Describes the early years of the songwriter, who, only a few years after he immigrated to the United States, began writing a series of hit songs that helped to Americanize the musical theater and its audience Stranger Music brings together, at last, the words of a Canadian artist who has been anything but a stranger to so many of us for so long ... Cohen has woven a chain of words that binds us together. --Calgary Herald. Selections include: You're a Grand Old Flag; America, the Beautiful; The Marines' Hymn; The Caisson Song; I'm a Yankee Doodle Dandy; America; The Star Spangled Banner; and Battle Hymn of the Republic. Lyrics are provided for each tune. (Book). Art Song: Linking Poetry and Music is a follow-up to author Carol Kimball's bestselling Song: A Guide to Art Song Style and Literature . Rather than a general survey of art song literature, the new book clearly and insightfully defines the fundamental characteristics of art song, and the integral relationship between lyric poetry and its musical settings. Topics covered include poetry basics for singers, exercises for singers in working with poetry, insights into composers' musical settings of poetry, building recital programs, performance suggestions, and recommended literature for college and university classical voice majors. The three appendices address further aspects of poetry, guidelines for creating a recital program, and representative classical voice recitals of various descriptions. Art Song: Linking Poetry and Music is extremely useful as an "unofficial" text for college/university vocal literature classes, as an excellent resource for singers and voice teachers, and of interest to all those who are fascinated by the rich legacy of the art song genre. This vintage book contains a collection of Appalachian songs complete with lyrics and musical scores. Appalachian music refers to music from the Appalachia region of the Eastern United States. Deriving from various European and African influences, it was a key influence on early Old-time music, country music, and bluegrass, and had a significant influential on the American folk music revival during the 1960s. Contents include: "The Battle of Jericho", "Little Innocent Lamb", "Humble", "De Animals A-comin'", "Sister Mary Wore Three Lengths of Chain", "Keep in the Middle of the Road", "Roll, Jordon, Roll", "Ol' Ark's A-movin'", "Steel Away", "I Got Shoes", "Ready When He Comes", etc. Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in a modern, high-quality edition complete with the original text and artwork. Ten songs that teach ABCs and counting. The humorist asked his readers to share their least favorite tunes and chronicles the hilarious responses. When funnyman Dave Barry asked readers about their least favorite tunes, he thought he was penning just another installment of his weekly syndicated humor column. But the witty writer was flabbergasted by the response when over 10,000 readers voted. "I have never written a column that got a bigger response than the one announcing the Bad Song Survey," Barry wrote. Based on the results of the survey, Dave Barry's Book of Bad Songs is a compilation of some of the worst songs ever written. Dave Barry fans will relish his quirky take. Music buffs too will appreciate this humorous stroll through the world's worst lyrics. The only thing wrong with this book is that readers will find themselves unable to stop mentally singing the greatest hits of Gary Puckett. Praise for Dave Barry's Book of Bad Songs "Barry is his usual puckish self, but the real surprise here is how funny many of the survey respondents are." —Kirkus Reviews "Who can resist such a book?" —Publishers Weekly Featuring large clear print, the "Song Book" contains the words to 100 popular songs that are ideal for group sing-along sessions. The book is divided into six sections: traditional folk songs, choruses from old time variety, songs from World War II, post-war evergreens, hymns, and Christmas songs. **NOTE: EBOOK DOES NOT INCLUDE ANY IMAGES** Every album and every song ever released by the Beatles?from "Please Please Me" (U.S. 1963) to "The Long and Winding Road" (U.S. 1970)?is dissected, discussed, and analyzed by two music historians in this lively and fully illustrated work. All the Songs delves deep into the history and origins of the Beatles and their music. This first-of-its-kind book draws upon decades of research, as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song, the recording process, and the instruments used. Here, we learn that one of John Lennon's favorite guitars was a 1958 Rickenbacker 325 Capri, which he bought for £100 in 1960 in Hamburg, Germany. We also learn that "Love Me Do," recorded in Abbey Road Studios in September 1962, took 18 takes to get right, even though it was one of the first songs John and Paul ever wrote together. And the authors reveal that when the Beatles performed "I Want to Hold Your Hand" on The Ed Sullivan Show in 1964, John's microphone wasn't turned on, so viewers heard only Paul singing. All the Songs is the must-have Beatles book for the any true Beatles fan. Now this book comes with a double CD featuring 50 songs. (E-Z Play Today). 