She's a new maid at the luxurious Patras Hotel and aims to keep her job no matter what. But that doesn't mean she's going to sacrifice her dignity, or let anyone into her heart. The risk of losing either is just too great. When hotel tycoon Lucian Patras discovers Evelyn in a compromising position, he uses everything at his disposal to seduce her--a proposition that both surprises and frightens her. Ignorant to her true circumstances, Lucian relentlessly pursues Scout as a prize to be won. But he is soon given an unforgettable lesson in love and sacrifice when he learns how far Scout has gone to gain her independence and discovers that there are some things money can never buy. "I didn't read this book, I devoured it. Arranged marriage is one of my favorite tropes and RK Lilley completely blew it out of the water. Arranged is angsty, sexy, and heartbreaking. Immediately adding it to my future re-read list. Banks is my new favorite alpha bully." Claire Contreras, New York Times Bestselling Author "Fatally beautiful. Gut-tightening intensity. Off the charts sexual chemistry and a love story unlike any other. You will devour this tale by RK Lilley and only want more." Audrey Carlan, #1 NYT Bestselling Author "Classic RK Lilley with all the angst, steam, and edginess she does so damn well. I loved it!" Kylie Scott, NYT & USA Today Bestselling Author "Some books are simply better than others. This is one of those books. Calder Banks Castelo is a jerk of epic proportions. Jerk-a-licious perfection. Banks and Noura together light the pages on fire. Sensual, angsty, exquisite. Don't miss it." Jana Aston, New York Times Bestselling Author There were rules in the cash-for-beauty game. The money held the power. The beauty followed the rules and jumped through the hoops. THE BRIDE I knew what everyone would think if they knew the truth about my marriage. They'd be shocked and appalled. And rightly so. I was a young, modern, independent woman, and I'd done the unthinkable. I'd sold my virginity to a spoiled, rich boy. To a stranger who didn't love me. And yes, I'd done it all for money. THE GROOM My bride was as gorgeous as she was unwelcome. As desirable as she was unwanted. I wanted nothing to do with her, but that didn't seem to matter exactly the second she got close enough to touch. I wanted her to hate me more than she loved the millions she'd sold herself for. I wanted to spurn her, but unfortunately, I wanted to f*ck her more. ARRANGED is a standalone erotic romance. THE WILD SIDE ARE YOU READY TO TAKE A WALK? Alasdair Masters is in a rut. LourdesHe was brazen as hell from the moment I laid eyes on him. He was aggressive, and dominant, with mac truck arms, and a bar brawler voice. He was too good looking for his own good, with a hard jaw, and harder eyes. I'd always led a fairly peaceful life, but even I could tell at a glance that this man was dangerous. For so many reasons. Not the least of which being that rough, dirty, sheet-clawing sex fairly radiated off him. I'd thought I'd known how to handle every kind of man, but this one left me baffled. To say he wasn't my type was putting it lightly. But you couldn't tell that to my libido. Not even when I found out the truth. My lover had lied to me from the very start. Nothing about our meeting was a coincidence. MR. BEAUTIFUL (UP IN THE AIR #4) JAMES She was my sin and my temple. I both worshipped and defiled there. Gloried and desecrated. Revered and debased. I've been remade four times in my life. It is a distinct feeling. Impossible to mistake. The very marked sensation of being unraveled and reknit into a new thing, a new person. It can be good or bad, helpful or harmful, but above all, it is unstoppable. I was remade when my parents died, went from a happy childhood, into navigating a very dark world, with endless responsibilities, surrounded by enemies, and despairingly alone. It happened again at the hands of a cowardly predator. I'd become angrier with that one, more cynical, and it undoubtedly turned me into the kinky f**k I was today. The third happened swiftly. One day I looked up into a pair of pale blue eyes and saw the other half of my soul. Checkmate. I went from a completely controlled existence, a life where I made every decision with cold calculation, to a man overcome with feelings and emotions that were foreign but somehow wonderful. And all too soon after that cataclysmic change was this fourth one, this one where I begged a God I'd never entertained to spare the life of a woman that I could not live without. Mr. Beautiful is a continuation of the Up in the Air series, told from the male point of view,

