Moving to Melbourne for university, Josie Alexander knew the transition would be hard. She didn't realise just how difficult it'd be until things turn ugly. Damaged by a past that leaves her struggling with physical contact, her brave move to start afresh, soon turns into a nightmare. Afraid and vulnerable, Josie's fragile independence threatens to unravel around her. That is until the two men who refuse to leave her thoughts show up in Melbourne. Caden Adams, "Pick" to his biker brethren, has had a hard life. His only light is Josie, who he loses when she leaves Ballarat for Melbourne. Dealing with day to day life without his heart is hard, especially with the darkness threatening to consume him. When MC President, Talon, informs him that Josie's in trouble, he's determined to make sure he's there to protect her. Only, he won't be doing it alone. Eli "Billy the Kid" Walker has never experienced love, not even from those who should have cared the most. Only Josie and Caden have ever come close to infiltrating his hardened heart. With Josie gone, he pushes Caden away, unwilling to take a risk, even if it's something he wants. When given with the opportunity to prove to each other how they really feel, will they all be able to have the courage to fight for what their hearts desire? Above all else, will they survive the fallout when their secret's out? Please note: This is book #1 in an MC spin-off series, but it's more light and based on the hero's finding his love interest than club business. This novel is on the serious side compared to Lila's usual work because Josie, Pick and Billy have had a hard life. It also contains m/m/f relationship and a little m/m. Next in the series: Hiding Out Jack and Dean love each other, but they're missing the woman to complete their triangle. When newly divorced Paige Richards buys a Bed and Breakfast on Hamlet Island and employs them to help her fix the inn up, Jack and Dean are sure they've found the one they've been looking for. Despite the playful, sexy clues they drop, luscious Paige is reticent about getting involved, even when they set the stage so she can stumble on them in action. They can tell by her responses she wants to join them, but rumors travel fast on the small island, and tales of a threesome could get back to the conservative, family vacation crowd who won't patronize those with an alternative lifestyle. And the last thing they want for Paige is the B&B's rooms...and her bank account...to remain empty. But Jack and Dean will stop at nothing to prove to Paige that she can have it all...with them. I want to taste the sweetness of his lips. I want to LICK EVERY INCH OF HIS BODY. I might be still a virgin, but I have skills that will bring him to his knees... Will Michael just use my virginal body as a vessel to carry his child and then leave me as is stated in his surrogacy contract or will my growing belly and sexy skills make him realize that he wants to spend the rest of his life with me, his virgin surrogate? *Read Now* billionaire romance, second chances, age gap, enemies to lovers, friends to lovers, ceo, secret baby, happily ever after, forbidden, bad boy, fake dating, erotica, erotic romance, opposites attract, rags to riches, marriage of convenience, action, adventure, love at first sight, boss, office romance, workplace romance, surrogate, pregnancy romance, virgin, single parent, lawyer, medical, love triangle, menage, taboo, best friends, boss, employee, love, hate, contemporary romance, cozy, suspenseful, angsty, funny, dark, sexy, romantic, sensual, sweet, clean, wholesome, mystery, mysterious, vacation, beach, spring, summer, autumn, winter, holidays, big city, wedding, sugar baby, fairy tale, sports romance, single mom, affair, single dad, single parent, kinky, smut, romantic comedy, plus size, curvy, curvy girl romance, romance series, romance novels, bestseller, best selling books, short stories, alpha, alpha male, alpha male romance, bad boy romance, bully romance, alpha billionaire, billionaire romance, older man younger woman, romantic suspense, thriller, steamy, steamy romance, steamy romance books, smutty, smut, ebooks, cheating, love triangle, mfm, dominant, submissive, BDSM romance, BDSM billionaire romance, CEO romance, romance series, romance trilogy, romance boxed sets, boxed sets, erotic romance, curves, contemporary romance books, mystery romance, suspenseful, cliffhanger, page turners, BDSM, BDSM romance, sugar daddy, wealthy romance, rich romance, historical romance, sweet, erotic, erotica romance, dark romance Handsome, popular and much in demand in the Social world, Alstone, the Duke of Windlemere is bored with life and, seeking entertainment, he is drawn into a foolhardy wager with his friend Sir Hugo Benson. The bet concerns whether they can successfully replicate the experiment in George Bernard Shaw's play, Pygmalion, in which Eliza Doolittle is taken from the flower market in London and trained to pass as a 'lady' in Society. Unbeknown to her, Sir Hugo's niece, the beautiful, innocent orphan, Lorena, whom he summons back to England from her French Convent School, is chosen by him to play the part and is taken to meet the sophisticated Windlemere Set made up of the Duke's spoilt entourage. On arrival with her uncle at the Duke's palatial stately home, Mere, Lorena is overawed by her surroundings and by the dashing and handsome Duke. And for his part the Duke is captivated by Lorena's intelligence, honesty and loveliness. Not only is Lorena capable, it seems, of being accepted by his snobbish friends. She inspires respect as well – and even love. The instant #1 New York Times and USA Today best seller by Karen Kilgariff and Georgia Hardstark, the voices behind the hit podcast My Favorite Murder! She's my daughter's innocent, curvy friend, but I've had her act out some naughty fantasies for me. Marie came from France as an exchange student. I was a "host parent," I guess is what you call it. Except there was no one less qualified to be a host than me because the moment I saw her, my world flipped upside down. Marie was beautiful. Sassy. And those generous curves drove me nuts. But this can't happen because Marie's my daughter's best friend ... and what we're doing is utterly taboo. Hey Readers – Pop open the bubbly and get ready for some fun because this book is