Some men deserve a special lesson, and that lesson may entail a brand new, sexy body. Read about three asshole men and their encounters with a witch, a succubus, and a surprise being in Layla Hart's newest 13,500 word bundle. Contains themes like magical gender change, futa, demon sex, male to female transformation, and submission. Bundle includes: Swapped with the Secretary Dentata ...and a bonus surprise story! Warning! These stories contain explicit sexual scenes, adult language, and some disturbing material such as gender bender, gender change, magical transformation, paranormal demon seduction, and more. Not for the faint of heart. Adult readers 18 and older only! Discover a collection of fairy tales unlike the ones you've read before . . . Once upon a time, in the middle of winter, a King sat at a window and sewed. As he sewed and gazed out onto the landscape, he pricked his finger with the needle, and three drops of blood fell onto the snow outside. People have been telling fairy tales to their children for hundreds of years. And for almost as long, people have been rewriting those fairy tales - to help their children imagine a world where they are the heroes. Karrie and Jon were reading their child these stories when they hit upon a dilemma, something previous versions of these stories were missing, and so they decided to make one vital change.. They haven't rewritten the stories in this book. They haven't reimagined endings, or reinvented characters. What they have done is switch all the genders. It might not sound like that much of a change, but you'll be dazzled by the world this swap creates - and amazed by the new characters you're about to discover. Write, draw, and fight bad guys in the gender-swapped parallel universe from the hit show Adventure Time! Everyone knows that Finn and Jake are two of the most awesome adventurers in the land of Ooo. But in the Ice King's fan-fiction

parallel universe, it's Fionna and Cake who are the brave and daring champions of exploration. Get creative with all of the gender-swapped characters from Adventure Time, like Prince Gumball, Marshall Lee, the Ice Queen, and more. This notebook is full of writing inspiration, drawing activities, games, puzzles, and a page of cool pull-out character cards. It's the perfect companion to any heroic mission! Men who have babies are just a myth, right? Not in these 5 naughty tales. These unsuspecting guys are gender swapped and taken by real men who know what to do with their female bodies. Becoming fertile women may not have been what these men wanted, but it was just what they needed when coming to terms with their feminine awakening. This Naughty Gender Bender Bundle Contains: "Fertility Swap: Gender Swap Pregnancy" "Pregnancy Swap: Gender Bender Trap" "Swapped and Having the Jock's Baby: Gender Bender Pregnancy" "Swapped into a Pregnant Business Woman: Gender Bender Pregnancy" "Swapped, Pregnant & Hungry: Gender Bender Pregnancy" This bundle entails male to female gender swap, fertile wombs and first time pregnancy, submission to Alpha Males and a reason to be naughty after being turned into a woman. This exciting and steamy collection of two best-selling series on Gender Swap provides you with spicy insight into the variations of gender and supernatural eroticism. The Flower Power series features Jayson. Jayson is a university freshman and a major stud who loves and leaves the women in his life. Cameron, his childhood friend (a virgin), is in awe of Jayson's success. But a field trip to an ancient forest will let Jayson see life from a woman's point of view--and give him a whole new perspective on how hot his old friend really is. Then dive into the deep pool of the Paranormal with the series Me-She (My Supernatural Gender Swap) and the complex Pack Politics of two different Alpha Werewolves who want the same thing. Tyler allowed Klaus to place the narrow Skinwalker belt around his waist. Its Native American shape-shifting magic would grant him the Power of the Wolf. But as he began to Change, he realized he was turning into a bitch. An actual Wolf-Bitch. When he returned to human form, he was now a she. This was not part of his plan. Was the Power worth