with POVs from James, Stephan, Tristan, Frankie, and Akira. This book is intended for readers 18 and up. Up on my mountain, she'll play by my rules. My obsession. My Temptation. My Captive. When I left life as a hitman for the Russian mob years ago, I never wanted to look back. I took the millions I'd made doing their dirty work and built my retreat up on Blackthorn Mountain, away from everything. But a flash wildfire brings her to my front door, and from the moment I lay eyes on her, I know one thing: she'll be mine. Gorgeous, sassy, innocent, untouched...and my prisoner. No one can know I'm here, so she stays. I'm keeping her. Life as a contract killer and now as a rough mountain man has turned my heart cold. I should keep a sweet girl like her away from me. But once I put my hands on her tempting curves and once I taste those sweet, innocent lips, I want nothing else than to keep her as close as possible. I've saved her from the fire, but if we aren't careful, we'll both get burned. Because my past isn't done with me. The mob I walked away from years before thinks they can use Chloe to get to me, but they're dead f-ing wrong. Up here, I'm king, she's my mountain queen, and I'll storm heaven and hell to keep her safe. Chloe's got a fight in her, but once I lay my hands on her, I'm never letting her go. Just so we're clear, this book is completely out of control, and reality has left the building. If you're looking for realism, this ain't it. But, if you've got a hankering for a growly-alpha-caveman hero that will stop at nothing to claim what's his, then you're probably going to devour this book ;). Safe, no cheating, and HEA guaranteed. One foggy morning on the banks of the Murray River, a body is found in a burnt-out area of grassland. The heavily tattooed victim, who has suffered two bullet wounds to the head, is identified as Freddie Jones, a bikie from Moama. Detective Sergeant Zoe Mayer is on the case, alongside her trusty service dog, Harry. Although Zoe is determined to track down the murderer, she finds herself stonewalled at every turn—by Freddie's family, his associates and even the local police. But then a second body is discovered, and soon all bets are off... Wild Card is a gripping mystery about gang warfare and small-town corruption, featuring a crime-fighting duo like no other. It felt wonderful and dreadful. I was breaking down, and it felt amazing. And terrifying. DAIR (THE WILD SIDE #3) ARE YOU READY FOR THE TRUTH?* I'd started writing everything about her down. I didn't want to forget. The color of her hair. The depth of her eyes. The stubborn shape of her jaw. The way her lips shaped words with such expression. The way her voice made my chest ache. The way she gave advice beyond her years. The way she listened like she cared about every word. The way she made me feel—Alive. Every curve and hollow of her body was recorded, in my mind, and now my hard drive. There was a bit of truth in every lie, and even if it

had only been fed to me in the smallest increments, I wanted, needed to remember the real Iris. Because in the end, there was one irrefutable thing that I couldn't deny. Hostage or hustler, sinner or saint, whatever she was or wasn't, whether she lied to my face or taunted me with hints of the truth, all of this seemed always to defer to the more pertinent fact at hand. She was mine. Inconceivably. Undeniably. Mine. After yet another shocking discovery, followed by a disturbing letter, Dair is almost certain Iris has left his life for good. He tries his best to move on. Easier said than done, and when an unexpected and dangerous opportunity arises for him to find out what happened to her, he doesn't hesitate to take it. As usual, with Iris, the answer leaves him more lost than the question. Every revelation is shrouded in mystery, and every disclosure leaves Dair more in the dark than ever. And when finally, the messy truth is revealed in its entirety, will he be ready for it? Are you ready to surrender? When Rowan Cassidy meets Christian Thorne in an exclusive club, he challenges everything she's ever believed about herself. He then makes an outrageous proposal: give herself over to him completely for thirty days and discover her most secret fantasies and her true nature. Rock Bottom takes us on a dual point of view journey through addiction and desire, through love and agony, and answers the question we've been asking since these characters were introduced in Grounded: "What