Advises young adults on how to make their first job a positive experience, discussing often implicit expectations concerning personal integrity, creativity and initiative, making the boss happy, getting along with others, and professionalism. Original. The Empath's Survival Guide is an invaluable resource for empaths and anyone who wants to nurture their empathy and develop coping skills in our high-stimulus world while fully embracing their gifts of intuition, compassion, creativity, and spiritual connection. New York Times Bestseller A hilarious full-color guide to Midwestern culture, from comedian and journalist Charlie Berens, creator of the viral comedic series "The Manitowoc Minute" Have you ever had a goodbye lasting more than four hours? Do you lack the emotional capacity to say "I love you" so you just tell your loved ones to "watch out for deer"? Have you apologized to a stranger because she stepped on your foot? If you answered yes to any of these questions, there's a good chance you're a Midwesterner—or a Midwesterner at heart. Even if you answered no, you probably know someone who held the door for you from two football fields away. He likely waved at you and said, "Hey there," like you organized the church bar crawl together. That was a Midwesterner in the wild. We understand that your interaction was strange—but it's likely to get stranger. Don't wait until they stick their head in your second-floor window to invite you over for a perch fry because they climbed on your roof to clean your gutters. There's no need to pull the pepper spray; this species is helpful by nature. And the relationship could be very symbiotic—but only if you let it happen. And that's where this book comes into play. Inspired by my comedy tours across the Midwest and life growing up in Wisconsin, this book is an exploration into my favorite region on Earth. Some may think the Midwest is just a bunch of bland flyover states filled with less diversity than a Monsanto monoculture. But scratch that surface with your buck knife and you'll find rich cultures and traditions proving we're more than just fifty shades of milk. So whether you're a born-and-bred Midwesterner looking to sharpen your skill at apologies or a costal elite visiting the in-laws for the holidays, this book will help you navigate the Midwest, with everything from the best flannel looks to dating and mating rituals (yes, casserole is involved) to climbing the corporate corn silo to how to handle a four-way stop—and every backyard brat fry in between. And for those of you who don't like reading, don't worry—we've got pictures! Toss in illustrations, sidebars, quizzes, and jokes worthy of a supper club stall and The Midwest Survival

Guide is just the walleye-deep look into this distinctive, beautiful, and bizarre American culture you've been looking for. An easy to read & follow A to Z guide for public speaking. From ADRENALIN to ZIPPER, this book is loaded with tips for the communicator. If you are a top executive or if you were recently hired & are starting your career...you should develop your public speaking skills. You will become more confident, comfortable & convincing in every communication situation. In ancient times, messengers did not live to a ripe old age. Many were shot because people did not like the message! It still happens in the 1990's! We SHOOT THE MESSENGER! Someone, somewhere, is making a speech or business presentation. Audiences listen attentively at the outset...but as the speaker drones on, or gets into a losing battle with audio visual equipment, they load their guns (figuratively) & they shoot the messenger. People sleep, start side conversations, & make decisions NOT to buy a product, or try an idea. Read this book & follow the suggestions & tips TO DECREASE YOUR CHANCES OF BEING SHOT! TO ORDER CALL TOLL FREE 1-800-544-9551, Clear Communication Books, 7349 Via Paseo Del Sur, Suite 515-189, Scottsdale, AZ 85258. Jenna Fischer's Hollywood journey began at the age of 22 when she moved to Los Angeles from her hometown of St. Louis. With a theater degree in hand, she was determined, she was confident, she was ready to work hard. So, what could go wrong? Uh, basically everything. The path to being a professional actor was so much more vast and competitive than she'd imagined. It would be eight long years before she landed her iconic role on The Office, nearly a decade of frustration, struggle, rejection and doubt. If only she'd had a handbook for the aspiring actor. Or, better yet, someone to show her the way—an established actor who could educate her about the business, manage her expectations, and reassure her in those moments of despair. Jenna wants to be that person for you. With amusing candor and wit, Fischer spells out the nuts and bolts of getting established in the profession, based on her own memorable and hilarious experiences. She tells you how to get the right headshot, what to look for in representation, and the importance of joining forces with other like-minded artists and creating your own work—invaluable advice personally acquired from her many years of struggle. She provides helpful hints on how to be gutsy and take risks, the tricks to good auditioning and callbacks, and how not to fall for certain scams (auditions in a guy's apartment are probably not legit—or at least not for the kind of part you're looking for!). Her

