Fifteen diverse vampire stories from the Victorian era The Beauteous Evil, Part 1 of 4. An ill wind blows through the streets of London... The worst has come to pass. Lucifer has risen and Sir Malcolm is dead. As the ultimate Evil gathers his troops, Catriona Hartdegen, the only one left to fight, takes on the forces of darkness surrounding her, with nothing but righteous fury in her heart. With the Master of Hell abroad once more, no one is safe, as Dorian Grey will learn. His past has caught up with him and he is about to find whatever loyalty he possesses will be sorely tested. Ethan, the Wolf of God, is also confronted with his fast-approaching destiny, but first he must come face to face with the woman he once knew and loved... Harker has fallen under the spell of the Master, but Vanessa can see the benefit of such a fate. She implores Harker to lead them to their prey, in the hope that Mina will reveal herself, and his footsteps take them to the bloody opium den... and into a horrifying trap! The Victory of Death, Part 3 of 4. On a train racing north, Cat, Frankenstein, Sedna, and Nanuq are battling the witches who have dogged their steps since the recent horrors erupted in London. With their last hope – their best hope – finally almost within reach, they forge onwards, desperate to find Dracula and the key to defeating the evil that sweeps the country. Lily alone is left to rescue Ethan from Lucifer, and despite her resourcefulness, despite her bravery, she is at the mercy of a foe whose true madness is yet to be fully revealed. This book was originally published in "penny dreadful" form. This edition does not include the entire 109 episodes, which were

published in three lengthy volumes, but this slightly condensed form conveys the full story and complete reading experience. Note that authorship has also been ascribed to James Malcolm Rymer. [812 pages] *The Skeleton Count, or The Vampire Mistress* (1828) is a penny dreadful by Elizabeth Caroline Grey. Although the novel's authorship is frequently disputed, *The Skeleton Count, or The Vampire Mistress* is likely the first vampire tale to be written and published by a woman. Like most penny dreadfuls, the novel makes up for a lack in style with an abundance of horror and romance. "When he had concluded the impious formula, an awful silence reigned in the turret, and he perceived the sheet gently agitated by the quivering of the limbs, which betokened returning animation. Then a shudder pervaded his frame in spite of himself, as he perceived the eyes of the corpse slowly open, and the dark dilated pupils fix their gaze on him with a strange and stolid glare." Desperate to live to eternity, Count Rodolph makes a dangerous deal with the devil. Invigorated with his newfound power, Rodolph reanimates the corpse of the beautiful Bertha, a fitting bride to accompany him in his quest for everlasting life. Will she be a loyal and irresistible vampire mistress, or will the Count's creation turn against him? *The Skeleton Count, or The Vampire Mistress* is an entertaining tale of terror and the occult from a prolific author of nineteenth century penny dreadfuls. With a beautifully designed cover and professionally typeset manuscript, this edition of Elizabeth Caroline Grey's *The Skeleton Count, or The Vampire Mistress* is a classic penny dreadful reimagined for modern readers. A man, a plan, and some vampires in the daylight. Modern masters of the macabre bring the dead to life in this specially re-vamped edition of the classic compilation every horror fan will want to sink their teeth into. From an award-winning editor who knows the genre backwards, here is the very best in vampire fiction: from tales of tempting sirens to contemporary serial killers; from the dark origins of fairy tales to a modern reinterpretation of the King of the Undead himself, Count Dracula. This revised edition features over a dozen new stories, including Tina Rath's *A Trick of the Dark* and Kim Newman's *Andy Warhol's Dracula*, as well as classic novellas such as Hugh B. Cave's *Stragella* and Chelsea Quinn Yarbro's *Investigating Jericho*. There are contributions by Nancy Kilpatrick, Christopher Fowler, Paul McAuley, Chelsea Quinn Yarbro, Tina Rath, Neil Gaiman, Harlan Ellison and Kim Newman. "When the *Varney the Vampire* began in 1845, it unintentionally set off a revolution of horror. The so-called "penny dreadful" serial was the first to introduce the concept of the vampire into the English-speaking world, and was a direct influence on Bram Stoker's "Dracula" more than 50 years later."-- Back cover. *Varney the Vampire* (1847) is a penny dreadful novel by British writers James Malcolm Rymer and Thomas Peckett Prest. Originally serialized in cheap volumes, the novel introduced some of the most recognizable tropes of vampire fiction still used today, including the depiction of fangs and the use of a Gothic setting. Set during the Napoleonic Wars, *Varney the Vampire* is a story of tragedy, damnation, and revenge that pioneered many of the themes common to horror and pulp fiction today. Sir Francis Varney was condemned to an eternity of vampiric life following his actions during the reign of Oliver Cromwell. Having betrayed a royalist and killed his own son in a fit of rage, Varney was forced to suffer death and resurrection countless times over on his insatiable quest for human blood. In the nineteenth century, he targets the

