When she awakens on her second day at boarding school, a young girl finds she has gone back in time to 1918. This 1867 landmark book represents the first systematic effort to collect and preserve the songs sung by the plantation slaves of the

Old South. Most of the 130 songs, arranged by geographic area, were recorded directly from the singers themselves. Includes the melody line and all known verses to each song. First published in 1937. The Book of Songs is a collection of ancient Chinese songs, dating from 800 to 600 B.C. Until this was published in 1937 it had not been translated into English since the middle of nineteenth century, when sinology was still in its infancy. For the first time the original meaning of 290 out of the 305 songs is given, use being made of the advances in the study of old Chinese. The result is not merely a clear picture of early Chinese life, but also the restoration to its proper place in world literature of one of the finest collection of traditional songs. The humorist asked his readers to share their least favorite tunes and chronicles the hilarious responses. When funnyman Dave Barry asked readers about their least favorite tunes, he thought he was penning just another installment of his weekly syndicated humor column. But the witty writer was flabbergasted by the response when over 10,000 readers voted. "I have never written a column that got a bigger response than the one announcing the Bad Song Survey," Barry wrote. Based on the results of the survey, Dave Barry's Book of Bad Songs is a compilation of some of the worst songs ever written. Dave Barry fans will relish his quirky take. Music buffs too will appreciate this humorous stroll through the world's worst lyrics. The only thing wrong with this book is that readers will find themselves unable to stop mentally singing the greatest hits of Gary Puckett. Praise for Dave Barry's Book of Bad Songs "Barry is his usual puckish self, but the real surprise here is how funny many of the survey respondents are." —Kirkus Reviews "Who can resist such a book?" —Publishers Weekly No Marketing Blurb Along with cultural information and suggestions for the pedagogical use of these folk tunes, the book and CD package contains maps and illustrations. 15. NEW YORK TIMES BESTSELLER • A celebration of American history through the music that helped to shape a nation, by Pulitzer Prize winner Jon Meacham and music superstar Tim McGraw “Jon Meacham and Tim McGraw form an irresistible duo—connecting us to music as an unsung force in our nation's history.”—Doris Kearns Goodwin Through all the years of strife and triumph, America has been shaped not just by our elected leaders and our formal politics but also by our music—by the lyrics, performers, and instrumentals that have helped to carry us through the dark days and to celebrate the bright ones. From “The Star-Spangled Banner” to “Born in the U.S.A.,” Jon Meacham and Tim McGraw take readers on a moving and insightful journey through eras in American history and the songs and performers that inspired us. Meacham chronicles our history, exploring the stories behind the songs, and Tim McGraw reflects on them as an artist and performer. Their perspectives combine to create a unique view of the role music has played in uniting and shaping a nation. Beginning with the battle hymns of the revolution, and taking us through songs from the defining events of the Civil War, the fight for women’s suffrage, the two world wars, the Great Depression, the civil rights movement, the Vietnam War, and into the twenty-first century, Meacham and McGraw explore the songs that defined generations, and the cultural and political climates that produced them. Readers will discover the power of music in the lives of figures such as Harriet Tubman, Franklin Roosevelt, Eleanor Roosevelt, and Martin Luther King, Jr., and will learn more about some of our most beloved musicians and performers, including Marian Anderson, Elvis Presley, Sam Cooke, Aretha Franklin, Bob Dylan, Duke Ellington, Carole King, Bruce Springsteen, and more. *Songs of America* explores both famous songs and lesser-known ones, expanding our understanding of the scope of American music and lending deeper meaning to the historical context of such songs as “My Country, ‘Tis of Thee,” “God Bless America,” “Over There,” “We Shall Overcome,” and “Blowin’ in the Wind.” As Quincy Jones says, Meacham and McGraw have “convened a concert in *Songs of America*,” one that reminds us of who we are, where we’ve been, and what we, at our best, can be. She was a staunch proponent of women's emancipation, civil rights, and anti-imperialistic ideas, playing an important role in India's struggle for independence from colonial rule. Her work as a poet includes both children's poems and others with more mature themes including patriotism, romance, and tragedy, earning her the sobriquet “Nightingale of India”. Her most famous work is “In the Bazaars of Hyderabad” (1912), which remains widely read to this day. Read & Co. is publishing this brand new poetry collection complete with an introduction by Edmund Gosse. A girl searches for a killer on an island where deadly sirens lurk just beneath the waves in this “twisty, atmospheric story that grips readers like a siren song” (Publishers Weekly, starred review). The sea holds many secrets. Moira Alexander has always been fascinated by the deadly sirens who lurk along the shores of her island town. Even though their haunting songs can lure anyone to a swift and watery grave, she gets as close to them as she can, playing her violin on the edge of the enchanted sea. When a young boy is found dead on the beach, the islanders assume that he’s one of the sirens’ victims. Moira isn’t so sure. Certain that someone has framed the boy’s death as a siren attack, Moira convinces her childhood friend, the lighthouse keeper Jude Osric, to help her find the real killer, rekindling their friendship in the process. With townspeople itching to hunt the sirens down, and their own secrets threatening to unravel their fragile new alliance, Moira and Jude must race against time to stop the killer before it’s too late—for humans and sirens alike. *Songs of a Sourdough* is a collection of poems written in 1907 by Robert W. Service while he was working as a bank teller in Whitehorse, Yukon. The best-known poems are those describing life during the Klondike Gold Rush of the late 1890s, especially his ballads “The Shooting of Dan McGrew” and the “Cremation of Sam McGee.” While some of Service’s work had previously appeared in newspapers and periodicals, *Songs of a Sourdough* was his first book. Publishers initially questioned the “moral tone” of the work with its bawdy poems depicting not just the hard lives and isolation of Yukon prospectors but also the drinking, gambling, and prostitution that was prevalent in Dawson City. However, despite these reservations, the book was an immediate success. In Canada, there were ten printings and more than 12,000 copies sold in the first year alone. Dozens of additional printings followed in subsequent years, including editions

