The Guns of John Moses Browning May 23 2023 A “well-researched and very readable new biography” (The Wall Street Journal) of “the Thomas Edison of guns,” a visionary inventor who designed the modern handgun and whose awe-inspiring array of firearms helped ensure victory in numerous American wars and holds a crucial place in world history. Few people are aware that John Moses Browning—a tall, humble, cerebral man born in 1855 and raised as a Mormon in the American West—was the mind behind many of the world-changing firearms that dominated more than a century of conflict. He invented the design used in virtually all modern pistols, created the most popular hunting rifles and shotguns, and conceived the machine guns that proved decisive not just in World Wars I and II but nearly every major military action since. Yet few in America knew his name until he was into his sixties. Now, author Nathan Gorenstein brings firearms inventor John Moses Browning to vivid life in this riveting and revealing biography. Embodying the tradition of self-made, self-educated geniuses (like Lincoln and Edison), Browning was able to think in three dimensions (he never used blueprints) and his gifted mind produced everything from the famous Winchester “30-30” hunting rifle to the awesomely effective machine guns used by every American aircraft and infantry unit in World War II. The British credited Browning’s guns with helping to win the Battle of Britain. His inventions illustrate both the good and bad of weapons. Sweeping, lively, and brilliantly told, this fascinating book that “gun collectors and historians of armaments will cherish” (Kirkus Reviews) introduces a little-known legend whose impact on history ranks with that of the Wright Brothers, Thomas Edison, and Henry Ford.

Defensive Revolver Fundamentals, 2nd Edition Aug 26 2023 Everything you need to know about using a revolver for self-defense. In this new and thoroughly updated guide to self defense with the original defensive firearm, the revolver, Grant Cunningham covers every aspect of owning and shooting the venerable wheelgun. While sleek semi-auto pistols get the majority of coverage in firearms publications these days, the traditional, easy-to-use and always-reliable revolver is more

popular than ever among new gun owners and experienced shooters alike. *Defensive Revolver Fundamentals*, 2nd Edition, covers valuable topics that apply to all defensive firearms as well those unique to revolvers. The author makes the case for why the revolver holds some advantages over other types of firearms, and then delves into the considerations that go with concealed carry of revolvers. Training for real-world self-defense situations, reloading under stress, and shooting drills to improve confidence and accuracy provide are just a few of the topics that help revolver shooters with their proficiency. This is more than a "gun hardware" book. Cunningham also addresses the realities of the mental aspects of being prepared for a defensive encounter. Understanding how one's body naturally reacts to a surprise attack, along with new information on avoiding decisional mistakes are invaluable for citizens who carry concealed.

Unlikely Partners - Large Print Edition Feb 25 2021 "The best manuscript I have seen in ages..... wonderfully written" Christine Tangvald, best selling author of *Someone I Love Died* and over 80 other books. Also available for \$9.95 in regular print paperback, see *Other Formats* Texas 1880: When Texas Ranger Colt McCutcheon picks up his final assignment it comes with a major complication. His job is to infiltrate and capture the deadly Palmer gang while baby-sitting a would-be gunslinger. Suddenly he's forced to ride on the wrong side of the law with Dru Ramsey, a beautiful, gun-toting female bent on revenge. His unwanted partner soon proves the pearl handled revolvers strapped on her hips aren't decorations -- a renegade lawman and a fast gun. When the dust settles will Colt's faith have stood the test? Will Dru trade in her guns? Is there a future for this unlikely pair? What Readers Are Saying: "I fell in love with this book. After reading her first book, *"Angels in Cowboy boots"*, I wanted to read more. She is so gifted in story telling and keeps you wanting more...and each story gives you a sense of goodness, but not the sappy kind that makes you think that we live in a sugar sweet world.....she is factual for a fiction writer. There is always a lesson, a real life lesson, to be learned in her stories...She can make you hurt from laughing and go thru a box of kleenex from the heartache and despair...But throughout all of this, you learn and feel the hope and peace that God brings into these characters lives, just like in our non-fiction world..." "If I could give this one 6 stars I would! This is the best novel from SQ so far. There are so many surprises in this book that keep you turning the pages. You think you have it figured out and then another twist keeps you in suspense. I don't want to say too much and spoil your fun. Don't miss this one--I'm giving it to all my friends."

