“What is at stake is authenticity. . . . Sooner or later Christians tire of public meetings that are profoundly inauthentic, regardless of how well (or poorly) arranged, directed, performed. We long to meet, corporately, with the living and majestic God and to offer him the praise that is his due.”—D. A. Carson

Worship is a hot topic, but the ways that Christians from different traditions view it vary greatly. What is worship? More important, what does it look like in action, both in our corporate gatherings and in our daily lives? These concerns—the blending of principle and practice—are what *Worship by the Book* addresses. Cutting through cultural clichés, D. A. Carson, Mark Ashton, Kent Hughes, and Timothy Keller explore, respectively: *Worship Under the Word* · *Following in Cranmer’s Footsteps* · *Free Church Worship: The Challenge of Freedom* · *Reformed Worship in the Global City*

“This is not a comprehensive theology of worship,” writes Carson. “Still less is it a sociological analysis of current trends or a minister’s manual chockfull of ‘how to’ instructions.” Rather, this book offers pastors, other congregational leaders, and seminary students a thought-provoking biblical theology of worship, followed by a look at how three very different traditions of churchmanship might move from this theological base to a better understanding of corporate worship. Running the gamut from biblical theology to historical assessment all the way to sample service sheets, *Worship by the Book* shows how local churches in diverse traditions can foster corporate worship that is God-honoring, Word-revering, heartfelt, and historically and culturally informed. Christianity Today Book Award Winner One of *Worship Leader Magazine’s* Editor’s Picks

Current discussions about worship are often driven by pragmatics and personal preferences rather than by the teaching of Scripture. True worship, however, is our response to God’s gracious revelation; in order to be acceptable to God, worship must be experienced on God’s terms.

Respected Old Testament scholar Daniel Block examines worship in the Bible, offering a comprehensive biblical foundation and illuminating Old Testament worship practices and principles. He develops a theology of worship that is consistent with the teachings of Scripture and is applicable for the church today. He also introduces readers to a wide range of issues related to worship. The book, illustrated with diagrams, charts, and pictures, will benefit professors and students in worship and Bible courses, pastors, and church leaders. What is the nature of true worship? What are we actually doing when we meet together for ‘church’ on Sundays? And how does that connect with what we do the rest of the week? Vaughan Roberts answers these questions and more, as he brings readers back to the Bible in order to define what worship is and isn’t, and what it should and

shouldn't be. While we may struggle to define worship by arguing about singing hymns with the organ, versus modern songs with guitars and drums, or about the place of certain spiritual gifts, Roberts suggests we are asking the wrong questions. For true worship is more than this - it is to encompass the whole of life. This book challenges us to worship God every day of the week, with all our heart, mind, soul and strength. In this comprehensive exposition, a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament. G. K. Beale, coeditor of the award-winning Commentary on the New Testament Use of the Old Testament, examines how the New Testament storyline relates to and develops the Old Testament storyline. Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter-day new creation and kingdom. Offering extensive interaction between the two testaments, this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ. This major work will be valued by students of the New Testament and pastors alike. Every Christian knows the importance of a daily quiet time with the Lord. But anyone who's been a believer long enough has likely experienced seasons that feel more mundane or routine, leading to aimlessly skimming a couple of Bible verses or praying the same prayer over and over. In *Be Thou My Vision*, Jonathan Gibson has created a 31-day liturgical guide designed to provide structure to the daily worship of individuals and families. Each daily reading includes a call to worship, adoration, confession, assurance, creed and catechism, the Gloria Patri, a prayer of illumination, Bible reading, intercessory prayer, and the Lord's Prayer. Designed to be read in 15-20 minutes a day, this beautifully produced liturgy will give readers focus and purpose to their daily quiet time while teaching them historical prayers, creeds, and catechisms that point them to Christ. Whether your style is traditional or contemporary, pursue God's presence with this updated how to approach to worship--a classic for more than twenty years. "God has appointed preaching in worship as one great means of accomplishing his ultimate goal in the world." —John Piper John Piper makes a compelling claim in these pages about the purpose of preaching: it is intended not merely as an explanation of the text but also as a means of awakening worship by being worship in and of itself. Christian preaching is a God-appointed miracle aiming to awaken the supernatural seeing, savoring, and showing of the glory of Christ. Distilling over forty years of experience in preaching and teaching, Piper shows preachers how and what to communicate from God's Word, so that God's purpose on earth will advance through Bible-saturated, Christ-exalting, God-centered preaching—in other words, expository exultation. Gathering together for worship is an indispensable part of your family's spiritual life. It is a means for God to reveal himself to you and your loved ones in a powerful way. This practical guide by Donald S. Whitney will prove invaluable to families—with or without children in the home—as they practice God-glorifying, Christ-exalting worship through Bible reading, prayer, and singing. Includes a discussion guide in the back for small groups. Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Learn more about Crazy Love at [www.crazylovebook.com](http://www.crazylovebook.com). "When church historians reflect on the worship revolution that happened around the turn of the 21st century, Darlene Zschech will be credited for playing a major role," Bill Hybels says. While challenging the Christian in the congregation to be an extravagant worshiper, Zschech also presents valuable insights and help for the worship leader. These are the words of a woman of God who lives what she writes. Two worship

