updated september 18 2020 image credits you know how to use articles like a an and the but what about words like this and that or these and those read on for examples of sentences that use this or that and with phrases like these are and those are this vs that these vs those pointing to things we use this and that with singular and uncountable nouns try to repeat this exercise every morning and evening this singular countable noun what does this music make you think of this singular uncountable noun i ve never been to that part of france that singular countable noun 6 business english situations this these a positive opinion we use this and these to talk about things we like that are in proximity to us it s as if we didn t mind being close to them for example you might say i love these new slides you re using for your presentation this new office is great these vs this this and these

are demonstratives which means they indicate a specific noun in a sentence the two words are similar because they refer to nouns that are near in space and time this is used with singular or uncountable nouns i e this egg or this music these refers to plural nouns i e these cookies the words this that and these those can be used in two ways 1 as a demonstrative adjective before a noun in the below sentences the determine this these tell you which noun you are talking about this sentence has five words this singular noun these words are blue these plural noun do you remember the cats from above using this these that those english grammar composition grade 1 periwinkle in this video we will learn about the usage of this these that those you can also watch 3d animated when using these and those in verbal communications it is important to remember the difference between the two terms when talking to someone you should use the term these to refer to something that is close to you and the term those to refer to something that is farther away these preambles the subject those references a past subject and possibly a different one from these these are the terms and conditions that those criteria ought to be met or those terms and conditions will define the outcome if these are not met i think your answers on how to use these and those are incorrect i was taught to use a noun after both these and those ex these apples those apples these and those always need a noun after them and they do not one needs to always answer these or those what what use of this and these with easy examples this and these with exercise and example this video will give you an understanding of use of this and these in a sentence when to use this and when to use this 39 is not usually used as a pronoun to refer to a person you only use it when you are identifying

someone or asking them about their identity for example you use this when you are introducing someone note that when you are introducing more than one person you use this not these 39 average 3 9 18 votes tags level 3 grammar demonstratives this those conversational examples notice how the use of this that these and those changes depending on the location of the speakers in the following dialogs location can be a relative term if i am standing in a room over there may mean that something is on the other side of the room as in this example this these help to denote something or someone that is near us or could even be used as an introduction in short they are used to display the relative distance between the speaker and the noun example 1 this is my house 2 these are our friends janet and robin 3 this is a nice bowl of soup 4 whose packets are these 5 this is rajat 6 define these when we use the word these we refer to objects people or ideas that are near to us in space or time it is a demonstrative pronoun that points to something that is close at hand for example if you are holding a book in your hand you could say i am reading these pages how do you use the demonstrative pronouns this that these and those easy learning grammar usually a demonstrative pronoun substitutes for a noun phrase that contains the same word being used as a determiner 4 pronoun you use these when you are identifying someone or asking about their identity these are my children 5 determiner you use these to refer to people or things that are near you especially when you touch them or point to them i put these pictures up here to show how children are solving the problem these scissors are awfully heavy this that these those this indicates that something is near us that indicates that it is at a distance we also use

these and those when talking about more than one objects subject lessons this that these those exercise 1 pdf demonstratives with exercise similar lessons