Firearms and Violence: Oxford Bibliographies Online Research Guide Aug 14 2022 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters, and journal articles to online

archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover, for instance, the most reliable introductions and overviews to the topic, and the most important publications on various areas of scholarly interest within this topic. In criminology, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online: Criminology, a dynamic, continuously updated, online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit www.aboutobo.com.

More Guns, Less Crime Nov 17 2022 Challenging conventional wisdom, legal scholar John Lott presents a timely and provocative work in which he comes to a startling conclusion: more guns mean less crime. Relying on the FBI's massive yearly crime figures over 18 years, "More Guns, Less Crime" should be required reading for anyone interested in the critical debate over gun control. Illustrations.

The Tower of Endless Worlds May 11 2022 Give me a hundred guns, and I will conquer my world. THOMAS WYCLIFFE just wants to finish his dissertation in peace and quiet. So when a man in a black robe appears in his closet, claiming to be the last of the Warlocks, Wycliffe figures it is a bad joke. But he soon realises the last of the Warlocks can give him power beyond imagining. And all it will cost is his soul. SIMON WESTER needs a job. Badly. So when a rich and powerful Senator offers him employment, he jumps at the chance. Sure, Simon expects to find some corruption, some shady deals. He doesn't expect to find black magic. LIAM MASTERE is a Knight of the Sacred Blade, defender of the mortal races. But can swords stand against guns? As bullets and bombs destroy his kingdom, Liam must risk everything to save his homeland's one chance of salvation. By daring the horrors of the TOWER OF ENDLESS WORLDS... Available for free in ebook format.

New Histories of Gun Rights and Regulation Apr 29 2021 The US Supreme Court recently held that the constitutionality of modern gun laws depends on whether they are "consistent with this Nation's historical tradition of firearm regulation." This landmark judicial decision, which cited an essay in this collection, made it ever more crucial to be clear about what the "historical tradition" entails. The scope of the Second Amendment's right to keep and bear arms, and accordingly the

government's power to regulate firearms in the interest of public safety, hangs in the balance. Drawing on original research and sources not available to earlier Supreme Court opinions, *New Histories of Gun Rights and Regulations* brings together various methodological approaches and highlights issues in firearms law that have been previously underexamined. Its contributors, including distinguished historians, social scientists, and legal scholars, offer valuable new insight into the place of guns in American law and society. This groundbreaking new volume illuminates how history and constitutional law interact, suggesting concrete answers to some live legal controversies. A vital contribution to a vibrant debate, *New Histories of Gun Rights and Regulations* is an essential read for anyone seeking to understand the scope of the Second Amendment--a right whose breadth is frequently defined by its historical treatment.

The Science of Gun Policy Nov 05 2021 In this report, part of the RAND Corporation's Gun Policy in America initiative, researchers seek objective information about what the scientific literature reveals about the likely effects of various gun laws. In this second edition of an earlier work, the authors add five gun policies to the 13 examined in the original analysis and expand the study time frame to incorporate a larger body of research. With those adjustments, the authors synthesize the available scientific data on the effects of 18 policies on firearm deaths, violent crime, the gun industry, defensive gun use, and other outcomes. By highlighting where scientific evidence is accumulating, the authors hope to build consensus around a shared set of facts that have been established through a transparent, nonpartisan, and impartial review process. In so doing, they also illuminate areas where more and better information could make important contributions to establishing fair and effective gun policies.

Lawyer's Desk Book, 2nd Edition Sep 22 2020 *Lawyer's Desk Book* is an extraordinary guide that you can't afford to be without. Used by over 150,000 attorneys and legal professionals, this must-have reference supplies you with instant, authoritative legal answers, without exorbitant research fees. Quick answers to your legal questions, without having to search stacks of material, or wade through pages of verbiage. Key citations of crucial court cases, rulings, references, code sections, and more. More than 1500 pages of concise, practical, insightful information. No fluff, no filler. Just the facts you need to know. The *Lawyer's Desk Book, Second Edition* incorporates recent court decisions, legislation, and administrative rulings. Federal statutes and revised sentencing guides covered in this edition reflect a growing interest in preventing terrorism, punishing terror-related crimes, and

promoting greater uniformity of sentencing. There is also new material on intellectual property law, on legislation stemming from corporate scandals, such as the Sarbanes- Oxley Act, and on legislation to cut individual and corporate tax rates, such as the Jobs and Growth Tax Relief Reconciliation Act. Chapters are in sections on areas including business planning and litigation, contract and property law, and law office issues. Previous Edition: Lawyer's Desk Book, 2018 Edition, ISBN 9781454885153;