Bannerworths, a once-noble family fallen on hard times in their crumbling estate. Gruesome and tragic, the story manages to humanize the vampire without softening his terrifying actions or features, laying the groundwork for an action-packed romp through such legendary cities as London, Naples, and Venice. *Varney the Vampire* is a grisly penny dreadful novel, a quick-witted work of horror that has inspired generations of storytellers and readers alike. With a beautifully designed cover and professionally typeset manuscript, this edition of *Varney the Vampire* by James Malcolm Rymer and Thomas Peckett Prest is a classic of British horror fiction reimagined for modern readers.

*The Victory of Death, Part 2 of 4.* With the minions of Satan snapping at their heels, and their motley crew becoming splintered by more deceptions and deaths, Catriona and Victor strike out on a journey north. Their hope is that it will bring them face to face with the last being on Earth that can defeat the ultimate evil that has cursed their lives... the ancient and elusive Dracula. As they journey ever northwards, they learn that even in motion, they cannot escape the clutches of Lucifer's followers... Left to care for Ethan, Lily desperately tries to coax the man she loved back from the brink of death, but old wounds run deep and she is not the woman she once was... for better or worse, it seems Ethan's fate is out of her hands... Written in 1897, Stoker's novel introduces the iconic character of the vampire Count Dracula. Through a series of letters and diary entries, the novel tells the story of Dracula's attempt to move from Transylvania to England, and the battle between Dracula and a small group of men and women led by Professor Abraham Van Helsing. Although Stoker did not invent the vampire, he defined its modern form as we know it today. The hit Showtime TV series is presented in comics for the first time! Written by the scriptwriters of the hit Penny Dreadful TV show - Krysty Wilson-Cairns and Andrew Hindraker! Featuring Vanessa Ives (Eva Green), Sir Malcom Murray (Timothy Dalton) and Sembene (Danny Sapani) the story recounts the events that led up to the explosive first season of the show. This prequel reveals the terrifying events that led Vanessa to try and find her missing childhood friend, Mina Harker, and exposes the true nature of the vampiric monsters infesting Victorian London. Beautifully realized by Louie De Martinis, and written by the show scriptwriters, this collected edition takes the reader on a heart-stopping journey into the supernatural realm. The hit TV series is presented in comics for the first time! This prequel reveals the terrifying events that led Vanessa to try and find her missing childhood friend, Mina Harker, and exposes the true nature of the vampiric monsters infesting Victorian London. Beautifully realized by Louie De Martinis, and written by the scriptwriters of the hit show! Collects Penny Dreadful #1-5. Nine hilarious short stories including: Penny Dreadful versus the Vampire, in which Penny decides to embark on a career as a vampire hunter; Penny Dreadful Looks on the Bright Side, in which miserable Grandma Grimshaw comes to stay, and Penny Dreadful and the World Record, in which Penny attempts to get her name in the record books; there's chicken pox in Penny Dreadful is Incredibly Contagious and much more fun in her other adventures ... Interest age: 7+ Looking forward to her senior trip to Cozumel, Leigh spent a whole day shopping for the perfect outfit and found herself exhausted that evening. She launches into a dream that reoccurs differently and proves to be a forecast of her future. The dream takes on various characteristics depending on what she already knows and, of course, on things to come. Leigh meets and falls in love with

