Seeking Aliveness Dec 22 2020 In his 2014 book We Make the Road by Walking Brian McLaren gave a basic orientation on what it means to be 'a new kind of Christian' through 52 sermons, working within the framework of the church year and providing a Genesis-Revelation overview of the Bible. It was designed to be used in church services and small groups, and was praised by New Testament scholar Paula Gooder and enthusiastically adopted by many. Seeking Aliveness is a repurposing of this material for use by individuals, breaking up the text into daily devotions, along with the original suggested Bible readings and with a prayer, thought or action point for each day. Brian's original writing is transformed beautifully into a daily read, for admirers of the original book as well as a new audience.

Like Christ by Grace Jul 17 2020 What do you want out of life? What are you pursuing? Happiness? Money? Fame? Fortune? Pleasure? Security? The ultimate prize is none of these but is actually something much higher and better: Christlikeness. It sounds formidable, but ask yourself one question: Don't you want to be like Christ? If you answered YES! then this book is for you! Have you ever asked yourself, "How can I be more like Jesus? How can I stop sinning? How can I live consistently in a way that pleases God?" Have you ever wondered what the scripture means, "Without holiness no man will see the Lord"? Does it distress you that many believers seem to disregard holiness because they think that they are not "under the law"? Have you ever thought about what it means to be "under the law" and "under grace"? Are you concerned that our nation has cast God aside and is pursuing a secularist agenda? How can that be reversed? Like Christ By Grace: Pursuing the Prize of Christlikeness By God's Grace will give you the answers you seek. Jesus Christ supplies everything you need to be like Him. The book you hold in your hands is a message of encouragement and hope, as well as a challenging call to Christlikeness. No matter how many times you have fallen and no matter how miserably you may have failed, God is on your side. God is for you.

He's not about to give up on you. You can be like Christ by grace!

Jesus Changes Everything Aug 10 2022 Discover how participating in religion or having information about Jesus is not the same as knowing Jesus personally. There is significant difference between pursuing a personal encounter with Jesus and pursuing information about Jesus. Information alone can become heavy religious baggage. Information does not love, forgive, comfort, save, or heal . . . Jesus does! Many people desire a closer relationship with Jesus of Nazareth and are seeking a deeper understanding of his teaching and how they might apply to their daily life. Would it surprise you to know that Jesus has the same desire? He wants to know you, love you, and be part of your daily life. The

teachings of Jesus reveal the heart of Jesus as nothing else does. "An intriguing and inspiring book that offers invaluable lessons about living an abundant life, drawn from the fascinating experiences of the author and the captivating stories about people from all walks of life who were blessed by spiritual enlightenment." –Edwin Meese III, former US Attorney General, Ronald Reagan Distinguished Fellow Emeritus at Heritage Foundation "An amazing book that captures the essential teachings of Jesus and how to apply them as a modern-day disciple. This book could be titled, 'Jesus Distilled.' If anyone is interested in learning more about the Jewish carpenter of Nazareth and how He changed everything. I highly recommend Doug Burleigh's new book." –Jim Slattery, lawyer, businessman, and former Democrat Congressman, Kansas 2nd District

Happy to Be Content Feb 21 2021 The author's personal narrative addresses a truth which many people would rather ignore: the crisis of our time is a hunger for purpose and meaning. Self-help methods, worldly desires, and materialistic goals did little to satisfy his soul. Something important was missing. After years of spiritual wandering the frustration and futility of it all finally put Michael on a new course. Only after admitting he needed a drastic change in life would deeper insight be revealed. And so began a steadfast search for greater spiritual blessings. Through comparisons of various religious claims and exploration of many other subjects and disciplines, an open-minded zeal for understanding was balanced with hope and prayer. Answers to life's most serious and enduring questions can be elusive. And the process of transformation rarely affords shortcuts or conveniences. Yet Michael's life had seldom been easy. Raised in a hostile environment of alcoholism and domestic violence his teenage years were marked by rebellion, excess, and frequent fighting. As a young adult, he

