Project Kaitlyn Jul 08 2021 Meet Kaitlyn Colby, a clumsy, inappropriate blurter with self-esteem issues, but also quite handy with an axe. She's certainly no superhero, but she fights the battles of a single mom with sweet snarkasm. Between work and pining for and co-parenting with her man-child ex (is there any other kind?), Kaitlyn has no time to find that special someone. And if she did, would he really want her anyway? Kaitlyn's sister and friends (The Sweet Water Circle) say yes, so following a typical Kaitlyn slip up, The Circle intervenes to force her out of the funk that she fell into following her unwanted divorce. When Kaitlyn makes a decision to pursue her advertising career over love, she tumbles (like no tumble you've ever seen...or heard) into the life of hunky, bay breeze-drinking Hunter Dixon, an ad exec who is intrigued enough by Kaitlyn that he hires her firm to revive a struggling project, much like herself. Can Kaitlyn become the woman she needs to be to land the man of her dreams? Maybe. Maybe not. But you'll laugh out loud as she tries. There's no doubt you'll be rooting for the lovable, hilarious, and relatable Kaitlyn. And you'll probably love her friends, too, which is good, because their stories are ready to be told in the Sweet Water Circle series! Project Kaitlyn could be the funniest book you ever read. It's a hilarious romantic comedy that speaks the truth (well, most of the time) about life and love, and...hiking thongs? What the heck is that? Well, you'll just have to read it to find out!

Indefensible Dec 13 2021 An insider exposes the shocking facts left out of the hit Netflix series *Making a Murderer*—proving that Avery was guilty of murder—in this true crime book. After serving eighteen years for a crime he didn't commit, Steven Avery was freed—and filed a multi-million-dollar lawsuit against Manitowoc County, Wisconsin. But before the suit could be settled, Avery was arrested again—this time for the murder of Teresa Halbach. In that now-famous trial, he was convicted once more. When *Making a Murderer* became a runaway hit, prosecutor Michael Griesbach was targeted on social media—and plagued by doubt. Now he re-examines all the evidence, offering the most complete account of the case available. Griesbach reviews allegations of tampering and planted evidence, the confession by Avery's nephew, and statements by his former girlfriend. He also examines previously sealed documents deemed inadmissible at the trial—as well as a plausible alternate suspect. Through it all, Griesbach shows how the filmmakers' agenda, the accused man's dramatic backstory, and sensational media coverage have clouded the truth about Steven Avery. The Memory Book Jun 30 2023 They tell me that my memory will never be the same, that I'll start forgetting things. At first just a little, and then a lot. So I'm writing to remember. Sammie McCoy is a girl with a plan: graduate at the top of her class and get out of her small town as soon as possible. Nothing will stand in her way--not even the rare genetic disorder the doctors say will slowly steal her memories and then her health. So the memory book is born: a journal written to Sammie's future self, so she can remember everything from where she stashed her study guides to just how great it feels to have a best friend again. It's where she'll record every perfect detail of her first date with longtime-crush Stuart, a gifted young writer home for the summer. And where she'll admit how much she's missed her childhood friend Cooper, and the ridiculous lengths he will go to make her laugh. The memory book will ensure Sammie never forgets the most important parts of her life--the people who have broken her heart, those who have mended it--and most of all, that if she's going to die, she's going to die living. This moving and remarkable novel introduces an inspiring character you're sure to remember, long after the last page.

Avery Feb 24 2023 It's time to set the record straight about Steven Avery. The Netflix series *Making a Murderer* was a runaway hit, with over 19 million US viewers in the first 35 days. The series left many with the opinion that Steven Avery, a man falsely imprisoned for almost 20 years on a previous, unrelated assault charge, had been framed by a corrupt police force and district attorney's office for the murder of a young photographer. Viewers were outraged, and hundreds of thousands demanded a pardon

for Avery. The chief villain of the series? Ken Kratz, the special prosecutor who headed the investigation and trial. Kratz's later misdeeds—prescription drug abuse and sexual harassment—only cemented belief in his corruption. This book tells you what Making a Murderer didn't. While indignation at the injustice of his first imprisonment makes it tempting to believe in his innocence, Avery: The Case Against Steven Avery and What Making a Murderer Gets Wrong and the evidence shared inside—examined thoroughly and dispassionately—prove that, in this case, the criminal justice system worked just as it should. With Avery, Ken Kratz puts doubts about Steven Avery's guilt to rest. In this exclusive insider's look into the controversial case, Kratz lets the evidence tell the story, sharing details and insights unknown to the public. He reveals the facts Making a Murderer conveniently left out and then candidly addresses the aftermath—openly discussing, for the first time, his own struggle with addiction that led him to lose everything. Avery systematically erases the uncertainties introduced by the Netflix series, confirming, once and for all, that Steven Avery is guilty of the murder of Teresa Halbach.

