We Took the Streets Sep 21 2020 .

*Views from the Streets* Dec 17 2022 *Views from the Streets* explains the dramatic transformation of black street gangs on Chicago's South Side during the early twenty-first century. Drawing on years of community work and in-depth interviews with gang members, Roberto R. Aspholm sheds new light on why gang violence persists and what might be done to address it.

**Nancy Caroline's Emergency Care in the Streets** Jan 26 2021 Think back to a time when paramedics didn't exist. When "drivers" simply brought injured patients to the hospital. When the EMS industry was in its infancy. A time before Nancy Caroline. Dr. Caroline's work transformed EMS and the entire paramedic field. She created the first national standard curriculum for paramedic training in the United States. She also wrote the first paramedic textbook: *Emergency Care in the Streets*. The impact that Dr. Caroline had on EMS and health care spanned across the U.S. and abroad. From establishing EMS systems to training paramedics, to providing better nourishment and health care for orphans, her work had a profound impact on humanity. Throughout her life, Dr. Caroline brought a sense of excitement, joy, and humor to her work. The American Academy of Orthopaedic Surgeons is proud to continue Dr. Caroline's legacy. Her sense of excitement and humor live on in this text, which is dedicated to her. The Sixth Edition honors Dr. Caroline's work with a clear, fun, understandable writing style for which she was known. Welcome back a familiar training companion to your classroom! Say hello to Sidney Sinus, AV Abe, and a cast of memorable characters and amusing anecdotes. Make learning for your students more fun!

**The Streets Are Talking to Me** Mar 20 2023 This sophisticated book presents new theoretical and analytical insights into the momentous events in the Arab world that began in 2011 and, more importantly, into life and politics in the aftermath of these events. Focusing on the qualities of the sensory world, Maria Frederika Malmström explores the dramatic differences after the Egyptian revolution and their implications for society—the lack of sound in the floating landscape of Cairo after the ouster of President Mohamed Morsi, the role of material things in the sit-ins of 2013, the military evocation of masculinities (and the destruction of alternative ones), and how people experience pain, rage, disgust, euphoria, and passion in the body. While focused primarily on changes unfolding in Egypt, this study also investigates how materiality and affect provide new possibilities for examining societies in transition. A book of rare honesty and vulnerability, *The Streets Are Talking to Me* is a brilliant, unconventional, and self-conscious ethnography of the space where affect, material life, violence, political crisis, and masculinities meet one another.

**The Streets Belong to Us** Apr 16 2020 Police power was built on women's bodies. Men, especially Black men, often stand in as the ultimate symbol of the mass incarceration crisis in the United States. Women are treated as marginal, if not overlooked altogether, in histories of the criminal legal system. In *The Streets Belong to Us*—a searing history of women and police in the modern United States—Anne Gray Fischer narrates how sexual policing fueled a dramatic expansion of police power. The enormous discretionary power that police officers wield to surveil, target, and arrest anyone they deem suspicious was tested, legitimized, and legalized through the policing of women's sexuality and their right to move freely through city streets. Throughout the twentieth century, police departments achieved a stunning consolidation of urban authority through the strategic discretionary enforcement of morals laws, including disorderly conduct, vagrancy, and other prostitution-related misdemeanors. Between Prohibition in the 1920s and the rise of "broken windows" policing in the 1980s, police targeted white and Black women in distinct but interconnected ways. These tactics reveal the centrality of racist and sexist myths to the justification and deployment of state power. Sexual policing did not just enhance police power. It also transformed cities from segregated sites of "urban vice" into the gentrified sites of Black displacement and banishment we live in today. By illuminating both the racial dimension of sexual liberalism and the gender dimension of policing in Black neighborhoods, *The Streets Belong to Us* illustrates the decisive role that race, gender, and sexuality played in the construction of urban police regimes.

The Story of The Streets Jul 24 2023 In 2001, at the age of only 22, the virtually unknown Mike Skinner was signed for a five album record deal. Since then, Mike Skinner has won a worldwide reputation for fusing home-grown hip-hop with the proud British tradition of observational song writing, which stretches from The Beatles and The Kinks to Blur and the Arctic Monkeys. In the multi-faceted guise of *The Streets* he, along with the likes of his friend and peer Dizzy Rascal, has been largely responsible for giving British rap its own identity, distinct from that of its American influences. Alternating between spells of reckless indulgence and sardonic commentary on his own excesses, Mike Skinner has established the kind of instantly accessible pop persona which only comes along once or twice a generation. Now he brings us *The Story of the Streets*. Moving chronologically through five albums, and the different phases of his life that they represent, Mike shares personal details of his modest upbringing in Birmingham, as well as the wild extravagances of life in the showbiz fast lane. Personal, shocking and funny; but deeply intelligent, insightful, opinionated and searingly honest - this is a lesson in the making of pop history, narrated by a voice that has informed a generation.

