The second and final book in the Beautiful Monster series has arrived! Liam knows his plan is so preposterous that it will either be wildly successful... or fatal. But it's a risk he has no choice but to take - for his sake and for Amy's. If Amy thought her first year at Leopard Academy was a whirlwind, she'd better brace herself for a typhoon. For fans of The Hunger Games and Divergent comes a story like no other... A toxic river divides nineteen-year-old Violet Bates's world by gender. Women rule the East. Men rule the West. Welcome to the lands of Matrus and Patrus. Ever since the disappearance of her beloved younger brother, Violet's life has been consumed by an anger she struggles to control. Already a prisoner to her own nation, now she has been sentenced to death for her crimes. But one decision could save her life. To enter the kingdom of Patrus, where men rule and women submit. Everything about the patriarchy is dangerous for a rebellious girl like Violet. She cannot break the rules if she wishes to stay alive. But abiding by rules has never been her strong suit, and when she is thrust into more danger than she could have ever predicted, Violet is forced to sacrifice many things in the forbidden kingdom ... including forbidden love. In a world divided by gender, only the strongest survive... _____ "Bella takes this genre to a new level. Imagine the intrigue of Divergent, the suspense of The Maze Runner and the heart-pounding excitement of The Hunger Games. That is the

magic Bella is working with her new novel *The Gender Game*." "The next BIG THING. Unique and brilliant." "The perfect mix of adventure, mystery, thrill, blossoming love and heartbreak. READ THIS ASAP! You will not regret it." "You can never predict where Bella Forrest will take a story!" "Intrigue, danger and mystery at every corner." "Once I started reading, I knew I wouldn't be able to stop. My heart raced along with Violet's [...]" "The twists and turns so far in this book have left my mouth hanging agape." "Intrigue, espionage, and a strong, smart female at the center of it all. Had me sucked in from the get go." If you enjoy Suzanne Collins or Veronica Roth, this will be a ride you won't want to miss. Book 1 of a completed series. "Harley is a ticking time bomb, ready to detonate with uncontrollable magic. The only solution? Find the Voodoo Queen of New Orleans, make some risky deals, and balance the Light and Darkness within her--before she's torn apart, atom by atom."-- Are those cranky old folks at the retirement home really what they seem? This two-book bundle presents both of Kim Thompson's acclaimed Eldritch Manor books! Willa Fuller thought there was something more to the old folks over at Eldritch Manor, but she never expected this! Suddenly, her world is buzzing with angry pixies, squawking phoenixes, and a dragon who -- wait, where did the dragon go? Includes: *Eldritch Manor -- Book #1* Where have all the ancient creatures of myth and legend gone? Apparently, they're disguised as senior citizens, and they live in a boarding house in twelve-year-old Willa Fuller's neighbourhood. When Willa is left to babysit the cantankerous oldsters while their sinister landlady, Miss Trang, is away, the forces of darkness attack! *Shadow Wrack -- Book #2* After the events of *Eldritch Manor*, Willa just wants peace and quiet, but the burned-down old house is only creating more problems. The old folks are restless, the magical groups are fighting with each other, and Willa's attempts to "fix" her family aren't going well at all. The forces of darkness were easier to handle! Allie Norton never believed she was anyone special, why would she? She was an outsider on all accounts, even her stepfamily didn't want her. But when Allie meets her new next door neighbor, Mark Duval, he opens her eyes to the hidden world of alchemy. When a recruiter for the Alchemist's Academy comes calling, Allie is more than thrilled to answer. With Mark in tow, she braves this strange new world, hidden by magic and secrets. It doesn't take long to figure out nothing is as it is supposed to be. The art of Alchemy is not taught, but thrown at the students with force and cruelty. Students are pitted against one another in a battle of houses. They fight for dominance, while fear and hatred for each other are used to facilitate their alchemist creations. If you can't cut it, the President of the Academy, Verity, will announce your retirement. Allie and Mark must find a way through the mysteries of the academy before they too are retired. Alex and his comrades might have escaped the Head's clutches, but where are they now? Continue the thrilling journey in Book 3 of the bestselling Spellshadow series. Buy now. Magic is illegal under the mountain, but one warlock-turned-prison guard is no big deal until a baby OwlCat shows up. That kit is his best friend's grandson. Before Nulthir can take the little fella to safety, he's attacked by a stranger with a mysterious object that infects him with dark magic and kicks off a dangerous transformation. Nulthir thought

