The Strange Journey of Mr. Daldry May 06 2021 We all have two lives... The life we know and another one, that lies waiting for us. Alice is a "nose"-; a creator of perfumes. She is passionate about her work and her only distraction from her job is her motley group of friends, who convene for late night soirees in her apartment-; much to the annoyance of her cantankerous neighbor Mr. Daldry. On Christmas Eve 1950, something happens that will change Alice's life forever: during an outing to Brighton with her friends, a fortune teller makes a mysterious prediction about Alice's future. Alice has never believed in soothsayers but she cannot stop thinking about the old woman's words. "The most important man in your life was walking behind you a few moments ago. To find him, you will have to undertake a long journey and meet six people who will lead you to him. You have two lives in you, Alice. The life you know and another one, which is waiting for you..." From then on her nights are plagued with nightmares that are as real as they are incomprehensible. Alice's neighbor, Mr. Daldry, notices the unrest that the fortune teller provokes in Alice. For reasons he will not reveal, Daldry encourages Alice to take the predictions seriously and convinces her to set off to find the six people who will shape her fate. To make sure that Alice does not change her mind, the eccentric bachelor even agrees to accompany her on the journey... The Strange Journey of Mr. Daldry takes us into the heart of Europe in the 1950s, into lives that are haunted by the demons of a recent past. It's a story of friendship and things left unsaid, personified above all by Mr. Daldry, an unforgettable character who is as passionate as he is restrained, as serious as he is funny, as reliable as he is surprising. "One of Marc Levy's best novels to date." - Le Figaro "Another success for Marc Levy." - L'Express

Mr. Lucky May 18 2022 How would you describe losing your house to a fire? Being held up at gunpoint? Falling off the roof face-first? You probably wouldn't choose the word lucky. But Mr. Lucky does--and after reading about his life experiences both challenging and rewarding, you will too. Whether you're just starting your career, launching your own business, or seeking greater satisfaction in your everyday life, Mr. Lucky: My Unexpected Journey to Success presents a

perspective that will help you become more prosperous and feel more joyful. Mitchell Epstein demonstrates that you don't have to be the smartest person in the room to succeed in the business world. His unique viewpoint enabled him to take "the stupidest idea" one co-worker had ever heard and build the foundation for a business that was so successful it allowed him to retire at age 47.

Mr. Darcy's Journey Apr 16 2022 Mr. Darcy is at his wits' end. Elizabeth Bennet, the woman he can't live without, overhears him insulting her family. Now she won't even listen to his apologies. Then his old friend Sir Anthony Duxbury tells him two of their friends are in terrible danger. If Darcy wants to help them, they have to leave for Yorkshire immediately. But something doesn't add up. Elizabeth claims to know Sir Anthony, too - but by a different name. What game is his old friend playing? And is it dangerous? Even Sir Anthony says the trip is dangerous. The Luddite rebels are on the verge of armed revolt - and he should know, because he's one of them. Darcy's cousin Lady Frederica decides she's going with them anyway, and insists on bringing Elizabeth. Could this be Darcy's chance to earn Elizabeth's forgiveness and her love? Elizabeth would rather face a squad of Napoleon's soldiers than spend three days trapped in a carriage with Darcy and his headstrong cousin, but she has her own reason for agreeing to come. If she can just manage to keep her temper, she may be able to rescue her uncle from financial ruin. But when a Luddite riot erupts around them, it's Darcy and Elizabeth who need rescuing - from each other. *Mr. Darcy's Journey* is a variation on Jane Austen's *Pride & Prejudice* by nationally best-selling author Abigail Reynolds. Praise for Abigail Reynolds "If you are unfamiliar with these riveting and romantic variations, they are retellings of *Pride and Prejudice* that take our beloved hero and heroine down a slightly altered path. Abigail Reynolds, one of my favorite Austenesque authors, is a skilled-story teller, an ardent admirer of Jane Austen, and quite proficient at infusing a lot of emotion, tension, and passion into her stories!" *Austen-esque Reviews* "If romantics can overlook the subversion, they should enjoy witnessing Elizabeth as an industrious and caring wife, administering to Pemberley's tenants, learning how to be an equestrian and growing to love that perplexing Darcy." *Publishers Weekly*

The Journey of Little Charlie Mar 28 2023 The Newberry Medalist brings humor and heart to this story of a Civil War-era boy struggling to do right in the face of history's cruelest evils. Twelve-year-old Charlie is down on his luck: His sharecropper father just died, and Cap'n Buck—the most fearsome man in Possum Moan, South Carolina—has come to collect a debt. Fearing for his life, Charlie strikes a deal with Cap'n Buck and agrees to track down some folks accused of stealing from the cap'n and his boss. It's not too bad of a bargain for Charlie . . . until he comes face-to-face with the fugitives and discovers their true identities. Torn between his guilty conscience and his survival instinct, Charlie needs to figure out his next move—and soon. It's only a matter of time before Cap'n Buck catches on. Praise for *The Journey of Little Charlie* A National Book Award Finalist "This is a compelling and ugly story for middle-grade readers told with genuine care. Little Charlie is a product of his Southern upbringing, yet in Curtis's skillful hands he learns the world is not as he'd thought . . . Christopher Paul Curtis does it again." —Historical Novel Society "A characteristically lively and complex addition to the historical fiction of the era from Curtis." —Kirkus Reviews