The Word on the Streets Jun 30 2021 From the hard-boiled detective stories of Dashiell Hammett to the novels of Claude McKay, *The Word on the Streets* examines a group of writers whose experimentation with the vernacular argues for a rethinking of American modernism—one that cuts across traditional boundaries of class, race, and ethnicity. The dawn of the modernist era witnessed a transformation of popular writing that demonstrated an experimental practice rooted in the language of the streets. Emerging alongside more recognized strands of literary modernism, the vernacular modernism these writers exhibited lays bare the aesthetic experiments inherent in American working-class and ethnic language, forging an alternative pathway for American modernist practice. Brooks Hefner shows how writers across a variety of popular genres—from Gertrude Stein and William Faulkner to humorist Anita Loos and ethnic memoirist Anzia Yezierska—employed street slang to mount their own critique of genteel realism and its classist emphasis on dialect hierarchies, the result of which was a form of American experimental writing that resonated powerfully across the American cultural landscape of the 1910s and 1920s.

Dancing in the Streets Sep 14 2022 From the bestselling social commentator and cultural historian comes Barbara Ehrenreich's fascinating exploration of one of humanity's oldest traditions: the celebration of communal joy In the acclaimed *Blood Rites*, Barbara Ehrenreich delved into the origins of our species' attraction to war. Here, she explores the opposite impulse, one that has been so effectively suppressed that we lack even a term for it: the desire for collective joy, historically expressed in ecstatic revels of feasting, costuming, and dancing. Ehrenreich uncovers the origins of communal celebration in human biology and culture. Although sixteenth-century Europeans viewed mass festivities as foreign and "savage," Ehrenreich shows that they were indigenous to the West, from the ancient Greeks' worship of Dionysus to the medieval practice of Christianity as a "danced religion." Ultimately, church officials drove the festivities into the streets, the prelude to widespread reformation: Protestants criminalized carnival, Wahhabist Muslims battled ecstatic Sufism, European colonizers wiped out native dance rites. The elites' fear that such gatherings would undermine social hierarchies was justified: the festive tradition inspired French revolutionary crowds and uprisings from the Caribbean to the American plains. Yet outbreaks of group revelry persist, as Ehrenreich shows, pointing to the 1960s rock-and-roll rebellion and the more recent "carnivalization" of sports. Original, exhilarating, and deeply optimistic, *Dancing in the Streets* concludes that we are innately social beings, impelled to share our joy and therefore able to envision, even create, a more peaceable future. "Fascinating . . . An admirably lucid, level-headed history of outbreaks of joy from Dionysus to the Grateful Dead."—Terry Eagleton, *The Nation*

Money in the Streets Aug 13 2022 *Money in the Streets* is more than one man's journey in hard-knocks New York. It's more than the recounting of risking it all

to win. Told with heart and laced with the sentiment of tremendous gratitude, Barry Habib deftly weaves tales of his upbringing to take the reader back in time. From his childhood, where he'd pick up the discarded toys of other children because he had so few of his own to play with on into the sales world, where Habib got creative as a sort-of street vendor, *Money in the Streets* blends humor and hardship through the incredulous moments of Habib's life. He wrote this book to answer a compulsion to share what worked for him as he scaled the ladder—creating multiple successful companies, growing into an international speaker, and frequenting major media networks as well as producing various entertainment productions—most notably as the driving force and lead producer of one of the longest-running shows on Broadway (later made into a film): *Rock of Ages*. Habib offers his life as proof that you can keep going no matter what. He shares some of his most painful memories while also exulting in personal and business triumphs to encourage everyone to aim for the same. Of particular note are the mindset tactics in *Money in the Streets* that are road-tested and personal practices of Habib, who treats each day as a reason to be thankful. No matter the struggle, whether self-doubt, negativity, loss, stress, or being “stuck” in life, *Money in the Streets* is a resolution roadmap. An easy read that will play on the reader's every emotion, this standout work and Habib's voice are unforgettable. He writes as if you are the only person in the room...because to Habib, you are.