he'd escaped the darkness that nearly destroyed his family, but he was wrong. That evil is now turning him into a monster, while he struggles to protect his friend's grandson. But the attack was just the opening move in a deadly game designed to trap a powerful young mage. Through that kid, the summoners can create an army of monsters. Nulthir and his mind-talking OwlCats are in for the fight of their lives, even if they get to the mage first. If they fail, they'll be fodder for the next wave of monsters. Find out if they save the day or become the monsters who threaten their world. Get *Spell of Shadow & Light* now!****Spell of Shadow & Light* is a prequel to the *Curse Breaker* series. It contains all three previously published stories, *Spell of Wings & Glass*, *Spell of Bone & Ash*, and *Spell of Scales & Steel*, which were published in the *Magic Underground Anthologies* plus an all-new novella, *Spell of Shadow & Light*, with an extended epilogue. Continue Violet and Viggo's heart-racing journey in the epic fifth book of *The Gender Game* series. Order now. Fans of *Serafina and the Black Cloak* and *The Night Gardener* will devour *Shadow Weaver*, the first in a dark middle-grade fantasy duology that's filled with shadows, danger, magic, and has the feel of a new classic. Emmeline's gift of controlling shadows has isolated her from the rest of the world, but she's grown to be content, hidden away in her mansion with Dar, her own shadow, as her only company. Disaster strikes when a noble family visits their home and offers to take Emmeline away and cure her of magic. Desperate not to lose her shadows, she turns to Dar who proposes a deal: Dar will change the noble's mind, if Emmeline will help her become flesh as she once was. Emmeline agrees but the next morning the man in charge is in a coma and all that the witness saw was a long shadow with no one nearby to cast it. Scared to face punishment, Emmeline and Dar run away. With the noble's guards on her trail, Emmeline's only hope of clearing her name is to escape capture and perform the ritual that will set Dar free. But Emmeline's not sure she can trust Dar anymore, and it's hard to keep secrets from someone who can never leave your side. Thorn, an outlaw's son, wasn't supposed to be a slave. He's been sold to Tyburn, an executioner, and they're headed to *Castle Gloom* in *Gehenna*, the land of undead, where Thorn will probably be fed to a vampire. *Lilith Shadow* wasn't supposed to be ruler of *Gehenna*. But following the murder of her family, young Lily became the last surviving member of *House Shadow*, a long line of dark sorcerers. Her country is surrounded by enemies and the only way she can save it is by embracing her heritage and practicing the magic of the undead. But how can she when, as a girl, magic is forbidden to her? Just when it looks like Lily will have to leave her home forever, Thorn arrives at *Castle Gloom*. A sudden death brings them together, inspires them to break the rules, and leads them to soar to new heights in this fantasy with all the sparkle and luster of a starry night sky. Book 1 of a three book series. Advance Praise: "If you are pining for that thrill you felt when you first discovered *Harry Potter*, let me recommend *Shadow Magic*. Here is a fantasy world you will lose yourself in -- with Six Great Families of magic, the nicest princess of darkness you've ever met, a peasant boy with skills to rival *Robin Hood*, and a supporting cast of zombies, paladins, ghost puppies, executioners, minstrels, murderers, and a giant hero bat. I defy you not to love this

story." -- Rick Riordan "Zestful, dynamic and addictive, Shadow Magic is storytelling at its most exuberant. Joshua Khan sweeps you up on the very first page and never lets you go. Close shaves, high adventure, wild fantasy, and giant bats -- this book has it all. I haven't had this much fun in ages. Sit back and enjoy the ride!" --Jonathan Stroud "Great, in-depth, unusual world-building coupled with funny, down-to-earth writing. Just call me Joshua Khan's number one fan."