tried to find his way by singing in a rock band and training in martial arts. The next twenty years would be a path filled with twists and turns and tragedy as required for shaping the sincerity of his heart. But a battle of conflicting forces never ends until one side surrenders. *Happy to Be Content* pulls no punches. It is sometimes blunt and always honest. The pages vividly portray one man's very real, human struggle in mistakenly thinking peace could be found in prosperity. Although the tribulations helped reveal the errors of his old ways; there were new questions. Should he return to the church of his youth? Or could something like Zen-meditation, psychology, New Age Spirituality, or Buddhism help show the way? What emerged was a well-reasoned and inspirational guidebook. This exposition of love, hope, and meaning is sprinkled with shades of humor while maintaining philosophical clarity and a firm foundation in theology. Flowing with rhythm and style, the pages travel along the road where human need and desire encounter divine truth and God's grace. All those sincerely seeking purpose, passion, and peace may likely behold an eternal treasure.

Seeking Treasures Oct 12 2022 We are created to be Seekers. According to Jesus, seeking His Kingdom is the only quest that truly matters. Jesus refers to His Kingdom as a treasure hidden in a field and a pearl of unmatched value, and He instructs us to sell all we have in this world to purchase the field and the pearl. God provides us with a map to His Kingdom treasures in Scripture. Through parables and other teachings, and through the example of His life, Jesus reveals the nature, qualities, characteristics, and locus of His great treasures. This book draws on all the resources in Scripture to create a treasure map - a guide to seeking the Kingdom of God. As you read, you are taken on a quest to find your true identity, to reclaim your authority, to experience His indwelling Spirit more

fully, to better understand and receive His protection, to celebrate your sanctification, to receive God's wisdom, to delight in the true freedom of His love, and to live in the Kingdom of God now. I pray, at the end of this quest, fear and shame will no longer dictate your choices, and you will find yourself more intimately connected to Jesus, more aware of who you are in Christ, more grounded and strengthened to stand in His authority, more confident in your position as heir to His Kingdom, and more certain of His love for you. If you follow the treasure map, you will be well on your way in your quest to seek the Kingdom life.

Spiritual Guidelines for Souls Seeking God Jan 23 2021

Basil Maturin, a holy priest wise in the ways of the soul, explains what you must do – and what you must allow Christ to do – in order to come to know Him as you should. In chapters written for souls hungry to improve their spiritual lives, Fr. Maturin shows you how to move beyond the conquest of particular vices and develop true friendship with Christ. You'll learn not merely how to pray but also how to combine prayer with the other spiritual virtues that are essential to sure progress in the spiritual life. With Fr. Maturin's help, you'll soon develop a strong and vigorous character that shines with the bright virtues and that lead you finally to an encounter – face-to-face – with Christ Himself. From Fr. Maturin you'll learn: The one virtue that breaks open the soul to admit God's abundant grace How – even while here on Earth – you may become like the angels The two things you must do to discern God's will for you Why fervor is no measure of devotion How training your mind will improve your prayers Distractions: how to deal with them efficiently... And charitably How to discover your best times for prayer The sense of God's presence: how to make it your armor against both crippling introspection, heedless self-abandonment, and even ordinary, everyday distractions Why, if you don't actively cultivate your inner life, you'll wind up lost in outer things How – if you let Him! – God perfects you through your vocation (Plus: the particular things you must do so as not to stand in His way) And much more to form your soul and

bring you closer to Christ.

Finding and Seeking Jul 29 2021 This is the second of three volumes in Oliver O Donovan s masterful Ethics as Theology project. In his first volume -- Self, World, and Time -- O Donovan discusses Christian ethics as an intellectual discipline in relation to the humanities, especially philosophy, theology, and behavioral studies, and in relation to the Christian gospel. In *Finding and Seeking* O Donovan traces the logic of moral thought from self-awareness to decision through the virtues of faith, hope, and love. Blending biblical, historico-theological, and contemporary ideas in its comprehensive survey, this second volume continues O Donovan s splendid study in ethics as theology and adds significantly to his previous theoretical reflection on Christian ethics.