experts issue a call to renewed appreciation of the role and power of language in worship. The bestselling author of *Christ-Centered Preaching* provides a useful and accessible resource that traces the history of Christian worship and calls contemporary congregations to gospel faithfulness. Why do you lead worship? Often the motives are mixed. You find yourself wanting to point people to Jesus but also feeling a desire to be noticed and praised, to make yourself the center of attention. Stephen Miller is the worship pastor for a large church of young, energetic Christians. He and his band record albums and lead worship for conferences all over the country. He knows the temptation to make himself the show, to pursue fame, to seek the applause of other people. And he has learned to want nothing to do with it. In this book, Miller exhorts his fellow worship leaders to make Jesus the center of all their efforts. He teaches how to do this with Scripture, teaching, prayer, story, and song. In all, Miller's call for worship leaders is to lead worship, whole-hearted and whole-minded exalting of God, rather than making a spectacle out of it. *Worship Leaders, We're Not Rock Stars* will encourage and challenge worship leaders by clarifying their purpose and identity, and by doing so will bless those they lead. *A Groundbreaking Manifesto on the Meaning of Life* This book will help you understand why you are alive and God's amazing plan for you-both here and now, and for eternity. Rick Warren will guide you through a personal 40-day spiritual journey that will transform your answer to life's most important question: What on earth am I here for? Knowing God's purpose for creating you will reduce your stress, focus your energy, simplify your decisions, give meaning to your life, and, most importantly, prepare you for eternity. *The Purpose-Driven Life* is a blueprint for Christian living in the 21st century-a lifestyle based on God's eternal purposes, not cultural values. Using over 1,200 Scriptural quotes and references, it challenges the conventional definitions of worship, fellowship, discipleship, ministry, and evangelism. In the tradition of Oswald Chambers, Rick Warren offers distilled wisdom on the essence of what life is all about. This is a book of hope and challenge that you will read and re-read, and it will be a classic treasured by generations to come. *Renowned Songwriter and Author Helps Readers See Worship as a Way of Life* It can be easy to have a heart filled with worship on a Sunday morning as the church band is playing your favorite song. But then comes Monday morning's commute or Tuesday afternoon's pile of laundry. So what does worship look like in real life--at work, in your family, or with your friends? Darlene Zschech has spent her life thinking and teaching about worship. With wisdom and contagious joy, she shares her thoughts on what worship truly is and how it should invade every facet of your being. Let yourself be transformed by the purpose and freedom that come from living a life of worship. The modern chasm between "secular" work and "sacred" worship has had a devastating impact on Western Christianity. Drawing on years of research, ministry, and leadership experience, Kaemingk and Willson explain why Sunday morning worship and Monday morning work desperately need to inform and impact one another. Together they engage in a rich biblical, theological, and historical exploration of the deep and life-giving connections between labor and liturgy. In so doing, Kaemingk and Willson offer new ways in which Christian communities can live seamless lives of work and worship. Something is missing from our worship today. We are a people with faith but without fruit. We worship with our minds but not with our lives. We sing with our lips but not with our hearts. We've traded knowing God for inconsequently knowing about God. *You Are What You Worship* is not about worshiping with a song; it's about worshiping with your whole life. It's about beholding the Creator and becoming the creature you were made to be. This is a call for all who wish to follow Jesus and live out their true purpose. It's a call to worship both in spirit and in truth, to value what God values, and to worship as God desires to be worshiped. The heart of the biblical understanding of idolatry, argues Gregory Beale, is that we take on the characteristics of what we worship. Employing Isaiah 6 as his interpretive lens, Beale demonstrates that this understanding of idolatry permeates the whole canon, from Genesis to Revelation. Beale concludes with an application of the biblical notion of idolatry to the challenges of contemporary life. Contemporary worship music is ubiquitous in many Protestant Christian communities today. Rather than debating or decrying this post-worship-wars reality, David Lemley accepts it as a premise and examines what it means for us to be singing along with songs that aren't so different from the pop genre. How do we cope with the consumerism embedded in the