20 of the most often-sung songs of the modern era are featured in this easy-to-play collection, including: Chitty Chitty Bang Bang * Day-O (The Banana Boat Song) * Don't Worry, Be Happy * Fly like an Eagle * Happy Birthday to You * If I Only Had a Brain * It's a Small World * Lean on Me * The Name Game * Pure Imagination * Yellow Submarine * and more. Fantastic resource for teachers, children's church and VBS workers, children's choir directors, parents, and grandparents. Anyone who uses music with kids of any age will want this one-of-a-kind treasury.Includes 230 songs,Divided into age-group sections: early childhood, early elementary, and late elementary.Songs also divided by topic, with a wide variety of general and seasonal themes.Songbook format, including melody, words, piano accompaniment, and chord symbols This reference source focuses on post-1980 songs with English texts by American composers, written for solo voice and piano. Composer entries include biographical and bibliographical information, as well as commentary concerning the range, appropriate voice type, and musical style of the songs. A fully illustrated oral history of the Magnetic Fields' 1999 triple album, 69 Love Songs - an album that was afforded "classic" status by many almost as soon as it was released. LD Beghtol's book is chatty, incestuous, funny, dark, digressive, sexy, maddening, and delightful in equal measures. It documents a vital and influential scene from the inside, involving ukuleles and tears, citations and footnotes, analogue drum machines, and floods of cognac. Oh, and a crossword puzzle too. The centre of the book is the secret history of these tuneful, acerbic, and sometimes heartbreaking songs of old love, new love, lost love, punk rock love, gay love, straight love, experimental music love, true love, blue love, and the utter lack of love that fill the album - as told by participants, fans, imitators, naysayers, and others. Also included are a lexicon of words culled from the album's lyrics, recording details, performance notes from the full album shows in New York, Boston and London, plus rare and unpublished images, personal memorabilia, and much much more. This book, based on the Clarendon Lectures for 2016, is about the use made by poets and novelists of street songs and cries. Karlin begins with the London street-vendor's cry of 'Cherry-ripe!', as it occurs in poems from the sixteenth to the twentieth century: the 'Cries of London' (and Paris) exemplify the fascination of this urban art to writers of every period. Focusing on nineteenth and early twentieth century writers, the book traces the theme in works by William Wordsworth, Elizabeth Barrett Browning, Robert Browning, Walt Whitman, George Gissing, James Joyce, Virginia Woolf, and Marcel Proust. As well as street-cries, these writers incorporate ballads, folk songs, religious and political songs, and songs of their own invention into crucial scenes, and the singers themselves range from a one-legged beggar in Dublin to a famous painter in fifteenth-century

Florence. The book concludes with the beautiful and unlikely 'song' of a knife-grinder's wheel. Throughout the book Karlin emphasizes the rich complexity of his subject. The street singer may be figured as an urban Orpheus, enchanting the crowd and possessed of magical powers of healing and redemption; but the barbaric din of the modern city is never far away, and the poet who identifies with Orpheus may also dread his fate. And the fugitive, transient nature of song offers writers a challenge to their more structured art. Overheard in fragments, teasing, ungraspable, the street song may be 'captured' by a literary work but is never, finally, tamed. The deluxe eBook edition of *Never Broken* includes more than an hour of audio tracks and video footage, including live performances, exclusive a cappella recordings of each song featured in the book, and a rare recording of the audition that Jewel made at age fifteen for Interlochen Arts Academy. These additions, along with photographs of handwritten lyrics, personal artwork from Jewel's archives, behind-the-scenes tour footage, and more, enrich the heartfelt emotion and sense of adventure already so present in Jewel's words. New York Times bestselling poet and multi-platinum singer-songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage, and motherhood. When Jewel's first album, *Pieces of You*, topped the charts in 1995, her emotional voice and vulnerable performance were groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell, a singer-songwriter of her kind had not emerged in decades. Now, with more than thirty million albums sold worldwide, Jewel tells the story of her life, and the lessons learned from her experience and her music. Living on a homestead in Alaska, Jewel learned to yodel at age five, and joined her parents' entertainment act, working in hotels, honky-tonks, and biker bars. Behind a strong-willed family life with an emphasis on music and artistic talent, however, there was also instability, abuse, and trauma. At age fifteen, she moved out and tasked herself with a mission: to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after, she was accepted to the prestigious Interlochen Arts Academy in Michigan, and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top-ten countdown, something unheard-of for an unsigned artist. By the time she was twenty-one, her debut had gone multiplatinum. There is much more to Jewel's story, though, one complicated by family legacies, by crippling fear and insecurity, and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self-discovery, learning to redirect her fate, Jewel has become an iconic singer and songwriter. In *Never Broken* she reflects on how she survived, and how writing songs, poetry, and prose has saved her life many times over. She writes lyrically about the natural wonders of Alaska, about pain and loss, about the healing power of motherhood, and about discovering her own identity years after the entire world had discovered the beauty of her songs. (Paperback Songs). This newly revised collection features 82 great country songs by top recording artists, all in one handy little book! It includes songs by Patsy