***Out of the Shadows, Into the Streets!*** Dec 05 2021 An exploration of social movement media practices in an increasingly complex media ecology, through richly detailed cases of immigrant rights activism. For decades, social movements have vied for attention from the mainstream mass media—newspapers, radio, and television. Today, many argue that social media power social movements, from the Egyptian revolution to Occupy Wall Street. Yet, as Sasha Costanza-Chock reports, community organizers know that social media enhance, rather than replace, face-to-face organizing. The revolution will be tweeted, but tweets alone do not the revolution make. In *Out of the Shadows, Into the Streets!* Costanza-Chock traces a much broader social movement media ecology. Through a richly detailed account of daily media practices in the immigrant rights movement, the book argues that there is a new paradigm of social movement media making: transmedia organizing. Despite the current spotlight on digital media, Costanza-Chock finds, social movement media practices tend to be cross-platform, participatory, and linked to action. Immigrant rights organizers leverage social media creatively, even as they create media ranging from posters and street theater to Spanish-language radio, print, and television. Drawing on extensive interviews, workshops, and media organizing projects, Costanza-Chock presents case studies of transmedia organizing in the immigrant rights movement over the last decade. Chapters focus on the historic mass protests against the anti-immigrant Sensenbrenner Bill; coverage of police brutality against peaceful activists; efforts to widen access to digital media tools and skills for low-wage immigrant workers; paths to participation in DREAM activism; and the implications of professionalism for transmedia organizing. These cases show us how savvy transmedia organizers work to strengthen movement identity, win political and economic victories, and transform public consciousness forever.

***The Unequal Homeless*** Dec 25 2020 *The Unequal Homeless* explores the persistence, as opposed to the occurrence, of homelessness. With this focus, which is absent in most of the contemporary homelessness literature, the author shows how cultural expressions of beliefs about gender difference help to perpetuate the homelessness of particular groups of people in New York City. The people who are persistently homeless in New York are, overwhelmingly, black men. The reason, Passaro contends, is that homelessness is not simply an economic predicament, but a cultural and moral location as well.

***Life on the Streets*** May 18 2020 Misty is abandoned among homeless people with whom she learns to survive the cruelty of the streets in Tampa, while maintaining a fierce determination to rise above her circumstances by finishing high school. Her life is carefully balanced for survival until she breaks through her sense of self-preservation and hardness to save a younger girl from a brutal attack. Together they witness a crime which leads to running, in fear of law enforcement, organized crime, and social services; will they manage to survive multiple attempts on their lives?

***The Streets Have No Queen*** Mar 28 2021 In this thrilling, plot-twisting tale, a grieving painter receives an unexpected visitor in his travels who turns his world upside down for a novel that will change your views on storytelling forever. As a painter travels the world, he mourns the death of his wife, but finds an escape through his art. Until an unexpected knock at the door takes his otherwise secluded life on a dramatic turn. The guest presents a problem that traps them inside of a home for 72 hours, and the quiet suburban estate becomes the devil's playground. The painter is then thrown into a psychological game with twists and turns that lead to an unforeseeable ending...

***The Streets of Paris*** Jan 06 2022 For the seasoned Parisian traveller or the novice looking to get off the beaten track Cahill provides a roadmap to parts of the city most visitors will never see. In a city that is the destination of millions of travelers every year, it can be difficult to find your way to its lovely, serene spaces. Away from the madding crowds, the gardens of Paris offer the balm of flowers, tall old trees, fountains, ponds, sculptures, with quiet Parisians reading *Le Monde*, taking the sun, relishing the peace. These places are often tucked away, off the beaten tourist track, and without a guide they're easy to miss: The Jardin de l'Atlantique, out of sight on the roof of Gare Montparnasse. The enchanting Jardin de la Vallee Suisse, invisible from the street, accessible only if you know how to find the path. The Square Boucicaut, its children's carousel hidden inside a grove of oak and maples. Square Batignolles, the shade of the old chestnut trees an inspiration to the painter edouard Manet and poet Paul Verlaine. Hidden Gardens of Paris features 40 such oases in quartiers both posh and plain, as well as dozens of others. Nearby to the featured green space. It is arranged according to the geographic sections of the city Ile de la Cite, Left Bank, Right Bank, Western Paris, Eastern Paris a lively and informative guide that focuses on each place as a site of passionate cultural memory.