-Sarah Rees Brennan "There's plenty of magic to be found in Shadow Magic -- necromancy, giant bats, ghosts! -- but the real enchantment is the spell it weaves around the reader. I'd battle a whole army of the dead just to get to spend more time in Castle Gloom and the world Joshua Khan has created." -- Rachel Hawkins "An executioner's apprentice, an embattled queen of shadows, and a royal hostage join forces toward a common goal-survival in a treacherous world of monsters and magic. Shadow Magic is like the best of haunted house adventures-a dark and twisty thrill ride with just the right amount of creepy humor." -- Cinda Williams Chima "Working together but never losing sight of their individual objectives, Thorn and Lily uncover surprising truths about their families. Despite the gloomy setting, this book vibrates with hope. Short chapters filled with action, appealing characters, and cliff-hanger endings make this fantasy the kind of book readers will find hard to put down. Recommended for all middle grade collections." -- School Library Journal (starred review) Three Dark Crowns meets Pretty Little Liars in this sensational and striking new fantasy from debut author Ellen Goodlett, which New York Times bestselling author Elly Blake calls "dazzling" and "pulse-pounding". The king is dying, his heir has just been murdered, and rebellion brews in the east. But the kingdom of Kolonya and the outer Reaches has one last option before it descends into leaderless chaos. Or rather, three unexpected options... Zofi has spent her entire life trekking through the outer Reaches with her people. She would do anything to protect the band, her family. But no one can ever find out how far she's already gone. Akeylah was raised in the Eastern Reach, surrounded by whispers of rebellion and abused by her father. Desperate to escape, she makes a decision that threatens the whole kingdom. Ren grew up in Kolonya, serving as a lady's maid and scheming her way out of the servants' chambers. But she could be hanged for treason if anyone ever discovers what she's done. When the king summons the girls, they arrive expecting arrest or even execution. Instead they learn the truth: they are his illegitimate daughters, and one must become his new heir. But someone in Kolonya knows their secrets, and that someone will stop at nothing to keep the sisters from their destiny...to rule. Magic, mystery, and blackmail abound in this heart-stopping fantasy debut. "It will be your moment, Webber, to show us all your worth. But will you fly or will you fall?" The PENULTIMATE book in the Spellshadow series as we lead up to the grand finale in Book 6. Buy now! *Beware of spoilers in the reviews below that are without spoiler alerts* Produced in cooperation with the National Association of School Nurses, this text includes comprehensive coverage of the multiple facets of school nursing—from the foundations of practice and the roles and functions of a school nurse through episodic and chronic illness and behavioral issues, to legal issues and leading and managing

within school settings. Written and edited by school nurses and pediatric experts, it features real-world-tested, best practices based on evidence and experience. There's content here that you won't find in other books, such as health assessments, individualized health plan development, mental health conditions including adolescent depression, contemporary legal issues, and current policy statements essential to school nursing. A New York Times Editors Choice Longlisted for the 2020 Simpson / Joyce Carol Oates Literary Prize One of Vogue.com's "Best Books of 2020 So Far" One of Elle's "Best Books of 2020 So Far" Named A Most-Anticipated Book by The New York Times, Vogue, The Boston Globe, Salon, The Millions, Inside Hook, and Vol. 1 Brooklyn In 1996, the unnamed narrator of *Teddy Wayne's Apartment* is attending the MFA writing program at Columbia on his father's dime and living in an illegal sublet of a rent-stabilized apartment. Feeling guilty about his good fortune, he offers his spare bedroom--rent-free--to Billy, a talented, charismatic classmate from the Midwest eking out a hand-to-mouth existence in Manhattan. The narrator's rapport with Billy develops into the friendship he's never had due to a lifetime of holding people at arm's length, hovering at the periphery, feeling "fundamentally defective." But their living arrangement, not to mention their radically different upbringings, breeds tensions neither man could predict. Interrogating the origins of our contemporary political divide and its ties to masculinity and class, *Apartment* is a gutting portrait of one of New York's many lost, disconnected souls by a writer with an uncommon aptitude for embodying them. In shadow-haunted Nidal, the denizens of the Plane of Shadow intermingle with common man. Now people are disappearing, and it falls to the adventurers to stop the terror. Faced with terrible shadow creatures, an unruly mob of scared citizens, and an unpredictable creature of light, can the heroes undo a greedy and uncaring noble's self-serving mistake? *The Midnight Mirror* is an adventure for 4th-level characters, written for the Pathfinder Roleplaying Game and compatible with the 3.5 edition