This is a novel that offers information about the relationship that exists in the activities of the spirit on the two planes of life. Renewing his interest in our inner improvement, Andre Luiz tells the moving story of Amaro, Zulmira, Odila and other characters, recounting the events of their previous lives from the time of Brazil's War with Paraguay (1864-1870) through the days of old Rio de Janeiro (early 1900s). In its preface, Emmanuel assures us that "The basic pictures of the narrative are intimately familiar to us," such as family dysfunctions, the torment of jealousy, and the daily struggle for moral progress. Each page of *Between Heaven and Earth* discloses new knowledge and emotions. DIV It is truly possible for human people to walk in the divine, and Christ came to show us the way. It is by rediscovering our true identity in Him that we can begin to move into the promises of God regarding the miraculous. Is the Christian faith just about securing a place in heaven when we die? In *What on Earth is Heaven?* James Paul explores the radical truth of what the Bible says about

heaven and the afterlife, and its relevance for your life here and now on earth. Unpacking the biblical story of the separation and reunion of heaven and earth, he shows that heaven isn't a place somewhere 'out there' but a dimension of reality - the dimension where God's will is done. The Good News isn't that we get to escape to heaven, but that God invites us to be a part of his plan to bring the kingdom of heaven to our square inch of the earth. Insightful and accessible, *What on Earth is Heaven?* is a book for anyone wanting a deeper understanding of the Bible's teaching on heaven, or anyone who has wondered about the true meaning of finding heaven on earth. Life-affirming and uplifting, this book will fire your imagination as to how you can be a part of bringing heaven to the world around you. *Heaven's Invasion Changes Everything!* What if the testimony of God's goodness on your life brought nations to Christ? What if your faithfulness in stewarding money qualified you to shape the culture over cities? What if prosperity wasn't selfish? Many are frustrated because they've tried the principles of sowing and reaping without first establishing "The Foundation for Supernatural Finances." That's like building a financial house with no foundation or frame structure. This book will: Give you a Kingdom lens to view your finances, prosperity and the purpose of money through. Equip your head, heart and hands with revelation, activations and testimonies. Enable you to build the financial foundation to partner with heaven and see it released here on earth! Heaven is looking to invade your finances. Will you give them a "Foundation" to land on? *Unleash the Power of Heaven in Your Life* We all face difficulties in life, situations that seem hopeless and detour us away from our dreams. Weighed down by the impossible, we forget that we have the power of heaven within our grasp--power that can change any situation and overcome every problem. With insight and passion, Bill Johnson shows how you can access this divine power through the Holy Spirit--and how the Spirit will endow you with the three supernatural gifts of 1 Corinthians 13: faith, hope and love. He reveals simple, practical ideas about these three aspects of Jesus' grace that will not only transform the way you think, act and love, but will transform the very atmosphere around you--and will unleash heaven's power in your world. *Get Ready to Experience the Impossible!* "I don't want to go to heaven. Not that I'm lobbying for the other place . . ." —Michael Wittmer This planet is more than just a stopover on your way to heaven. It is your final destination. God wants you to enjoy your earthly existence, and to think otherwise is to miss the life he intends for you. Exploring the book of Genesis, *Heaven Is a Place on Earth* gently but firmly strips away common misconceptions of Christianity and broadens your worldview to reveal the tremendous dignity and value of everyday life. Taking you from creation, to the fall, to redemption, and to glimpses from the book of Revelation, Michael Wittmer opens your eyes to a faith that encompasses all of life--baseball games, stock reports, church activities, prayer, lovemaking, work, hobbies . . . everything that lies within the sphere of human activity. To be fully Christian is to be fully human, says Wittmer, alive and responsive to the kingdom of God in all that

you are and all that you do. Discover the freedom and impact God created you for. It starts with a truly Christian worldview. And its fruit is the undiluted gospel, powerful not only to save souls, but to restore them to a life that is truly worth living. Includes discussion/reflection questions after each chapter. Christians from a low-church background do not have to be afraid of liturgy and sacraments. On the contrary, these ancient ways of engaging with Scripture and faith, help us see the beauty and taste the grace of heaven through the incarnation of Jesus. Earth Filled with Heaven is an evangelical introduction to the theological framework and habits of the sacramental life. Author and Anglican priest Aaron Damiani translates this sometimes strange-to-us way of Christ-centered faith in an invitational and pastoral manner. He orients readers around a weekly celebration of the Lord's supper, water baptism, liturgical prayer, the church calendar, the daily office—rhythms that quietly nourish us with the life of Jesus. As there are no recent lay introductions for protestant Christians who desire to deepen their roots in the ancient practices of the church, Earth Filled with Heaven speaks to a growing group of faithful Christians discovering these historic church practices for the first time. This is not an invitation to wealth, fame, or power. It's an invitation to a life long journey of discovering all that God intended you to be. Jokes often touch on the biggest topics of our existence, but many Christians haven't taken

humor seriously. This insightful yet delightful crash course from philosopher Steve Wilkens argues that viewing Scripture and theology through the lens of humor helps us understand the gospel and avoid the pitfalls of both naturalism and gnosticism, while facilitating a humble, honest, and appealing approach to faith.