***The Streets Keep Calling*** Jun 11 2022 After doing a 5-year bid, all ex-drug dealer Breeze wants is a normal life with the love of his life and his children. Determined to stay on a straight and narrow path, he follows all the rules of his probation, and even works a full-time job as a janitor. But when the pressure becomes too much to handle, he reverts back to what he knows best. With everything under control, he's the happiest man alive—that is, until he realizes his happiness was achieved at the cost of another man's losses. This brings Breeze back to a part of his life he'd hoped never to relive. He puts his combat boots on and is ready for war, not knowing if the battle will land him back in lockdown. In order to keep his happiness, Breeze is willing to risk it all. Bestselling author Chunichi brings readers another engaging tale of life on the streets. *The Streets Keep Calling* will make you ask yourself, "How far would I be willing to go for survival?"

***The Weather in the Streets*** Feb 24 2021 In 1930s England, an encounter on a train leads to an illicit affair, in this novel of “spare, poetic prose” by the author of *Invitation to the Waltz* (Joyce Carol Oates). Just ten years ago, Olivia Curtis attended her first dance. Now she is divorced and living with her cousin in London. When she gets a call notifying her that her father is gravely ill, she makes preparations to return to Tulverton, in the English countryside—and on the railway journey home, she runs into Rollo Spencer, her girlhood crush. He and Olivia once shared a fleeting, magical moment on a moonlit terrace that she has never forgotten. Now, fate has thrown them together again, and in spite of the fact that Rollo is married, they embark on a clandestine affair. *The Weather in the Streets* charts the tempestuous course of Olivia and Rollo's forbidden relationship, from the first throes of passion through the toll of their deception on Olivia as she confronts the harsh reality of being the other woman. A novel ahead of its time that touched on a variety of taboo subjects, it is an enduring classic by an author who “has always written brilliantly of women in love” (Margaret Drabble).

***Into the Streets*** Aug 25 2023 What does it mean to resist? Throughout our nation's history, discrimination and unjust treatment of all kinds have prompted people to make their objections and outrage known. Some protests involve large groups of people, marching or holding signs with powerful slogans. Others start with quotes or hashtags on social media that go viral and spur changes in behavior. People can make their voices heard in hundreds of different ways. Join author Marke Bieschke on this visual voyage of resistance through American history. Discover the artwork, music, fashion, and creativity of the activists. Meet the leaders of the movements, and learn about the protests that helped to shape the United States from all sides of the political spectrum. Examples include key events from women's suffrage, the civil rights movement, occupations by Indigenous people, LGBTQ demands for equality, Tea Party protests, Black Lives Matter protests, and more, including the George Floyd protests in the summer of 2020. *Into the Streets* introduces the personalities and issues that drove these protests, as well as their varied aims and accomplishments, from spontaneous hashtag uprisings to highly planned strategies of civil disobedience. Perfect for young adult audiences, this book highlights how teens are frequently the ones protesting and creating the art of the resistance. “[T]he text never loses sight of the fact that the right to assemble and protest is a basic American right. . . . Highly recommended for middle grade through high school collections in both school and public libraries.”—starred, *School Library Journal*

***The Freedom of the Streets*** Feb 07 2022 Gilded Age cities offered extraordinary opportunities to women—but at a price. As clerks, factory hands, and professionals flocked downtown to earn a living, they alarmed social critics and city fathers, who warned that self-supporting women were just steps away from becoming prostitutes. With in-depth research possible only in a mid-sized city, Sharon E. Wood focuses on Davenport, Iowa, to explore the lives of working women and the prostitutes who shared their neighborhoods. The single, self-supporting women who migrated to Davenport in the years following the Civil War saw paid labor as the foundation of citizenship. They took up the tools of public and political life to assert the respectability of paid employment and to confront the demon of prostitution. Wood offers cradle-to-grave portraits of individual girls and women—both prostitutes and “respectable” white workers—seeking to

reshape their city and expand women's opportunities. As Wood demonstrates, however, their efforts to rewrite the sexual politics of the streets met powerful resistance at every turn from men defending their political rights and sexual power.

