Bloodied Hands Apr 15 2022 She's an innocent. Caught in the wrong place at the wrong time. My Angel is the one who got away-the only person in the world I love. When she is caught in an unsanctioned bank robbery in my territory, only my reputation protects her. She should have stayed away. Instead, she charges back into my life like a shining beacon in my otherwise bleak existence. She has no place in my world where hardened criminals toy with the lives of the innocent. A better man would let her go - again. There's no white picket fence in life with a Bellandi, and she deserves so much more. I pushed her away once, but now that she's back I won't let anything else come between us. Not even Ivory herself. Disclaimer: Bloodied Hands is a full-length standalone novel with crime syndicate members and dark content. The Bellandi Crime Syndicate Series includes several full-length standalones with HEA that can be read in any order, but would present a better reading experience following the suggested reading order.

Creatures of Rokugan Sep 28 2020 Rokugan has never belonged to humans alone. Ages before the dawn of the Empire, great civilizations built by non-human races, such as the naga and ogres, marked the land. Though their civilizations are gone now, their descendants still dwell upon the earth and in the seas. Since the catastrophic Fall of Fu Leng, oni - spawn of Jigoku - and their terrible offspring have walked the Shadowlands and warred against the Empire without cease. A dazzling variety of creatures great and small have always been a part of this world - some fearsome, some benign, some visitors from Spirit Realms. No understanding of Rokugan would be complete without them.

Do You Speak American? Nov 30 2020 Is American English in decline? Are regional dialects dying out? Is there a difference between men and women in how they adapt to linguistic variations? These questions, and more, about our language catapulted Robert MacNeil and William Cran—the authors (with Robert McCrum) of the language classic *The Story of English*—across the country in search of the answers. *Do You Speak American?* is the tale of their discoveries, which provocatively show how the standard for American English—if a standard exists—is changing quickly and dramatically. On a journey that takes them from the Northeast, through Appalachia and the Deep South, and west to California, the authors observe everyday verbal interactions and in a host of interviews with native speakers glean the linguistic quirks and traditions characteristic of each area. While examining the histories and controversies surrounding both written and spoken American English, they address anxieties and assumptions that, when explored, are highly emotional, such as the growing influence of Spanish as a threat to American English and the special treatment of African-American vernacular English. And, challenging the purists who think grammatical standards are in serious deterioration and that media saturation of our culture is homogenizing our speech, they surprise us with unpredictable responses. With insight and wit, MacNeil and Cran bring us a compelling book that is at once a celebration and a potent study of our singular language. Each wave of immigration has brought new words to enrich the American language. Do you recognize the origin of 1. blunderbuss, sleigh, stoop, coleslaw, boss, waffle? Or 2. dumb, ouch, shyster, check, kaput, scram, bummer? Or 3. phooy, pastrami, glitch, kibbitz, schnozzle? Or 4. broccoli, espresso, pizza, pasta, macaroni, radio? Or 5. smithereens, lollapalooza, speakeasy, hooligan? Or 6. vamoose, chaps, stampede, mustang, ranch, corral? 1. Dutch 2. German 3. Yiddish 4. Italian 5. Irish 6. Spanish

Ice Lake (Psychologist Harry Cull Thriller, Book 1) Feb 23 2023 Where everybody lies. And some people kill... An electrifying debut crime novel and the first in a new series featuring psychologist Harry Cull. Perfect for fans of Michael Connelly, Peter James and Greg Iles.

Ruler of the Realm Dec 12 2021 Queen Holly Blue is suspicious when Lord Hairstreak, leader of the Faeries of the Night, offers the Faeries of the Light a peace treaty. But while the Faeries are bickering, the Demons of the Faerie Realm are plotting a takeover. They deviously implant Henry Atherton with a controlling device and force him to kidnap Blue, right under the noses of her brother, Pyrgus, and Lord Hairstreak. Grand adventure ensues as Henry and his friends rush to save the Faerie Realm. This dynamic new novel lives up to its predecessors in every way, filling each page with a fast-paced story that will thrill fans new and old.

Prince of Hazel and Oak (Shadowmagic, Book 2) Apr 27 2023 The eagerly-awaited sequel to *Shadowmagic*.

Cast in Shadow Sep 20 2022 A powerful young warrior must return to the perilous city she escaped years ago in the New York Times–bestselling author’s fantasy series debut. Seven years ago Kaylin fled the crime-riddled streets of Nightshade, knowing that something was after her. Children were being murdered—and every victim had the same odd markings that had mysteriously appeared on her own skin. . . . Since then, Kaylin has learned to read, she’s learned to fight, and she’s become one of the vaunted Hawks who patrol and police the City of Elantra. Alongside the winged Aerians and the immortal Barrani, she’s made a place for herself, far from the mean streets of her birth. But now children are dying once again. And a dark and familiar pattern is emerging. Kaylin is ordered back into Nightshade with a partner she knows she can’t trust, a dragon for a companion, and a device to contain her powers—powers that no other human has. Her task is simple—find the killer, stop the murders . . . and survive the attentions of those who claim to be her allies . . .

