From junior partner to senior partner to what's next? For the past two years, Sarajeane Winters has been a junior partner in her father's law firm. Everything looked as if it would remain like that until one day her father decided to change all that. Could this be the life God has designed for her? Then one evening, forced to attend the firm's party, she met the man of her dreams. In one explosive evening's encounter, as she began to question everything, she realized that her destiny was not in law, but in something else. Will she accept the challenge? Bringing to light an extreme fundamentalist Christian view, this insider's perspective offers hope to people grappling with the aftereffects of a cult-like movement often known as "Reparative Therapy." The movement assumes that going from gay to straight is easily changeable and change-worthy, despite decades of psycho/sexual research to the contrary. Although it did not succeed in making the author—a Southern Baptist who attended an ex-gay ministry at a young age—straight, it did undermine his self-esteem and confuse him significantly, thus leading him to pursue an advanced degree in sexology in order to help others in similar positions. Offering a detailed comparison of the ex-gay world and the phenomenon known as Religious Abuse, this manual shares a personal journey through the hopeless mistreatment and manipulative system of ex-gay ministries and the recovery process involved in regaining strength, acceptance, and self-worth. It is that time of the year. The time when every couple will be spending that time being cozy and warming to each other. The time you show love and kindness to one another, be it your family, stranger anyone. How about Ifeoluwa Tobiloba? Her boyfriend of two years and fiancé of 6 months recently dumped her over a

text message. She had everything planned out on how she was going to spend this lovely season with Tomiwa but it all ended a week to Valentine's day. Nursing a broken heart and thinking of how she wouldn't be alone on valentine's day to avoid mockery from her family members she had boasted to about her plans for valentine's week with Tomiwa. Now she needs to look for someone who is ready to spend this special holiday season with her for a whole week in Maldives and someone who is just coming as a friend and who wouldn't catch feelings.

"Now You Love Me marks a luminous debut, a work of genuine humor and grace. Narrated by Annie Child, in a voice both direct and full of wonder, the ten linked tales of Now You Love Me illuminate a year in the life of one family's search for love. Set against the vast lakes and small resort towns of northern Michigan, Annie's childhood world is measured by the sharp realizations and losses of adult understanding, yet follows the elusively dreamy logic of her mother. Family is a complex affair: Gus, Annie's knowing younger brother; Paige, their wildly free-spirited mother; Shepherd, Paige's loopily steadfast musician/electrician boyfriend; Susie Medicinehat, a mysterious housekeeper; Aunt Claire, the ignored lone voice of reason; and a host of other eccentric friends and half-strangers, all of whom swirl in and out of Annie's life." "Now You Love Me offers up a bright constellation of believers and dreamers, hitchhikers, mystical babysitters, lost fathers and found love. This is a joyfully original portrait, heartbreaking and generously funny, as precise as a magician's sleight of hand and true as a letter mailed back from childhood."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. A Year of Love Each day of this year I am challenging myself, and anyone else who will join, to love like you've never been hurt. Love unconditionally. Love completely. Love forgivingly. What if when Jesus said to love your neighbor as yourself, He really meant it? Think about your neighbors, your co-workers, your in-laws and even your outlaws.... Do you love them as yourself? I would like to start with the two greatest commandments: Matt. 22:34, "Hearing that Jesus had silenced the Sadducees, the Pharisees got together. 35 One of them, an expert in the law, tested him with this question: 36 "Teacher, which is the greatest commandment in the Law?" 37 Jesus replied: "'Love the Lord your God with all your heart and with all your soul and with all your mind.' 38 This is the first and greatest commandment. 39 And the second is like it: 'Love your neighbor as yourself.' 40 All the Law and the Prophets hang on these two commandments." In Reality, Jesus said this: Love God & Love People Let us hold these two truths in our hearts this year and Love God with all of our heart, soul, and minds and Love others as much as we love ourselves.... Reprint of the original, first published in 1864. other lovers as well, this evocative, lyrical tribute to love and its healing, restorative powers, is complemented by 21 diverse works by Henri Matisse, including oils, line drawings, paper cut-outs, book illustrations, and linocuts. In July 1998, GOD approached a man, to assist GOD and channel his will into the written word. This book is the result of that conversation. GOD is responsible for the flow, topics and discussions. The man simply wrote what GOD spoke and what thoughts he received. "GOD is speaking - Are you listening? My Story" is GOD'S full disclosure to his human family, including his laws of Life and Death. He speaks to Steve as a friend. That is, a friend of GOD'S, chosen by GOD. The fact that anyone would be allowed to hear his voice is astonishing. In this day and age of miracles, is it so far fetched not to believe? He speaks to Steve of his world...Heaven. He speaks of his Love for his human family. GOD tells it like he sees it. No soft touch, no political correctness, just the plain truth, GOD'S Truth. July 5th 1998 4:00 P.M. I AM the GOD of ALL. The reason for this writing is that the stories I AM about to unfold to you, through my friend Steve, are stories to teach, inspire and to create hope. Hope, in that when you greet me in my Heavenly Kingdom, you will have a better understanding, appreciation and moral imperatives, necessary to the alleviation of your guilt. I AM in the world as a spirit of Love, hope, divine inspiration and most of all understanding. I have tried to conquer you, and your fears, by sending messengers to your world, Moses, Abraham, Isaac and Jesus the Christ. I have been alive 50 million of your Earth years and the stories I AM about to tell you are just one of many, told countless times in my Kingdom. Because I am playing the game, I stare deep into his eyes and then laugh as I smack at his hand playfully. His fingers slide up even further so I spread them just an inch so he can gain access while I smirk with delight. He leans forward and as the tip of his index finger brushes my slit, he whispers in my ear, "I want to taste your sweetness before I bury my cock so deep in you that it hurts." As I watch him bring his finger to his lips, a look of complete pleasure crosses his face and then he whispers breathlessly, "You are sinfully delicious. I must have more now." Love Me Now Is Part Two Of The Bad Behavior Series and picks up where the first one leaves off. You find out answers that have been left up in the air in the first one and learn more about them as you read on. Now, wait for the exciting conclusion to the hit The Bad Behavior Series in Love Me Forever and find out if Jon and Joanna's feelings for each other can withstand anything, or if they end up walking away. What do you do when one part of you just wants the love of a good man, but the other one craves the way cold steel feels between your fingers and the warmth of blood as it spills over your skin? Joanna Michaels is a woman who has a checkered past. While growing up in a broken home, she quickly learned that she was not like everyone else. From the moment she killed her parents without batting an eye, to the first unsuspecting victim, she knew that she could never confide in anyone. Of course, that is unless she was going to kill them soon afterwards. When detective Jon Harrison is appointed to the case, he notices that all the clues point in the direction of Joanna, but he can't prove anything unless he goes deep under cover and gets her to confide in him. However, does he forget exactly why he is there when he gets a little too close to her? For content warnings please check M.D. LaBelle's website. Second Kiss consists of ballets, poems, and expressions of my love for God. It was written to inspire the weak, lonely, as well as to strengthen the meek. We should enjoy life and what God has for us. We need to trust him and stop trying to do his job. If we can love one another, then the world could love itself. But Rhonda's patience with Caroline, who is battling her own demons, is coming to an end. Anything to do with Caroline is a lose-lose situation,