**From the Streets to the State** Nov 23 2020 Blends academic and activist perspectives to explore recent emancipatory struggles to win and transform state power. For decades, emancipatory struggles have been deeply influenced by the slogan "Change the world without taking power." Amid growing social inequalities and the return of right-wing authoritarianism, however, many now recognize the limits of disengaging from government and the state. From the Streets to the State chronicles many diverse and exciting projects to not only take state power but to fundamentally change it. A blend of scholars and activists explore issues like the nonsectarian relationships between new radical left parties, egalitarian social movements, and labor movements in Greece, Germany, Spain, Portugal, and Turkey. Contributors discuss municipal campaigns based in popular assemblies, solidarity economies, and independent political organizations fighting for racial, gender, and economic justice in cities such as Jackson, Vancouver, and Newcastle. This volume also studies the lessons learned from the Pink Tide in Latin America as well as the social movements of racialized and gendered workers transforming human rights across the United States. Finally, the book offers case studies from around the world surveying the role of state workers and public sector unions in radically democratizing public administration through coalitions between the providers and users of public services.

**Tonight the Streets Are Ours** May 10 2022 Recklessly loyal. That's how seventeen-year-old Arden Huntley has always thought of herself. Taking care of her loved ones is what gives Arden purpose in her life and makes her feel like she matters. But lately she's grown resentful of everyone—including her needy best friend and her absent mom—taking her loyalty for granted. Then Arden stumbles upon a website called Tonight the Streets Are Ours, the musings of a young New York City writer named Peter, who gives voice to feelings that Arden has never known how to express. He seems to get her in a way that no one else does, and he hasn't even met her. Until Arden sets out on a road trip to find him. During one crazy night out in New York City filled with parties, dancing, and music—the type of night when anything can happen, and nearly everything does—Arden discovers that Peter isn't exactly who she thought he was. And maybe she isn't exactly who she thought she was, either.

**Chained to the Streets** 3 Oct 15 2022 After barely escaping with their lives, the brothers clash about DESMOND working with the Feds and LUCKY sleeping with his girlfriend. The betrayal is so ugly and deep, it shatters the familial bond. Will things ever get back on the right track? Or has the connection been destroyed forever? Meanwhile, their war with the killa known as THE EASTSIDE NIGHTMARE continues, and they're up against a ruthless foe. How that battle plays out will determine the life expectancy of all involved. When Lucky goes back to Detroit to continue working with the Feds, his demise might be imminent. Will Desmond sit back and let irreversible tragedy come to his brother? Or will he show and prove that he is still CHAINED TO THE STREETS and willing to bust his guns for his blood?

**On the Streets** Jul 20 2020

**Stamford '76** Mar 08 2022 In July 1976, a twenty-four-year-old white woman, Margo Olson, was found in a shallow grave in Stamford, Connecticut, with an arrow piercing through her heart. A few weeks later, Howie Carter, her black boyfriend, was killed by the police. Howie and Margo's interracial relationship held a distorted mirror to the author's own, with Howie's best friend, Joe. Joe's theory was that the police didn't have any evidence to arrest Howie; operating on the assumption that the black man is always guilty, they killed him instead. Margo's murder was never solved. Looking back at what might have happened in 1976, the author discovers a Bicentennial year steeped in recession, racism, and unrelenting violence. It was also a time of flourishing second-wave feminism, when young women were encouraged to do anything, if only they knew how. Stamford was in the midst of urban renewal, destroying historically black neighborhoods to create space for corporations escaping a bankrupt and dangerous New York City, just forty miles away. Organized crime followed the money, infiltrating Stamford at all levels. The author reveals how racism, misogyny, the economy, and corruption affected the young people's daily lives, and helped lead Margo and Howie to their deaths.

**How the Streets Were Made** Jan 18 2023 In this book, Yelena Bailey examines the creation of "the streets" not just as a physical, racialized space produced by segregationist policies but also as a sociocultural entity that has influenced our understanding of blackness in America for decades. Drawing from fields such as media studies, literary studies, history, sociology, film studies, and music studies, this book engages in an interdisciplinary analysis of the how the streets have shaped contemporary perceptions of black identity, community, violence, spending habits, and belonging. Where historical and sociological research has examined these realities regarding economic and social disparities, this book analyzes the streets through the lens of marketing campaigns, literature, hip-hop, film, and television in order to better understand the cultural meanings associated with the streets. Because these media represent a terrain of cultural contestation, they illustrate the way the meaning of the streets has been shaped by both the white and black imaginaries as well as how they have served as a site of self-assertion and determination for black communities.