the price? Can he convince Klaus to restore his masculinity?(Warning--these series are intended for adults only. All characters are over eighteen years of age and there is as much graphic and explicit sexual behavior as you would expect from University Freshmen and one of the hottest Wolf Packs you've ever encountered.)Excerpt:I sat up, suddenly feeling as if my whole body had snakes crawling over it. I scraped my arms and legs, foolishly trying to knock off invisible bugs or something. My scalp was itching like crazy. Wait, I was crazy! It felt as if air was pumped into me and then sucked out. My clothes got loose, and then they felt like they were shrinking. I was terrified. I got up and ran to the mirror, having the strange sensation I was shorter, like I was before puberty kicked in. I got to the mirror and froze. A girl looked back at me.WTF? My hair was now below my shoulders, and my wide eyes were the oddest color I had ever seen, but as I stared, that extra color faded and they were back to their normal green again. I touched my face, the stubble gone. I was as smooth as Bitsy--although a lot prettier. I slide my hands to my thighs, looking down and seeing goddamned boobs pressing against my Banana Republic shirt.Frantically I unzipped my jeans that were now way too tight around my hips, and pulled them off. I yanked down my boxers and gave out a little whimper as I didn't see anything there. Well, that wasn't completely accurate--my dick and balls were missing. What was there was a slit. I was cuntified. There was no pain or discomfort, but maybe I was just in a state of shock, the way someone can be in a car crash and not realize how badly hurt they are. Oh, God, I wanted to kill that little Stick guy! How could he do this to me? In this collection you will find all three books of the smash hit gender swap series Good Chemistry. The Professor Position: Angela is a bright young student, but college life is proving to be more than she can handle. When she takes it upon herself to seduce her professor for a passing grade, it leads to a discovery that she has hidden talents beyond simple chemistry. In this prequel to Angelica Siren's smash hit Good Chemistry, you'll discover the origin of the genius mind that would go on to master the Pheromone Catalyst solution. In her first year at college, our antihero Angela journeys from being a bright student to a

sexy seductress with powerful ambitions of her own. Good Chemistry: The brothers of the Delta Phi fraternity are used to living life to the fullest. They drink hard, they play hard and they don't worry about who gets hurt in the process. When a group of spurned co-eds decide to take revenge on the brothers, their lives will never be the same. With the help of a brilliant young chemistry student, Delta Phi finds itself as the newest sorority on campus. The sisters of the DP fraternity might be shocked at their new bodies, but they'll be even more shocked to discover what the pheromone catalyst serum has done to their minds - bending them into ravenous bimbos that can't stop in their pursuit for men to drag into their beds. Good Chemistry 2: Revenge of Delta Phi: Here at last is the exciting sequel to the smash hit erotica Good Chemistry! In the action packed second book of the series, the scientific genius Angela is hired by an unlikely ally in yet another escapade of gender bending chemical revenge. Last time she worked her magic, it was the men of the Delta Phi fraternity that suffered. This time, Delta Phi is ready to strike back at the men who have taken advantage of their new status as the hottest sorority on campus. With a clever plan and a new batch of Angela's Pheromone Catalyst Solution, our heroes set out to turn four of the college's nastiest guys into four of its most shameless bimbos! What would you do if you woke up in the body of a mature woman? Freak out, of course, but after that ... then what? Find out how the guys in these bundles handle it when they're thrust into the bodies of the milfs they crave. Transformed by Desire. Kenny Watson is tired. Between his

fiancé and his job something has to give. He needs a change. Luckily, his best friend has been working on a project that might offer a solution to all his problems. The New You project is designed to help women genetically modify aspects of their body that they are unhappy with. It is not designed to rewrite the DNA of the test subject, swapping their gender as completely as if they had been naturally born the opposite sex. But that little detail wasn't going to stop Drew, Kenny's best friend and lead scientist on the project. So when it comes time for human testing, he knows exactly who to ask. With his body changing under his own touch, Kenny has to learn to embrace everything there is about being a woman - including his new sexuality. Desire and lust quickly become overwhelming as he yearns to explore every unknown inch. This collection contains all six gender swap stories within Drew's New You Universe including: New You - A Gender Swap Experiment His Fertile Desires - A Gender Swap Experiment Swapping Seats - A Gender Swap Experiment Sorority Swap - A Gender Swap Experiment Loophole - A Gender Swap Experiment Golden Opportunity - A Gender Swap Experiment Volume 3 of the Transformed holiday collection includes 10 holiday-themed gender swap stories: Transformed for Halloween 3: Curse of the Dead Girl Transformed for Election Day Transformed for Thanksgiving Too Bait & Switch: Gender Swapped on Black Friday Transformed for Christmas 3: The Christmas Wish Transformed for New Year's Eve Transformed for the Big Game Transformed for Valentine's Day 3: The Venus Mantrap Transformed for April Fool's Day Transformed for Easter Too Stephen and Tim spend an evening discussing what they like about girls. Suddenly, the talk of a gender swapping potion becomes a part of the conversation and Stephen utters that he wonders what it would be like to be a girl for a day. Tim convinces him to give it a shot as they both think that it's a fun idea. Stephen goes through with it and becomes Stephanie. At first, it's still just two buds hanging out as friends. That is, until Tim comes onto Stephanie who is now rocking a banging female body. This story contains male to female gender swapping, first time feminization, submission to an alpha and a reason to be naughty while in a female body.