inspiring, helpful guidance feels like a trusted friend who's made the journey, and has now returned to walk beside you, pointing out the pitfalls as you blaze your own path towards the life of a professional actor. “This book is a contemporary classic—a shrewd and spirited guide to protecting ourselves from the jerks, bullies, tyrants, and trolls who seek to demean. We desperately need this antidote to the a-holes in our midst.”—Daniel H. Pink, best-selling author of *To Sell Is Human* and *Drive* How to avoid, outwit, and disarm assholes, from the author of the classic *The No Asshole Rule* As entertaining as it is useful, *The Asshole Survival Guide* delivers a cogent and methodical game plan for anybody who feels plagued by assholes. Sutton starts with diagnosis—what kind of asshole problem, exactly, are you dealing with? From there, he provides field-tested, evidence-based, and often surprising strategies for dealing with assholes—avoiding them, outwitting them, disarming them, sending them packing, and developing protective psychological armor. Sutton even teaches readers how to look inward to stifle their own inner jackass. Ultimately, this survival guide is about developing an outlook and personal plan that will help you preserve the sanity in your work life, and rescue all those perfectly good days from being ruined by some jerk. “Thought-provoking and often hilarious . . . An indispensable resource.”—Gretchen Rubin, best-selling author of *The Happiness Project* and *Better Than Before* “At last . . . clear steps for rejecting, deflecting, and deflating the jerks who blight our lives . . . Useful, evidence-based, and fun to read.”—Robert Cialdini, best-selling author of *Influence* and *Pre-Suasion* With 'Hoi', you'll learn to express your feelings and opinions, shop and meet people - all in Swiss German. You'll find the formulations you need to enjoy Swiss social life or engage in sports and outdoor activities. And you'll discover lots of handy phrases for small talk, eating out, making telephone calls, getting and giving help in an emergency, and other day-to-day language needs. 'Hoi' includes over 2000 words and phrases. They're derived primarily from the dialect spoken in the Zurich region, which is understood throughout the Swiss German speaking part of the country. 'Hoi' is chock-full of encouragement for you to get a grip on the expressions you'll need if you're to enjoy your time in Switzerland and feel at home here. 'Hoi' includes an English to Swiss German and a Swiss German to English dictionary. *Speaking of Survival* is a flexible four-skills text designed to provide adults with the language they need in crucial areas. The book covers fourteen topic areas, including transportation, housing, and

emergencies. Survival-level language pocket guide for basic communication only for English-speaking members of any contingency force deployed to an area where Dari is spoken. Contains words and phrases deemed useful for contingency operations. Bergli Book's Hoi Guides are the best-selling Swiss German guides of all time, now with over 50,000 copies in print. The original English-Swiss German survival guide has been completely updated for this tenth anniversary edition, which features a larger format and all new-cartoons. Now you too can enjoy speaking Swiss German. With this survival guide's over 200 cartoons and 2000 words and phrases, it's not just easy, it is downright fun. "Absolutely splendid . . . essential for understanding why there is so much bad thinking in political life right now." —David Brooks, *New York Times*

How to Think is a contrarian treatise on why we're not as good at thinking as we assume—but how recovering this lost art can rescue our inner lives from the chaos of modern life. As a celebrated cultural critic and a writer for national publications like *The Atlantic* and *Harper's*, Alan Jacobs has spent his adult life belonging to communities that often clash in America's culture wars. And in his years of confronting the big issues that divide us—political, social, religious—Jacobs has learned that many of our fiercest disputes occur not because we're doomed to be divided, but because the people involved simply aren't thinking. Most of us don't want to think. Thinking is trouble. Thinking can force us out of familiar, comforting habits, and it can complicate our relationships with like-minded friends. Finally, thinking is slow, and that's a problem when our habits of consuming information (mostly online) leave us lost in the spin cycle of social media, partisan bickering, and confirmation bias. In this smart, endlessly entertaining book, Jacobs diagnoses the many forces that act on us to prevent thinking—forces that have only worsened in the age of Twitter, “alternative facts,” and information overload—and he also dispels the many myths we hold about what it means to think well. (For example: It's impossible to “think for yourself.”) Drawing on sources as far-flung as novelist Marilynne Robinson, basketball legend Wilt Chamberlain, British philosopher John Stuart Mill, and Christian theologian C.S. Lewis, Jacobs digs into the nuts and bolts of the cognitive process, offering hope that each of us can reclaim our mental lives from the impediments that plague us all. Because if we can learn to think together, maybe we can learn to live together, too. More than 300,000 copies in print! A must-have guide for anyone who lives or works with young kids, with an