Hands Off My Gun May 19 2020 Respected conservative talk show host, blogger and TV commentator Dana Loesch gives her views on the history and intent of the Second Amendment and discusses what she believes gun confiscation would mean to Americans' basic rights as citizens. How many people in America today are truly well-versed in the history of the Second Amendment, and why it was included in the Bill of Rights? In **HANDS OFF MY GUN**, Dana Loesch explains why the Founding Fathers included the right to bear arms in the Bill of Rights, and argues that "gun control" regulations throughout history have been used to keep minority populations under control. She also contends that current arguments in favor of gun control are primarily based on emotions and fear. This narrative is a must-read for every Second Amendment supporter. Dana Loesch is a determined and fierce advocate for those rights and shouts out: hands off my gun!

[Stop the Killing](#) Aug 22 2020 **Stop the Killing** offers insight into what we can do to end the active shooter crisis plaguing America. The book is packed with training and sensible advice that takes readers through the latest research and best practices, making it a must read for every security-minded citizen and professional.

Long-Range Precision Rifle, Expanded Edition Jun 24 2023 In his original version of *Long-Range Precision Rifle*, U.S. Army sniper and avid precision rifle and long-range rifle shooter, competitor, and enthusiast Anthony Cirincione II put extreme accuracy with a precision rifle within the reach of any shooter. His instruction was based on 26 months of combat deployments in Iraq and Afghanistan and his training of squad-designated marksmen for his battalion. His precision-shooting book proved to be an instant best-seller. In this expanded edition, Cirincione adds five new sections: "External Ballistic Truing." Although he briefly detailed the process of external ballistic truing in the first edition, given the level of importance to midrange and long-range target engagement, he believes that the process of truing deserves a detailed description. "Determining Fast and Correct Windage Adjustments or Holds." Cirincione covered the creation of a custom windage card for specific guns and pet loads in the first edition, but this added windage section shares his current process. The old way works fine, but his new method is faster and more precise, and doesn't require you to look at a card. As always, the process can be applied to any caliber you are using. "Midrange and Long-Range Target Engagement: Magneto Speed V3 Ballistic

Chronograph vs. External Ballistic Truing." This section features a report Cirincione sent to the U.S. Army Sniper School outlining the testing of a barrel-mounted chronograph. The test pitted the device against his current method of external ballistic truing, given target engagements from 100 to 1,000 yards. It gives you a couple of different options to get on target at extended range. "How to Build a Switch-Barrel Rifle, and the Process of Swapping Barrels." As Cirincione has moved away from factory bolt-action rifles and into custom-built guns, he thought readers would appreciate information on how to build one. Not only that, but he also includes specific information on how to remove and add barrels of different calibers to that same stock and action. "Suppressed Subsonic Shooting." This section is about precision shot placement with subsonic ammo out to 400 yards. Long-Range Precision Rifle: Expanded Edition lays out the most up-to-date methods for getting the most out of whatever rifle you are using. After discussing rifle, ammunition and optic selection, Cirincione reveals his tried-and-true methods of gathering and recording data. He takes you step-by-step through the process of discovering how to make your rifle perform at its peak with every shot. You will also learn how to adjust for environmental factors and obstructions that lie between you and your target, and discover why handloading and building your own precision cartridges is an extra step well worth taking. "Anthony Cirincione was an amazing teacher while helping me get ready for sniper school. His knowledge and meticulous rifle setup techniques were instrumental to my success. udents and further help the sniper community."

Domestic Gun Control and International Small Arms Control in Africa Mar 29 2021 This book, based on field research in the West African country of The Gambia, explores how domestic gun control is shaped by international efforts and how local actors interact with international organizations or opt not to do so. The book also shows how the question of who can have what kind of gun under what circumstances is an intrinsic question to modern societies across the world, but it is seldom one that is addressed in sub-Saharan Africa except in cases of post-conflict countries. Small arms control and gun control are often treated as separate efforts, with the former the domain of international actors such as the United Nations and the latter being of concern to the domestic politics of countries such as the United States. By focusing on a country that has never seen the outbreak of a civil war, the book is able to disentangle the complex roots of gun control in Africa, its origins in colonial era legislation, its reverberations across social life, and how it shapes contemporary understandings of groups ranging for security guards to hunters.

