The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. First in the gripping PERFECT CHEMISTRY series, this is the next addictive read for fans of Anna Todd's AFTER series, and Caroline Kepnes's YOU. When Brittany Ellis walks into chemistry class on the first day of senior year, she has no clue that her carefully created 'perfect' life is about to unravel before her eyes. Forced to be lab partners with Alex Fuentes, a gang member from the other side of town, Brittany finds herself having to protect everything she's worked so hard for - her flawless reputation, her relationship with her boyfriend and, most importantly, the secret that her home life is anything but perfect. Alex is a bad boy and he knows it. So when he makes a bet with his friends to lure Brittany into his life, he thinks nothing of it. But the closer Alex and Brittany get to each other the more they realise that sometimes appearances can be deceptive and that you have to look beneath the surface to discover the truth. 'Compelling and addictive... I've still got that "wow" feeling you get after reading a great book' Wondrousreads.com 'Perfect Chemistry is a novel to obsess about. It is a book that you should drop everything for...the most romantic love story that I have ever read.' Thebookette.com 'Captures that rush of feelings associated with first love' Thebookbag.com 'Elkeles pens plenty of tasteful, hot scenes...that keep the pages turning. The author definitely knows how to write romance.' Kirkus Review

**Touch** Jul 28 2023 When a strange boy tumbles down a river embankment and lands at her feet, seventeen-year-old adrenaline junkie Deznee Cross snatches the opportunity to piss off her father by bringing the mysterious hottie with ice blue eyes home. Except there's something off with Kale. He wears her shoes in the shower, is overly fascinated with things like DVDs and vases, and acts like she'll turn to dust if he touches her. Kale has been a prisoner of Denazen Corporation—an organization devoted to collecting "special" kids known as Sixes and using them as weapons—his entire life. And, oh yeah, his touch? It kills. But nothing is what it seems in this town. His aunt isn't just odd, she's a witch who fights demons and tries to maintain the magical balance of the town. Jake should get the hell out of there, and he would leave, except for bad-ass newbie witch Meena, who looks at him like he matters. **I Hate You, Fuller James** Dec 21 2022 I hate you, Fuller James. I hate your floppy hair and your lopsided grin and those laughing blue eyes that always seem to be laughing at me. I hate that you're the most popular guy in school and I'm still the girl who sneezed and spit out her retainer on someone at a middle school dance. It's just such a cliché. I hate that I'm being forced to tutor you in English and keep it a secret from everyone. Because otherwise it might put our basketball team's chances at winning State in jeopardy, and even though I hate you, I love basketball. I hate that it seems like you're keeping a secret from me...and that the more time we spend together, the less I feel like I'm on solid ground. Because I'm starting to realize there's so much more to you than meets the eye. Underneath it all, you're real. But what I hate most is that I really don't hate you at all.

But the journey is dangerous, even with a god's help. And not everyone is willing to believe the trickster god's tale. The closer she grows to Korbyn, the less Liyana wants to disappear to make way for her goddess. But she has no choice: She must die for her tribe to live. Unless a trickster god can help her to trick fate—or a human girl can muster some magic of her own.