Long Journey with Mr. Jefferson Aug 21 2022 The fascinating life and work of a preeminent presidential biographer

Long journey with Mr. Jefferson May 25 2020 The magisterial collaboration over half a lifetime between historian Dumas Malone and his subject, Thomas Jefferson, is the basis for William G. Hyland Jr.'s compelling *Long Journey with Mr. Jefferson*. Malone, the courtly and genteel historian from Mississippi, spent thirty-eight years researching and writing the definitive biography of the man who invented the United States of America. Hyland provides a surprising portrait of the man

many consider America's greatest historian, recording in detail Malone's struggle to finish his towering six-volume work on Jefferson through excruciating pain and then blindness at the age of eighty-three. Hyland includes Malone's previously unpublished correspondence with such notables as John F. Kennedy, Harry S. Truman, George H. W. Bush, Felix Frankfurter, and Fawn Brodie. Readers are treated to an exclusive look at private family documents and Malone's unfinished memoir, which reflects on history, social commentary, and his life's accomplishments. Offering much more than most biographies, this book imparts extensive insight into Malone's earlier years in Mississippi and Georgia, and how they shaped his character. Through interviews with Malone's intimates, family members, rivals, and subordinates, Hyland generates a true portrait of the man behind the intellect and the myth.

N the next morning, May 11, we left the great valley before seven o'clock. At breakfast we had, among other things, pie. This article at breakfast was one of Mr. Emerson's weaknesses. A pie stood before him now. He offered to help somebody from it, who declined; and then one or two others, who also declined; and then Mr.;he too declined. "But Mr.!" Mr. Emerson remonstrated, with humorous emphasis, thrusting the knife under a piece of the pie, and putting the entire weight of his character into his manner, --" but Mr., what is pie for? It was a beautiful, but hard ride of /enty-five or thirty miles to Galen Clarke's vern, where we were to stop for the night: fore making a detour on the-next mornng to see the great trees at Mariposa. passed along through the silent pinerests, up and down hills and across reams, talking, and occasionally shifting impanions all the way. We lunched and id our nooning in the woods; some lay 1 the brown pine-leaves and slept; other ime, sitting about or supine, listened in mfort while Mr. Emerson and one or to others were making out and repeating i each other something from Scott. "I low can Mr. Emerson," said one of ie younger members of the party to me lat day, "be so agreeable, all the time, ithout getting tired!" It was the naive tpresion of what we all had felt. There as never a more agreeable travelling companion; he was always accessible cheerful, sympathetic, considerate, tolerant and there was always that same respectful interest in those with whom he talked, even the humblest, which raised them in their own estimation. One thing particularly impressed me, --the sense that he seemed to have of a certain great amplitude of time and leisure. It was the behavior of one who really believed in an immortal...

Meeting Mr. Ed Jan 31 2021 What happens when you reexamine your priorities and make an effort to spend quality time with someone important in your life? In 1997, I embarked on my first overnight backpacking trip. My two brothers and my 69 year old Dad, Mr. Ed, set off on a ten day trip on the Appalachian Trail. I thought it was a once in a lifetime experience. I was wrong. Mr. Ed and I would continue to take the annual hikes for another ten years. The hikes would provide me with some of the most challenging, beautiful, and rewarding experiences in my life. *Meeting Mr. Ed: A Journey of Discovery on the Appalachian Trail* was inspired by this experience. This is a travel journal documenting the challenge and beauty of the Appalachian Trail. More importantly, it tells the story of Mr. Ed; a Korean War veteran, a coach, and a father of five. Through reflection and stories shared along the trail, I recount the life of a man who was driven to serve his country, his family, and his community. Without the need for fanfare or even credit, Mr. Ed set out to make the world a better place, often one person at a time. Visit us on the web at www.meetingmred.com.

Remarkable Journey of Mr Prins Sep 21 2022 The greatest journeys are escapes. Night-time, suitcases of cash, chaos, the final burning of papers. 56 people flee in a small boat. In 1940, as exiled Dutchman Eli Prins arrives in England and makes his way to Bath, he instigates a longer journey, one from war and uncertainty to safety and solidarity. Based on personal testimonies and unpublished sources in English and Dutch, this book vividly reconstructs the experience of war in Alkmaar and Bath. It is a story told in full for the first time: how the Jews are expelled from Alkmaar; the fate of Eli's parents; the Bath Blitz; and then in 1945, after the Dutch Hunger Winter, how the people of Bath chose to help Alkmaar and its children. This is both a local story and a European one, written not just to commemorate history, but also to remind ourselves that we still need such heroic and uplifting stories.