mentality that catchy is good? How do we stay committed to subverting cultural norms, as Christians are called to do, when our music is modeled after those cultural norms? How do we ensure that the way we participate in the liturgy of contemporary worship music rehearses a cruciform identity? *Becoming What We Sing* draws on cultural criticism, ethnomusicology, and liturgical and sacramental theology to process the deluge of the contemporary in today's worship music. Lemley probes the thought of historical figures, such as Augustine, Hildegard of Bingen, Martin Luther, and the Wesleys, while also staying situated in the current moment by engaging with cultural philosophers such as James K. A. Smith and popular artists such as U2. The result is a thorough assessment of contemporary worship music's cultural economy that will guide readers toward greater consciousness of who we are becoming as we sing "our way into selves, societies, and cosmic perspectives." As a pastor or worship leader, how do you plan a theologically grounded, relevant worship service? *Created to Worship* is a guide to help your church grow in a theology of worship. A new commentary for today's world, *The Story of God Bible Commentary* explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: **LISTEN** to the Story: Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story. **EXPLAIN** the Story: Explores and illuminates each text as embedded in its canonical and historical setting. **LIVE** the Story: Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students. —Ephesians— Like all of Paul's letters, *Ephesians* is centered in the gospel and its implications. It tells the story of what God has done in Christ and spells out the ethical implications of this story. But the letter to the Ephesians is unique among Paul's letters in many ways, including in how it tells of the story of God, beginning "before the creation of the world" and ending in eternity. Edited by Scot McKnight and Tremper Longman III, and written by a number of top-notch theologians, *The Story of God Bible Commentary* series will bring relevant, balanced, and clear-minded theological insight to any biblical education or ministry. Malls, stadiums, and universities are actually liturgical structures that influence and shape our thoughts and affections. Humans--as Augustine noted--are "desiring agents," full of longings and passions; in brief, we are what we love. James K. A. Smith focuses on the themes of liturgy and desire in *Desiring the Kingdom*, the first book in what will be a three-volume set on the theology of culture. He redirects our yearnings to focus on the greatest good: God. Ultimately, Smith seeks to re-vision education through the process and practice of worship. Students of philosophy, theology, worldview, and culture will welcome *Desiring the Kingdom*, as will those involved in ministry and other interested readers. *Emerging Worship* is a call for a new breed of worshiper, one who hears the sounds of Heaven and brings it to earth. If your hearts leaps at these words, this book is for you! Each generation produces those whose primary purpose is to transfer the songs and sounds of Heaven to earth. *Emerging Worship* shows you how to: Become the sound and song of Heaven. Engage Heaven to transform earth. Join worship with intercession. Release new levels of corporate worship. Engage the Key of David in worship to unlock cities and regions. Recognize and activate an emerging generation. Father and be fathered. Author Roland Worton invites every member of the Body of Christ to permeate your community, city, and nation with the sounds and songs of Heaven. Many churchgoers assume that worship is inherently boring, something we need to make exciting. But as Jonathan Landry Cruse shows, churchgoing only seems monotonous and mundane because our eyes are blinded to the supernatural wonder that is taking place all around us. In this book, Cruse helps us perceive the significance of worship and guides us through the spiritual actions of a worship service. Once you recognize how God is doing something to us and for us and through us in each element of the service, Lord's Day worship will become the highlight of your week! Table of Contents: Foreword by Michael S. Horton Part 1: Introduction 1. What Happens When We Worship? Part 2: A Brief Theology of Worship 2. The Most

