Scarlett Wakefield postpones her romance with the son of the school
groundskeeper in order to travel to Scotland with her American
sidekick in search of clues to the murder of a boy who dropped dead
after kissing her. Address books allow easy access to your friends,
family, business associates and others by maintaining their email and
other contact and there's nothing quite like a traditional address book
to store all those precious contacts. Here are reasons for you to get
one: VERSATILE USE - There's a lot you can store in this journal aside
from your Contacts and Addresses. Add in their Home, Mobile,
Work/Fax Numbers with Space For Notable Dates like Birthdays.
USEFUL & CONVENIENT - Simple and convenient, this log book
design allows for easy filling out of information with enough space for
writing. A NOTEBOOK BUILT TO LAST- The sturdy cover is made of
tough paperback with strong, secure professional trade binding so the
pages won't fall out after a few months of use. WELL-CRAFTED
INTERIOR- We used only thick, white paper to avoid ink bleed-
through. The columns are clearly marked to make it easy to fill out and
to cross reference. PERFECT SIZE- With its 15.24 x 22.86 cm (6" x 9")
dimensions, you can squeeze it into a purse with ease. It's easier to
transport, the perfect size- easy to carry! COOL COVERS!- To top it all,
we have an array of cover designs for you to choose from. Get inspired
by our collection of truly creative book covers. We stand for quality

and aim to provide the best writing experience with our notebooks.
Store all correspondence details of your friends and family in one
secure and reliable place, and enjoy referencing them in one of our
beautifully-designed address books. Get one today! Robert Owen and
the Owenites were associated with the rise of an early industrial
society in Britain and with the development of an agricultural, frontier
society in the United States during the first half of the nineteenth
century. This book, originally published in 1969, was the first to use
both British and American source material, and tells the story of
Robert Owen and the movement associated with his name, from the
standpoint of comparative social and intellectual history. The book
directs new light on Owenism, and at the same time illuminates
general problems of the history of social movements and social change
in modern societies. Each month for a full year, the holiday parties and
theme nights at Sappho's Bar & Grill spin lonely Hannah Stern into the
past when she least expects it. Through her sexy encounters with
foremothers ranging from Lilith to Sappho, through Radclyffe Hall to
the All American Girls Baseball League, Hannah learns much about
herself and women's survival across time. Henry Williamson is perhaps
best known for his Hawthornden Prize-winning "Tarka the Otter", yet
he devoted a major part of his life to fiction which drew closely on his
experiences during World War I, including his sequence of novels "A
Chronicle of Ancient Sunlight". His time in the trenches affected him
profoundly and, like many young soldiers, he was changed utterly by
what he saw. This book draws closely on his letters, diaries,
photographs and notebooks written at the time to give an account of
life in the trenches of World War I. It also affords an insight into the
making of a novelist.