Another Gospel? Dec 14 2022 "This may be the most influential book you will read this year." --Lee Strobel, bestselling author of *The Case for Miracles* A Movement Seeks to Redefine Christianity. Some Think that

It Is a Much-Needed Progressive Reformation. Others Believe that It Is an Attack on Historic Christianity. Alisa Childers never thought she would question her Christian faith. She was raised in a Christian home, where she had seen her mom and dad feed the hungry, clothe the homeless, and love the outcast. She had witnessed God at work and then had dedicated her own life to leading worship, as part of the popular Christian band ZOEgirl. All that was deeply challenged when she met a progressive pastor, who called himself a hopeful agnostic. Another Gospel? describes the intellectual journey Alisa took over several years as she wrestled with a series of questions that struck at the core of the Christian faith. After everything she had ever believed about God, Jesus, and the Bible had been picked apart, she found herself at the brink of despair . . . until God rescued her, helping her to rebuild her faith, one solid brick at a time. In a culture of endless questions, you need solid answers. If you or someone you love has encountered the ideas of progressive Christianity and aren't sure how to respond, Alisa's journey will show you how to determine--and rest in--what's unmistakably true.

The Bible, Christianity, & Homosexuality Jun 20 2023

There are many commendable books on the Bible and homosexuality which span anywhere from a hundred to several hundred pages in length. For the curious, such books can sometimes be inaccessible or more than they really want to read. "The Bible, Christianity, & Homosexuality" is a concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians. This study was written to be accessible to all, indeed, something family members and friends of gay and lesbian Christians might actually take the time to read. The Los Angeles Times describes this work as "an illuminating...analysis that argues the Bible doesn't condemn faithful gay relationships." (McGough, 7/18/05).

The Praying Life Apr 13 2020 Essays on tending the flame of the spiritual life.

Strong and Weak Dec 02 2021 Two common temptations lure us away from abundant living—withdrawing into safety or grasping for power. True flourishing, says Andy Crouch, travels down an unexpected path—being both strong and weak. Regardless of your stage or role in life, here is a way of love and risk so that we all, even the most vulnerable, can flourish.

The Two Cities: A History of Christian Politics Sep 18 2020 ?The prevailing narrative of human history, given to us as children and reinforced constantly through our culture, is the plot of progress. As the narrative goes, we progressed from tyranny to freedom, from superstition to science, from poverty to wealth, from darkness to enlightenment. This is modernity's origin myth. Out of it, a consensus has emerged: part of human progress is the overcoming of religion, in particular Christianity, and that the world itself is fundamentally secular. In *The Two Cities: A History of Christian Politics*, Andrew Willard Jones rewrites the political history of the West with a new plot, a plot in which Christianity is true, in which human history is Church history. *The Two Cities* moves through the rise and fall of empires; cycles of corruption and reform; the rise and fall of Christendom; the emergence of new political forms, such as the modern state, and new political ideologies, such as liberalism and socialism; through the horrible destruction of modern warfare; and on to the plight of contemporary Christians. These movements of history are all considered in light of their orientation toward or away from God. *The Two Cities* advances a theory of Christian politics that is both an explanation of secular politics and a proposal for Christians seeking to navigate today's most urgent political questions.

Seeking Church Nov 20 2020 New expressions of church,

including so-called insider movements, are proliferating among non-Christian religious communities worldwide. It Keeps Me Seeking May 15 2020 An exposition on the common phrase "science and religion". Science has something to say about every aspect of human experience, and religion is, broadly speaking, the attempt by people to find and assert meaningfulness.