Aidan who eventually reveals that he is a vampire, but what a charming vampire he is. Not only are they from different walks of life, but from different parts of the country as well. Find out what trials await the couple and how they confront the adversities. Continues the story directly after the shocking events of Penny Dreadful's season three TV finale, featuring Ethan Chandler, Sir Malcolm Murray, Ferdinand Lyle and Lily! Written by Penny Dreadful TV series co-executive producer Chris King with interior art by Jesús Hervas (Sons of Anarchy). p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} The horrifying truth of Mina's disappearance is revealed to Vanessa, Sir Malcolm and Sembene, and they realize they face a foe that exists outside anything they've encountered. As they frantically regroup, they learn they are not the only ones with a score to settle with the monster in their midst... THE STORY: Lord Ruthven, a charming but vicious vampyre with a taste for gambling, gains the confidence of Aubrey, a weak-willed young man who is dazzled by Ruthven's worldliness and urbanity. Through him Ruthven gains entrance to the stately count Thirty-five uncanny and erotic tales of vampires written by supernatural fiction's greatest mistresses of the macabre. "Fashions change, and the urbane vampire created by Byron and cemented in place by Stoker has had to move on . . . Are you, like me, ready for the new dusk?" —Ingrid Pitt, from her Introduction Prepare to arm yourself with garlic, silver bullets, and a stake. Featuring the only vampire short story written by Anne Rice, the undisputed queen of vampire literature, and boasting an autobiographical introduction and original tale by Ingrid Pitt, the star of Hammer Films' The Vampire Lovers and Countess Dracula, this is one anthology that every vampire fan—vampiric feminist or not—will want to drink deep from. From the classic stories of Edith Wharton, Edith Nesbit, Mary E. Wilkins-Freeman, and Mary Elizabeth Braddon to modern incarnations by such acclaimed writers as Poppy Z. Brite, Nancy Kilpatrick, Tanith Lee, Caitlín R. Kiernan, and Angela Slatter, these blood-drinkers and soul-stealers range from the sexual to the sanguinary, from the tormented Good to the unspeakably Evil. Among those memorable Children of the Night you will encounter are Chelsea Quinn Yarbro's Byronic vampire Saint-Germain, Nancy A. Collins' undead heroine Sonja Blue, Tanya Huff's vampiric detective Vicki Nelson, and Freda Warrington's age-old lovers Karl and Charlotte. Nominated for the World Fantasy Award and the International Horror Guild Award, and now revised and updated, The Mammoth Book of Vampire Stories by Women fulfils the bloodlust of the somnambulist horror fan, delivering the ultimate bite. Continuing the hit TV series! Six months after Vanessa's death, Ethan and Sir Malcolm still struggle to move on. As an ill wind blows over London, it soon seems that Vanessa's death was only the beginning... and an even great danger is yet to come. The haunting story of the critically-acclaimed SHOWTIME TV series continues in this official sequel, written by the show's co-producer, Chris King, and beautifully illustrated by Jesus Hervas (Sons of Anarchy) and colorist Jason Wordie. "Dark, menacing, delightfully detailed and unique." – Graphic Policy "A successor on par with Showtime's cult phenomenon." – Diabolique Magazine p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} The long, hidden war for the fate of mankind reaches new heights of

terror, as the Mother of Evil, reincarnated in the body of Vanessa Ives, gathers dark powers and evil minds to strike one final time at the heart of humanity – the Antichrist is due. Discover the fates of Ethan, Lily, Cat, and many more – the end time have come at last. The first epic comics sequel to the critically-acclaimed SHOWTIME TV series concludes, written by the show's co-producer, Chris King, and astoundingly illustrated by Jesus Hervas (Sons of Anarchy) and Jason Wordie. Collects #9-12 of the ongoing series.

The Beauteous Evil, Part 3 of 4. An ill wind blows through the streets of London... Terror sweeps through the city of London as the ends of days draws ever nearer. The forces of darkness that have taken over are gaining ground. Lily and Ethan are in a race against time to find the key to defeating Lucifer, they must accept help in whatever form it comes to them... even if that is in the shape of Dorian Gray. As they head for the notorious hospital, and madhouse, Bedlam, they have no notion of the horrifying danger they are about to find within those walls... p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} The continuation of the Penny Dreadful story where the future of humanity is at stake! The continuation of the Penny Dreadful story where the future of humanity is at stake! The Beauteous Evil, Part 2 of 4. The battle lines are being drawn, and it appears that Lucifer's forces are swelling in number. With Sir Malcolm gone, his friends are scattered across the city of London, and there is nothing to stem the flow of horror as it infects the hearts and souls of mankind. But the faint light of hope shines from the most unlikely of places. Under the watchful eyes of Mother Joan, Lily is preparing to engage with forces even she fears, in the belief that humanity has not yet been completely lost to the encroaching darkness... p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} Penny Dreadful is a vampire, of the little known Gemini tribe. She is from the small town of Browman, which is located near to the larger university city of Oxrow, home of Charity Michaels and Libby Hall (of Curse-Breaker fame)... Penny gets involved, often against her best interests, in a number of strange and mysterious events. She just wants to survive school, now a fancy academy, and get a few A levels... Penny's sisters, Alison and Catherine are also drawn into the terrors that inhabit the small English town, will they survive the horror... History seems to want her to play a role in the events to come as many different factions are drawn into the spiralling whirlpool of events that could be another end of the world, which is really awful if it happens on a Tuesday... I stared at my shopping list, wondering what any normal human would make of it. 'One box of communion wafers. Six bottles of fortified wine. Several pints of goat's blood for the curate?' After an extended stay in the magical country of Lloegy, I'm ready to resume life as the priest of a small village church. Clyde needs time to heal from his wounds, I've been given a vampire deacon to train, and Peter and I have to make some important decisions before our wedding day. But the problems of Lloegy have followed me home. Raven is still recovering from the Spirit Ceremony. The vampires living in my church are being unreasonable. My back garden is slowly filling with snail sharks. And Her Majesty's Government wants me to find out why vampire colonies are emigrating to England. I love Peter, but there are so many other demands in my life. Will he accept that there are just some things I cannot give him? Nobody believes Penny when she says she