**Surviving On The Streets** Jun 23 2023 Ace Backwards gives us our first real foray into the daily life of street people. Intended to be written as a how-to for anyone contemplating or more likely thrust by circumstances into street life, it is an uncensored and candid look at an entirely different world that exists co-dependently with the one with which most of us are familiar. Ace himself admits that no book can teach you to survive the countless turbulent pitfalls awaiting you on the street - each street person's situation is unique. However, this book offers specific tips on street survival that worked - and some that didn't, which might be just as valuable for those who could learn from Ace's mistakes. For those of us who will never live on the streets, this book gives a brutally honest peek into an alien world from the eyes of a native.

**We Beat the Street** Oct 23 2020 Growing up on the rough streets of Newark, New Jersey, Rameck, George, and Sampson could easily have followed their childhood friends into drug dealing, gangs, and prison. But when a presentation at their school made the three boys aware of the opportunities available to them in the medical and dental professions, they made a pact among themselves that they would become doctors. It took a lot of determination—and a lot of support from one another—but despite all the hardships along the way, the three succeeded. Retold with the help of an award-winning author, this younger adaptation of the adult hit novel *The Pact* is a hard-hitting, powerful, and inspirational book that will speak to young readers everywhere.

**Whatever Starts on the Streets-- Stays on the Streets** Nov 04 2021 In the mean streets of Chester, PA different projects all wanted the same thing: Street creditability, money, women and cars. But Twenty-Fourth Street wanted it all. Each project is willing to do anything for it. All want to know who will come out on top. But the real question is...Whatever start on the street...stay on the street?

**The Streets of Baltimore** Sep 02 2021 Brandon Novak, an actor known for the films *Jackass* and *Viva La Bam*, among others, was a teenage skateboarder, but his lust for heroin led to a junkie's destiny on the streets of Baltimore. Arrests, rehabs, and drug-tortured love triangles consumed Novak's life, until his childhood friend and *Jackass* alumnus Bam Margera guided him to MTV fame. But Novak's stardom led him down a self-destructive path that forced him to sculpt his future. This suspenseful memoir is interspersed with action, humor, and inspiration.

**Code of the Street: Decency, Violence, and the Moral Life of the Inner City** Apr 28 2021 Unsparing and important. . . . An informative, clearheaded and sobering book.—Jonathan Yardley, *Washington Post* (1999 Critic's Choice) Inner-city black America is often stereotyped as a place of random violence, but in fact, violence in the inner city is regulated through an informal but well-known code of the street. This unwritten set of rules—based largely on an individual's ability to command respect—is a powerful and pervasive form of etiquette, governing the way in which people learn to negotiate public spaces. Elijah Anderson's incisive book delineates the code and examines it as a response to the lack of jobs that pay a living wage, to the stigma of race, to rampant drug use, to alienation and lack of hope.

**Why Do People Live on the Streets?** Aug 21 2020 Describes the origins and reasons for homelessness, and discussing living conditions, services for homeless people, and related questions.

**The Struggle for the Streets of Berlin** Jun 18 2020 Contests over Berlin's streets in the interwar period reveal the fragility of consumer capitalism, urban order, and liberal democracy.

**Art in the Streets** Feb 19 2023 A catalog of an exhibition that surveys the history of international graffiti and street art.

**Fire in the Streets** Apr 09 2022 What means more, shared values or shared blood? Maxie's choice changes everything in this acclaimed companion to *The Rock and the River*. Bad things happen in the heat, they say. Maxie knows all about how fire can erupt at a moment's notice, especially now, in the sweltering Chicago summer of 1968. She is a Black Panther—or at least she wants to be one. Maxie believes in the movement. She wants to belong. She wants to join the struggle. But everyone keeps telling her she's too young. At fourteen, she's allowed to help out in the office, but she certainly can't help patrol the streets. Then Maxie realizes that there is a traitor in their midst, and if she can figure out who it is, it may be her ticket to becoming a real Panther. But when she learns the

truth, the knowledge threatens to destroy her world. Maxie must decide: Is becoming a Panther worth paying the ultimate price?