A Conspiracy of Kings Jan 30 2021 Sophos, heir to the throne of Sounis, has disappeared without a trace. Eugenides, the new and unlikely king of Attolia, has never stopped wondering what happened to his friend. Nor has the Queen of Eddis, who once offered Sophos her hand. They send spies. They pay informants. They appeal to the gods. But as time goes by, it becomes less and less certain that they will ever see their friend alive again. Battles are fought, bribes are offered, and conspiracies are set in motion. Across the sea, a ruthless empire watches for even the slightest weakness. And Sophos, anonymous and alone, bides his time. Until, drawing on his memories of Gen, Pol, the magus—and Eddis—Sophos sets out on an adventure that will change all of their lives forever.

Of Blood and Bones May 29 2023 Shadow magick occupies a critical role in the rich history of witchcraft, and it continues to draw strong interest from contemporary practitioners despite the limited information that is available. This book explores misunderstood topics such as ethically collecting and using animal parts and bones, blood magick, dark moon energy, hexing, scrying, dark deities, graveyard dirt, spells to assist the crossing of a dying loved one, and much more. With a strong focus on ethics, author Kate Freuler provides much-needed information and hands-on techniques to help you strengthen your life, connect to nature, protect yourself (and your kith and kin), and know yourself in a deep way.

Animal Crackers May 05 2021 "A stage vehicle for the Marx Brothers. The scene is the Long Island estate of Mrs. Rittenhouse, a wealthy patroness of the arts with a marriageable daughter. Her celebrity weekend guest is the renowned Captain Jeffrey Spaulding, the African Explorer. He arrives with his secretary, Horatio Jameson, followed by pair of "musicians": Ravelli and the Professor. What follows is typical Marxian lunacy, involving a stolen painting, a surreal bridge game, a Broadway gossip columnist named Wally Winston, a financial wizard formerly known as Abie the Fish Peddler, and a climatic burlesque of Marie Antoinette and the Three Musketeers."--George S. Kaufman website.

Do It! Jun 25 2020 If you want to get something done, this is where to start.

The Dog Who Loved Too Much Aug 20 2022 Do you have a problem pooch? What do you do with a dog who attacks the telephone whenever it rings? Or one who chases imaginary rabbits down imaginary holes? Or one who is terrified of microblinds...or turns into Cujo every time company arrives? In this warm, compassionate, entertaining, and very informative book, Dr. Nicholas Dodman, one of the premier veterinary behaviorists in the country, tells real-life stories from his practice that illustrate his unique approach to correcting unwanted behaviors. By making key changes in a dog's diet, exercise regime, environment, and training, Dr. Dodman has been able to work wonders with even the most difficult problems. Utilizing revolutionary discoveries in canine behaviorism and pharmacology, Dr. Dodman has given hope and help to owners whose only previous options were obedience schools, or if these failed--euthanasia. Whether you own a problem dog or just want to better understand the complex, intelligent mind of your canine companion, this is a book you won't want to miss.

Art of the Duel Oct 29 2020 "Set... focus... Strike!" A samurai of Rokugan who does not thrill to these words is no samurai at all, and would do well to abandon his swords by the side of the road. Dueling captures many important facets of a samurai's life: skill with a blade, moral and physical courage, personal honor and loyalty to family and clan. It is an experience which compresses his existence to its essence... his entire being summed up in a single instant of perfect action.

The Charmed Children of Rookskill Castle Jun 05 2021 “An enchanting, ghostly story that had me in its grip until the last page.”—Jennifer A. Nielsen, New York Times and USA Today best-selling author of *The False Prince* “Keep calm and carry on.” That’s what

Katherine Bateson's father told her, and that's what she's trying to do: when her father goes off to the war, when her mother sends Kat and her brother and sister away from London to escape the incessant bombing, even when the children arrive at Rookskill Castle, an ancient, crumbling manor on the misty Scottish highlands. But it's hard to keep calm in the strange castle that seems haunted by ghosts or worse. What's making those terrifying screeches and groans at night? Why do the castle's walls seem to have a mind of their own? And why do people seem to mysteriously appear and disappear? Kat believes she knows the answer: Lady Eleanor, who rules Rookskill Castle, is harboring a Nazi spy. But when her classmates begin to vanish, one by one, Kat must uncover the truth about what the castle actually harbors—and who Lady Eleanor really is—before it's too late.