happened between Tristan and Danika?" DANIKA Even love couldn't cushion a fall like ours. My love for Tristan was so big that I felt consumed by it, and even so, it was not enough to overpower our combined demons. I struggled. I yelled and screamed. I scratched and kicked. I fought like hell, but even the most determined fighters have to stop before they break. No one could say I didn't fight for him. "I love you," I spoke softly into his ear. He gripped me harder. "I can't ever lose you, Danika. I'm not sure I'd survive it." "You've got me. And I'm not going anywhere. Not ever." Lana can't remember a time when she wasn't hopelessly in love with Akira. Even knowing that he viewed her as a kid sister had never helped to dampen her feelings. One night together only made it worse. After seducing Akira, it became apparent that their love affair was hopelessly one-sided, and heartbroken, Lana fled her beloved island paradise. Eight years later, Lana finally returns home, planning to stay briefly, and only for business, but her plans go quickly awry when she runs into the man she could never get over. At just under 34,000 words, this story is a novella. This book is intended for ages 18] Graduate student Vivienne Charles is afraid and ashamed of her own fantasies: being taken by force by a man who will claim her completely. When the mysterious Jonah Marks learns her secret, he makes a stunning offer: they will remain near-strangers and meet in secret so that he can fulfil her fantasies. Their arrangement is twisted. The sex is incredible. And soon their emotions are bound together as tightly as the rope around Vivienne's wrists. But the secrets in their pasts threaten to take their arrangement down an even darker path. Genevieve Daylee didn't expect to be standing in front of a judge on her twenty-seventh birthday. But ever since her life became entangled with a former motorcycle gang, she's learned not to expect anything but trouble. Her mother, a woman she once admired and adored, is gone, leaving behind a trail of secrets and lies. She's living in a tiny apartment above a garage owned by her brother, a man who loathes her very existence. And the father she met beside her mother's grave is as much of a stranger as Isaiah Reynolds, the broken man with soulless eyes standing beside her in front of the judge. Isaiah is her protector from the murderer at large in Clifton Forge. Though he's more like a riven knight in dented armor than a prince on a white stallion. She knows next to nothing about him, other than he works as a mechanic. As of tonight, he'll be sharing her bathroom. And, according to the judge, Isaiah is now her husband. For Abby Renard, the plan was supposed to be simple—join her brothers' band on the last leg of their summer tour and decide if she's finally ready for the limelight by becoming its fourth member. Of course, she never imagined stumbling onto the wrong tour bus at Rock Nation would accidentally land her in the bed of Jake Slater, the notorious womanizing lead singer of Runaway Train. When he mistakes her for one of his groupies, Abby quickly lets him know she sure as hell isn't in his bed on purpose. Jake Slater never imagined the angel who fell into his bed would resist his charms by promptly kneeling him in the balls. Of course, the fact she seems like a prissy choir girl makes her anything but his type. So he is more than surprised when after betting Abby she wouldn't last a week on their tour bus, she is more than willing to prove him wrong. But as Jake's personal life begins to implode around him, he finds an unlikely ally in Abby. He's never met a woman he can talk to, joke with, or most importantly make music with. As the week comes to a close, neither Abby nor Jake is ready to let go. Can a sweetheart Country songstress and a bad boy of Rock N Roll actually have a future together? I'd started writing everything about her down. I didn't want to forget. The color of her hair. The depth of her eyes. The stubborn shape of her jaw. The way her lips shaped words with such expression. The way her voice made my chest ache. The way she gave advice beyond her years. The way she listened like she cared about every word. The way she made me feel—Alive. Every curve and hollow of her body was recorded, in my mind, and now my hard drive. There was a bit of truth in every lie, and even if it had only been fed to me in the smallest increments, I wanted, needed to remember the real Iris. Because in the end, there was one irrefutable thing that I couldn't deny. Hostage or hustler, sinner