An Introduction to Christian Philosophical Theology May 27 2021 An accessible introduction to Christian philosophical theology Philosophical or analytic theology seeks to employ philosophical tools while

studying topics in Christian theology and examining the logical consistency or intelligibility of some of the key doctrines of the Christian faith. In this accessible primer, *An Introduction to Christian Philosophical Theology*, authors Stephen T. Davis and Eric T. Yang first explain the scope, relevance, and value of philosophical theology and then applies its conceptual tools to examine each of the core Christian doctrines: Revelation and Scripture The Trinity The Incarnation Redemption and the atonement, Resurrection and life after death The final chapter briefly addresses some additional theological issues including petitionary prayer, eschatology, and original sin. A Glimpse of the Christian Aug 30 2021 *A Glimpse of the Christian* seeks to clarify the true identity and nature of Christians to a world that has become hazy on this subject. In this study, author Richard J. "Dick" Hill crafts a clear, simple, and easy-to-understand guide to life and ministries of Christians in today's world. Christians are spiritual people connected to Jesus by the supernatural ministry of God's Spirit. Eleven chapters offer varied glimpses into elements of the Christian's life, including possessions, giftedness, security, works, education, and accountability. Each chapter draws upon wisdom from the Scriptures, illustrations from daily life, and insights from Hill's own experiences to explain the chapter's topic and to provide a fresh perspective from which you may catch a clear glimpse of the Christian's life. Hill also provides an appendix that sketches out a method for memorizing key passages from the Bible. Whether you have recently come to faith in Christ and wonder how God may

shape your life in the coming years, or you have journeyed to the point in your Christian discipleship where you seek an unobstructed view of your calling as a Christian, *A Glimpse of the Christian* provides a no-nonsense, plain-spoken, and faithful explanation of the character and mission God grants to people who follow Jesus Christ.

The Highest of All Mountains Apr 06 2022 This book is for people who believe that the gospel is a message of peace and this gospel of peace is relevant for our time. Peacemaking is a core part of our Christian discipleship just as we learn how to pray, just as we learn how to love our neighbors, just as we learn how to feed the hungry. We can also learn how to be peacemakers. Sarpiya believes that peacemaking is central to the Christian faith and practice. This book will serve as a guide that will offer a scriptural guide with practical stories and applications. Readers will be challenged by Scripture to take the call to peacemaking into their communities. The fact that numerous peace treaties have collapsed serves to show how difficult it is to transcend cycles of violence and foster a sustained, durable peace. The one place that one could look to for answers about how to move toward peace is within faith communities, and

sometimes not just one faith acting alone but working alongside other faiths, in concert with other faiths, taking an interreligious approach. The Highest of All Mountains shows how Sarpiya's Christian peacemaking backed by the interreligious approach brings the monotheistic faiths together, as they all agreed on one denominator to their faith's origin, Abraham.

The Spirit of Early Christian Thought May 19 2023 Many of the problems afflicting American education are the result of a critical shortage of qualified teachers in the classrooms. The teacher crisis is surprisingly resistant to reforms and is getting worse. This analysis of the causes underlying the crisis seeks to offer concrete, affordable proposals for effective reform. Vivian Troen and Katherine Boles, two experienced classroom teachers and education consultants, argue that because teachers are recruited from a pool of underqualified candidates, given inadequate preparation, and dropped into a culture of isolation without mentoring, support, or incentives for excellence, they are programmed to fail. Half quit within their first five years. Troen and Boles offer an alternative, a model of reform they call the Millennium School, which changes the way teachers work and improves the quality of their teaching. When teaching becomes a real profession, they contend, more academically able people will be drawn into it, colleges will be forced to improve the quality of their education, and better-prepared teachers will enter the classroom and improve the profession.

Praise Seeking Understanding Mar 05 2022 Praise Seeking Understanding sits at the intersection of three important fields in theology: theological exegesis, Augustinian studies, and contemporary church practice. Jason Byassee deftly brings the three together, revealing an important symbiotic relationship between them -- a relationship hitherto largely ignored. Though

current exegetical methods have swung away from a Christological reading of the Old Testament -- rejecting in particular Augustine's treatment of the text -- Byassee believes that is a mistake we must remedy. Using a recent translation of Augustine's *Enarrationes in Psalmos*, Byassee describes in depth Augustine's psalm hermeneutic and his approach to scripture generally, offering a defense of these views in conversation with recent work in theological exegesis.