Important Thing We Will Ever Do 3. We Are Being Shaped 4. We Meet with God 5. God Renews His Covenant 6. We Submit to God's Agenda 7. We Commune with the Saints Part 3: The Parts of the Service 8. God Calls Us 9. The Verdict Is Pronounced 10. Jesus Gets Up to Preach 11. God Feasts with Us 12. We Get a New Name 13. We Sing a New Song Part 4: Conclusion 14. Extraordinarily ordinary Worship 15. Preparing for Worship

Jesus is the purpose and central message of worship. In this postmodern era, the church finds herself struggling to be heard amidst a myriad of cultural voices where bigger is better and where the hurting and confused just want to feel good. Joyce and Sorensen remind us that if people "do not see the power of God in churches, they will seek the power of another god elsewhere." As Jesus showed the woman at the well, we have to show people in their own language that their deepest thirst can only be quenched by living water. This book will help your church reclaim the power of worship through praise, prayer, study, and Communion. Included are original lyrics and service ideas that can be used in both traditional and contemporary worship settings including Sunday morning, youth meetings, and retreats. The book also provides links to the authors' websites where you can share ideas and feedback. Read the Introduction

Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'. Practicing untried methods and ideas on your congregation or music team often proves discouraging. Trying unsuccessful ventures long term can be devastating. Tom Krauter needs and desires of those involved in the ministry of praise and worship. Bachelor Thesis from the year 2009 in the subject Theology - Biblical Theology, grade: A-, , course: PASTORAL STUDIES, language: English, abstract: The desire to worship is one of the in-built components of human beings. In a general sense, whatever man reveres, adores, depends on and trusts or has faith in, it becomes like a god to him or her. This god normally has a special place in the heart of man - this leads to man spending much time, energy and resources on it. It can be said that man literally worships whatever serves as a god to him/her. In a spiritual sense, worship is offered to a supreme being. This worship is done as appreciation to the Supreme Being and also to smoothen the relationship between the worshipper and the Supreme Being. The idea and concept of worship in Africa precedes the coming of Christianity to the African continent. Worship is the vital aspect of the African Traditional Religion (A.T.R). It presents to the African man the idea of a supreme being existing somewhere in the spirit world, which could be reached through semi-gods or small gods such as the ancestors and the spirits. Virtually all the basic necessities of man have gods in charge of them, e.g. there is the god of rainfall, the god of fertility, the god of war etc. These gods are constantly worshipped or appeased when the need arises. Christians from such religious backgrounds often worship the Christian God from the African Traditional Religion (A.T.R) perspective leading to syncretism. Evangelism brings people from the African Traditional Religion (A.T.R), but it takes discipleship to change the African Traditional Religion (A.T.R) concept of worship to the worship of the Christian God. This research explores the biblical concept of worship as defined by Jesus Christ in John 4:23-24. The aim is to remedy the syncretistic worship that has encroached into African Christianity. Through careful exegesis in both Old and New Testaments, David Peterson unveils the total life-orientation of worship that is found in Scripture. Rather than determining for ourselves how we should worship, we, his people, are called to engage with God on the terms he proposes and in the way he alone makes possible. Dr. R.C. Sproul is one of today's preeminent theologians. For more than fifty years his solid, practical messages have impacted and inspired generations of believers. The "Classic Theology Series" continues Dr. Sproul's legacy. How