going to leave you gasping for more (in a good way). As always, our feisty heroine gets her HEA, with a pregnancy and a secret baby too. You'll love it, I promise! Xoxo, Cassie I was desperate for cash, and meeting the handsome twins was the answer to my prayers. I can't afford tuition. Not even close. With my measly salary, I can't even afford food. So I started dancing at a private club. It wasn't my first choice. After all, what girl wants to get up on stage and sway to music for an audience? But after my first night, I met them. Zander and Zeke. Identical twins. Gorgeous and muscular, and billionaires to boot. They made me a deal: work for them, and they would triple my earning power. But what happens when I fall in love with not one, but both alpha males? Some people say I should run. Some people say I should hide. But I want to stay because the twins give me something I've always craved desperately: love, times two. Am I crazy? Am I insane? Or am I worthy of double the love? Hey Readers – You'll enjoy this rags to riches story of a young woman who finds her place in the world with not one, but two, handsome alpha males. As always, bring a fire extinguisher because you'll be going up in flames! Enjoy! Love, Cassie A sugar daddy website doesn't seem a sound basis for an AI life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about... Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can live with that. And there are no skeletons in their designer closet, none that I can find. Just two hot sugar daddies, with particular tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that. Sometimes you need more than one man ... you need two. Alizeh: I've been a member of Dads and Daughters for a while, but I've never had one of the wild encounters the club is notorious for. But my friend June tells me about two men who are legendary: Torrent and Trainor. Supposedly, they're huge, gorgeous, and exactly what I need. Torrent: We've been members of the club for years now. But when we catch a glimpse of Alizeh at the pool, our knees go weak because we know that the girls in the club are dirty ... but Alizeh takes "filth" to a new level. Alizeh looks like a virtuous good girl on the outside, but every woman has a sassy inner self that's dying to make an appearance. In this case, Alizeh ends up exploring with Torrent and Trainor, who take her to the outer realms and beyond. Dirty? Yes. Filthy? Absolutely. Even better, this story is knock-your-socks-off ridiculously HOT. No cheating, no cliffhangers, and always an HEA for my readers. To the unassuming observer, Ben Lockwood is your typical, suburban dad. Aside from the fact that he's only thirty-six and his daughter is a sophomore in college. He and his wife, Jessica, had their only daughter, Hailey, when they were in high school. So you can imagine the unease Ben is feeling when said daughter brings her new boyfriend home for Thanksgiving. To stay, in their house, for the whole weekend. Ryan Harper, otherwise known as The Boyfriend, is every dread Ben's ever had in his daughter dating come to fruition. There's nothing wrong with Ryan. He's polite, smart, and charming. He doesn't have any neck tattoos or facial piercings, and he drives a BMW. But still, he's dating Ben's daughter. That makes him a threat. It's in Ben's best interest to keep an eye on the kid. You know, to make sure there's no funny business going on under his roof. Unfortunately for him, the tension in the house is less about Ryan being his daughter's boyfriend, and more about him being a strangely intriguing human. And soon enough, Ben can't tell if he's watching Ryan to protect his daughter's innocence, or obliterate his own. It seems like the boring married-guy image isn't going to hold up for long. Not after this bizarre, life-changing weekend. What are these new, strange feelings and desires? Where did they come from? And why do they have to center around what belongs to his daughter? Ben and Ryan's situation couldn't get much more complicated. Until Jessica steps into the mix. An unexpected push is all it took for their lives to change forever. And I've never been closer to tragedy than I am now. I am a man who loves, a man whose love demands much in return. Dirty Little Secrets is the third book of The Ties That Bind Series by K.L. Ramsey I'm expecting my stepbrothers' babies! Kyleigh: Years ago, my mother married the twins' father. Roman and Ryder, my new stepbrothers, were rude, arrogant, and embarrassed me in front of the entire lacrosse team. I wanted the floor to swallow me whole. They appreciate my curves, and there's electricity flowing in the air. The problem is that after one fateful night, I'm pregnant with their children. I'm expecting twins ... and my stepbrothers are my babydaddies. Roman: We never meant to get her pregnant. But Kyleigh's changed a lot. It was never supposed to happen, but her allure was too strong. Kyleigh's now pregnant with our twins, and my brother and I are going to find some way to make this work even if it costs us everything. Note to my readers: Hot hot hot! Jerry's twin sons, Colt and Cain, are insufferable, rude, and arrogant, not to mention football stars. My quiet life as a photographer has been upended because now, I live down the hall from two gorgeous men who do whatever they want. They bring friends over late at night, blast music until the crack of dawn, and of course, there's an endless stream of floozies. The banging noises at night? The creaky headboard and breathy, soundless moans? The twins live to torment me, even if I secretly want to be the object of their affections. Colt: My brother and I couldn't believe it when we met our new

stepsister. Karlie was curvy, unassuming, and totally innocent. We figured our nightly escapades would shock the socks off her but looks definitely lie. One night, we take a trip to the big city to “make it rain” with our football buddies. It’s a pre-game tradition: we hit up local joints looking for pretty girls, and then toss bills for good luck. But when the curtain pulls apart at a particularly seamy club, suddenly the beautiful woman on the stage makes our jaws drop. Are our eyes deceiving us, or have we just unveiled a shocking secret about our shy stepsister? Hey Readers – You’ll love this steamy romance because of its crazy twists and turns!
