Watch your toes, it's the Pall Mall Rematch! Fifteen years have passed, but the Bridgertons are as devious and diabolical as ever when it comes to life on the croquet field. Join Anthony, Kate, Simon, Daphne, Colin, Edwina, and (of course) the mallet of death, as Julia Quinn shows that happily ever after can still be a little bit wicked... and a whole lot of fun. Romance sizzles in this Cinderella story set in Scotland, the first in a sparkling new spinoff series from New York Times bestselling author Karen Hawkins. Prince Alexsey Romanovin enjoys his carefree life, flirting—and more—with every lovely lady who crosses his path. But when the interfering Duchess Natasha decides it's time for her grandson to wed, Alexsey finds himself in Scotland, determined to foil her plans. Brainy, bookish, and bespectacled, Bronwyn Murdoch seems the perfect answer—she isn't at all to the Duchess's taste. Living at the beck and call of her ambitious stepmother and social butterfly stepsisters, Bronwyn has little time for a handsome flirt—no matter how intoxicating his kisses are. After all, no spoiled, arrogant prince would be seriously interested in a firm-minded female like herself. So...wouldn't it be fun to turn his "game" upside down and prove that an ordinary woman can bring a prince to his knees... Ever the pragmatist, he suggests a marriage of convenience. Cecelia has always been good at working with James, but she doesn't understand how he can be so obtuse. But when a German prince arrives in London and immediately sets out to woo Cecelia, James will have to come to terms with what he really feels for her. Is running away worth the cost of losing her, or will the duke dare to win her once and for all? If he ever returns to claim his inheritance, her heart won't survive seeing him again. A man determined to destroy her... Nicholas Claiborne hasn't stepped foot in England since watching Ellie marry his cousin. He has no use for the gorgeous, heartless girl who betrayed him, or the title she abandoned him for. But when his business in India turns deadly, Nick must return to London to uncover a murderer -- and take revenge on the woman he couldn't force himself to forget. A love they can't escape... Nick hates Ellie's transformation from sweet debutante to jaded seductress. Ellie despises him for leaving her behind. Still, the sparks between them reignite the passion that should have been their destiny. As their demands of each other turn darker and a potential killer closes in, they must decide whether to guard the fragile remnants of their hearts -- or find a way to fall in love all over again. After graduation from a New England prep school, Fletcher Greel, the judge's son, returns home and falls in love with Haley Banks, while his best friend, Riley, becomes enamored with a blues-singing black girl named Crystal, and as these four lives become connected by romance, passion, and the new-found freedoms of late adolescence, racial tensions and violence threaten to destroy them all forever. Sir Phillip knew that Eloise Bridgerton was a spinster, and so he'd proposed, figuring that she'd be homely and unassuming, and more than a little desperate for an offer of marriage. Except . . . she wasn't. The beautiful woman on his doorstep was anything but quiet, and when she stopped talking long enough to close her mouth, all he wanted to do was kiss her . . . and more. Did he think she was mad? Eloise Bridgerton couldn't marry a man she had never met! But then she started thinking . . . and wondering . . . and before she knew it, she was in a hired carriage in the middle of the night, on her way to meet the man she hoped might be her perfect match. Except . . . he wasn't. Her perfect husband wouldn't be so moody and ill-mannered, and while Phillip was certainly handsome, he was a large brute of a man, rough and rugged, and totally unlike the London gentlemen vying for her hand. But when he smiled . . . and when he kissed her . . . the rest of the world simply fell away, and she couldn't help but wonder . . . could this imperfect man be perfect for her? "This was the year I learned to no longer depend on other people to get by, nor be stubbornly independent without any help from anyone or anything. This was the year I instead learned to say: you can depend on me. I will be your stability, you can always count on me. I said it to myself and to others, over and over until I believed it. I will stand like a lighthouse in the storm and repeat over and over: you can depend on me. This was the year I stopped begging for things to happen, and instead made them happen myself. This was the year I stopped living my life according to someone else's needs, and instead explored my own. This was the year I learned to stop begging people to love me. If someone wants to go, let them go. This was the year I learned that every person who shows up in your life is there to teach you a lesson, and they will stay until you have learned what you need to learn. Then they will leave, whether you want them to or not, and you must let them. This was the year I learned that you must dare to leave something or someone completely, leaving that space empty and aching, in order to open up space for something new. And you must know that there is a new lesson and a new person, in a new place with a new life waiting for you. This was the year I learned that what's coming is always better than what has been. Don't hold on to things that are over. Let them go, bravely." The 5th book from Swedish author and songwriter, Charlotte Eriksson, is a story about cold love, told from every angle. "No matter what, he loved me some days. I'm sure he did. At least now I love myself, and I don't think I would if he still loved me. I don't think I would love myself if I still loved him." **I Married the Duke** begins the **Prince Catchers** series by Katharine Ashe, award-winning author of historical romance. She thought he was a pirate. He thought she was a governess. Two wrongs have never made such a scandalously perfect right.