Despite a rapidly growing enthusiasm around applications of information and communications technologies (ICTs) to smallholder agriculture in developing countries, there are still many questions on the effectiveness of ICT-based approaches. This study assesses the effects of videomediated agricultural extension service provision on farmers' knowledge and adoption of improved agricultural technologies and practices in Ethiopia. The study focuses on a program piloted by the Government of Ethiopia and Digital Green and poses three questions. First, to what extent does video-mediated extension lead to increased uptake of improved agricultural technologies and practices by smallholder farmers? Second, is video-mediated extension targeted at both spouses of the household more effective than when only targeted at the (typically male) household head? Third, how cost-effective is a video-mediated approach to extension provision? The study explores these questions with a randomized controlled trial designed to evaluate the video-mediated approach as applied to three priority crops (teff, wheat, maize) and three technologies (row planting, precise seeding rates, and urea dressing). The trial was implemented in 347 kebeles (village clusters) during the 2017 meher (rainy) season in Ethiopia's four most agriculturally important regional states. Analysis of data from our surveys of 2,422 households and 896 extension agents indicates that the video-mediated approach is more effective than the conventional approach in achieving several key outcomes. Specifically, we find that videomediated extension reaches a wider audience than the conventional approach and leads to higher levels of agricultural knowledge and uptake of technologies in those kebeles randomly assigned to the program. While our results do point to greater participation and greater knowledge of female spouses in kebeles where both male and female spouses were targeted by the program, we do not find clear evidence that the more inclusive approach translated into higher uptake of the subject technologies and practices. Finally, we find that the video-mediated approach becomes less costly as the scale of operation increases. Gender Swapping - The Final Frontier. It could have been a dream. A deeply sexual, erotic

dream that I just couldn't wake up from. It could have been, but it wasn't. It was an abduction and that night I was probed and transformed into something even more foreign than an alien. I was changed into a willing, fertile woman. Unfamiliar desires and sensations take over my newly formed feminine body as two hulking alien men come to ravage my womb and fill me with their seed. Wicked delights and out of this world pleasure await as I become a starship surrogate for an alien race. This collection includes all four surrogate alien encounters including: His Fertile Abduction His Fertile Encounter His Fertile Exam His Fertile Gamble Despite the plethora of research on gender and the many projects designed to improve their status in the Pacific region, women continue to be disadvantaged and marginalised in social, economic and political spheres. How are we to understand this and what does it mean for researchers, policy-makers and development practitioners? This book examines these questions, partly by looking back but also by continuing the effort to explain and understand gender inequities in the Pacific through reference to the concept of societies in transition. The contributors discuss emerging masculinities and femininities in the Pacific in order to chart the development of these in their contexts. Exploring how contemporary Pacific identities are shaped by local contexts and traditions, they focus on how these are remade through interaction with global ideas, images and practices, including new forms of Christianity and economic transformations. Grounded in recent, original research in both the villages and towns of Melanesia, the collection engages with the study of gender in Melanesia as well as scholarship on global modernities. "This collection is a welcome addition to the study of gender in Melanesia ... Collectively, the essays present complex, locally contextualised and regionally situated case studies of gender transformation occurring alongside, in many instances, the re-codification of hegemonic gendered norms and practices. Gender is not understood as simply code for women in this volume rather, the majority of chapters incorporate men and masculinities in their analysis of gender relations and dynamics. A highlight of the collection is the attention paid to how "the politics of tradition" (and of

modernity) are expressed through morally loaded concepts of the "good" or "bad" woman or man and vice versa.' — Kalissa Alexeyeff, University of Melbourne