introduction by Adele Faber, coauthor of *How to Talk So Kids Will Listen & Listen So Kids Will Talk*, the international mega-bestseller *The Boston Globe* dubbed “The Parenting Bible.” For nearly forty years, parents have turned to *How to Talk So Kids Will Listen & Listen So Kids Will Talk* for its respectful and effective solutions to the unending challenges of raising children. Now, in response to growing demand, Adele’s daughter, Joanna Faber, along with Julie King, tailor *How to Talk*’s powerful communication skills to parents of children ages two to seven. Faber and King, each a parenting expert in her own right, share their wisdom accumulated over years of conducting *How To Talk* workshops with parents, teachers, and pediatricians. With a lively combination of storytelling, cartoons, and observations from their workshops, they provide concrete tools and tips that will transform your relationship with the children in your life. What do you do with a little kid who...won’t brush her teeth...screams in his car seat...pinches the baby...refuses to eat vegetables...throws books in the library...runs rampant in the supermarket? Organized by common challenges and conflicts, this book is an essential manual of communication strategies, including a chapter that addresses the special needs of children with sensory processing and autism spectrum disorders. This user-friendly guide will empower parents and caregivers of young children to forge rewarding, joyful relationships with terrible two-year-olds, truculent three-year-olds, ferocious four-year-olds, foolhardy five-year-olds, self-centered six-year-olds, and the occasional semi-civilized seven-year-old. And, it will help little kids grow into self-reliant big kids who are cooperative and connected to their parents, teachers, siblings, and peers. Reduce the time and stress associated with your presentations

Bookshelves are crowded with books on how to be an exceptional presenter and promise to produce a brilliant, standing-ovation speaker. But what about a presentation resource for the rest of us? There are so many of us regular folk who who want to spend just a little time and effort to get over the big hurdle of giving a presentation, but don't know where to turn for advice. *How to Give a Pretty Good Presentation* is the easy answer to this common need. Straightforward, entertaining, and well-organized, this user-friendly resource will walk you step-by-step through the process from how to write, rehearse, and deliver a pretty good presentation that will make you appear confident, memorable, and competent. Although it does not promise the moon (or a standing ovation), this public speaking survival guide will help you: Appear confident (even

while still feeling nervous!) Take the spotlight off of you and put it on your content Save time Not put people to sleep with your PowerPoint Presentation Produce better results Make better impressions Reduce the feelings of dread, sleeplessness, and procrastination associated with your presentations Prepare even if you've waited until the day before or an hour before your presentation is to be given Whatever your job, if you need to give a presentation and are feeling overwhelmed by it, How to Give a Pretty Good Presentation is there for you. If you want to reduce the time and stress associated with your presentations now and pass all future presentation opportunities with flying colors, then pick up this fun and accessible guide; you'll no doubt like the resulting improvement in both your personal and professional bottom line. This book is a must-have resource for anyone considering or involved in a program of study in audiology, speech-language pathology, or speech-language-hearing sciences. Written by members of the National Student Speech Language Hearing Association (NSSLHA) with contributions from a wide range of clinical and academic professionals, this guide is relevant and useful to students who are at any point along the path towards a career in communication sciences and disorders (CSD). This comprehensive guide includes advice for students from the time they are in high school until they graduate with their master's, doctorate, and/or post-doctorate. Providing background on the disciplines, practical advice, and helpful checklists for use during a program of study this resource also includes important information on professional specialty areas, settings, and career options. This survival guide will be an invaluable companion throughout a CSD academic career. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. "New stories & strategies based on ... 'How to talk so kids will listen & listen so kids will talk'"--Cover. NEW, updated edition! Written by a teenager, this kid-friendly, inspiring book is filled with advice, tips, and strategies for how to deal with bullying. NEW, updated edition! Written by a teenager who was bullied throughout middle school and high school, this kid-friendly book offers a fresh and relatable perspective on bullying. Along the way, the author offers guidance as well as different strategies that helped her get through even the toughest of days. The Survival Guide to Bullying covers everything from cyber bullying to how to deal with fear and how to create the life you dream of having. From inspiring "roems" (rap poems), survival tips, personal stories, and quick quizzes,