The 30 Day Writing Workout for Fiction Authors Jan 19 2023 Do you struggle with ideas for writing a blogs? We authors can spend all day, every day creating worlds and making amazing prose, but when it comes to communicating with our

readers, we freeze up faster than SubZero's freeze ray gun or whatever fictional equivalent suits your genre. I've developed a method to help us write 30 blogs in 30 days using my 12 Minutes A Day method. The most untapped resource to announce that we have a book is our own website and the blog we can create! I break the excuse that you don't have time to write it. PLUS, I give you the ideas to kickstart your process. After 30 days, you'll have 30 blog posts you can trickle out on your website as often as you'd like. The heavy lifting is already done for you!

The Art of the Gun Sep 15 2022 Art of the Gun: Magnificent Colts Selections from the Robert M. Lee Collection Magnificent Colts, the first in the five mega-volume The Art of the Gun series, celebrates the 175th anniversary of the founding of the Colt Company, by Samuel Colt, the first industrial tycoon. No object in history can rival the best quality gun in its multiple status as symbol of freedom, captivating mechanical marvel, tool of history, favorite for presentation, treasured equipment of sport, and masterful object of decorative art. Over several decades, Robert M. Lee has collected these treasures, including major examples of Colt production. The Art of the Gun celebrates these masterpieces in words and pictures all of them in glowing color, with most of the arms in actual size.

Academic Writing Now: A Brief Guide for Busy Students – Second Edition Nov 24 2020 Academic Writing Now: A Brief Guide for Busy Students is a rhetoric designed to cover the basics of a college writing course in a concise, student-friendly format. Anything inessential to the business of college writing has been excluded. Each chapter concentrates on a crucial element of composing an academic essay and is capable of being read in a single sitting. The book is loaded with “timesaver tips,” ideas for making the most of the student’s time, along with occasional warnings to avoid common errors made by student writers. Each short chapter concludes with questions and suggestions designed to trigger class discussion. The second edition has been updated throughout, with special attention to making the book even better suited to accelerated and co-requisite composition courses.

Total Gun Manual (Field & Stream) Feb 08 2022 Shares insider hints, stories from the range and field, and hands-on guidance for the first-time gun owner and the seasoned veteran alike, offering advice on choosing the right gun, increasing shot accuracy, and staying safe.

Raising Red Flags Dec 26 2020 This report examines the significant range of arms and munitions carried and employed throughout the conflict by armed individuals on all sides. It also examines, somewhat less extensively, the range of armoured vehicles and aircraft observed in the conflict. This report examines over 100 distinct weapons systems, over 60 different types of munitions, and over 70 different models of armoured fighting vehicles, as well as miscellaneous associated

materiel, in the context of the ongoing conflict in Ukraine. Particular attention is paid to items which may indicate flows of arms and munitions into and within the affected areas of Ukraine. Beginning with an assessment of the arms and munitions employed during the initial unrest in Kiev, in February 2012, the report documents relevant materiel up until the time of publication

Gun Digest 2023, 77th Edition: the World's Greatest Gun Book! Jul 01 2021 THE 77TH EDITION OF THE WORLD'S GREATEST GUN BOOK! From starting a new business to becoming a multi millionaire in a matter of weeks, this is the story of a man so focused on success, not even death can stop him.

California Gun Laws Feb 20 2023 THIS IS THE MOST CURRENT EDITION OF THE BOOK. California Gun Laws: A Guide to State and Federal Firearm Regulations (2023 10th Edition) is said to be the bible and definitive source for information on the subject of gun laws in California. This tremendous resource is jam-packed with thousands of hours of legal research, all of which has been transcribed into a format that is easy to read and comprehend. Chock-full of legal and practical insights drawn from decades of experience, this book is a must-have for any California gun owner. The 2023 10th Edition will answer all of your questions regarding current state and federal firearm laws, including who can legally possess

a firearm, where and when you can possess it, how to acquire a firearm in California, which firearms are prohibited, and how to lawfully carry a firearm in public. The 10th Edition will also cover new and important legislative and regulatory changes to state and federal firearm laws following the release of the 9th Edition.