Son of Shadow May 24 2020 From the author of the Shadowmagic trilogy. A world of faeries, leprechauns and dragons – and magic fueled by the blood of trees. A mystery portal to the Real World. And a pair of curious young adventurers who know they shouldn't step through it... Meet Fergal the Second, nicknamed 'two'. Or 'Doe', in his own language. He can do magic. But, for the moment, he's forgotten where he's from. Or what's happened to his blind friend Ruby. He's actually from Tir na Nog, the enchanted world of Shadowmagic, where a new generation of the royal House of Duir are cheeking their parents, preparing for adulthood and itching to see the Real World for themselves – whatever the peril.

The Purple Emperor Jul 07 2021 When Henry gets called back to the Faerie Realm to help his friends, Holly and Pyrgus, he has to be braver and more resourceful than he could ever have thought possible. When Pyrgus and Holly are confronted with their greatest fear, they too have to prove themselves to be courageous beyond their own expectations. With the help of Mr Fogarty and the marvellous Madame Cardui, the futures of these brilliant young protagonists are worked out in a masterful plot that will hold the reader gripped from start to finish.

Scarred Regrets Jul 19 2022 Broken men don't fall in love. We linger in the darkness, consumed by the sins that define us. Irina is the sole reason my heart beats. She's everything that matters in a world filled with evil that a woman so good and pure should never have to see. She'll add another scar to my collection - this one engraved on my heart. When she's taken by our enemy to use for his vengeance. Even knowing she can never be mine, I'll stop at nothing to see her safe. The Irina I rescue isn't the same feisty woman they stole. Her soul is broken. Her heart is hollow like mine, because of the things she's seen. She needs me in a way I've never known. And I will destroy the man who shattered what's mine. Scarred Regrets is a full-length standalone romance, but the series presents a better reading experience when following the suggested order. This series contains dark elements, including over-the-top antiheroes who do as they please. Read at your own discretion.

Mageborn: The God-Stone War Aug 27 2020 Seven years have passed since Mordecai's battle with the Shining God, Celior, and since that time his control of his abilities has vastly improved. He has at last envisioned a use for the 'God-Stone', but the gods want vengeance and now seek to destroy everything he has built. The secrets of the past threaten the future of his kingdom, his family, and perhaps humanity itself, unless Mordecai can discover the meaning of 'Illeniel's Doom'. How far will a desperate wizard go to protect his children... or will his efforts merely damn them all?

Darke Jan 25 2023 In the Darkely fantastic penultimate book of this internationally bestselling series, Septimus and his friends find themselves attempting the impossible as Septimus begins his initiation into the sinister Darke Week

Sons of Hellenism, Fathers of the Church Apr 03 2021 This groundbreaking study brings into dialogue for the first time the writings of Julian, the last non-Christian Roman Emperor, and his most outspoken critic, Bishop Gregory of Nazianzus, a central figure of Christianity. Susanna Elm compares these two men not to draw out the obvious contrast between the Church and the Emperor's neo-Paganism, but rather to find their common intellectual and social grounding. Her insightful analysis, supplemented by her magisterial command of sources, demonstrates the ways in which both men were part of the same dialectical whole. Elm recasts both Julian and Gregory as men entirely of their times, showing how the Roman Empire in fact provided Christianity with the ideological and social matrix without which its longevity and dynamism would have been inconceivable.

Mother of Learning: ARC 1 Jan 01 2021 Zorian Kazinski has all the time in the world to get stronger, and he plans on taking full advantage of it. A teenage mage of humble birth and slightly above-average skill, Zorian is attending his third year of education at Cyoria's magical academy. A driven and quiet young man, he is consumed by a desire to ensure his own future and free himself of the influence of his family, resenting the Kazinskis for favoring his brothers over him. Consequently, Zorian has no time for pointless distractions, much less other people's problems. As it happens, though, time is something he is about to get plenty of. On the eve of Cyoria's annual summer festival, Zorian is murdered, then abruptly brought back to the beginning of the month, just before he was about to take the train to school. Finding himself trapped in a time loop with no clear end or exit, he will have to look both within and without to unravel the mystery set before him. He does have to unravel it, too, because the loop clearly wasn't made for his sake, and in a world of magic even a time traveler isn't safe from those who wish him ill. Fortunately for Zorian, repetition is the mother of learning...