of the world's oldest RPG. In addition to the adventure, this volume also features a brand-new monster and a gazetteer of a brand new location in the shadow-tainted nation of Nidal. The highly anticipated second book of the Spellshadow series "We walk in dreams," the Head had said. "It was only a matter of time before a nightmare followed us back." "Kingstone Keep. Falleaf House. Stillwater House. Spellshadow Manor. Seek these places, and do not leave them. Cower within their walls..." Alex doesn't have all the answers yet, but he and his friends are running out of time. With Amir's new position as a professor, they hoped he might be able to help them make a breakthrough in uncovering the Manor and its Head's secret, but it soon becomes terrifyingly clear that Amir's situation is anything but advantageous... As rules begin tightening around Alex like a noose to his neck, he is forced to rely on his own strengths more and more -- and when events at Spellshadow take a truly shocking turn, it will take all that he has not to break... Prepare for a hair-raising ride. Order now. Alex and friends encounter more extraordinary creatures in their last adventure. Matt's life changes forever when a family of "witches" moves into the dilapidated Victorian mansion next door. *The Secrets of Hawthorne House* is the story of an unlikely friendship, the clash of two radically

different cultures, secret magic, and a search for the long lost Hawthorne treasure. A spine-tingling new fantasy-mystery, perfect for adults or teens who enjoyed Harry Potter... What would you do if you spotted a man following a young woman, but no-one else could see him? Like most sane people, student Alex Webber thought he was hallucinating - perhaps he'd consumed something bad at the party he'd been attending that night, or he was severely overtired. But when he sees the mysterious man following Natalie again the very next day, he can no longer disbelieve his eyes. Although Natalie denies the man's existence, Alex sees her walking with him down a road in his neighborhood he's never seen before - and can't help but follow. After a bizarre, but strangely short journey, he finds himself standing before a towering iron gate wreathed in gray ivy, behind which looms a decrepit old house named Spellshadow Manor. Spellshadow, with its beautiful yet sinisterly decorated hallways, ever-changing outdoor scenery and very unusual residents... Alex will quickly learn it is a place that is as wondrous as it is deadly. Especially for a normal person like him. What if you found yourself recruited to an institute of magic, only to discover you really couldn't do magic? What if your enrollment there was all one big, terrible mistake? If you were at Spellshadow, you'd keep it a secret. A deep, dark, deadly secret... Because Spellshadow's elusive Head is hiding a secret of his own, one that Alex soon realizes he and Natalie must uncover at all costs if either of them wishes to leave the Manor alive - and before it's too late. Mystery, suspense, and plenty of twists and turns; an unforgettable experience awaits you in Spellshadow Manor... Welcome in. BUY NOW! "I just had to believe we'd dealt a death blow of our own. That today would be the beginning of the end..." Ready for the explosive PENULTIMATE BOOK in The Gender Game series? (As we move toward the grand finale in Book 7: The Gender End). Order now! Summer camp is a traditional teenage rite of passage, but when you add supernatural powers to the typically high dosage of adolescent hormones — you get an even more combustible mix. Sixteen-year-old werewolf twins Kate and Logan Danvers are none too thrilled at being shipped off to a supernatural youth leadership conference in West Virginia. From the moment they arrive at the camp, the twins sense something is off and they react in their usual manner — Logan reserving judgement and surveying the setup, while Kate charges forward determined to get answers. Kate and Logan quickly ascertain that most of the conference attendees have already formed hostile factions, leaving the twins and a few other misfits to band together. What seems like teen hormones in overdrive becomes something much more dangerous, even deadly. Add in a strange magic-warded cabin in the woods and a local history rife with curses and macabre legends, and it becomes clear this was a really, really bad place to build a camp for teenage supernaturals. After the events of Eldritch Manor, Willa just wants peace and quiet, but the burned-down old house is only creating more problems. The old folks are restless, the magical groups are fighting with each other, and Willa's attempts to "fix" her family aren't going well at all. The forces of darkness were easier to handle! Lovers of dark adventure, magic, and following your heart should