Ghost Guns Oct 04 2021

The Gun Also Rises Apr 10 2022 A garage sale specialist gets mixed up with a book worth killing for in this cozy mystery by the author of *I Know What You Bid Last Summer*. A wealthy widow has asked Sarah Winston to sell her massive collection of mysteries through her garage sale business. While sorting through piles of books stashed in the woman's attic, Sarah is amazed to discover a case of lost Hemingway stories, stolen from a train in Paris back in 1922. How did they end up in Belle Winthrop Granville's attic in Ellington, Massachusetts, almost one hundred years later? Before Sarah can get any answers, Belle is assaulted, the case is stolen, a maid is killed, and Sarah herself is dodging bullets. And when rumors spread that Belle has a limited edition of *The Sun Also Rises* in her house, Sarah is soon mixed up with a mobster, the fanatical League of Literary Treasure Hunters, and a hard-to-read rare book dealer. With someone willing to kill for the Hemingway, Sarah has to race to catch the culprit—or the bell may toll for her . . . Praise for *The Gun Also Rises* “A roller-coaster of a mystery penned by a real pro. This series just gets better and better. More, please!” —*Suspense Magazine* “The sixth book in this thoroughly enjoyable series. Sarah is someone you'd meet and be best friends with in five minutes.” —*Kings River Life Magazine*

Gun Digest 2022, 76th Edition: The World's Greatest Gun Book! Sep 03 2021 Now in its 76th edition, *Gun Digest 2022* is the most-anticipated annual guide to all things new and exciting in the world of firearms. Informative and entertaining articles by the top writers in the field cover every aspect of guns and shooting, including hunting, personal defense, target practice, gun making and collecting. Historical articles provide a look at the role firearms have played in the United States and around the world. “The World's Greatest Gun Book” has remained true to its roots, year after year, for more than three quarters of a century. *Gun Digest* offers original, expertly written content in what is truly the most comprehensive collection of firearms information in print today.

The Blog of War Aug 02 2021 Matthew Currier Burden founded www.blackfive.net, one of the most popular military blogs on the Internet. His blog began as an homage to a friend killed on duty in Iraq and quickly became a source of information about what was really happening in Afghanistan and Iraq. In *The Blog of War* Burden presents selections from some of the best of the military blogs, the purest account of the many voices of this war. This is the first real-time history of a war, a

history written even as the war continues. It offers a glimpse into the full range of military experiences in Afghanistan and Iraq, from the decision to enlist right through to homecoming. There are powerful stories of soldiers in combat, touching reflections on helping local victims of terror and war, pulse-racing accounts of med-evac units and hospitals, and heartbreaking chronicles of spouses who must cope when a loved one has paid the ultimate price. The Blog of War provides an uncensored, intimate, and authentic version of life in the war zone. Dozens of voices come together in a wartime choir that conveys better than any second-hand account possibly can what it is like to serve on the front lines.

Blue Book of Gun Values Jun 12 2022 The "bible" of the firearms industry for accurate value information and descriptions of rifles, pistols, and shotguns. The industry standard for over 25 years!

Guns on the Internet Mar 09 2022 Gun rights and control are well-trodden subjects, with prior work supporting the right of citizens to own firearms, discussing the failure of gun control efforts, or warning about or exhorting citizen gun ownership, among other things. Although social media in their many forms have only come to dominate modern U.S. life during the past decade, there has been little academic exploration of gun owner communities on the Internet and social media. How do gun owners use social media? How do they meet other gun owners online? What do they talk about as relates to guns? With a massive and well-organized collection of support material, Guns on the Internet faces these questions with an unbiased approach that seeks a foundation for mutual understanding.

Blue Book of Gun Values Jul 13 2022 Contains accurate information and up-to-date values for modern firearms and many major trademark antiques. It provides the most firearms information and pricing, including all the new makes/models for 2021. This newest edition contains over 1,700 manufacturers and trademarks with brief histories whenever possible; nearly 30,000 individually listed and described models; and over a half-million to-date values. Insight into the world of gun collecting today and how COVID, civil unrest, and the presidential election has shaped gun sales and gun shortages.