Then Shall We Worship? is a landmark look at God's design for authentic worship. Today's church cannot seem to agree on what corporate worship should look like. Some choose contemporary forms, others prefer traditional expressions. Yet pop culture or the status quo do not hold the answers. God's Word does. Dr. Sproul digs deep into rich Scripture passages to provide a guide for worship today. Readers will discover that God intends worship to be an unforgettable encounter between Himself and His people—a joyous experience engaging the worshiper's entire being. Reformation Worship is an invaluable tool for pastors, worship leaders, and anyone interested in seeking to craft public worship services in the great tradition of the early Reformers. Authors Jonathan Gibson and Mark Earngey help to transform corporate worship by including twenty-six liturgies, along with historical introductions that provide fresh analysis into their origins. Christians learn to worship from the generations of God's people who have worshipped before them. We sing psalms, because thousands of years ago, God's people sang them. Five hundred years ago, the leaders of the Reformation transformed Christian worship by encouraging the active participation and understanding of the individual worshiper. Christian worship today is built on this foundation. Jonathan Gibson and Mark Earngey have made worship from the Reformation era accessible by compiling the most comprehensive collection of liturgies from that era into newly translated modern English from the original German, Dutch, French, Latin, and early English. The structure of the liturgies, language, and rhythm continue to communicate the gospel in word and sacrament today. They provide a deep sense of God's call to worship and an appreciation for the Reformers as, first and foremost, men who wanted to help God's people worship. This book will also be of great interest to theological scholars and students who wish to understand early Reformation leaders. A useful tool for individuals, Reformation Worship can be used as a powerful devotional to guide daily prayer and reflection. By providing a connection to Reformation worship, Gibson and Earngey hope their work will inspire readers to experience what John Calvin described as the purpose of all church worship: "To what end is the preaching of the Word, the sacraments, the holy congregations themselves, and indeed the whole external government of the church, except that we may be united to God?" Let Every Breath You Take Be an Act of Worship Worship is more than singing on Sunday morning. While that's part of it, worship is the essence of what makes us truly human. God sparked this desire within our hearts from the day He first breathed life into Adam and Eve. Since then, every single human who has walked this planet has participated in this God-given ability, and divine quest. While many have squandered their gift, there are those who find the wonder-filled life of communion with God no matter the time or place. True freedom comes when worship flows through us as naturally as the air we breathe, when the words and actions in our lives resonate with our Creator so deeply that every inhalation is full of meaning. When we understand the holiness of the God who knows the stars by name—and His overwhelming love for each one of us—how can we offer anything less? In *The Air I Breathe*, Louie Giglio explains in passionate prose what it means to truly live a life of worship, offering insight and guidance for finding our personal path towards connecting with the God of the Universe. Ruth is such a gift to us—her voice is strong and honest, yet believably grace-filled and kind. We learn and grow into who we want to be when Ruth's words and art lead us. —Annie F. Downs, bestselling author of *100 Days to Brave* and host of *That Sounds Fun* podcast *Become What You Behold* You are in the process of becoming. Every day is an opportunity to be shaped and formed by what moves your heart...drives your thoughts...captures your gaze. Is it any wonder that where you direct your eyes and your heart matter in your day-to-day? We become what we behold when we set our hearts and minds on Christ and His redemption story here in the details of our daily lives. Not just on Sunday, not just on holidays, not just when extraordinarily hard or wonderful things happen...but today. Bestselling author and artist Ruth Chou Simons invites you on a new journey to *Beholding and Becoming*. With more than 850 pieces of intricate, original artwork, Ruth encourages you to elevate your gaze to the One who created all things. Today is an opportunity for God to demonstrate His love and His faithfulness in the midst of your mundane. No circumstance is too ordinary or too forgotten for Him to meet you there in worship. His transforming grace turns your "everyday ordinary" into a holy place of becoming. Worship is more than music. It is the