*Blood in the Streets* Oct 03 2021 The authors discuss a new way of judging and interpreting global events as the necessary context of investment strategy

**See You in the Streets** Nov 16 2022 2017 American Book Award Winner from the Before Columbus Foundation In 1911, a fire at the Triangle Shirtwaist Factory in New York City took the lives of 146 workers, most of them young immigrant women and girls. Their deaths galvanized a movement for social and economic justice then, but today's laborers continue to battle dire working conditions. How can we bring the lessons of the Triangle fire back into practice today? For artist Ruth Sergel, the answer was to fuse art, activism, and collective memory to create a large-scale public commemoration that invites broad participation and incites civic engagement. *See You in the Streets* showcases her work. It all began modestly in 2004 with *Chalk*, an invitation to all New Yorkers to remember the 146 victims of the fire by inscribing their names and ages in chalk in front of their former homes. This project inspired Sergel to found the Remember the Triangle Fire Coalition, a broad alliance of artists and activists, universities and unions—more than 250 partners nationwide—to mark the 2011 centennial of the infamous blaze. Putting the coalition together and figuring what to do and how to do it were not easy. This book provides a lively account of the unexpected partnerships, false steps, joyous collective actions, and sustainability of such large public works. Much more than an object lesson from the past, *See You in the Streets* offers an exuberant perspective on building a social art practice and doing public history through argument and agitation, creativity and celebration with an engaged public.

*The Beach Beneath the Streets* Jul 12 2022 Examines New York City as a paradigmatic example of the tensions between privatization and public uses of space in the contemporary U.S.

*The Day the Streets Stood Still* Apr 21 2023 In this gripping and heart-wrenching story, you will meet Sean. He was raised by a hustling, well-connected mother and was taught early about street survival. When his mother is brutally murdered, Sean is thrust into a cold world all alone. An old friend of his mother takes Sean under his wing and introduces him to a life of drug dealing at its highest level. Sean becomes "King Sean" and rises up the drug game's totem pole. King Sean makes a solid name for himself in the street game. The only weakness he has ever had is a childhood friend and also the love of his life—a beauty named Sunny. Sunny has a struggle with drugs, and along her road to recovery, Sean falls victim to the vice as well. His life is slowly headed on a downward spiral, and his decline from street fame is filled with murder, lies, backstabbing, and a struggle to survive. Walk on the journey with Sunny and Sean as they hit rock bottom and steal, lie, and deceive in their struggle with addiction. Someone dies . . . but not until the end is the truth unveiled. New York Times bestseller JaQuavis Coleman pens an intricate, fast-paced street thriller that tells a bold story of true love, addiction, and murder. Read about *The Day the Streets Stood Still*.

*Coming Out to the Streets* May 30 2021 Lesbian, gay, bisexual, transgender, and queer (LGBTQ) youth are disproportionately represented in the U.S. youth homelessness population. In *Coming Out to the Streets*, Brandon Andrew Robinson examines their lives. Based on interviews and ethnographic fieldwork in central Texas, *Coming Out to the Streets* looks into the LGBTQ youth's lives before they experience homelessness—within their families, schools, and other institutions—and later when they navigate the streets, deal with police, and access shelters and other services. Through this documentation, Brandon Andrew Robinson shows how poverty and racial inequality shape the ways that the LGBTQ youth negotiate their gender and sexuality before and while they are experiencing homelessness. To address LGBTQ youth homelessness, Robinson contends that solutions must move beyond blaming families for rejecting their child. In highlighting the voices of the LGBTQ youth, Robinson calls for queer and trans liberation through systemic change.

*People of the Streets* Aug 01 2021 'People of the streets... you become aware of them, and wonder who and what they are... what kind of lives they have, and what living them means...' First published in 1968, *People of the Streets* was Tony Parker's sixth book, for which he spent a year approaching and interviewing people in London who were living their daily lives on street corners, along gutters or in subways. With his usual skill he coaxed them out of their natural reticence, born of solitude, into an unfamiliar but hugely illuminating spontaneity. 'In [Parker's] books the strength lies in the interpretive mind of the writer... He is a sociologist studying single cases in some depth and shows qualities of imagination shared by the historian and the biographer - a mixture of intelligence, sympathy and empathy.' TLS

*The Streets Have No King* May 22 2023 A gritty, dramatic, pulse-pounding urban fiction novel by New York Times bestselling author JaQuavis Coleman.