Arming for the Apocalypse Dec 18 2022 Global economic meltdown. Widespread natural disaster. Disease pandemic. It doesn't matter the cause. In the coming Dark Age, the delicate supply infrastructures of modern society will collapse, and you will no longer have access to groceries, gasoline . . . or guns. The time to assemble your arsenal is now, says author Jim Ballou, and here he guides you through the many crucial factors you must consider when selecting firearms for a post-apocalyptic future. Some of the topics he covers include: What are the five basic questions you must ask yourself when selecting any handgun, rifle, or shotgun for the apocalypse? How can you squeeze surprisingly useful, life-saving service from older or low-value firearms? What vital support gear must you have when you are forced to become your own gun

shop? Which types of ammunition will not only serve your survival needs, but also be available in quantity when ordinary sources run dry? What roles can multi-caliber guns, backup guns, and alternative weapons to conventional firearms play in your survival plans? What practical modifications can you make to your guns to make them more suitable for post-apocalypse survival? Given how critical weapons will become in an age when you may have to hunt for meat or defend yourself against numerous post-apocalyptic threats, the more you must force yourself to consider all the pertinent factors now . . . while you still can. Because when the world starts to crumble, you won't have time to select firearms—that's when you lock and load!

Open Game Table : the Anthology of Roleplaying Game Blogs Jan 07 2022 Open Game Table aims to bridge the gap between the RPG blogging community and the broader table-top gaming fan base by showcasing the best talent in the RPG blogosphere. Within these pages are 47 blog posts from 32 top-quality RPG blogs, plus a Foreword written by RPG luminary Wolfgang Baur. Packed with content and over 60 illustrations by a stable of talented new artists, this book is Pure Gold. A true grass roots effort; it is a tour de force of the RPG blogging universe. Check out the Open Game Table storefront for reviews by WIRED and Bards & Sages.

Private Guns, Public Health, New Ed. Mar 21 2023 On an average day in the United States, guns are used to kill over ninety people and wound about three hundred more; yet such facts are accepted as a natural consequence of supposedly high American rates of violence. *Private Guns, Public Health* reveals the advantages of treating gun violence as a consumer safety and public health problem—an approach that emphasizes prevention over punishment and that has successfully reduced the rates of injury and death from infectious disease, car accidents, and tobacco consumption. Hemenway fair-mindedly and authoritatively outlines a policy course that would significantly reduce gun-related injury and death, pointing us toward a solution.

Pistols and Petticoats Jun 19 2020 A lively exploration of the struggles faced by women in law enforcement and mystery fiction for the past 175 years In 1910, Alice Wells took the oath to join the all-male Los Angeles Police Department. She wore no uniform, carried no weapon, and kept her badge stuffed in her pocketbook. She wasn't the first or only policewoman, but she became the movement's most visible voice. Police work from its very beginning was considered a male domain, far too dangerous and rough for a respectable woman to even contemplate doing, much less take on as a profession. A policewoman worked outside the home, walking dangerous city streets late at night to confront burglars, drunks, scam artists, and prostitutes. To solve crimes, she observed, collected evidence, and used reason and logic—traits

typically associated with men. And most controversially of all, she had a purpose separate from her husband, children, and home. Women who donned the badge faced harassment and discrimination. It would take more than seventy years for women to enter the force as full-fledged officers. Yet within the covers of popular fiction, women not only wrote mysteries but also created female characters that handily solved crimes. Smart, independent, and courageous, these nineteenth- and early twentieth-century female sleuths (including a healthy number created by male writers) set the stage for Agatha Christie's Miss Marple, Sara Paretsky's V. I. Warshawski, Patricia Cornwell's Kay Scarpetta, and Sue Grafton's Kinsey Millhone, as well as TV detectives such as Prime Suspect's Jane Tennison and Law and Order's Olivia Benson. The authors were not amateurs dabbling in detection but professional writers who helped define the genre and competed with men, often to greater success. Pistols and Petticoats tells the story of women's very early place in crime fiction and their public crusade to transform policing. Whether real or fictional, investigating women were nearly always at odds with society. Most women refused to let that stop them, paving the way to a modern professional life for women on the force and in popular culture.