Imperial Spy Jan 13 2022 When Femke is entrusted with a vital foreign mission for the Emperor, the resourceful young spy assumes it will be a straightforward task. How Dogs Think Aug 08 2021 How Dogs Think is “a sharp-eyed analysis and wry wit” (The Seattle Times) analysis of dog behavior from bestselling author, psychologist, and world-renowned expert, Dr. Stanley Coren. With smart humor, Cohen presents informative, in-depth, and fascinating details that shatter many common misconceptions about our four-legged friends. Bestselling author, psychologist, and world-renowned expert on dog behavior and training Dr. Stanley Coren presents the most informative, in-depth, fascinating book yet on dogs. Acclaimed for its solid scientific research and entertaining, eminently readable style, How Dogs Think gives you the insight that you need to understand the silly, quirky, and apparently irrational behaviors that dogs demonstrate, as well as those stunning flashes of brilliance and creativity that they also can display. It lets you see through a dog's eyes, hear through his ears, and even sense the world through his nose, as Coren presents a fascinating picture of the way dogs interpret their world and their human companions, and of how they solve problems, learn, and take in new information. How Dogs Think also answers questions about our canine companions that have puzzled many: Can dogs count? Do they have an appreciation of art or music? Can a dog learn how to do something just by watching another dog or even a person do it? Do dogs dream? What is the nature of dog personality? Which behaviors are prewired into your dog, and which can you actually change? And, can dogs actually sense future earthquakes or detect cancer? With sound behavioral science and numerous funny, informative anecdotes, experiments, and firsthand observations, How Dogs Think shatters many common myths and misconceptions about our four-legged friends and reveals a wealth of surprises about their mental abilities and potential. It will make you love and appreciate all dogs—including your own—in wonderful new ways.

Brave Men Run Oct 10 2021

Conquistadors Nov 10 2021 The Spanish conquest of the Americas in the 16th century was one of the most important and cataclysmic events in history. Spanish expeditions endured incredible hardships in order to open up the lands of the 'New World', and few stories in history can match these for drama and endurance. In Conquistadors, Michael Wood follows in the footsteps of some of the greatest of the Spanish adventurers travelling from the forests of Amazonia to Lake Titicaca, the deserts of North Mexico, the snowpeaks of the Andes and the heights of Machu Picchu. He experiences the epic journeys of Cortes, Pizarro, Orellana and Cabeza de Vaca, and explores the turbulent and terrifying events surrounding the Spanish conquest of the Aztec and Inca empires. Wood brings these stories to vivid life, highlighting both the heroic accomplishments and the complex moral legacy of the European invasion. Conquistadors is Michael Wood at his best - thoughtful, provocative and gripping history.

The World of Hobbits Dec 24 2022 Discover the amazing world of Hobbits in this photo-packed, information-filled companion to The Hobbit: An Unexpected Journey, directed by Peter Jackson.

The King of Attolia Sep 08 2021 By scheming and theft, the Thief of Eddis has become King of Attolia. Eugenides wanted the queen, not the crown, but he finds himself trapped in a web of his own making. Attolia's barons seethe with resentment, the Mede emperor is returning to the attack, and the king is surrounded by the subtle and dangerous intrigue of the Attolian court. When a naive young guard expresses his contempt for the king in no uncertain terms, he is dragged by Eugenides into the center of the political maelstrom. Like the king, he cannot escape the difficulties he makes for himself. Poor Costis knows he is the victim of the king's caprice, but he discovers a reluctant sympathy for Eugenides as he watches the newly crowned king struggle against his fate. Fans of the Newbery Honor Book The Thief and The Queen of Attolia will recognize Megan Whalen Turner's signature plot twists and turns in the third exquisitely crafted tale about Eugenides.

Max Quick Jul 27 2020 Max Quick is a pickpocket, a vagabond, an orphan, and a thief. Even so, nothing about him seems particularly special . . . until one day when time mysteriously stops. Suddenly, nearly everyone in the world is frozen in time—except for Max. Now Max must journey across America to find the source of the Time-stop. Along the way, he meets others who aren't suspended in time, like Casey, a girl who's never been on her own until now. Together, as they search for the cause of this disaster, Max and his companions encounter ancient mysteries, magic books, and clues to the riddle of stopped time. But relentless and mysterious villains are hot on Max's heels and will do everything in their power to prevent Max from ending the Time-stop. And the closer Max gets to the answers, the more it seems that his own true identity is not what he once believed. Racing against a clock that no longer ticks, Max must embrace his past to save his future—and the world—from being altered forever.

The Girl from H.O.P.P.E.R.S. Feb 11 2022 This volume collects the adventures of the spunky Maggie; her annoying, pixie-ish best friend and sometime lover Hopey; and their circle of friends, including their bombshell friend Penny Century, Maggie's weirdo mentor Izzy?as well as the aging but still heroic wrestler Rena Titanon and Maggie's handsome love interest, Rand Race. After the sci-fi trappings of his earliest stories (as seen in Maggie the Mechanic, the first volume in this series), Hernandez refined his approach, settling on the more naturalistic environment of the fictional Los Angeles barrio, Hoppers, and the lives of the young Mexican-Americans and punk rockers who live there. A central story and one of Jaime's absolute peaks is "The Death of Speedy." Such is Jaime's mastery that even though the end of the story is telegraphed from the very title, the downhill spiral of Speedy, the local heartthrob, is utterly compelling and ultimately quite surprising. Also in this volume, Maggie begins her on-again off-again romance with Ray D., leading

to friction and an eventual separation from Hopey.