or saint, whatever she was or wasn't, whether she lied to my face or taunted me with hints of the truth, all of this seemed always to defer to the more pertinent fact at hand. She was mine. Inconceivably. Undeniably. Mine. After yet another shocking discovery, followed by a disturbing letter, Dair is almost certain Iris has left his life for good. He tries his best to move on. Easier said than done, and when an unexpected and dangerous opportunity arises for him to find out what happened to her, he doesn't hesitate to take it. As usual, with Iris, the answer leaves him more lost than the question. Every revelation is shrouded in mystery, and every disclosure leaves Dair more in the dark than ever. And when finally, the messy truth is revealed in its entirety, will he be ready for it? This is the final installment in Iris and Dair's story This book is intended for readers 18 and up. Danika hasn't had an easy life. Being insanely attracted to bad boys has never helped make it easier. One look at Tristan, and every brain cell she possessed went up in smoke. This man was trouble with a capital T. It was a given. She knew better. Bad boys were bad. Especially for her. Considering her history, it was crazy to think otherwise. So why did crazy have to feel so damn fine? For as long as she could remember, Danika had been focused on the future with single-minded purpose. Tristan came along and taught her everything there was to know about letting go, and living in the present. She fell, hard, and deep. Of course, that only made her impact with the ground that much more devastating. Bad Things is about Tristan and Danika, and their train wreck of a love story. This series can be read as a standalone, or with the Up in the Air trilogy. This book is intended for ages 18 and up. BOOK THREE: TRISTAN & DANIKA THE IMPACT Tristan hit rock bottom, and no one felt the impact harder than Danika. She was forced to see, in the most brutal of ways, that love does not conquer all. Bruised, bloody, and broken she had to walk away. THE AFTERMATH Picking up the pieces of your life after a tragedy is a daunting prospect, and that's considering you still own all of the pieces. But what if you don't? What if someone else owns those pieces, and those pieces are a part of your soul? You dig deep and work with what you've got. That's what Danika told herself and believed, every single day, for years. Tristan and Danika's love had failed every test that life had thrown at them. She couldn't forget that, not for one second. And if those tests had been overly harsh, well, she wasn't one to wallow in self-pity. The failure was the thing she had to focus on. The failure was the lesson. She had no intention of working so hard to make it out of hell without learning that lesson well. THE REUNION Over six years after the night that changed everything, Danika finds herself forced to spend the weekend constantly in Tristan's company, as they attend the wedding of two of their dearest friends. It's been long enough that she feels they can be friendly again without it destroying her peace of mind, but just a small amount of time in his presence has her remembering something she had forced herself to forget: There'd been a reason she'd gone through hell with this man, for this man, some true good to precede the bad. She shocks herself by quickly giving in to a hunger that she never imagined could still consume her. Even the best intentioned denial has a breaking point. THE HARSH REALITY After everything that's happened, the rise and the fall, the pain and the aftermath, can these two navigate the waters of acute regret, survive the trials of coming face to face with all that they have lost, and find the strength to try again? I. Remember. Everything. Only now I wish I didn't.

When the fog is sucked away from my mind like smoke through a vacuum, the truth that has been beyond my reach for months finally reveals itself. But the relief I thought I would feel never comes, and I'm more afraid now than I was the morning I woke up handcuffed in King's bed. Because with the truth comes dark secrets I was never meant to know. I will put the lives of those I love most at risk if I let on that my memory has returned, or if I seek help from the heavily tattooed felon who owns me body and soul. I don't know if I'm strong enough to resist the magnetic pull toward King that grows stronger every day. He's already saved me in more ways than one. Now it's my turn to do whatever it takes to save him. Even if that means marrying someone else...