Nine complete gender swap erotica novels that include: The Incredible Shrinking Manhood From Restaurateur to Waitress The Hot Girl in the Men's Room From Head Coach to Head Cheerleader I've Become My Farm Girl Fantasy My Wife Changed Me Into a Pinup Girl Too I've Become My Schoolgirl Fantasy Too I've Become My Asian Girl Fantasy Too Sisters in Arms Best-selling erotica and romance author Angelica Siren is back with a brand new collection of three of her favorite stories of gender transformation and big surprises. This collection is all about exploring where men stop and women begin - and the fun you can have when that line is crossed! In *The Blood of a Woman*, dark shadows are gathering around one unlucky man. There are things that go bump in the night and some of them have fangs. Blood is on the menu for a brand new woman with a dark appetite. Will she embrace her new life as a sexy seductress of the night? You'll just have to find out! *Hammered and Nailed* introduces a man whose luck has all but run out. He's been given a once in a lifetime opportunity to turn things around - but it means giving up on being a man! There's hard work to be done and just one woman for the job. Finally, in *Perfect Date Gender Swap*, you'll meet a couple who are looking for a new twist on their relationship. Role reversal is the name of the game in this steamy tale of new experiences and unexpected delights. Includes the following themes: Gender Swap, Gender Transformation, Feminization, Gender Bender, Vampire, Vampires, Bundle, Transgender, Gay, Bisexual, Paranormal Does this virus also increase "physical" desire? My involuntary transformation into a young, attractive woman was already the fulfillment of my fears. But when I learned how to administer the medicine, I had to completely fall into the role of a woman - or be trapped in a woman's body forever. This is the exciting story that I experienced during this process. So much can be revealed: It is not suitable for young people under the age of 18. It's an erotic male to female body swap story. While staying the weekend with his sister and her roommate, Samantha, Matthew unsuspectingly consumes a

gender bending energy drink that transforms him into a woman. When his sister and Samantha leave for work, Matthew, in denial about being stuck as a woman, is all alone in their apartment. Or, is he? Jared, Samantha's boyfriend, makes his appearance and is convinced that Matthew is a real woman despite him being in denial about it. Once this hard-body stud puts the moves on him, Matthew finds out just how much of a sexual and fertile woman he really is. This is a first time pregnancy, male to female gender swap story that entails submission to an alpha male and a reason to be naughty while in a female body.

**Agricultural Development: New Perspectives in a Changing World** is the first comprehensive exploration of key emerging issues facing developing-country agriculture today, from rapid urbanization to rural transformation to climate change. In this four-part volume, top experts offer the latest research in the field of agricultural development. Using new lenses to examine today's biggest challenges, contributors address topics such as nutrition and health, gender and household decision-making, agrifood value chains, natural resource management, and political economy. The book also covers most developing regions, providing a critical global perspective at a time when many pressing challenges extend beyond national borders. Tying all this together, **Agricultural Development** explores policy options and strategies for developing sustainable agriculture and reducing food insecurity and malnutrition. The changing global landscape combined with new and better data, technologies, and understanding means that agriculture can and must contribute to a wider range of development outcomes than ever before, including reducing poverty, ensuring adequate nutrition, creating strong food value chains, improving environmental sustainability, and promoting gender equity and equality. **Agricultural Development: New Perspectives in a Changing World**, with its unprecedented breadth and scope, will be an indispensable resource for the next generation of policymakers, researchers, and students dedicated to improving agriculture for global wellbeing. Step right up for the Hottest Show on Earth! Book 1: A young man runs afoul of a carnival fortune teller and winds up in the body