not let this book slip away. Can prophecy be overcome, or does striving to avoid fate merely drive you into its arms? Since the day Danny Stone's mother vanished, dreams of dark and strange places have plagued him nightly. Though years have passed, the burning pain of her disappearance still consumes him - as does his need for answers. Then one lazy summer day, Danny and his friends Katrina, Poppy, and Russell discover their parents' long-hidden secret - and their lives change forever. They enter a fragmented, broken world of magic, blades, and blood in a quest for answers, but the mystery of what happened to Danny's mother only becomes more terrifying - and yet there is hope. But there are other, bigger threats at hand, too, as evil begins to stir and the Oracle's prophecies herald a coming darkness. It seems that Danny's dreams were only the beginning... Rise of the Reaper is the first book in an exciting new YA fantasy series by British author Lorna Reid. A perilous quest, filled with magic, blades, and blood. This adventure will make your pulse quicken, even as the shadows begin to stir. Five rituals to control Chaos. That's all it takes. Now that Harley knows her enemy's grand plan--to become a godlike Child of Chaos and punish those deemed "unworthy"--she's got to

figure out what the heck to do about it. Many of the missing magicals are still out there, and Katherine has vowed to kill everyone Harley cares about and make her watch. So that's fun. Just when it seems like things can't get much worse, one of the most precious monsters of the Bestiary escapes, and Harley is sure that Katherine has her dirty hands involved. But that crazy witch had better be ready because Harley has finally figured out a way to unleash her powers--although the cost might not be worth it. Astrid, a human living amongst magicals, is just as determined to thwart Katherine's schemes. At the same time, her budding romance with the Coven's trademark bad boy has earned her father's disapproval, and it seems like betrayal is lurking around the corner... Continue the journey. "The child must be named." A name can contain enormous power. But for Persie Merlin-Crowley, the powerless daughter of famed magicals Harley Merlin and Wade Crowley, her name hasn't given her much in terms of abilities. That is, until her eighteenth birthday comes around and she Purges a gigantic Hydra that terrorizes the coven. How could that be possible, if she's never cast a spell in her life? Then her mother reveals the deal she made with Leviathan almost twenty years before--a deal that let the monster name her firstborn Persie. Or rather,

Persephone, as is her true name. He has given her the "gift" of Purging all manner of beasts... so that she may become the Queen of the Underworld like her namesake. Persie is left reeling. She's spent her life doodling monsters in the margins of notebooks and dreaming of far-off adventures. Now, she'll have to stay under her mother's supervision so her rogue Purges don't wreak havoc. Unless she can find another way to control her powers... When she learns about The Basani Institute, a monster-hunting program in Ireland, she knows this is her one chance. Alongside her Atlantean best friend and Uncle Finch's annoying kid, she sneaks out to audition to become a monster hunter. But Leviathan's gift is one that never stops giving... Thirty days ago, my boss (Mr. Wolf of Wall Street), came to me with an offer I couldn't refuse: Sign my name on the dotted line and pretend to be his fiancée for one month. If I agreed, he would let me out of my employment contract with a "very generous" severance package. The rules were pretty simple: No intimate kissing, no actual sex. Just pretend to love each other for the press, even though I've secretly wanted to knock that sexy smirk off his face since the first day we met. I definitely didn't need to think twice about this. I signed my name and started counting down the seconds to when I would never have to deal with his special brand of ass-holery again. I only made it to one minute... We argued the entire four-hour flight to his hometown, failed to make a convincing impression with the welcoming press, and right when I was about to knock that arrogant look off his face in real life? He purposely dropped his bath towel in front of me, distracting me with his nine-inch cock to "show me who the bigger person was" in our relationship. Then he gave me his trademark smirk once again and asked if I wanted to consummate our marriage. Tragically, this is only day one. We still have 29 more days to go... Liam knows his plan is so preposterous that it will either be wildly successful ... or fatal. But it's a risk he has no choice but to take - for his sake and for Amy's. If Amy thought her first year at Leopard Academy