Loud Mouth Jun 06 2021 I never meant to say a word, not one single word. But I did. Now because of something I leaked—without even realizing it—I've inadvertently broken up one of the Ice Knights' most legendary bromances. And worse—I've kicked hockey star Ian Petrov's grumpy level to insane levels of grump. And what could make it worse? How about the two of us being trapped together in a remote cabin after a massive blizzard. Neither of us can leave. Just us, the snow, his resentment, and OMG sexual tension so thick it would take a snowplow to break through it. I've got to get out of here before I do something even dumber than I've already done and kiss the sexy grouch with his misplaced anger and perfect pecs. That would be the worst, the absolute worst. But... would it be terrible if we gave in? Just a little? It's not like we're ever going to have to spend time together again. Ice Capades Dec 25 2022 **One of Sports Illustrated's Best Sports Books of 2017** Controversial hockey star Sean Avery's no-holds-barred memoir of high living and bad behavior in the NHL—coupled with the behind-the-scenes glitter of celebrity and media nightlife in New York and LA. As one of the NHL's most polarizing players, Sean Avery turned the rules of professional hockey on its head. For thirteen seasons, Avery played for some of the toughest, most storied franchises in the league, including the Detroit Red Wings, the Los Angeles Kings, and the New York Rangers, making his mark in each city as a player that was sometimes loved,

often despised, but always controversial. In *Ice Capades*, Avery takes his trademark candidness about the world of pro hockey and does for it what Jim Bouton's game-changing *Ball Four* did for baseball. Avery goes deep inside the sport to reveal every aspect of an athlete's life, from what they do with their money and nights off to how they stay sharp and competitive in the league. While playing the talented villain in the NHL, Avery broke far away from his on-ice character in the off-season, and *Ice Capades* takes the reader inside the other unexpected and unprecedented roles that Avery inhabited—Vogue intern, fashion model, advertising executive, restaurateur, gay rights advocate, and many more. Love him or hate him, Sean Avery changed the way professional hockey is played today. Rollickingly honest and compelling throughout, *Ice Capades* transcends the “sports book” genre and offers a rare, unvarnished glimpse into the world of 21st century hockey through the eyes of one of its most original and memorable players.

In the weeks before Hurricane Katrina made landfall, he met Addie Hall, a pretty and high-spirited bartender. It was, according to NOPD veterans, one of the most gruesome crimes in the city's history. How had this popular, handsome father of two done this horrible thing? Journalist Ethan Brown moved from New York City to the French Quarter in order to investigate this question. Among the newsworthy elements in the book is Brown's discovery that this tragedy—like so many others—could have been avoided if the military had simply not, in the words of Paul Sullivan, executive director of Veterans for Common Sense, "absolutely and completely failed this soldier." *Shake the Devil Off* is a mesmerizing tribute to these lives lost.

Back in the Burbs Mar 16 2022 Two powerhouse authors bring you a hilarious tale of one woman's journey to find herself again. Ever have one of those days where life just plain sucks? Welcome to my last three months—ever since I caught my can't-be-soon-enough ex-husband cheating with his paralegal. I'm thirty-five years old, and I've lost my NYC apartment, my job, my money, and frankly, my dignity. But the final heartache in the suck sandwich of my life? My great-aunt Maggie died. The only family member who's ever gotten me. Even after death, though, she's helping me get back up. She's willed me the keys to a house in the burbs, of all places, and dared me to grab life by the family jewels. Well, I've got the vise grips already in hand (my ex should take note) and I'm ready to fight for my life again. Too bad that bravado only lasts as long as it takes to drive into Huckleberry Hills. And see the house. There are forty-seven separate HOA violations, and I feel them all in my bones. Honestly, I'm surprised no one's "accidentally" torched the house yet. I want to, and I've only been standing in front of it for five minutes. But then my hot, grumpy

neighbor tells me to mow the lawn first and I'm just...done. Done with men too sexy for their own good and done with anyone telling me what to do. First rule of surviving the burbs? There is nothing that YouTube and a glass of wine can't conquer.

The Boy Who Steals Houses May 25 2020 Can two broken boys find their perfect home? By turns heartbreaking and heartwarming, this is a gorgeously told, powerful story. Sam is only fifteen but he and his autistic older brother, Avery, have been abandoned by every relative he's ever known. Now Sam's trying to build a new life for them. He survives by breaking into empty houses when their owners are away, until one day he's caught out when a family returns home. To his amazement this large, chaotic family takes him under their wing - each teenager assuming Sam is a friend of another sibling. Sam finds himself inextricably caught up in their life, and falling for the beautiful Moxie. But Sam has a secret, and his past is about to catch up with him. Heartfelt storytelling, perfect for fans of Jandy Nelson and Jennifer Niven.