of a young woman. She ventures back into the seedy world of the carnival and discovers the sexy secret of her curse. Book 2: Alice confronts her new life as a carnival performer and the lengths she is willing to go to to protect her secret identity. Book 3: Alice discovers a huge secret about one of her fellow performers and discovers her passion for the love of other women. In this series you'll find gender transformation, feminization and all the dirty, nasty sex you're after. All characters depicted are at least 18 years of age and are completely fictional, no matter how hard you wish. The coronavirus pandemic has upended local, national, and global food systems, and put the Sustainable Development Goals further out of reach. But lessons from the world's response to the pandemic can help address future shocks and contribute to food system change. In the 2021 Global Food Policy Report, IFPRI researchers and other food policy experts explore the impacts of the pandemic and government policy responses, particularly for the poor and disadvantaged, and consider what this means for transforming our food systems to be healthy, resilient, efficient, sustainable, and inclusive. Chapters in the report look at balancing health and economic policies, promoting healthy diets and nutrition, strengthening social protection policies and inclusion, integrating natural resource protection into food sector policies, and enhancing the contribution of the private sector. Regional sections look at the diverse experiences around the world, and a special section on finance looks at innovative ways of funding food system transformation. Critical questions addressed include: - Who felt the greatest impact from falling incomes and food system disruptions caused by the pandemic? - How can countries find an effective balance among health, economic, and social policies in the face of crisis? - How did lockdowns affect diet quality and quantity in rural and urban areas? - Do national social protection systems such as cash transfers have the capacity to protect poor and vulnerable groups in a global crisis? - Can better integration of agricultural and ecosystem policies help prevent the next pandemic? - How did companies accelerate ongoing trends in digitalization and integration

to keep food supply chains moving? - What different challenges did the pandemic spark in Asia, Africa, and Latin America and how did these regions respond? Through a collection of essays by leading scholars on women's history and gender history, *Gender and Change: Agency, Chronology and Periodisation* questions conventional chronologies while reassessing the relationship between gender, agency, continuity and change. Celebrates 20 years of the publication of the journal *Gender & History* Reflects the extent to which gender analysis suggests alternatives to conventional periodisation. For example, whether the European Renaissance can be classified as the same period of great cultural advance when viewed from the perspective of women Offers innovative historiographical and theoretical reflection on approaches to gender, agency, and change Get your dirty stories RIGHT NOW! Plus several micro shorts Editors' Foreword The fundamental changes currently taking place in the national and international science landscapes can no longer be overlooked. Within those changes, reforms do not go 'as planned' but, as is always the case with processes of rationali- tion, have a series of unintended effects. At the same time it becomes incre- ingly clear who in this process are the winners and who are the losers, although this is still subject to fluctuation and change. This can be illustrated by two - amples from current events: Where the range of taught courses is concerned, as part of the Bologna Process the new structuring of student study paths and their organisation is aimed at unifying the European area of science to ensure a study that is equally permissive and efficient. However, it is to be deplored that the mobility of s- dents has become more restricted because of an increasing specialisation in the available study paths. Also, bachelor degrees do not meet with the anticipated high response from the labour market in all countries, so that the master's degree is becoming more or less a 'must', while at the same time the number of study places on master's courses is limited.

Instead of the intended reduction in the duration of study time in comparison to the previous German 'Magister' and 'Diplom', rather a prolongation in the duration of studies has been recorded. When Ben invites his best friend Jesse for a week-long getaway to his family's beachside vacation home, Jesse is thrilled! It'll be the perfect way to spend some quality bro time together, away from jobs, chores, and Ben's nagging mother who is always asking him when he's going to find a nice girl and settle down. He'll settle down later--when he finds the perfect girl. The boys settle in for a fun week, but things start to get weird when Jesse finds an old mirror that begins to change him in small ways. Longer hair. Softer skin. More curves. The more he changes, the more he starts to look like a girl... like Ben's perfect girl. And the more he looks like Ben's perfect girl, the harder it is for Ben to resist his confusing, newfound attraction to his friend. Can Jesse figure out a way to reverse the spell and resist Ben's advances before he's changed all the way into a woman? Or will he give in to his own, increasingly confusing feelings about Ben? Being stuck as Ben's perfect dream girl for the rest of his life would be awful... wouldn't it? What would you do if you woke up in the body of a mature woman? Freak out, of course, but after that ... then what? Find out how the guys in these bundles handle it when they're thrust into the bodies of the milfs they crave. Contains books 1 to 4 of the 'Milf Swap' series : 'Chris Becomes Miss,' 'Reflection of Sin,' 'Milf For A Night,' and 'The Female Form.' (body swap, gender swap, sex, erotica, bdsm, male to female, mtf, m2f, transformation, trans, bundle, collection, series, anthology) **NEW YORK TIMES BESTSELLER** • The inspiring true story of transgender actor and activist Nicole Maines, whose identical twin brother, Jonas, and ordinary American family join her on an extraordinary journey to understand, nurture, and celebrate the uniqueness in us all. Nicole appears as TV's first transgender superhero on CW's Supergirl When Wayne and Kelly Maines adopted identical twin boys, they thought their lives were complete. But by the time Jonas and Wyatt were toddlers, confusion over Wyatt's insistence that he was female began to tear the family apart. In the years that followed, the Maineses came to question their long-held views