issued in Britain and the United States. This book is part of the Standard Ebooks project, which produces free public domain ebooks. In *WARRIOR: Songs of a Fighter*, Thomas extends to you an invitation to share his poems which is his dream to turn into his love of Music. He is very excited about the possibility of sharing his thoughts and dreams with his family, friends and people he may never know or see through this book of poems which to him is his own Music. Excerpt from *Songs of a Lifetime*: Partial Collection Release the thrills of winding streams And hills that from them rise; Melt into them the star-lit dreams Of bright and mellow skies; Within my heart I charge thee, though My faithful Muse, thou sing them low. By chance we might be overheard Sing true thine every air; The sweetest singing woodland bird Is not heard everywhere, But, like his song, let thine be dear, Serenely pure and heart-sincere, July 2, 1907. One of the best multi-subject music books to come down the pike in years . . . a fresh and deeply informed approach.” —Variety A great cover only makes a song stronger. Jimi Hendrix’s version of Bob Dylan’s “All Along the Watchtower.” The Beatles rocking out with “Twist and Shout.” Aretha Franklin demanding “Respect.” Without covers, the world would have lost many unforgettable performances. This is the first book to explore the most iconic covers ever, from Elvis’s “Hound Dog” and Joe Cocker’s “With a Little Help from My Friends” to the Talking Heads’ “Take Me to the River” and Adele’s “Make You Feel My Love.” Written by the founder of the website covermesongs.com, each of the nineteen chapters investigates the origins of a classic cover—and uses it as a framework to tell the larger story of how cover songs have evolved over the decades. *Cover Me* is packed with insight, photography, and music history. “Delves into the complicated legacy of artists performing other people’s music . . . his research adds fresh context and intriguing background to many of these songs . . . Astute ruminations on evolving cultural perceptions of the cover’s place in the music canon.” —AV Club “This engaging nostalgia trip is sure to appeal to discophiles and cultural historians.” —Library Journal An essential history of the greatest love poem ever written *The Song of Songs* has been embraced for centuries as the ultimate song of love. But the kind of love readers have found in this ancient poem is

strikingly varied. Ilana Pardes invites us to explore the dramatic shift from readings of the Song as a poem on divine love to celebrations of its exuberant account of human love. With a refreshingly nuanced approach, she reveals how allegorical and literal interpretations are inextricably intertwined in the Song's tumultuous life. The body in all its aspects—pleasure and pain, even erotic fervor—is key to many allegorical commentaries. And although the literal, sensual Song thrives in modernity, allegory has not disappeared. New modes of allegory have emerged in modern settings, from the literary and the scholarly to the communal. Offering rare insights into the story of this remarkable poem, Pardes traces a diverse line of passionate readers. She looks at Jewish and Christian interpreters of late antiquity who were engaged

in disputes over the Song's allegorical meaning, at medieval Hebrew poets who introduced it into the opulent world of courtly banquets, and at kabbalists who used it as a springboard to the celestial spheres. She shows how feminist critics have marveled at the Song's egalitarian representation of courtship, and how it became a song of America for Walt Whitman, Herman Melville, and Toni Morrison. Throughout these explorations of the Song's reception, Pardes highlights the unparalleled beauty of its audacious language of love. Who knew that Paul McCartney originally referred to Yesterday as 'Scrambled Eggs' because he couldn't think of any lyrics for his heart-breaking tune? Or that Patti LaBelle didn't know what 'Voulez-vous couches avec moi ce soir?' actually meant? These and countless other fascinating back stories of some of our best-known and best-loved songs fill this book, a collection of the

highly successful weekly The Life of a Song columns that appear in the FT Weekend every Saturday. Each 600-word piece gives a mini-biography of a single song, from its earliest form (often a spiritual, or a jazz number), through the various covers and changes, often morphing from one genre to another, always focusing on the 'biography' of the song itself while including the many famous artists who have performed or recorded it. The selection covers a wide spectrum of the songs we all know and love - rock, pop, folk, jazz and more. Each piece is pithy, sparkily written, knowledgeable, entertaining, full of anecdotes and surprises. They combine deep musical knowledge with the vivid background of the performers and musicians, and of course the often intriguing social and political background against which the songs were created.