Lawyer's Desk Book, 2017 Edition (IL) Jan 27 2021 Lawyer's Desk Book is an extraordinary guide that you can't afford to be without. Used by over 150,000 attorneys and legal professionals, this must-have reference supplies you with instant, authoritative legal answers, without exorbitant research fees. Packed with current, critical information, Lawyer's Desk Book includes: Practical guidance on virtually any legal matter you might encounter: real estate transactions, trusts, divorce law, securities, mergers and acquisitions, computer law, tax planning, credit and collections, employer-employee relations, personal injury, and more - over 75 key legal areas in all! Quick answers to your legal questions, without having to search stacks of material, or wade through pages of verbiage. Key citations of crucial court cases, rulings, references, code sections, and more. More than 1500 pages of concise, practical, insightful information. No fluff, no filler. Just the facts you need to know. The Lawyer's Desk Book, 2017 Edition incorporates recent court decisions, legislation, and administrative rulings. Federal statutes and revised sentencing guides covered in this edition reflect a growing interest in preventing terrorism, punishing terror-related crimes, and promoting greater uniformity of sentencing. There is also new material on intellectual property law, on legislation stemming from corporate scandals, such as the Sarbanes- Oxley Act, and on legislation to cut individual and corporate tax rates, such as the Jobs and Growth Tax Relief Reconciliation Act. Chapters are in sections on areas including business planning and litigation, contract and property law, and law office issues.

A Voice In The Dark #3 Apr 17 2020 "KILLING GAME," Part One With freshman year pressures mounting, will Zoey be able to contain her compulsion to murder another student before school lets out for Thanksgiving break? Written and drawn

Ñ by mouth Ñ by disabled creator LARIME TAYLOR

You Talkin' To Me? Oct 16 2022 Rhetoric gives our words the power to inspire. But it's not just for politicians: it's all around us, whether you're buttering up a key client or persuading your children to eat their greens. You have been using rhetoric yourself, all your life. After all, you know what a rhetorical question is, don't you? In this updated edition of his classic guide, Sam Leith traces the art of argument from ancient Greece down to its many modern mutations. He introduces verbal villains from Hitler to Donald Trump - and the three musketeers: ethos, pathos and logos. He explains how rhetoric works in speeches from Cicero to Richard Nixon, and pays tribute to the rhetorical brilliance of AC/DC's "Back In Black". Before you know it, you'll be confident in chiasmus and proud of your panegyrics - because rhetoric is useful, relevant and absolutely nothing to be afraid of.

Shoot to Win Jul 21 2020 A surprising journey from tech support to professional marksman in front of the cameras. Chris Cheng won the title of "Top Shot," a \$100,000 cash prize, and a professional marksman contract with the show sponsor, Bass Pro Shops. How did a tech support guy who didn't shoot a lot of guns beat out seventeen other competitors—including seasoned military veterans, law enforcement officers, and pro marksmen—in History Channel's Top Shot season 4? An excellent guide for beginning shooters, Cheng focuses on the basics and ammunition of pistols, rifles, and shotguns, marksmanship fundamentals, and buying a firearm. Other chapters include: Dry Fire Practice Firearm Accessories Safely Storing Your Firearm Cleaning and Maintaining Your Guns And much more! Additionally, Cheng covers his approach to staying calm under pressure, teamwork, sportsmanship, and leadership. These traits contributed to his coming out on top and staying above the fray. With a foreword written by Top Shot season 3 champion Dustin Ellermann and an afterword written by the original Top Shot champion Iain Harrison, Shoot to Win is sure to please shooters of all stripes, but especially fans of History Channel's program Top Shot. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Beating Guns Apr 22 2023 ? Publishers Weekly starred review Parkland. Las Vegas. Dallas. Orlando. San Bernardino. Paris.