on gender and identity, to accept Wyatt's transition to Nicole, and to undergo a wrenching transformation of their own, the effects of which would reverberate through their entire community. Pulitzer Prize-winning journalist Amy Ellis Nutt spent almost four years reporting this story and tells it with unflinching honesty, intimacy, and empathy. In her hands, *Becoming Nicole* is more than an account of a courageous girl and her extraordinary family. It's a powerful portrait of a slowly but surely changing nation, and one that will inspire all of us to see the world with a little more humanity and understanding. Named One of the Ten Best Books of the Year by People • One of the Best Books of the Year by The New York Times Book Review and Men's Journal • A Stonewall Honor Book in Nonfiction • Finalist for the Lambda Literary Award for Transgender Nonfiction "Fascinating and enlightening."—Cheryl Strayed "If you aren't moved by *Becoming Nicole*, I'd suggest there's a lump of dark matter where your heart should be."—The New York Times "Exceptional . . . 'Stories move the walls that need to be moved,' Nicole told her father last year. In telling Nicole's story and those of her brother and parents luminously, and with great compassion and intelligence, that is exactly what Amy Ellis Nutt has done here."—The Washington Post "A profoundly moving true story about one remarkable family's evolution."—People "Becoming Nicole is a miracle. It's the story of a family struggling with—and embracing—a transgender child. But more than that, it's about accepting one another, and ourselves, in all our messy, contradictory glory."—Jennifer Finney Boylan, former co-chair of GLAAD and author of *She's Not There: A Life in Two Genders* A deluxe hardcover edition of the queen of science fiction's trailblazing novel about a planet full of genderless beings—part of Penguin Galaxy, a collectible series of six sci-fi/fantasy classics, featuring a series introduction by Neil Gaiman Winner of the AIGA + Design Observer 50 Books | 50 Covers competition A groundbreaking work of science fiction, *The Left Hand of Darkness* tells the story of a lone human emissary's mission to Winter, an unknown alien world whose inhabitants can choose—and change—their gender. His goal is to facilitate Winter's inclusion in a growing intergalactic

civilization. But to do so he must bridge the gulf between his own views and those of the completely dissimilar culture that he encounters. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. Carl is shocked to wake up in a new body, about to learn some lessons and gain a whole new perspective on his relationship with his girlfriend. Dane finds the job of his dreams, but discovers that to achieve the success he desperately wants there is a catch that wasn't mentioned in the interview. Cherry is about to shake off her small-town upbringing and see what the big city has to offer, debuting a new name and a new look. Three different gender swap novellas, together in one bundle! Featuring three of Claudia's best-selling gender swap releases, plus a bonus epilogue to *Switching Perspective* which is only available in this collection, *The Red Dress*

