Compiled and introduced by the UK-based anarchist-intellectual collective Dark Star, *Quiet Rumours* features articles and essays from four generations of anarchist-inspired feminists, including Emma Goldman, Voltairine de Cleyre, Jo Freeman, Peggy Kornegger, Cathy Levine, Roxanne Dunbar-Ortiz, *Mujeres Creando*, Rote Zora, and beyond. All the pieces from the first two editions are included here, as well as new material bringing third and so-called fourth-wave feminism into conversation with twenty-first century politics. An ideal overview for budding feminists and an exciting reconsideration for seasoned radicals. "This beautiful book makes one of America's favorite culinary pastimes accessible to anyone. The recipes are easy to follow yet refined." —Marcus Samuelsson

Like most teens entering adulthood, Elyse and Jason just want to find out who they really are. For them, however, the stakes go far beyond their own personal quest. Join them on a journey of self-discovery that becomes a desperate fight for survival against enemies determined to conceal the truth ... and find out what happens when that fight becomes personal. Everybody wants to be loved. We all need affirmation, acceptance, and approval. Let's face it: It feels good to be appreciated and admired. But when we depend on the approval of others to feel good about ourselves, it's impossible to have emotional stability or a healthy self-image. And when our value is based on how people see us rather than God's unconditional love for us, our desire for approval can become an addiction. In *THE APPROVAL FIX*, #1 New York Times bestselling author Joyce Meyer gives you practical insights that will help you learn how to accept who you are and become the unique individual God created you to be. You'll experience greater confidence, deeper emotional stability, and healthier relationships-the life you're really longing for. Today, discover the truth about God's love for you and approval of you. And enjoy the freedom to be the amazing person you can be in Him!