impetus for everything we do as Christians. It is expressed through every action of our lives and helps us become more Christlike. When we learn to worship God through our life, we become better Christians, ministers, musicians, parents, and mechanics. Transform every area of your life through worship. This book unfolds a holistic view of worship so that you can experience peace, joy, and the richness of living in God's presence. Be drawn to the heart of God as you explore answers to important questions such as: What are praise and worship, and what is my part in them? If I'm not a musician or singer, how can I be a worship leader? What does the Bible teach about how we come into the presence of God and how we lead other people into the presence of God? Everyone worships. But Jesus tells us that God is seeking a particular kind of worshiper. In *True Worshipers*, a seasoned pastor and musician guides readers toward a more engaging, transformative, and biblically faithful understanding of the worship God is seeking. True worship is an activity rooted in the grace of the gospel that affects every area of our lives. And while worship is more than just singing, God's people gathering in his presence to lift their voices in song is an activity that is biblically based, historically rooted, and potentially life-changing. Thoroughly based in Scripture and filled with practical guidance, this book connects Sunday worship to the rest of our lives—helping us live as true worshipers each and every day. Can work really be worship? Should people of faith leave their faith at the door when they go to work? Or should they make their work an act of worship and turn their labor into a legacy that will impact the world today and for generations to come? Whether you're a rank-and-file employee, a corporate executive, or a business owner, you can leave an indelible imprint on the world through your work. In *Work as Worship*, author Jacquelyn Lynn and marketplace ministry expert Mark Goldstein talk about the challenges Christians face in the workplace and how to turn your particular workplace into a richly rewarding marketplace ministry that will let you serve in ways you never imagined. Praise for *Work as Worship*: Mark combines his faith, his marketplace ministry expertise, and his real-life formula for turning your business or career into a legacy. I highly recommend *Work as Worship*. Rich Panner, VP Sales, Pepsico Beverages North America Jacquelyn Lynn and Mark Goldstein take you on a journey of revelation, encouragement and practical hands-on insights that will move you to another level of understanding and fruitfulness. Peter Lowe, CEO, Elev8 Christian Business Summits In *Work as Worship*, Mark accomplishes in writing what he has done for years: help people like me to understand that work is what we do and not who we are, and that we are called to do our best and then rest. John Crossman, CCIM, CRX, Chief Executive Officer, Crossman Career Builders What a valuable read! Jacquelyn Lynn and Mark Goldstein do a tremendous job of providing practical thoughts for carrying Christianity into the work field. Dr. Samuel C. Certo, Emeritus Dean and Professor of Management, Rollins College MBA Program This study helps believers to cultivate a discipleship approach that embraces the values of worship and evangelism. It's not about any person who's going to pick it up. No, these addresses fix on a much more glorious, worthy, and fascinating topic: the God, the Creator, the Redeemer as revealed in the Bible. The study of God is like a brilliant diamond we should keep holding it up to the light to see new details of its beauty. Before the awe of such a God, what room is there to focus on man? Our only place is to respond to him and even our response does not depend on us! We must not only worship him, but also if our worship is to be meaningful and not cheapened learn how he is to be worshiped. The Princeton Regional Conference on Reformed Theology presents the following pastor-scholars, who delve into the glory of God and into his grace in making sinners into worshipers: Bryan Chapell - *God's Glory Revealed* Charles D. Drew - *Called by God to Worship* Richard D. Phillips - *Sought by Christ to Worship* Joseph "Skip" Ryan - *Guided by God's Sovereign Providence* Philip Graham Ryken - *Redeemed by God's Sovereign Mercy* Michael S. Horton - *Sanctifying Grace* Richard D. Phillips - *Our Holy Redeemer* Michael A. G. Haykin - *The Spirit of Holiness* R. Albert Mohler - *Know the Truth* D. A. Carson - *I Am the Truth* Learn from these teachers about the glory of, the providential work of, and our proper response to the amazing God we worship. What an incredible thought! God has been inviting, transforming, and sending people just like you since the beginning of time. Discover what He could do if you fully invested in 30 meetings with Him. Get ready for the journey of a lifetime! For nearly 40 years I have watched Ray

Jones lead people into the presence of God through worship. This is not simply a book on worship but it is an expression for those many years of living a life of true worship. Taking this journey will help any believer become a more passionate worshipper. Jack Price - Founder Prism Music 'Will You Worship?' is a call back to the basics we overlook all too often - an authentic, personal relationship with Jesus Christ. We often wonder why our influence for Christ has been so marginalized in our world. The answer is to offer ourselves more fully to God as worshipers. Ed Stetzer - President and Author of Transformational Church Lifeway Research Ray Jones has given us a much-needed tool to help us learn how to seek God. 'Will You Worship?' is a valuable resource for everyone - from new believers to life-seasoned saints. Dennis Jernigan - Worship Leader and Author of The Chronicles of Bren: Capture Shepherd's Heart Music Ray Jones has led worship in churches, cities and neighborhoods worldwide for over 40 years. He is currently Worship Ministry Pastor at Community Bible Church in San Antonio, Texas which in one of the fastest growing congregations in the nation. Dino Senesi has led congregations and leaders in various roles for 30 years. He is a writer, leadership coach, and consultant who is currently the Journey Groups Pastor at North Rock Hill Church, Rock Hill, S.C.