The Wedding Date Disaster Dec 01 2020 I can't believe I have to go home to Nebraska for my sister's wedding. I'm gonna need a wingman and a whole lot of vodka for this level of family interaction. At least my bestie agreed he'd man up and help. Too bad he had to catch a different flight than me. Then his plane got delayed. And finally—because bad things always happen in threes—instead of my best friend, his evil twin strolls out of the airport. If you looked up ~~doesn't-deserve-to-be-that-confident~~, way-too-hot-for-his-own-good billionaire in the dictionary, you'd find a picture of Will Holt. He's awful. Horrible. The worst—even if his butt looks phenomenal in those jeans. Ten times worse? My buffer was supposed to be there to keep me away from the million and one family events. But Satan's spawn just grins and signs us up for every. Single. Thing. Fine. "Cutthroat" Scrabble? I'm in. I can't wait to take this guy down a notch. But somewhere between Pictionary and the teasing glint in his eyes, our bickering starts to feel like more than just a game...

The Negotiator (A Hot Romantic Comedy) Apr 16 2022 Wanted: Personal Buffer Often snarly, workaholic executive seeks "buffer" from annoying outside distractions AKA people. Free spirits with personal boundary issues, excessive quirks, or general squeamishness need not apply. Salary negotiable. Confidentiality required. Workaholic billionaire Sawyer Carlyle may have joked he needed a buffer from their marriage-obsessed mom, but he didn't need a waiting room filled with candidates to further distract him. (Thanks, bro.) But when a sexy job applicant shooes his mom and the socialite in tow out of his office, Sawyer sees the genius of the plan. And the woman. In fact, Miss Clover Lee might just get the fastest promotion in history, from buffer to fake fiancé... This free-spirit might look like hot sunshine and lickable rainbows, but she negotiates like a pitbull. Before Sawyer knows what hit him, he's agreed to give up Friday nights for reality tv, his Saturdays for flea markets (why buy junk still baffles him), his Tuesdays and Thursdays for date nights (aka panty-losing opportunities if he plays his cards right). And now she wants lavender bath salts and tulips delivered every Monday? Yup, she's just screwing with him. Good thing she's got this non-negotiable six-weeks-and-she's-gone rule or Sawyer may have just met his match. Each book in the Harbor City series is STANDALONE * The Negotiator * The Charmer * The Schemer

As political wrangling ensues in Washington to potentially replace the ailing judge whose life and survival Avery controls, she begins to unravel a carefully constructed, chesslike sequence of clues left behind by Wynn. Alex Haley's Roots Jun 26 2020 In 1977, following the airing of the mega hit television mini-series Roots, its author, Alex Haley, became America's newest "folk hero." His book was on the Times' Best Seller's list for months, and won the Pulitzer Prize. His story had captivated a nation and then the world. From Idaho to Israel, it seemed everyone was caught-up in "Rootsmania." Alex Haley, the ghostwriter behind The Autobiography of Malcolm X, was on his way to becoming the most successful African American author in the history of publishing until it all fell apart. What happened? Based on interviews of Haley's contemporaries, personal correspondence, legal documents, newspaper accounts, Adam Henig investigates the unraveling of one of America's most successful yet enigmatic authors. 808s & Otherworlds Aug 09 2021 "September's Most Anticipated LGBTQIA+ Literature" —Lambda Literary "Most-Anticipated New LGBTQIA+ Books of 2021" —Paperback Paris "An elegant mash of memoir, poetry, tales of appropriation, thoughts on Black masculinity, Hulk, Kanye." —Christopher Borrelli, Chicago Tribune 808s & Otherworlds announces a bold and incendiary new voice in Sean Avery Medlin. Against the backdrop of the Phoenix suburbs where they were raised, Medlin interrogates the effects of media misrepresentation on the performance of Black masculinity. Through storytelling rhymes and vulnerable narratives in conversation with both contemporary Hip-Hop culture and systemic anti-Blackness, 808s & Otherworlds pieces together a speculative reality where Blackfolk are simultaneously superhuman and dehumanized. From the gut-wrenchingly real stories of young lovers unmythed by segregation or former classmates appropriating Black culture, to the fantastic settings of Hip-Hop songs and comic characters, Medlin weaves a tapestry of worlds and otherworlds while composing a love letter to family and self, told to an undeniably energetic beat.

Elsewhere, California Mar 28 2023 We first met Avery in two of the stories featured in Dana Johnson's award-winning collection *Break Any Woman Down*. As a young girl, she and her family escape the violent streets of Los Angeles to a more gentrified existence in suburban West Covina. This average life, filled with school, trips to 7-Eleven to gawk at Tiger Beat magazine, and family outings to Dodger Stadium, is soon interrupted by a past she cannot escape, personified in the guise of her violent cousin Keith. When Keith moves in with her family, he triggers a series of events that will follow Avery throughout her life: to her studies at USC, to her burgeoning career as a painter and artist, and into her relationship with a wealthy Italian who sequesters her in his glass-walled house in the Hollywood Hills. The past will intrude upon Avery's first gallery show, proving her mother's adage: Every goodbye aint gone. The dual-narrative of *Elsewhere, California* illustrates the complicated history of African Americans across the rolling basin of Los Angeles.
