Battleground Pacific Nov 12 2022 A rifleman's account of his experiences in the fabled 1st Marine Division in the Pacific War, describing the brush with the law that led to his enlistment and the harsh lessons he learned about bravery, death, and survival.

When the Tempest Gathers Aug 21 2023 A US marine and Special Ops Commander recounts his combat experiences through Iraq and beyond in this “powerful and beautifully written memoir” (The Washington Times). These are the combat experiences of the first Marine to command a special operations task force. Andrew Milburn takes readers on his journey from Second Lieutenant to Colonel and Task Force Commander; from leading Marines through the streets of Mogadishu, Baghdad, Fallujah and Mosul to directing multi-national special operations forces in the fight against ISIS. Through it all, he shares the hard-won lessons he learned, and shows how he put them to use in a complex fight against a formidable foe. Very few

personal accounts of war cover such a wide breadth of experience. Milburn tells his extraordinary story with humility and candor, describing his personal struggles with the isolation of command, post-combat trauma and family tragedy. And with the skill and insight of a natural storyteller, he makes the reader experience what it's like to lead those who fight America's wars. "Simply the finest war memoir to emerge from the last two decades of constant fighting." —New York Times bestselling author Bing West

Level Zero Heroes May 18 2023 A New York Times Best seller! In Level Zero Heroes, Michael Golembesky follows the members of U.S. Marine Special Operations Team 8222 on their assignment to the remote and isolated Taliban stronghold known as Bala Murghab as they conduct special operations in an effort to break the Taliban's grip on the Valley. What started out as a routine mission changed when two 82nd Airborne Paratroopers tragically drowned in the Bala Murghab River while trying to retrieve vital supplies from an air drop that had gone terribly wrong. In this one moment, the focus and purpose of the friendly forces at Forward Operating Base Todd, where Team 8222 was assigned, was forever altered as a massive clearing operation was initiated to break the Taliban's stranglehold on the valley and recover

the bodies. From close-quarters firefights in Afghan villages to capturing key-terrain from the Taliban in the unforgiving Afghan winter, this intense and personal story depicts the brave actions and sacrifices of MSOT 8222. Readers will understand the hopelessness of being pinned down under a hail of enemy gunfire and the quake of the earth as a 2000 lb. guided bomb levels a fortified Taliban fighting position. A powerful and moving story of Marine Operators doing what they do best, Level Zero Heroes brings to life the mission of these selected few that fought side-by-side in Afghanistan, in a narrative as action-packed and emotional as anything to emerge from the Special Operations community contribution to the Afghan War.

My Life and Lens Jun 07 2022 Journalists possess critical responsibilities one is simply to inform, another is to explain. As a military photojournalist during the Vietnam Era, Bob Bowen has captured visually with his camera and explained eloquently with his written words, the horrors and the honorable service of that period. In his new book My Life and Lens, Bowen articulates not only high action combat but the artful subtleties and tactics of warfare. He writes so well that the reader is pulled into the stories as if there in person. It is one thing to provide facts to Americas cumulative history; its another

to display the facts through personal experiences. One will learn through reading this memoir that the life of a journalist in a war zone could be short-lived. It is dangerous work; but when successful, the work informs. This is what makes Bowens book such a compelling read. This memoir is an excellent pictorial and literary contribution not only to our nations history but in the recognition of those who honorably participated in that unpopular conflict. Respect is demonstrated to the families of the brave American heroes of this long-ago era by Bob Bowens memorializing them in his book. - Worth Earlwood Norman, Jr., retired account executive, EDS Corporation; author of two biographies James Solomon Russell: Former Slave, Pioneer Educator, and Episcopal Evangelist (McFarland Publishing, 2012), William Jelks Cabaniss, Jr., Crossing Lines in His Business, Political and Diplomatic Life (Archdeacon Books, 2014) and one memoir, Six Bits: USMC 1962-1963 (My Years in USMC Bands 1962-1966) (Kindle eBook) I predict this is a great book by Bob Bowen who is writing about his own life during the Vietnam War. Bob is an expert photographer and was a war correspondent and a fine writer. This job was dangerous. This book could really take off and be a great success. I recommend it to anyone interested in the Vietnam War. The war was a

harrowing experience for the men involved, and they have never been given proper credit for their bravery. - Don Gilmore, author, Eyewitness Vietnam The images you captured of our Marines in Vietnam are unequaled. Your book will be a smash hit! - Franklin Cox, author, Lullabies for Lieutenants My friend Bob Bowen has been a member of The American Legion for more than four decades, during which time he has been totally devoted to our country, our veterans, and their families. This memoir details his insights not only into war and coming home, but also into the people who are Americans. His life is proof that when most veterans take off their uniforms, they don't quit their service to the nation. My Life and Lens is the inspiring story of how one Marine is still serving America. - Daniel S. Wheeler, National Adjutant, The American Legion

