache. No person is doomed to repeat the cycles of the past. You can choose, as I did so many years ago, to start your own journey to healing and freedom and start really living the abundant life Jesus has for you. Are you ready? Let's get started. What's Best Next is packed with biblical and theological insight and practical counsel that you can put into practice today, such as: How to create a mission statement for your life that's actually practicable. How to process workflow efficiently and get your email inbox to zero every day. How to have peace of mind without needing to have everything under control. How generosity is actually the key to unlocking productivity. This expanded edition includes: a new chapter on productivity in a fallen world a new appendix on being more productive with work that requires creative thinking. Productivity isn't just about getting more things done. It's about getting the right things done--the things that count, make a difference, and move the world forward. You can learn how to do work that matters and how to do it well. Angel was a woman defined by her past. In fact, everything she did was defined by yesterday's pain. are. Starting with the worst day of his life, Cecil Taylor takes readers on a journey through various crises in order to introduce the concept of "The Next Thing" and a four-part model for addressing each crisis. Cecil explains how we can control our response to crisis while leaving the outcome of the crisis in God's hands. He offers the scriptural underpinning for simplifying, trusting, resting and grieving in response to crisis. He shows how crisis fundamentally changes us and how his model helps us get through "The Next Thing" and be prepared for whatever "Next Thing" may follow. To feel less stress and more control during a crisis, read this book. It will show you how to partner with God during your "Next Thing." The New York Times bestseller. "His book is a wake-up call at a time when many believe the net was a flash in the pan."—BusinessWeek With his knowing eye and wicked pen, Michael Lewis reveals how the Internet boom has encouraged changes in the way we live, work, and think. In the midst of one of the greatest status revolutions in the history of the world, the Internet has become a weapon in the hands of revolutionaries. Old priesthoods are crumbling. In the new order, the amateur is king: fourteen-year-olds manipulate the stock market and nineteen-year-olds take down the music industry. Unseen forces undermine all forms of collectivism, from the family to the mass market: one black box has the power to end television as we know it, and another one may dictate significant changes in our practice of democracy. With a new afterword by the author. Crediting his survival to his supportive Alcoholics Anonymous sponsor, former police officer Randy Chalmers is shocked

when his sponsor is found dead of an alleged overdose, a situation that compels him to discover the truth. By emphasizing the spiritual, Pastor Jackson turns the trial of battling cancer into a means for spiritual elevation. This book addresses and answers questions that every patient asks but often not to medical professionals. Too frequently, the health care provider glosses over the emotional component of a patient's fight against cancer. Do the Next Thing provides an intimate look at this dynamic from the perspective of a loving husband and a man of faith. I truly feel that individuals with cancer, their caregivers, and medical professionals will all benefit greatly from the anecdotes and advice so wittily and accurately shared in this work. Jessica Strawser's *The Next Thing You Know* is an emotional, resonant story about the power of human connection, love when you least expect it, hope against the odds, and what it really takes to live life with no regrets. Mary is a beautiful young single mother who made some mistakes and tried to get her life together. In doing so, she meets David who is tall, handsome, and successful. This charming man imminently sweeps Mary off her feet. David promises Mary the world and then some and actually delivers on this promise giving a life of luxury she used to dream of as a child. Unbeknown to her, David really has another agenda. Mary spends the next ten years quietly suffering on a continual roller coaster of ups and downs. For most people, sorrow, anxiety, and mental illness are everyday experiences. The burden of living comes down to mundane choices that we each must make—like the daily choice to get out of bed. In this deeply personal essay, Alan Noble considers how carrying on amid great suffering is a powerful witness to the goodness of life, and of God.
