[Villains Rule](#) Apr 23 2020 Hi, how are you? Yes, I am talking to you, the reader of the this book's description. It's rude not to answer a person when they ask you a question. OK, I get it, 4th wall breaking is overdone. Get over it. This book, *Villains Rule*, is a fantasy action-comedy which you have to read. Not because it redefines the genre, far from it. But rather for what it contains. A villain's tale. How often do you get to read a story where the villain is the protagonist? No, not an anti-hero, or a brooding monster, nor a hero thinly disguised as a villain. And not evil. If you want evil, take that nonsense to therapy. No, I mean a villain's villain. The ones who use their power because they can, while morality is only a philosopher's complex. This is the story of Jackson Blackwell, the Shadow Master and the top villain adviser. Sadly, even the top villain occasionally gets double-crossed. Trapped in one of the fantasy realms, Jackson has to use his skill and wits to exploit the rules, points out the genre flaws, undermine godly authority, and win the day. Because, that is what villains should do, shouldn't they? Read this book, have a few laughs, and find out.