this book will light the way to a brighter future. This updated edition also features new, never-before-seen content including a chapter about how to talk to parents, an epilogue, and an exclusive Q&A with the author. Today English language learners aren't just popping up in California, Arizona, New Mexico, or Texas. The fastest growing populations are in states and districts that have historically taught few students who don't speak English. If you teach where English language learners are a new phenomenon, you may feel underprepared to meet their needs and wonder if you can even teach them at all. You can, and *English-Only Teachers in Mixed-Language Classrooms: A Survival Guide* will lead you to success every step of the way. *English-Only Teachers in Mixed-Language Classrooms: A Survival Guide* is just that: a brief, practical primer for your first ELL experience - and a warm, comforting companion on the journey into confident teaching. Written for teachers in grades K - 6 with little or no expertise in second language teaching, it shows the essentials of helping nonnative speakers succeed - even when you don't speak your students' home language. Joanne Yatvin explains what types of strategies build students' confidence, competence, and fluency in English while helping them understand and retain vital content. She covers ESL teaching for the most crucial aspects of instruction: organization and planning teaching beginning English reading and writing instruction content-area learning fostering classroom community. Best of all, Yatvin zeroes in on smart ways to use classroom partnerships to invite English speakers and ELLs to support one another's learning through child-to-child mentorships and peer tutoring. Sharing insight into helping ELL students adjust to their new classroom emotionally and academically while paying special attention to the importance of developing strong connections to their families, Joanne Yatvin gives you a map for navigating the uncertain terrain of your first encounter with English learners. Read *English-Only Teachers in Mixed-Language Classrooms: A Survival Guide* and discover that teaching second language learners is not only less scary than you might have thought, but that there's nothing quite like the satisfaction of helping children take their first steps into a new language. A much-needed resource for teaching English to all learners The number of English language learners in U.S. schools is projected to grow to twenty-five percent by 2025. Most teachers have English learners in their classrooms, from kindergarten through college. The *ESL/ELL Teacher's Survival Guide* offers educators practical strategies for

setting up an ESL-friendly classroom, motivating and interacting with students, communicating with parents of English learners, and navigating the challenges inherent in teaching ESL students. Provides research-based instructional techniques which have proven effective with English learners at all proficiency levels Offers thematic units complete with reproducible forms and worksheets, sample lesson plans, and sample student assignments The book's ESL lessons connect to core standards and technology applications This hands-on resource will give all teachers at all levels the information they need to be effective ESL instructors. This book gives you the tools you need to navigate through school, work and personal relationships with confidence and eloquence. Learn how to use personality tests to categorize yourself and use that information to build a communication strategy for yourself. This book is a guide to speaking and pronouncing American English. It is appropriate for anyone who speaks English as a second language and wants to improve fluency. It explains the sounds, structures, organization, and speech patterns of conversational English as it is used by native speakers. Its emphasis is on the development of correctness. As a result, you will learn to understand others and they will understand you more easily. This will help you achieve greater success and satisfaction in your personal and professional activities. This is a guide for anyone who wants to connect better with people in the workplace by speaking clearly and with purpose. It is a result of five years at Charlie Corbett's consultancy, Bullfinch Media, where he helped convince executives that speaking plainly, thoughtfully, and behaving with humanity, is the best way to win business, boost morale and advance careers. It provides carefully detailed wisdom on how to write well, speak publicly and stand out in your job, as well as how to craft compelling communications, make the best of social media and handle the press. The Art of Plain Speaking aims to improve the experience faced by many in the modern workplace, a world where senior management are entirely absent from the shop floor – replaced by indecipherable emails from HR – and where people speak in esoteric corporate riddles, believing that sounding clever is more productive than speaking clearly. "Now you too can enjoy speaking Baseldütsch. In fact, with this survival guide and its 200 cartoons and illustrations, it's not just easy - it's downright fun. Sali zämme includes over 2000 words and phrases. They're derived primarily from the dialect spoken in the Basel region which is understood throughout the Swiss German speaking part of the country ...