sees Vampires and Werewolves. Including her family. Even after her family is killed by some of them nobody believes her. Even her own grandmother who she moves in with. Now all Penny wants is revenge. The only way she can get this is by joining "The Brotherhood". An organisation that fights against Vampires. Just one thing, they are not what she expects to find. Charles is her mentor/trainer at the Brotherhood. He just happens to have lost his family in a similar manner to Penny. Oh yeah, and he just happens to be very good looking. Penny soon learns to fight and starts getting some revenge for the deaths of her family. After finding herself in danger with Charles Penny is rescued by a vampire who turns out to not only be Charles' brother but also the vampire that had ensured she had not been killed on the day she and her family had been attacked by the group of vampires. Penny also finds herself falling in love with him. Now Penny has a choice to make. At last the sort-of semi-sequel to 'Refugees of the Raithaduine' and 'Orphans of the Raithaduine'. The Raithaduine are back and more nefarious than ever. Only Violet can stop them, which has everyone worried, as Violet was once voted droid most likely to be arrested for stealing everything not nailed down. Violet has two really good ideas, hide all the robots on the planet Hendrax at her friend Hannah's new castle there, and then take the war to the Raithaduine before they can destroy planet earth. What can possibly go wrong? Penny Dreadful is a new vampire of the Gemini tribe, specifically the Gothic faction. She has no memories of her past life, which is part of the deal. She must deal with the usual teenage dramas, plus a small but vocal group of humans who want to kill all vampires. Then there's the Glam, the other faction of vampires that are trying to set her up, so it looks like she attacked them... An often confusing book to follow, the story of Varney nonetheless had a lot of influence on modern vampire fiction. Driven by the need for blood and for monetary gains, Varney loathes the situation he is in and over the course of the novel he is seen as a character of sympathy. Eventually Varney has to make a decision as to whether to live with his condition or make a more drastic decision. An ill wind blows through the streets of London... The horrors that attacked them at the British Museum have been vanquished for the moment, but Sir Malcolm and Catriona Hartdegan know it is only a matter of time before they are under threat once more. They must learn all they can about the creatures they face, and quickly. Safe in the drawing room of Sir Malcom's mansion, the truth about the being that possessed Vanessa Ives is revealed. Ferdinand Lyle begins to tell the lost tale of dark forces that have battled for dominance throughout eternity. The hit TV series is presented in comics for the first time! This prequel reveals the terrifying events that led Vanessa to try and find her missing childhood friend, Mina Harker, and exposes the true nature of the vampiric monsters infesting Victorian London. Beautifully realized by Louie De Martinis, and written by the scriptwriters of the hit show! The Victory of Death, Part 1 of 4. Vanessa Ives's body has been inhabited by the ultimate evil, Satan, as the hordes of hell rampage through the streets of London. Ethan, still grieving for the love of his life, has committed an act that will surely lead to the ultimate destruction of mankind... unless they can find the eternal flame, the only thing that can put an end to the horror that has befallen humanity. With so much at stake, and time of the essence, Catriona Hardtegan and Victor Frankenstein are charged with gathering their scattered troops, all the while battling demons and the Nephilim, in a desperate attempt to put on a