includes *Switching Perspective*, *References on Request*, and *Cherry Pie*. *Switching Perspective* Carl has had the week from hell, and when a weird old lady tries to talk to him at the bus stop on a Friday night it is the last straw. Maybe he is a little rude to her, but so what? She seems nuts anyway, fingers covered in silver rings in bizarre shapes, and hair skewered with a wicked looking pin. "You wouldn't last one day as a lady, you mark my words" she says ominously. All he wants is a quiet weekend to relax, but the first thing he hears when he wakes up the next morning is his girlfriend demanding to know who the hell he is, and what he's done with her boyfriend. "Abby? I'm your boyfriend. Remember? Do you remember?" "How can you be my boyfriend when you're a woman" demanded Abby, her voice frosty now. Carl still had no idea what was going on. "A... woman?" He noticed for the first time that his own voice was different. It was higher. Glancing down at his hands again he realized what exactly was different about them - they looked more delicate. They looked more feminine. Now Carla is about to embark on a weekend of figuring out how to handle her new body, and after the initial bumpy landing her girlfriend Abby is only too happy to join her in that project. But when the weekend ends, will she change back? And does she even want to? *References on Request* Dane is broke. He has a crappy job at a bar, an apartment which he shares with three housemates who never do the dishes, and no car. On his long walk home from work he spots a flier in the window of an expensive looking house, which he thinks might be his ticket to a better life. "PA desperately required. Generous remuneration. Please deliver CV to front door." Maybe his luck is about to change. He has never been a PA before, but how hard could it be? When he goes to apply for the job a beautiful blonde - Shelly - answers the door. She looks young, and Dane still isn't exactly sure what she sells, but whatever it is, she's good at it - this house looks amazing, and she is clearly not hurting for cash. To his surprise, she offers him the job. He gets the hang of it quickly, although exactly what all her clients are buying is still a mystery. Shelly depends on him more and more, and he gets pulled deeper into her world, eventually moving into an apartment adjoining hers ("with a pay

rise, of course" she explains. "Since you are basically on call now.") It all happens so fast he can't stop to think, and when she asks him to help her flirt with one of her clients to close a big contract he doesn't have time to pause and explain why that might not work. "Not looking like that, of course" she says, sizing him up. "I'll get you some outfits." Dane expects a suit, so he's surprised to discover he's dressing up as a beautiful, leggy brunette, 'Dana'. He and Shelly could be sisters. "Just follow my lead" she explains. Turns out he is better than good at this bit - all his years tending bar makes him a natural when it comes to flirting with clients. But Shelly keeps raising the stakes, and before long she's convincing Dane to spend more and more time as Dana to keep the job - and what's more, Dana is starting to like it. Grab your friends and get cooking in the land of Ooo with *Adventure Time: The Official Cookbook*, featuring recipes from all your favorite characters and kingdoms. In the Founders' Island Library, Finn discovered the remains of an old cookbook filled with dishes such as "lasagna" and "boiled eggs." And he was pretty sure that the cookbook had belonged to his mom at some point. Weird. But a lot of the pages had been lost to the cruel sands of time. So Finn took it upon himself to fill up the book with as many crazy delicious food ideas as he could. And since that only filled around six pages, he recruited Jake, Marceline, Princess Bubblegum, and the other citizens of Ooo to help complete the cookbook. There was pouring! There was mixing! There was a pasta-related Wizard Battle! Are you ready to feast your eyes and prepare your stomach for the most awesome, most delicious meals this side of the Candy Kingdom? Grab your friends and start cooking, Ooo-style, with *Adventure Time: The Official Cookbook*. It's Halloween! Scary costumes, carving pumpkins, trick-or-treating, and... also gender-swapping another willing victim! His name is Monty and he's so naughty that Amelia has already prepared the perfect plan to punish him. Bayden is set to make a comeback. Bigger and rougher than all the other black men in the city, he will have no pity when he breaches his vulgar little doll. He's going to do things to her she never thought possible - and yes, Monty is a 'she' now. She's a different person since the

transformation, and all she craves is her master's massive, oversized toy. As someone much younger than him, she can't wait for her hurtful first time. Continuing the Halloween Sissies series, *Sissy Breached* by BBC on Halloween is a first-time feminization, sissification, crossdressing, and gender-swapping story. If that's what you're looking for, then take a peek. This is the fourth entry in the series. You can read it on its own or all the books for a richer experience. Characters are consenting adults. 8 books, and over 120,000 words! Individually, these would cost over \$60 in paperbacks, and \$23 in Kindle versions.