Includes an English to Baseldütsch and a Baseldütsch to English dictionary"-- Page 4 of cover. Multiple Award winning speaker, Ramakrishna Reddy, presents the secrets, tools and devices to help you giving speeches like a true Professional in 'The Ultimate Public Speaking Survival Guide'. This is not theory. He has put together 37 Steps in question and answer format based on his research, his experience and his testing. Talking Teachers is a unique and fascinating guide to using and preserving your voice in the challenging environment of the classroom. Janet Shell, a former teacher and now vocal coach, provides lots of information for the teacher who wants to improve their classroom performance and the book includes many tips and also exercises to try out. She draws extensively on her experience as a professional singer too. This book seeks to bring together the whole experience of being in the classroom. Alongside vocal matters, Janet addresses overall classroom performance and the art of managing people to aid a rounded and personalised experience of being in the classroom. Maximize the educational potential of your ESL/ELL class with this singular resource The ESL/ELL Teacher's Survival Guide: Ready-to-Use Strategies, Tools, and Activities for Teaching English Language Learners of All Levels, 2nd Edition offers readers a comprehensive range of instructional strategies and educational resources for teaching English. The newly revised 2nd Edition includes brand new chapters on: Working with Long-Term English Language Learners Teaching English internationally Teaching Elementary Age ELLs Teaching Adult ELLs Teaching ELLs with learning challenges Culturally Responsive Instruction Effective online instruction Working with co-teachers and para-professionals In addition to the new chapters, The ESL/ELL Teacher's Survival Guide contains updated material on topics including math, science, social studies, Common Core Standards, the Next Generation Science Standards and 150 pages of new, highly engaging content. An essential resource for anyone involved in teaching English as a Second Language to students of all ages, this book is perfect for general education teachers and ESL specialists for students in grades six through twelve. It's also highly instructive for teachers of adult ESL classes, elementary and teacher educators, and resource specialists. Designed to meet the specific needs and challenges of school-based clinicians, this comprehensive book presents a practical, hot-to approach for creating meaningful and effective speech and language programs in the schools. Problem-solving techniques for all aspects of the English teacher's job This unique time-

saving book is packed with tested techniques and materials to assist new and experienced English teachers with virtually every phase of their job from lesson planning to effective discipline techniques. The book includes 175 easy-to-understand strategies, lessons, checklists, and forms for effective classroom management and over 50 reproducible samples teachers can adopt immediately for planning, evaluation, or assignments. It is filled with creative and functional ideas for reading response activities, writing assignments, group and individual projects, and speeches. Offers instructions for creating and implementing an effective classroom-wide behavior management program Shows how to practice the art of teaching English effectively and reduce time on labor intensive tasks Reveals how to work effectively with parents, colleagues, substitute teachers, administrators, and community resources The second edition includes coverage of technology in the classroom, advice for working with reluctant readers, a wealth of sample teaching units and more. Survival Guide for the Beginning Speech-Language Pathologist, Second Edition will guide you when taking your first clinical steps toward a career as a speech-language pathologist. Graduate and undergraduate students, as well as beginning therapists, will find this book useful and easy-to-understand. It provides realistic, practical, and comprehensive overviews of clinical problems that are often encountered by beginning clinicians and offers solutions to those problems. It also prepares you for what you will experience along the way. This text does not focus on the numerous principles and theories which underlie various aspects of the clinical process because these are thoroughly covered in undergraduate and graduate courses. The second edition has expanded and updated information on many topics, including parent conferences and the concomitant reports, group therapy and play therapy, preparing for public schools, and more. Writing quality reports remains a major focus of the book. Drawing on her more than 30 years of experience, the author teaches the ins and outs of report writing. She provides many real-world examples of reports, showing what to do and what not to do. You'll make the transition from theory to practice much easier using this book as your guide. Let this book help you avoid common pitfalls and provide you with a solid foundation for your practice--from the very first day in the clinic. A resource book of tips, ideas, activities and ready-made lesson plans for your first year of Teaching English as a Foreign Language. The complete TEFL survival guide for: newly qualified teachers; gap year travellers;

language assistants; summer school teachers; volunteer teachers; This book is the perfect guide for newly qualified teachers. It gives you advice and ideas to help you tackle your first lessons in any country and covers the basics of TEFL, over 150 classroom ideas, how to prepare, what to take with you, surviving the first lesson, instant lesson plans, photocopiable activities, tips on finding a job, advice from teachers who've done it. From the acclaimed author of *Black Hole Blues and Other Songs from Outer Space*—an authoritative and accessible guide to the most alluring and challenging phenomena of contemporary science. "[Levin will] take you on a safe black hole trip, an exciting travel story enjoyed from your chair's event horizon." —Boston Globe