Cline, Dixie Chicks, Faith Hill, Tim McGraw, George Strait, Hank Williams and dozens of other country stars. Songs include: Amazed * Boot Scootin' Boogie * Breathe * Cowboy Take Me Away * Crazy * Down at the Twist and Shout * Friends in Low Places * The Gambler * Hard Rock Bottom of Your Heart * I Hope You Dance * The Keeper of the Stars * My Best Friend * Write This Down * Your Cheatin' Heart * and many more. Music is a powerful means of engaging children with developmental disabilities such as Autism Spectrum Disorders, Down's Syndrome and Cerebral Palsy. This lively music activity book shows how music can be an effective and enjoyable way to enhance the education and development of children with special needs. Packed with inspiring tips, activities and song ideas, this practical resource will have everybody singing, clapping and playing along! It explains simple and fun ways of using songs, instruments and musical games to connect with children of all levels of ability, and includes helpful rhythm worksheets and sheet music. There is a wide range of suggestions for songs and activities that encourage communication, increase self-esteem, stimulate fine and gross motor skills and motor coordination, and promote relaxation. This book of toe-tapping music activities is a must-have for parents, teachers, caregivers, music therapists and anybody else working with children with developmental disabilities. Relationships are a wonderful, mysterious, often elusive, sometimes painful part of the human experience. The most intimate of all human relationships, according to the Bible, is that between a husband and a wife. It is no surprise, therefore, that there is a book of the Bible, the Song of Songs, that focuses on this relationship. What is surprising is how little attention is given to the Song of Songs by scholars, by the church, and by readers of the Bible. With this volume Tremper Longman III unpacks for modern people what this ancient love poem says about the male-female relationship -- and, by analogy, about God's love for his people. Longman's superb study begins with a thorough introduction to the Song of Songs and its background. Longman discusses the book's title, authorship, date, literary style, language, structure, cultural milieu, and theological content. He also canvasses the long history of interpretation of the Song of Songs, a history too often characterized by repression of the text. In the commentary itself, Longman structures the Song of Songs according to its twenty-three poetic units and explains its message verse by verse. The exposition is made clearer by Longman's adoption of an anthropological approach to the text and by his frequent comparisons of the Song of Songs with other ancient Near Eastern literature. Learned yet highly accessible, innovative yet fully informed by past scholarship, this commentary shows the beautiful Song of Songs to be a timeless celebration of human love and sexuality. "Sing along with 10 sleepy-time songs!"-- Presents the songs and calls of fifty North American birds that are common to residential settings, city parks, and urban areas. *Scrolls of Love* is a book of unions. Edited by a Christian and a Jew who are united by a shared passion for the Bible and a common literary hermeneutic, this volume joins two biblical scrolls and gathers around them a diverse community of interpreters. Respectful of traditional biblical scholarship, the collection of essays moves beyond it; alert to contemporary trends, the volume returns venerable interpretive tradition to center stage. Most significantly, it is interfaith, bringing together two communities that have read their Bibles in isolation from one another, in ignorance of the richness of the others traditions. Beloved spirituals include such lasting favorites as All God's Children Got Shoes, Balm in Gilead, Deep River, Down by the Riverside, Ezekiel Saw the Wheel, Gimme That Ol'-Time Religion, He's Got the Whole World in His Hand, Roll, Jordan, Roll, Sometimes I Feel Like a Motherless Child, Steal Away to Jesus, Swing Low, Sweet Chariot, This Train, Wade in the Water, We Are Climbing Jacob's Ladder, Were You There When They Crucified My Lord? and many more. Excellent for sing-alongs, community programs, church functions, and other events. (Piano/Vocal/Guitar Songbook). This songbook features 151 standards that every musician should know! Each song is arranged for piano and voice with guitar chord frames. Songs include: All the Things You Are * At Last * Bridge over Troubled Water * City of Stars * Constant Craving * Crazy * Gabriel's Oboe * Hallelujah * Imagine * La Vie En Rose (Take Me to Your Heart Again) * My Heart Will Go on (Love Theme from 'Titanic') * Over the Rainbow * Perfect * Shallow * Somewhere * Summertime * This Is Me * Time After Time * Wonderful Tonight * You Raise Me Up * and more. In *Out of the Cloister*, Suzanne LaVere uncovers a particular strain of interpretation of the biblical Song of Songs in and around 12th and 13th-century Paris that champions an active life of preaching and reform for the secular clergy. Welcome to the Metamythos, home of the gods you've never heard of but have always known. Why are you here? Night knows. The Lord of Things Unseen keeps such knowledge in the Book of Truth in his dark halls...until a mortal sneaks in and steals it. Now the secret is loose, but all memory of it erased. It's inscribed in air by a leaf on the wind...echoes from the lips of a face forever shrouded in shadow...and unfolds in "Songs of the Metamythos," in tales of a world both wondrous and familiar-our own. You're invited to meet its gods, unravel its secret, with the only key that opens all doors: "Enter with an open mind."