show of force when they hunt down the immortal scourge of souls, and their last hope for redemption... the elusive Dracula. Nobody believes Penny when she says she sees Vampires and Werewolves. Not even her family. Then her family is killed by Vampires. Still, nobody believes her, not even her grandmother who she moves in with. Now all Penny wants is revenge. The only way she can get this is by joining "The Brotherhood". An organisation that fights against Vampires. Just one thing, they are not what she expects to find. Charles is her mentor/trainer at the Brotherhood. He just happens to have lost his family in a similar manner to Penny. Oh yeah, and he just happens to be very good looking. Penny soon learns to fight and starts getting some revenge for the deaths of her family. After finding herself in danger with Charles Penny is rescued by a vampire who turns out to not only be Charles' brother but also the vampire that had ensured she had not been killed on the day she and her family had been attacked by the group of vampires. Penny also finds herself falling in love with him. Now Penny has a choice to make. Set six months after the shocking events of the Penny Dreadful season three TV finale. Written by Penny Dreadful TV series Co-Executive Producer Chris King. In the void left behind by Vanessa's death, Ethan and Sir Malcolm must search for a new meaning in life. But the demimonde isn't done with them yet, as decisions from the past come screaming back to haunt them... For a vampire, losing weight can be hellish-from the national bestselling author of Real Vampires Hate Their Thighs. After Glory St. Clair kicked out the demon that had set up shop in her body, she had a serious fallout with longtime lover Jeremy Blade. But before Glory can win him back, she has some issues of the hellish variety to deal with. When Lucifer himself offers Glory the ultimate temptation-work for the devil and he'll make her a size six-the curvy vampire's not sure if she can resist. But what Glory does know is that somehow, she's going to get back the man she loves and show everyone that real vampires always have more to love. An ill wind blows through the streets of London... Lyle's revelations about the creatures stalking the night have made it abundantly clear – the ordeal that was Vanessa Ives' life did not end with her death. She will not be allowed to rest in peace. As the party in the drawing room prepares to gather their strength once more, they find their sanctuary under threat and, to survive, they must scatter... p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} Life doesn't stop being complicated just because you're dead. In the old days, vampires were sexy, ruthless, and evil. They could, and would, compel the living to do whatever they wanted. They owned the night. Unfortunately, being undead in modern times has unexpected and disturbing challenges. Now nine authors take an amused, and sometimes grim look at the problems some vampires face in the twenty-first century. In "Thin White Duke in Sneakers," a newly turned environmental activist and confirmed vegan has some serious issues with his politically incorrect vampire diet. Family life is disrupted in "Uncle Dmitri" when the police suddenly want to know what kindly Uncle Dmitri might be doing at night besides driving a cab. A young artist in "Take My Breath Away" desperately seeks a real vampire to turn her into an immortal only to discover she will still need to get a job to pay her rent. In "The Face on the Coin," unlife is complicated by obsession, a vampire ghost, and time travel. "Farmer" is a tale of the far-future where humans may well be hunted off the face of the Earth. "Sunrise Decision" is

the compelling story of a young marine in Fallujah who can only stop a murderous predator by making his own, personal life and death decision. In "They Shall Take Up Serpents," a predatory Revivalist preacher is brought to justice by a vampire and a cage full of snakes. In "Sale Season," intrigue and vampire romance haunt the art galleries of Europe while "Cursed Blood" asks the eternal question: Do you always have to bite the one you love? These authors were inspired to write by various TV shows, from Star Trek, Forever Knight, Buffy the Vampire Slayer (& Angel) to White Collar, Burn Notice, Vampire Diaries, Being Human, etc. and have made the leap from fanfiction to professional writing. All these stories are original universes. My name is not actually Penny Dreadful. It is Penelope Jones. The 'Dreadful' bit is my dad's JOKE. But I am definitely not dreadful... it's just sometimes people don't appreciate the brilliance of my ideas! I mean, it was a BRILLIANT IDEA to hunt a VAMPIRE and Cosmo said Mr. Bentley-Bucket was only pretending to be human. Also Grandma Overall who does not see the BRIGHT SIDE needed cheering up, so I don't know why she didn't like her super-sparkly MAKEOVER. And the water spraying all over the kitchen was completely worth it because I ended up being a Record Breaker! Three fantastically funny Penny Dreadful adventures in one fab book! Shortlisted for the Roald Dahl Funny Prize