and Rhonda is ready to get out. Just as she plans to leave, Caroline hints there is more to her sad life story than drugs, prostitution, and self-loathing. Unwilling to let go, Rhonda initiates her own investigation into Caroline's past-and what she uncovers hits her and everyone around her like a whirlwind. Rhonda soon discovers the story she has always known about her life is actually nothing but a lie. Singing brings joy to all of our lives. Children especially seem to translate their days into joyful songs. Sing Your Prayers puts delightful new lyrics to popular children's songs and will add much joy to children's lessons as they learn to pray and to sing to God! Grades K-2 Mama, do you love me? Yes I do Dear One. How much? In this universal story, a child tests the limits of independence and comfortingly learns that a parent's love is unconditional and everlasting. The story is made all the more captivating by its unusual Arctic setting. The lyrical text introduces young readers to a distinctively different culture, while at the same time showing that the special love that exists between parent and child transcends all boundaries of time and place. The story is beautifully complemented by graphically stunning illustrations that are filled with such exciting animals as whales, wolves, puffins, and sled dogs, and a carefully researched glossary provides additional information on Arctic life. This tender and reassuring book is one that both parents and children will turn to again and again. This is a Poetry book of my collection of love poems and more that I wrote during my lifetime

Watching him on Last Chance U was the most interesting thing on TV since The Sopranos. He's the Tony Soprano of football." Michael Rapaport Actor/Comedian "JB was the first QB I coached at Compton College. Jason's father came to me to make sure I would look after him and I took that task on head first and with honor. Jason not only became my first All-American QB, he went on and did everything he said he would. This book epitomizes who he is: straightforward, driven, emotional, and 100% invested in the WIN." Coach Cornell Ward Former Head Coach Compton Community College

“I did not have a single college scholarship offer coming out of high school. Jason Brown saw potential in me when no one else did. He helped teach and mold me into a future NFL QB.” Brad Sorensen Quarterback San Diego Chargers Tennessee Titans Minnesota Vikings “Jason and I have known each other for twenty years. I coached against Jason while he was a player and together on the same staff. The general public does not know how caring and committed he is to the well-being of his players. Many outside of his circle fail to ascertain this quality in him but once you get to know JB, you will appreciate Jason Brown.” Marguet Miller Head Football Coach West Los Angeles College The human mind, body and spirit is in constant need of an oasis to which it can constantly resort. In a world that is traveling faster than a rollercoaster, we will always find ourselves in a valley of decision The search for enlightenment, motivation and inspiration is the fuel that drives us and keeps us on the path we need to go. It allows us to go forward and not keep on going through the same revolving door in life. Words that inspire us and allows us to gain insight and question ourselves, will require answers to how we look at life and what we might have to do to change our perception about many different things. Sometimes words suddenly make us surprise ourselves, in realizing somewhere along lifes roll call, we have been missing a beat. We shock ourselves into admitting we were wrong or right about some things, but totally out of touch about other things, and like it or not we have to change our outlook Such is progress, but it also tells us something about ourselves, and how essential change is in all our lives in order to move forward in the march of time. When wisdom enters your heart and knowledge is pleasant to your soul, discretion will preserve you, understanding will keep you. Proverbs 2:verse 10 & 11 Reflections through an Hourglass takes you on a tour of your heart and mind to your inner being so you might look into and question the meaning of your purpose in this life Every life is a Storybook. from the Introduction Readers have fallen in love with the Irish O’Neill brothers...now it’s time for Sean O’Neill’s story!