Stephen Colbert's Midnight Confessions Aug 09 2022 Forgive him, Father, for Stephen Colbert has sinned. He knew it was wrong at the time. But he went ahead and did it anyway. Now he's begging for forgiveness. Based on his popular segment from The Late Show, Stephen Colbert and his team of writers now reveal his most shameful secrets to millions (although, actually, he'd like you not to tell anyone). Midnight Confessions is an illustrated collection of Stephen Colbert at his most brilliant and irreverent.

Demagogue Jan 14 2023 The definitive biography of the most dangerous demagogue in American history, based on first-ever review of his personal and professional papers, medical and military records, and recently unsealed transcripts of his closed-door Congressional hearings In the long history of American demagogues, from Huey Long to Donald Trump, never has one man caused so much damage in such a short time as Senator Joseph McCarthy.

We still use "McCarthyism" to stand for outrageous charges of guilt by association, a weapon of polarizing slander. From 1950 to 1954, McCarthy destroyed many careers and even entire lives, whipping the nation into a frenzy of paranoia, accusation, loyalty oaths, and terror. When the public finally turned on him, he came crashing down, dying of alcoholism in 1957. Only now, through bestselling author Larry Tye's exclusive look at the senator's records, can the full story be told. Demagogue is a masterful portrait of a human being capable of immense evil, yet beguiling charm. McCarthy was a tireless worker and a genuine war hero. His ambitions knew few limits. Neither did his socializing, his drinking, nor his gambling. When he finally made it to the Senate, he flailed around in search of an agenda and angered many with his sharp elbows and lack of integrity. Finally, after three years, he hit upon anti-communism. By recklessly charging treason against everyone from George Marshall to much of the State Department, he became the most influential and controversial man in America. His chaotic, meteoric rise is a gripping and terrifying object lesson for us all. Yet his equally sudden fall from fame offers reason for hope that, given the rope, most American demagogues eventually hang themselves.

Grunt Slang in Vietnam Feb 15 2023 A look at how combat, culture, and military tradition influenced soldiers' language in Vietnam from the award-winning, USA Today-bestselling author. The slang, or unique vocabulary, of the soldiers and marines serving in Vietnam, was a mishmash of words and phrases whose origins reached back to the Korean War, World War II, and even earlier. Additionally, it was influenced by the United States' rapidly changing protest culture, ideological and poetical doctrine, ethical and cultural conflicts, racialism, and drug culture. This "slanguage" was rendered even more complex by the Pidgin Vietnamese-English spoken by Americans and Vietnamese alike. But perhaps most importantly, it reflected the soldiers' actual daily lives, played out in the jungles, swamps, and hills of Vietnam.

I Never Metaphor I Didn't Like Jul 08 2022 The murals in restaurants are on a par with the food in museums. America is an enormous frosted cupcake in the middle of millions of starving people. Critics are like pigs at the pastry cart. Describing something by relating it to another thing is the essence of metaphorical thought. It is one of the oldest activities of humankind—and one of the most impressive when done skillfully. Throughout history, many masters of metaphor have crafted observations that are so spectacular they have taken up a permanent residence in our minds. In I Never Metaphor I Didn't Like, quotation maven Dr. Mardy Grothe fixes his attention on the three superstars of figurative language—analogy, metaphors, and

similes. The result is an extraordinary compilation of nearly 2,000 feats of association that will entertain, educate, and occasionally inspire quotation lovers everywhere. In this intellectual smorgasbord, the author of Oxymoronica and Viva la Repartee explains figurative language in a refreshingly down-to-earth way before taking readers on a tour of history's greatest word pictures. In chapters on wit, love, sex, stage and screen, insults, politics, sports, and more, you will find quotations from Aristotle and Maya Angelou to George Washington and Oprah Winfrey.