Through her writing, astrophysicist Janna Levin has focused on making the science she studies not just comprehensible but also, and perhaps more important, intriguing to the nonscientist. In this book, she helps us to understand and find delight in the black hole—perhaps the most opaque theoretical construct ever imagined by physicists—illustrated with original artwork by American painter and photographer Lia Halloran. Levin takes us on an evocative exploration of black holes, provoking us to imagine the visceral experience of a black hole encounter. She reveals the influence of black holes as they populate the universe, sculpt galaxies, and even infuse the whole expanse of reality that we inhabit. Lively, engaging, and utterly unique, *Black Hole Survival Guide* is not just informative—it is, as well, a wonderful read from first to last. Frequently cited as the number one fear among A proven, gimmick-free lesson guaranteed to business executives, public speaking doesn't make anyone a better speaker and come naturally to most people. Pitching an idea, presenter. selling a product, or presenting a program doesn't have to be a stomach-clenching experience to be struggled through. It can be an opportunity to relish and a chance to shine in front of a group. Whether you are selling an idea to two colleagues in a conference room or presenting a major corporate strategy to a ballroom filled with shareholders, the key to success is a clear, confident, memorable presentation. With *The 7 Principles of Public Speaking*, Richard Zeoli makes the common sense, gimmick-free program he's offered to business leaders and political candidates available to everyone. Whether you are looking to position yourself as an industry expert, extend your sphere of influence, or gain the support and backing of vital constituencies, *The 7 Principles of Public Speaking* will give you the tools you need to achieve your goal. If you are a polished

professional, it will help you hone your skills. If you are a novice communicator, it will help you overcome obstacles and convey your message with confidence, poise, and persuasiveness. An updated edition of the best-selling book for teacher success in the classroom Designed for new and experienced teachers alike, this thoroughly revised and updated edition offers a value-packed, practical source of ready-to-use tips and strategies for meeting the challenges teachers face everyday while organizing and managing a classroom. The third edition includes entirely new sections on teaching English language learners, inquiry-based learning, building positive teacher-student relationships, wrapping up the school year, and much more. The book also features many new forms, pre-written letters, checklists, and reproducibles, along with bonus forms and reproducibles that are available for free download from the web. Includes tools and techniques proven to help teachers succeed in the classroom Contains new sections on teaching English language learners, teacher-student relationships, inquiry-based learning, and more Many handy reproducible forms, handouts, and checklists Includes access to free downloadable bonus material on the web, including pre-written letters, reproducible forms, and worksheets Spanish instruction using a system of cartooned panels with word balloons. Help autistic kids understand their unique gifts and needs and learn strategies for daily living in a neurotypical world. This positive, straightforward reference book offers kids with autism spectrum disorder (ASD) their own comprehensive resource for both understanding their condition and finding tools to cope with the challenges they face every day. Freshly updated, the content reflects changes in the understanding of ASD since the book was first released, including clarification that Asperger's syndrome is no longer a specific diagnosis and what this means for readers. The book also features new stories of young people with autism and an added chapter, "Tech Talk." Some children with ASD are gifted; others struggle academically. Some are more introverted, while others want to be social. Some get "stuck" on things, have intense interests, or experience repeated motor movements like flapping or pacing ("stims"). The Survival Guide for Kids with Autism Spectrum Disorder covers all of these areas, with an emphasis on helping children gain new self-understanding and self-acceptance. Meant to be read with a parent, the book addresses questions ("What is ASD?" "Why me?") and provides strategies for communicating, staying safe and smart online, making and keeping friends, and succeeding in school. Body and

brain basics highlight symptom management, exercise, diet, hygiene, relaxation, sleep, and toileting. Emphasis is placed on helping kids handle intense emotions and behaviors and get support from family and their team of helpers when needed. The book includes stories from real kids, fact boxes, helpful checklists, and resources. Sections for parents offer additional information. Survival Guides for Kids Helping Kids Help Themselves® Straightforward, friendly, and loaded with practical advice, the Free Spirit Survival Guides for Kids give kids the tools they need to not only survive, but thrive. With plenty of realistic examples and bright illustrations, they are accessible, encouraging, kid-friendly, and even life-changing.