Charleston. Sutherland Springs. Newtown. These cities are now known for the people who were shot and killed in them. More Americans have died from guns in the US in the last fifty years than in all the wars in American history. With less than 5% of the world's population, the people of the US own nearly half the world's guns. America also has the most annual gun deaths--homicide, suicide, and accidental gun deaths--at 105 per day, or more than 38,000 per year. Some people say it's a heart problem. Others say it's a gun problem. The authors of *Beating Guns* believe it's both. This book is for people who believe the world doesn't have to be this way. Inspired by the prophetic image of beating swords into plows, *Beating Guns* provides a provocative look at gun violence in America and offers a clarion call to change our hearts regarding one of the most significant moral issues of our time. Bestselling author, speaker, and activist Shane Claiborne and Michael Martin show why Christians should be concerned about gun violence and how they can be part of the solution. The authors transcend stale rhetoric and old debates about gun control to offer a creative and productive response. Full-color images show how guns are being turned into tools and musical instruments across the nation. Charts, tables, and facts convey the mind-boggling realities of gun violence in America, but as the authors make clear, there is a story behind every statistic. *Beating Guns* allows victims and perpetrators of gun violence to tell their own compelling stories, offering hope for change and helping us reimagine the world as one that turns from death to life, where swords become plows and guns are turned into garden tools.

Contrary to Popular Belief: A Chronicle of a Progressive in Indiana Dec 06 2021 n the spring of 2014, Leppert started writing a blog. It was the usual kind of blog being written for the usual kinds of reasons. But a funny thing happened when he took a couple of risks with his writing: he got away with it. And then he took his gloves off for good. Within a year, his "blog" was elevated to a "column" and began showing up in mainstream publications throughout Indiana. After publishing more than a hundred installments, a group of recurring political and cultural themes began to emerge. From RFRA and guns, to the economy and parenting, Leppert takes a provocative view on all of it. *Contrary To Popular Belief* gives the real reasons why and from where his opinions are based. It is a chronicle being released purposely in summer of 2016 for readers to use as a guide during a historically chaotic political season.

A Hot Glue Gun Mess Jul 25 2023 In this beautiful paperback edition featuring French flaps, hugely popular lifestyle blogger, YouTube star, and designer Mr. Kate (Kate Albrecht) offers a stunning collection of step-by-step personal style and home projects—woven in with quirkily hilarious stories and anecdotes. Do you dream of finding ways to infuse do-it-yourself projects into every aspect of your life and have fun doing it? From the quirky personality behind the Mr. Kate brand comes a not-so-average DIY lifestyle book that will make your dreams of creating unique how-to projects become reality.

Filled with 50 unique and approachable projects, along with hysterical, unfiltered stories from Mr. Kate's crazy life, *A Hot Glue Gun Mess* will show how life can inspire art. Growing up with a high-powered Hollywood father and an oddball, down-to-earth mother, Kate Albrecht had a childhood that was anything but normal. From how her first period influenced her to become an artist to how her friendship with a high-priced hooker encouraged DIY beauty products, Mr. Kate's stories are weird, wonderful, personal, inspiring, and downright hilarious. Her love of self-expression inspired Mr. Kate to create her own DIY life and a social media platform to connect with young women everywhere. Her projects involve style, home design, and beauty, including DIY nail art techniques, upcycled projects for your old jeans, and watercolor curtains. You don't have to be a seamstress, metalsmith, or expert at anything to enjoy these projects, all of which are doable in under two hours and require a minimal number of supplies. Now you, too, can become a DIY diva!

Savage Son May 31 2021 "Take my word for it, James Reece is one rowdy motherf***er. Get ready!"—Chris Pratt, star of *The Terminal List*, coming soon to Amazon Prime "A rare gut-punch writer, full of grit and insight, who we will be happily reading for years to come." —Gregg Hurwitz, New York Times bestselling author of the *Orphan X* series? In this third high-octane thriller in the "seriously good" (Lee Child, #1 New York Times bestselling author) *Terminal List* series, former Navy SEAL James Reece must infiltrate the Russian mafia and turn the hunters into the hunted. Deep in the wilds of Siberia, a woman is on the run, pursued by a man harboring secrets—a man intent on killing her. A traitorous CIA officer has found refuge with the Russian mafia with designs on ensuring a certain former Navy SEAL sniper is put in the ground. Half a world away, James Reece is recovering from brain surgery in the Montana wilderness, slowly putting his life back together with the help of investigative journalist Katie Buranek and his longtime friend and SEAL teammate Raife Hastings. Unbeknownst to them, the Russian mafia has set their sights on Reece in a deadly game of cat and mouse. As Jack Carr's most visceral and heart-pounding thriller yet, *Savage Son* explores the darkest instincts of humanity through the eyes of a man who has seen both the best and the worst of it.