7 Steps to Attain Perfection Apr 25 2021 7 Steps To Attain Perfection, an embodiment of rudimentary guiding principles capturing the essence of being Born Again, was conceived out of a nurtured desire spanning 11 years of tuning and fine-tuning its contents to equip a believer with necessary steps taking them on a purposeful journey through life's unpredictable experiences. It begins the moment someone takes the decisive step to accept Christ as their Lord and Saviour to fulfilling their calling in God's vineyard. 7 Steps To Attain Perfection is equipped with biblical citations, anecdotes, and metaphorical connotations meant to expose your thoughts to new possibility of attaining perfection in Christ Jesus. It relates to every believer's struggle for acceptance and respect in a world of perverseness, deceitfulness, slothfulness, and actus reus. 7 Steps To Attain Perfection remains a great privilege for me having been inspired to tap from the wealth of wisdom, knowledge and understanding endowed by the Holy Spirit flowing through the 'Still Small Voice' as I listened in the Spirit and penned down the Words as the Spirit gave me inspiration. Anyone applying the teachings in this book will transform their life through becoming changed for the better according to John 15:1-5.

The Pursuit of God (Religious Classic) Feb 04 2022 "The Pursuit of God" is an inspirational guide for Christians seeking to get closer to God. The author identifies one of the major problems of the Christian Church. He

suggests that the Church is making a new type of Christian who understands the Christian doctrine better than ever throughout the history, but still fails to understand what it really means to be a follower of Christ. Having identified the problem, Tozer offers a beautiful solution that is more practical and mystical than theological. He encourages the Christian to take the seeking of God and make it the foundation upon which their life is built. Being a mystic, he focuses on experience, feeling and hearing God's voice as important to faith.

Is the Bible Good for Women? Jun 15 2020 Is it possible to embrace the inherent dignity of womanhood while still cherishing the Bible? Many people, both inside and outside the church, are concerned that an orthodox understanding of the Bible is threatening and even harmful to women. After all, the Bible has a number of passages regarding women that are deeply troubling and hard to read. But is that assessment accurate? In this fascinating look at God's work of redemption from Creation to today, Wendy Alsup explores questions such as: * How does God view justice and equal rights for women? * What does it mean to be made in the image of God? * How have the centuries distorted our interpretation of how God views women? * How did Jesus approach the Old Testament and how does that help us read difficult passages today? * What is the difference between a modern view of feminism and the feminism that Scripture models? * How does the Bible explain the Bible to us? Using a Jesus-centered understanding to look at both God's grand storyline and specific biblical passages, Alsup gives practical and accessible tools for understanding the noble ways God speaks to and about women in its pages and the dignity He places on His daughters.

Faith Seeking Understanding Nov 13 2022 Daniel Migliore's Faith Seeking Understanding has been a standard introduction to Christian theology for more than a decade. The book's presentation of traditional doctrine in freshly contemporary ways, its concern to hear and critically engage new voices in theology, and its creative and accessible style have kept it one of the most stimulating, balanced, and readable guides to theology available. This second edition of Faith Seeking Understanding features improvements from cover to cover. Besides updating and expanding the entire text of the book, Migliore has added two completely new chapters. The first, "Confessing Jesus Christ in Context," explores the unique contributions to Christian theology made by recent theologians working in the African American, Asian American, Latin American, Hispanic, feminist, womanist, and mujerista traditions. The second new chapter, "The Finality of Jesus Christ and Religious Pluralism," addresses the growing interest in the relationship of Christianity to other religions and their adherents. Migliore's three delightful theological dialogues are followed by a new appendix, an extensive glossary of theological terms, making the book even more useful to students seeking to understand the history,

themes, and challenges of Christian belief.