was a whirlwind, she'd better brace herself for a typhoon. Darkling Green - Book #3 Just when things seem to have calmed down at Eldritch Manor, spring comes with new complications. The King of the Fairies arrives with his entourage, and mistakes in Mab's knitting cause ruptures in time that make a supernatural portal open in the backyard pool. And on top of all that, Willa uncovers a shocking secret about her Mom. In a world where we have government of the rich by the rich for the rich, one girl decides to fight back... "Delightfully quirky." "Kirkus Reviews Perfect for fans of The One and Only Ivan, this irresistible debut novel combines plucky humor and a whole lot of heart in a story about the true meaning of family. Sometimes flying means keeping your feet on the ground" Born in a dismal room in a pet store, Alastair the African grey parrot dreams of escape to bluer skies. He'd like nothing more than to fly away to a palm tree with his beloved sister, Aggie. But when Aggie is purchased by twelve-year-old Fritz, and Alastair is adopted by elderly dance-enthusiast and pie-baker Albertina Plopky, the future looks ready to crash-land. In between anxiously plucking his feathers, eating a few books, and finding his own poetic voice, Alastair plots his way to a family reunion. But soon he's forced to choose between the life he's always dreamed of and admitting the truth: that sometimes, the bravest adventure is in letting go. " Time is running out. For the final ritual, Katherine will sacrifice twelve magicals with rare abilities. Harley has already lost so much, and she can't bear to sacrifice anything more. She will protect her friends at all costs--even if that means flying solo against the greatest evil the world has ever known. With her parents' Grimoire, Harley finally has a weapon capable of overpowering Katherine. If only she could figure out how to reveal the hidden pages within, to perform the spell Chaos itself has written. And the spell may reveal more than she's bargained for... All Katherine wants is to be Queen of Everything--is that so much to ask? Her little niece has been a real thorn in her side, but that's all about to change. Pity she can't kill Harley just yet, since the girl is still useful. There's also the matter of that too-handsome Necromancer, Davin Doncaster. From personal experience, Katherine knows one should never trust a pretty face."--Amazon. "It will be your moment, Webber, to show us all your worth. But will you fly or will you fall?" The PENULTIMATE book in the Spellshadow series. A magician linked to three murders and suspicious deaths years ago disappears in the middle of his new act in New York Times bestseller Phillip Margolin's latest thriller featuring Robin Lockwood Robin Lockwood is a young criminal defense attorney and partner in a prominent law firm in Portland, Oregon. A former MMA fighter and Yale Law graduate, she joined the firm of legal legend Regina Barrister not long before Regina was forced into retirement by early onset Alzheimer's. One of Regina's former clients, Robert Chesterfield, shows up in the law office with an odd request—he's seeking help from his old attorney in acquiring patent protection for an illusion. Chesterfield is a professional magician of some reknown and he has a major new trick he's about to debut. This is out of the scope of the law firm's expertise, but when Robin Lockwood looks into his previous

relationship with the firm, she learns that twenty years ago he was arrested for two murders, one attempted murder, and was involved in the potentially suspicious death of his very rich wife. At the time, Regina Barrister defended him with ease, after which he resumed his career as a magician in Las Vegas. Now, decades later, he debuts his new trick—only to disappear at the end. He’s a man with more than one dark past and many enemies—is his disappearance tied to one of the many people who have good reason to hate him? Was he killed and his body disposed of, or did he use his considerable skills to engineer his own disappearance? Robin Lockwood must unravel the tangled skein of murder and bloody mischief to learn how it all ties together. Fifteen-year-old Oliver Grain begins his school year fighting off bullies, learning about the boy who committed suicide in his room, and trying to understand why his history teacher, Mr. Gordon, has taken such a personal interest in him. Do you believe in ghosts? Do you believe you can make bullies simply disappear? Do you believe you can walk through walls? Mr. Gordon tells Oliver: "When you truly believe anything is possible, you will be able to open doors where there were only walls." And one of those doors leads Oliver to Provex City, which puts him in far greater danger than he can possibly fathom. Welcome to Provex City.
